Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 2, 2008, the board of directors of Sterling Chemicals, Inc. (the Company) approved the grant of options under the Company's Amended and Restated 2002 Stock Plan to purchase 5,000 shares of the Company's common stock, at a price per share of \$31.60, to John R. Beaver, the Company's Senior Vice President Chief Financial Officer. The options will vest in three equal annual installments beginning on May 2, 2009. None of the options may be exercised after the tenth anniversary of the date of grant or the earlier termination of such option, and the options will become fully exercisable in the event of a change of control, which includes the acquisition of beneficial ownership by any person (other than Resurgence Asset Management, L.L.C. and its affiliates) of at least 50% of the Company's outstanding common stock or at least 50% of the combined voting power of all the Company's outstanding securities entitled to vote generally in the election of directors, (ii) the sale, lease, exchange or transfer of substantially all of the Company's properties and assets or (iii) the Company's merger or consolidation with another entity if the holders of the Company's existing voting securities own less than a majority of the voting securities of the surviving entity. Approval of the option grants was in connection with Mr. Beaver's promotion to the position of Senior Vice President Chief Financial Officer, so that his overall compensation and incentives would be aligned with those of the Company's other executive officers.

The form of option agreement used in connection with the Mr. Beaver's option grant described above is filed as Exhibit 99.1 hereto and is incorporated herein by reference.
