PROXY STATEMENT FOR ONLINE RESOURCES CORPORATION
2002 ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

WHY DID YOU SEND ME THIS PROXY STATEMENT?

We sent you this proxy statement and the enclosed proxy card because Online Resources Corporation's Board of Directors is soliciting your proxy to vote at the 2002 annual meeting of stockholders and any adjournments of the meeting. This proxy statement summarizes the information you need to know to vote at the annual meeting. You do not need to attend the annual meeting to vote your shares. Instead, you may vote your shares by marking, signing, dating and returning the enclosed proxy card.

On April 22, 2002, we began sending this proxy statement, the attached notice of annual meeting and the enclosed proxy card to all stockholders entitled to vote at the meeting. Only stockholders who owned Online Resources Corporation common stock at the close of business on March 25, 2002 are entitled to vote at the annual meeting. On this record date, there were 13,281,298 shares of Online Resources Corporation common stock outstanding. Online Resources Corporation common stock is our only class of voting stock. We are also sending along with this proxy statement, our 2002 annual report, which includes our financial statements for the fiscal year ended December 31, 2001.

HOW MANY VOTES DO I HAVE?

Each share of Online Resources Corporation common stock that you own entitles you to one vote.

HOW DO I VOTE BY PROXY?

Whether you plan to attend the annual meeting or not, we urge you to complete, sign and date the enclosed proxy card and to return it promptly in the envelope provided. Returning the proxy card will not affect your right to attend the annual meeting and vote.

If you properly fill in your proxy card and send it to us in time, your "proxy" (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the board of directors.

HOW DOES THE BOARD OF DIRECTORS RECOMMEND THAT I VOTE ON THE PROPOSALS?

Edgar Filing: ONLINE RESOURCES CORP - Form DEF 14A

The board of directors recommends that you vote as follows:

- "FOR" the election of the nominees for director;
- "FOR" ratification of the selection of our independent public accountants for our fiscal year ending December 31, 2002.

If any other matter is presented, your proxyholder will vote your shares in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that needed to be acted on at the annual meeting, other than those discussed in this proxy statement.

MAY I REVOKE MY PROXY?

If you give us your proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in any one of the following ways:

- You may send in another proxy with a later date;
- You may notify Online Resources Corporation's Secretary in writing before the annual meeting that you have revoked your proxy; or
- You may vote in person at the annual meeting.

HOW DO I VOTE IN PERSON?

If you plan to attend the annual meeting and vote in person, we will give you a ballot when you arrive. Please note, however, if your shares are held in the name of your broker, bank or other nominee, you must bring an account statement or letter from the nominee indicating that you are the beneficial owner of the shares on March 25, 2002, the record date for voting.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

PROPOSAL 1: ELECT DIRECTORS	The nominees for director who receive the most votes at the annual meeting (also known as a "plurality" of the votes) will be elected.
PROPOSAL 2: RATIFY SELECTION OF AUDITORS	The affirmative vote of a majority of the votes present or represented by proxy and entitled to vote at the annual meeting is required to ratify the selection of independent auditors.

WHAT IS THE EFFECT OF BROKER NON-VOTES, WITHHOLDINGS AND ABSTENTIONS?

- Broker Non-Votes: If your broker holds your shares in its name, the broker will be entitled to vote your shares on both Proposal 1 and Proposal 2 even if it does not receive instructions from you. If your broker cannot vote your shares on a particular matter because it does not have instructions from you or discretionary voting authority on that matter, this is referred to as a "broker non-vote". Broker non-votes are not considered to be present and represented and entitled to vote at the meeting as to proposals for which instructions have not been obtained or discretionary authority does not exist. Discretionary authority should generally exist as to the two proposals being presented to our stockholders. This means that there should be no broker non-votes at the annual meeting.
- Withholdings: Withholding authority to vote for a nominee for director

Edgar Filing: ONLINE RESOURCES CORP - Form DEF 14A

will have no effect on the outcome of the vote.

- Abstentions: Abstentions are treated as shares present or represented and entitled to vote at the annual meeting, and therefore, count towards the determination of a quorum. For matters such as Proposal 2, which require an affirmative vote of a majority of the shares present and entitled to vote at a meeting, an abstention generally has the same effect as a no vote.

IS VOTING CONFIDENTIAL?

We will keep all the proxies, ballots and voting tabulations private. We only let our Inspectors of Election and American Stock Transfer and Trust Company examine these documents. We will not disclose your vote to management unless it is necessary to meet legal requirements. We will, however, forward to management any written comments you make, on the proxy card or elsewhere.

WHAT ARE THE COSTS OF SOLICITING THESE PROXIES?

We will pay all of the costs of soliciting these proxies. Our directors, officers and employees may solicit proxies in person or by telephone, fax or email. We will pay these employees and directors no additional

2

compensation for these services. We have retained Georgeson Shareholder Communications, Inc. to assist in the distribution of proxy materials and solicitation of votes for a fee of \$5,000, plus reimbursement of out-of-pocket expenses. In addition, Georgeson Shareholder Communications, Inc. will reimburse brokerage firms and other persons representing beneficial owners of our common stock for their expenses in forwarding proxy materials to such beneficial owners and we will reimburse Georgeson Shareholder Communications, Inc. for the expenses. Our directors, officers and employees may supplement Georgeson's solicitation of proxies by mail, Internet, telephone, telegram, telex and personal solicitation. No additional compensation will be paid for such solicitation. We will ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses.

WHAT CONSTITUTES A QUORUM FOR THE MEETING?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock is necessary to constitute a quorum at the meeting. Votes of stockholders of record who are present at the meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

ATTENDING THE ANNUAL MEETING

The annual meeting will be held at 2:00 p.m. on May 21, 2002, at the Harvard Club of New York, 27 East 44th Street, New York, NY 10036. When you arrive at the Harvard Club of New York, signs will direct you to the appropriate meeting rooms. You need not attend the annual meeting in order to vote.

- (1) The options were granted pursuant to our 1999 Stock Option Plan.
- (2) The amounts shown in this table represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. These gains are based on assumed rates of stock appreciation of 5% and 10% compounded annually from the date the respective options were granted to their expiration date. The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise. Actual gains, if any, on stock option exercises will depend on the future performance of the common stock, the optionee's continued employment through the option period and the date on which the options are exercised.

AGGREGATED OPTION EXERCISES IN LAST FISCAL YEAR AND FISCAL YEAR-END OPTION VALUES

The following table shows information regarding exercises of options to purchase our common stock by each executive officer named in the Summary Compensation Table during the fiscal year ended December 31, 2001. The table also shows the aggregate value of options held by each executive officer named in the Summary Compensation Table as of December 31, 2001. The value of the unexercised in-the-money options at fiscal year end is based on a value of \$2.30 per share, the closing price of our stock on the NASDAQ National Market System on December 31, 2001 (the last trading day prior to the fiscal year end), less the per share exercise price.

NAME	SHARES ACQUIRED ON EXERCISE	VALUE REALIZED (1)	NUMBER OF SECURITIES UNDERLYING UNEXERCISED OPTIONS AT FISCAL YEAR-END		VALUE OF THE IN-THE-MONEY
			EXERCISABLE	UNEXERCISABLE	AT FISCAL EXERCISABLE
Matthew P. Lawlor.....	--	--	160,116	171,340	\$7,125

Carl D. Blandino.....	--	--	45,633	102,727	\$2,286

- (1) Amounts shown in this column do not necessarily represent actual value realized from the sale of the shares acquired upon exercise of the option because in many cases the shares are not sold on exercise but continue to be held by the executive officer exercising the option. The amounts shown

Edgar Filing: ONLINE RESOURCES CORP - Form DEF 14A

represent the difference between the option exercise price and the market price on the date of exercise, which is the amount that would have been realized if the shares had been sold immediately upon exercise.

CHANGE-IN-CONTROL ARRANGEMENTS

The 1999 Stock Option Plan provides that, upon a change in control, unvested options issued under the plan vest and become immediately exercisable for a period of one year after such occurrence.

PERFORMANCE GRAPH

The following graph compares the annual percentage change in our cumulative total stockholder return on its common stock during a period commencing on June 4, 1999 when we went public and ending on December 31, 2001 (as measured by dividing (i) the sum of (A) the cumulative amount of dividends for the measurement period, assuming dividend reinvestment, and (B) the difference between our share price at the end and the beginning of the measurement period; by (ii) the share price at the beginning of the measurement period) with the cumulative total return of the Russell 2000 Index and S&P Computer Software & Services Index during such period. We have not paid any dividends on our common stock, and no dividends are included in the representation of our performance. The stock price performance on the graph below is not necessarily indicative of future price performance. Prior to June 4, 1999, our common stock was not publicly traded. Comparative data is provided only for the period since that date. ON EXECUTIVE COMPENSATION

This report is submitted by the Compensation Committee, which is responsible for establishing and administering our executive compensation policies and stock option plans. This committee is composed of Ervin R. Shames, George M. Middlemas, and David A. O'Connor, none of whom is an employee of ours. This report addresses the compensation policies for fiscal year 2001 as they affected Matthew P. Lawlor, in his capacity as Chief Executive Officer, and our other executive officers.

The Compensation Committee makes recommendations to the Board of Directors concerning the compensation and benefits of our directors, executive officers and key employees, and acts on such other matters relating to their compensation as it deems appropriate. The Compensation Committee administers our 1999 Stock Option Plan, pursuant to which incentive stock options and non-statutory stock options may be granted to eligible employees, directors and consultants. The Compensation Committee also administers our executive and key employee incentive plan, pursuant to which eligible employees may be granted incentive compensation for achievement of company and individual performance targets.

Compensation Objectives. The Compensation Committee considers the following objectives in setting base salary and benefits and some of the following objectives in determining bonuses and long-term incentives for executives:

- establishing base salaries at a competitive average within our industry;
- rewarding the achievement of our annual and long-term strategic goals;
- retaining executive officers by offering competitive compensation and benefits at a competitive level with other executives in our industry; and
- providing additional motivation for the executive officers to enhance stockholder value by linking a portion of the compensation package to the performance of our common stock.
- rewarding achievement of individual performance targets.

Executive Compensation Program Components.

The three principal components of executive compensation are base salary, annual incentive bonuses, and long-term incentive compensation under our 1999 Stock Option Plan. Each of these components is discussed as follows:

BASE SALARY. The Compensation Committee's recommendations regarding the base salary of our executive officers, including the compensation of the Chairman of the Board and Chief Executive Officer, are based on a number of factors, including each executive officers' experience and qualifications, the potential impact of the individual on our performance, the level of skill and responsibilities and the other factors described above. Base salaries are reviewed annually, and the Compensation Committee seeks to set executive officer base salaries at competitive levels in relation to the companies with which we compete for executives. Base salaries for certain executive officers were increased in fiscal 2001 in order to retain key members of the management team to pursue our plans. Effective November 2001 for a period of 14 months, our executive officers received a portion of their salary ranged between 13 to 25% in non-qualified stock options in lieu of cash.

ANNUAL INCENTIVE BONUSES. The Company's annual incentive bonus program is designed to provide a direct financial incentive to our executive officers, including the Chief Executive Officer, as well as other key employees, for

Edgar Filing: ONLINE RESOURCES CORP - Form DEF 14A

achievement of specific Company and individual performance goals. Consistent with our executive and key employee incentive program, at the beginning of each fiscal year, the Compensation Committee determines:

- The employees by grade level that are eligible to participate in the plan for the year;
- The annual corporate performance goals for the year; and

12

- For each eligible employee, the target bonus level as a percentage of base compensation, the portion of the target bonus level that is based on achievement of Company performance goals, and the portion of the target bonus level that is based on achievement of individual performance goals.

In fiscal 2001, the Compensation Committee established incentive bonus compensation for executive officers and other key employees based on our targeted revenue, gross profit margin, service quality index and operating efficiencies as measured by cost/transaction and targeted SG&A levels.

LONG-TERM INCENTIVE COMPENSATION. The Compensation Committee believes that stock ownership is a significant incentive in aligning the interests of the executives and the stockholders. Consistent with industry standards, upon hiring, executives may be granted a number of options in an amount larger than the average grant given executives in any year and with different terms and vesting schedules. During fiscal 2001, we granted stock options to all of its executive officers under our 1999 Stock Option Plan, and such grants are set forth in the Stock Option Grants Table under the Executive Compensation section of this proxy statement. A portion of the total stock options granted to executive officers vest 25% each year for 4 years and expire after 7 years, performance based options vest 100% after eight years (with accelerated vesting schedule, should the Company meet established performance goals) and expire after 10 years and other stock options granted to executive officers vest 10% each year (with accelerated vesting schedule, should our stock outperform an index of comparable companies) for 10 years and expire after 10 years. Stock option grants under the 1999 Stock Option Plan were allocated by the Compensation Committee based upon past and present performance and future potential value of such executive officer's service to the company. The Compensation Committee made additional awards to certain executive officers during the year based on compensation evaluations made during the year.

CHIEF EXECUTIVE OFFICER. The Chief Executive Officer's compensation evaluation included consideration of his leadership qualities, experience in the electronic commerce services industry and the results of our performance. At the recommendation of the Compensation Committee the Board of Directors awarded the Chief Executive Officer a cash bonus of \$67,725 in the fiscal year ended December 31, 2001. The Chief Executive Officer was granted options for 125,203 shares of common stock.

The goal of our compensation structure is to be certain that all executives are compensated consistent with the above guidelines and to assure that all reasonable and possible efforts are being exerted to maximize stockholder value. Compensation levels will be reviewed as frequently as necessary to ensure this result.

We have no reason to believe that any nominee will be unable or unwilling to serve as a director.

A plurality of the votes of the shares present in person or represented by proxy at the Meeting is required to elect each nominee as a director.

THE BOARD OF DIRECTORS RECOMMENDS THE ELECTION OF GEORGE M. MIDDLEMAS, DAVID A. O'CONNOR AND JOSEPH J. SPALLUTO AS DIRECTORS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

Audit related:

The Audit Committee of the Board of Directors has considered whether the provision of the services described above under the caption All Other Fees is compatible with maintaining Ernst & Young LLP's independence.

Stockholder ratification of Ernst & Young LLP as our independent accountants is not required by our by-laws or otherwise. However, we are submitting the appointment of Ernst & Young LLP to our stockholders for ratification as a matter of what we consider to constitute good corporate practice. If the stockholders fail to ratify the appointment, we will consider whether or not to retain that firm. Even if the appointment is ratified, our Board of Directors, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year if they determine that a change is in the best interest of the Company and its stockholders.

The affirmative vote of a majority of the shares present or represented and entitled to vote at the Meeting is required to ratify the appointment of the independent public accountants.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO RATIFY THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT PUBLIC ACCOUNTANTS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF SUCH RATIFICATION UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.
