THE COMPANY

We provide insurance brokerage, risk management and related services to our clients in the United States and abroad. Our principal business is the negotiation and placement of insurance for our clients. We also specialize in furnishing risk management services. Risk management involves assisting clients in analyzing risks. This analytical process involves determining whether proper protection is best obtained through the purchase of insurance or through retention of all or a portion of those risks and the adoption of corporate risk management policies and cost-effective loss control and prevention programs. Risk management services also include claims management, loss control consulting and property appraisals. We believe that our ability to deliver comprehensively structured risk management and brokerage services is one of our major strengths. In addition, we have a financial services operation that manages our investment portfolio.

We operate through a network of more than 250 offices located throughout the United States and eight countries abroad and through a network of correspondent brokers and consultants in more than 100 countries around the world. Some of these offices are fully staffed with sales, marketing, claims and other service personnel; others function as servicing offices for our brokerage and risk management service operations. Our international operations include a Lloyd's of London broker and affiliated companies in the United Kingdom and other facilities in Australia, Bermuda, Canada, Scotland, Singapore, New Zealand and Papua New Guinea.

We were founded in 1927 and were reincorporated as a Delaware corporation in 1972. Our principal executive offices are located at Two Pierce Place, Itasca, Illinois 60143-3141, and our telephone number is (630) 773-3800.

PLAN OF DISTRIBUTION

The shares of our common stock covered by this prospectus may be offered and issued by us from time to time in connection with future acquisitions of other businesses or properties.

We expect to offer and sell the shares covered by this prospectus in connection with future acquisitions within the next two years. We anticipate that our future acquisitions will consist principally of additional insurance brokerage and related businesses. The consideration for acquisitions may include cash, including installment payments, shares of common stock, other securities including securities which may be converted into common stock, guarantees, assumptions of liabilities or any two or more of the foregoing, as determined from time to time by negotiations between us and the owners or controlling persons of the businesses or properties to be acquired. In addition, we may enter into employment contracts and non-competition agreements with former owners and key executive personnel of acquired businesses. At this time we are engaged in preliminary discussions with a number of candidates for possible future acquisitions.

Edgar Filing: GALLAGHER ARTHUR J & CO - Form S-4

In general, the terms of a future acquisition will be determined by negotiations between our representatives and the owners or controlling persons of the businesses or properties to be acquired, and the factors taken into account in an acquisition may include the established quality and reputation of the business and its management, gross commission revenues, earning power, cash flow, growth potential, location of the business and properties to be acquired and geographical and service diversification resulting from the acquisition. We anticipate that shares of our common stock issued in any future acquisition will be valued at a price reasonably related to the current market value of the common stock as reported for securities listed on the NYSE, either at the time the terms of the acquisition are tentatively agreed upon or at or about the time or times of delivery of the shares. We do not expect to receive any cash proceeds, other than cash balances of acquired companies, in connection with any such issuances.

We do not expect that underwriting discounts or commissions will be paid by us except that finder's fees may be paid to persons from time to time in connection with specific acquisitions. Any person receiving any such fees may be deemed to be an underwriter within the meaning of the Securities Act of 1933.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers

Article Seventh of our By-laws (filed as Exhibit 3.2) and Article Thirteenth of our Restated Certificate of Incorporation (filed as Exhibit 3.1) provide in effect for our indemnification of each of our directors, officers, employees or agents to the full extent permitted by the Delaware General Corporation Law.

Edgar Filing: GALLAGHER ARTHUR J & CO - Form S-4

Article Seventh of our By-laws provides that we shall indemnify any person in connection with any action, suit, or proceeding brought or threatened by reason of the fact that he or she is or was one of our directors, officers, employees or agents, or is or was serving at our request as a director, officer, employee or agent of another enterprise, against all costs actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to our best interests, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. Similar indemnity is permitted to be provided to such persons in connection with an action or suit by us or in our right, and provided further that such person shall not have been adjudged liable for negligence or misconduct in the performance of his or her duty to us, unless, in view of all the circumstances of the case, the court in which the action or suit was brought determines that such person despite the adjudication of liability is fairly and reasonably entitled to indemnity for such expenses.

Article Thirteenth of our Restated Certificate of Incorporation eliminates the liability of our directors for monetary damages for breach of fiduciary duty as a director except where a director breaches his or her duty of loyalty to us and our stockholders, fails to act in good faith or engages in intentional misconduct or a knowing violation of law, authorizes the payment of a dividend or stock repurchase which is illegal under Section 174 of the Delaware General Corporation Laws or obtains an improper personal benefit.

We also maintain and pay premiums on a directors' and officers' liability insurance policy and have entered into an indemnity agreement with each of our directors and officers. The provisions of the indemnity agreement alter or clarify the statutory indemnity in the following respect: (1) indemnity will be explicitly provided for settlements in derivative actions; (2) prompt payment of litigation expenses will be provided in advance of indemnification; (3) prompt indemnification of advances of expenses will be provided unless a determination is made that the director or officer has not met the required standard; (4) the director or officer will be permitted to petition a court to determine whether his actions meet the standards required; and (5) partial indemnification will be permitted in the event that the director or officer is not entitled to full indemnification. In addition, the indemnity agreement specifically includes indemnification with respect to actions, suits or proceedings brought under and/or predicated upon the Securities Act of 1933 and/or the Securities Exchange Act of 1934.

The preceding summary is qualified in its entirety by our Restated Certificate of Incorporation, By-laws and the indemnity agreements.

Item 22. Undertakings

Edgar Filing: GALLAGHER ARTHUR J & CO - Form S-4

We hereby undertake as follows:

(1) To file, during any period in which any offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(5) That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

II-3

(6) That every prospectus (i) that is filed pursuant to paragraph (5) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act of 1933 and is used in connection with an

Edgar Filing: GALLAGHER ARTHUR J & CO - Form S-4

offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(8) To respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(9) To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective, except where the transaction in which the securities being offered pursuant to the registration statement would itself qualify for an exemption under Section 5 of the Securities Act of 1933, absent the existence of other similar (prior or subsequent) transactions.
