**Item 1.01 Entry into a Material Definitive Agreement.**

On January 26, 2009, Calumet Shreveport Fuels, LLC ( *Calumet* ), a wholly-owned subsidiary of Calumet Specialty Products Partners, L.P. (the *Partnership* ), entered into a Master Crude Oil Purchase And Sale Agreement (the *Agreement* ) with Legacy Resources Co., L.P. ( *Legacy* ). Under the Agreement, it is contemplated Legacy will supply the Partnership's Shreveport refinery with a portion of its crude oil requirements that are received via common carrier pipeline. Under the terms of the Agreement, Legacy and Calumet will enter into purchase and sale order confirmations to evidence such sales and purchases from time to time as the parties may agree. Until Legacy and Calumet execute such a confirmation, neither party is obligated to buy from or sell to the other any crude oil, but such a confirmation shall evidence a binding agreement for the sale of the crude oil further described therein on the terms set forth therein. Pricing for the crude oil purchased under each confirmation will be mutually agreed to by the parties and set forth in such confirmation and will include a market-based premium as determined by Legacy and agreed to by Calumet. Generally, this market-based premium will vary based on the pricing per barrel for the crude oil prior to the addition of such premium. The Agreement is effective as of January 26, 2009 and will continue to be in effect until terminated by either party by written notice. Title and risk of loss of the crude oil will pass from Legacy to Calumet as crude oil is delivered to Calumet, generally as the crude oil is delivered into a common carrier pipeline in which the crude oil will then be transported to Calumet's Shreveport refinery. Calumet will provide Legacy with a nonbinding indication of need for crude oil on a monthly basis to provide Legacy with guidance for purposes of seeking out and procuring the crude oil from other crude oil suppliers for resale to Calumet. Based on historical usage, the estimated volume of crude oil to be sold by Legacy and purchased by Calumet under this Agreement is up to 15,000 barrels per day. Because Legacy is owned in part by The Heritage Group, an affiliate of our general partner, and our chief executive officer and president, F. William Grube, the terms of the Agreement were reviewed by the Partnership's conflicts committee, which consists entirely of independent directors. The conflicts committee approved the Agreement after determining that the terms of the Agreement are fair and reasonable to the Partnership. The foregoing description is qualified in its entirety by reference to the Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated into this Current Report on Form 8-K by reference.
