Schedule 13D

Page 4 of 18 Pages

Item 1. Security and Issuer.

This Schedule 13D relates to Class A Common Stock (the Class A Common Stock) of Nextel Partners, Inc. (the Company). The principal executive offices of the Company are located at 4500 Carillon Point, Kirkland, Washington 98033. In addition, information regarding the Company's Class B Common Stock (the Class B Common Stock) is also provided.

Item 2. Identity and Background.

On August 12, 2005, Nextel Communications, Inc. merged with a subsidiary of Sprint Corporation and became a wholly owned subsidiary of Sprint Corporation (the Merger). Following the Merger, Sprint Corporation changed its name to Sprint Nextel Corporation (Sprint Nextel), and its wholly owned subsidiary into which Nextel Communications, Inc. merged changed its name to Nextel Communications, Inc. (Nextel Communications). This Schedule 13D is filed by Sprint Nextel on its behalf and behalf of Nextel Communications (collectively, the Reporting Persons). Nextel Communications is the parent of Nextel WIP Corp. (Nextel WIP). Nextel WIP is a signatory to the Amended and Restated Shareholders Agreement, dated February 18, 2000, by and among Nextel Partners, Inc. and the shareholders listed therein, as amended (the Shareholders Agreement). This Schedule 13D relates only to shares of Class A Common Stock and Class B Common Stock owned or deemed to be owned by Nextel WIP as of the closing of the Merger. No additional shares of either Class A Common Stock or Class B Common Stock were acquired by the Reporting Persons or Nextel WIP in connection with the Merger or otherwise.

Nextel WIP owns 100% of the outstanding Class B Common Stock, which is convertible into Class A Common Stock at any time on a one-for-one basis upon transfer to a person other than Nextel Communications, a majority-owned subsidiary of Nextel Communications or a person or entity controlling Nextel Communications. However, because such transfers are prohibited under the Shareholders Agreement until January 29, 2011, this Schedule 13D assumes the Reporting Persons do not have the right to acquire shares of Class A Common Stock upon conversion of the Class B Common Stock. The holders of the Class A Common Stock and the Class B Common Stock are entitled to one vote per share on all matters in which they are entitled to vote.

Pursuant to Rule 13d-1(k)(1) - (2) of Regulation 13D-G of the General Rules and Regulations under the Securities Exchange Act of 1934 (the Exchange Act), this Schedule 13D is filed on behalf of the Reporting Persons who beneficially own the stock of Nextel WIP. Pursuant to Rule 13d-5(b)(1), Nextel WIP, along with certain individuals and corporations identified below (the Non-Reporting Persons), may be deemed as a group to have acquired beneficial ownership of the Class A Common Stock subject to the Shareholders Agreement as a result of Nextel WIP and the Non-Reporting Persons having signed the Shareholders Agreement. Neither the fact of this filing nor anything contained herein shall be deemed to be an admission by the Reporting Persons that a group exists within the meaning of the Exchange Act.

Item 3. Source and Amount of Funds or Other Consideration.

The Reporting Persons are deemed to have acquired beneficial ownership of the Class A Common Stock beneficially owned by Nextel WIP as a result of the closing of the Merger on August 12, 2005.

CUSIP No. 65333F 10 7

Schedule 13D

Page 6 of 18 Pages

Under the terms of the Merger, the former Nextel Communications, Inc.'s stockholders will receive 1.26750218 shares of Sprint Nextel series 1 common stock and \$0.84629198 for each share of Nextel Communications, Inc.'s common stock. This equates to a total cash payment of approximately \$939.6 million to Nextel Communications, Inc.'s stockholders. Sprint Nextel obtained the funds for such cash payment from cash on hand. As noted above, this Schedule 13D relates only to shares of Class A Common Stock and Class B Common Stock owned or deemed to be owned by Nextel WIP as of the closing of the Merger. No additional shares of either Class A Common Stock or Class B Common Stock were acquired by the Reporting Persons or Nextel WIP in connection with the Merger or otherwise.

Item 4. Purpose of Transaction.

The Reporting Persons are deemed to have acquired beneficial ownership of the Class A Common Stock beneficially owned by Nextel WIP as a result of the closing of the Merger on August 12, 2005.

The Class A Common Stock and Class B Common Stock deemed to be beneficially owned by Nextel WIP is subject to a number of contractual and other restrictions, which are described in Item 6. Among these provisions is a put mechanism under which Company shareholders other than Nextel WIP may cause Nextel WIP to purchase their shares in the event of a Nextel Sale (as defined in the Company's Restated Certificate of Incorporation (the Certificate)). The closing of the Merger on August 12, 2005 constituted a Nextel Sale for these purposes.

Following the Merger, pursuant to Article V of the Certificate, holders of 20% or more of the outstanding Class A Common Stock have the right to require the Company to hold a special meeting. At this special meeting, the holders of Class A Common Stock have the right to vote to require Nextel WIP to purchase all (but not less than all) of such shares of Class A Common Stock outstanding (the Put Right). A special committee of the Company's board has recommended that the Put Right process be initiated. If initiated, the Put Right process would involve the valuation of the Company's Class A Common Stock pursuant to an appraisal process spelled out in the Certificate, and under the terms of the Certificate the Put Right requires the Reporting Persons or their subsidiaries acquire all the Class A Common Stock following the completion of that process and related challenge process. The Reporting Persons believe that the appraisal process could take at least four months to complete, and could be longer in certain circumstances including if the appraised value is challenged as permitted by the Certificate.

There necessarily can be no assurance as to the outcome, timing or terms of the Put Right process or any possible transaction, and the Reporting Persons reserve the right to take any action in the future that they determine to be in their best interests. The Reporting Persons intend continuously to review their investment in the Company and, either in connection with the Put Right or otherwise, will take such actions in the future as they may deem appropriate in light of the circumstances existing from time to time, which may include one or more of the actions specified in paragraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

Although the Reporting Persons, Nextel WIP and each Non-Reporting Person disclaims beneficial ownership of any shares of Class A Common Stock beneficially owned by each other Non-Reporting Person, pursuant to the Exchange Act and the regulations thereunder, the Reporting Persons, Nextel WIP and the Non-Reporting Persons may be deemed as a group to have acquired beneficial

ownership of 24,644,196 shares of Class A Common Stock and 84,632,604 shares of Class B Common Stock, the aggregate number of shares of Class A Common Stock and Class B Common Stock that are subject to the terms of the Shareholders Agreement, representing 13.3% of the outstanding Class A Common Stock and 100% of the outstanding Class B Common Stock as of July 27, 2005.

The Reporting Persons have, as of August 12, 2005, sole or shared power to vote or to direct the vote and sole or shared power to dispose or to direct the disposition of the Class A Common Stock and Class B Common Stock beneficially owned, or deemed to be beneficially owned by, Nextel WIP as set forth below:

Nextel WIP has sole power to vote and dispose of 84,632,604 shares, or 100% of the outstanding shares, of Class B Common Stock. Nextel WIP may be deemed to have the shared power to vote an aggregate of 15,839,523 shares, or 8.6% of the outstanding shares, of Class A Common Stock. Nextel WIP may also be deemed to have the shared power to dispose of 24,644,196 shares, or 13.3% of the outstanding shares, of Class A Common Stock. Sprint Nextel, Nextel Communications and Nextel WIP disclaim beneficial ownership of all shares of which it may be deemed to have shared power to vote or dispose.

The Non-Reporting Persons may be deemed to have shared power to direct the disposition of an aggregate of 24,644,196 shares, or 13.3% of the shares, of Class A Common Stock. The Voting Entities may be deemed to have shared power to vote an aggregate of 15,839,523 shares, or 8.6% of the outstanding shares, of Class A Common Stock. The Non-Voting Entity may be deemed to have shared power to vote an aggregate of 8,804,673 shares, or 4.8% of the outstanding shares, of Class A Common Stock. Each Non-Reporting Person has previously disclaimed beneficial ownership of the shares over which they may be deemed to share power to vote or dispose in previous filings with the Securities and Exchange Commission.

Except as otherwise indicated, the number of shares of Class A Common Stock that are subject to the Shareholders Agreement beneficially owned by each Non-Reporting Person as of December 31, 2004 is set forth below:

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Amended and Restated Shareholders Agreement

On January 29, 1999, the Company entered into the Shareholders Agreement with Nextel WIP, DLJ Merchant Banking, Madison Dearborn Partners, Eagle River Investments, Motorola, the Company's senior management stockholders and all of the other parties who were stockholders prior to the Company's initial public offering. The Shareholders Agreement was amended and restated in February 2000 in connection with the initial public offering of the Company's Class A Common Stock and has subsequently been amended several times. The current parties to the Shareholders Agreement are Nextel WIP, Madison Dearborn Partners, Eagle River Investments, Motorola and the following stockholders who are also part of the Company's senior management or otherwise employed by the Company: John Chapple, David Aas and Mark Fanning. The Shareholders Agreement terminates on January 29, 2014. In the Shareholders Agreement, the parties agreed to certain matters relating to the Company's management and operations and the sale, transfer or other disposition of the Company's capital stock by these stockholders. The Shareholders Agreement also granted Nextel WIP certain preemptive rights to purchase shares of stock offered to the public by the Company, DLJ Merchant Banking or Madison Dearborn Partners. In addition, if Madison Dearborn Partners votes to exercise the Put Right, but the holders of a majority of the Class A Common Stock do not vote to exercise the Put Right, Nextel WIP may be required to purchase the shares of Class A Common Stock owned by Madison Dearborn Partners.

Agreement Specifying Obligations and Limiting Liability of, and Recourse to, Nextel Communications

All of the Company's operating agreements, which are described below, are with Nextel WIP, not Nextel Communications, Inc. or Sprint Nextel Corporation. Pursuant to the terms of the Agreement Specifying Obligations and Limiting Liability of, and Recourse to, Nextel Communications, Nextel Communications undertook certain limited obligations, including the obligation to cause Nextel WIP to honor the terms of the Put Right if it is exercised.

CUSIP No. 65333F 10 7

Schedule 13D

Page 10 of 18 Pages

Operating Agreements

The Company, through its principal subsidiary, entered into various agreements described below with Nextel WIP that govern the build-out and operation of the Company's portion of the Nextel Digital Wireless Network. Except as specifically set forth below, these operating agreements were executed on January 29, 1999 and, in some cases, were amended on September 9, 1999 and again on September 27, 2000, and have an initial term of ten years, which may be extended for up to an additional two and a half years and renewed for up to four ten-year renewal terms at the Company's option.

As described below under *Certain Obligations under the Certificate*, Nextel WIP may be awarded the right to purchase all of the outstanding shares of the Class A Common Stock upon the termination of any of these operating agreements as a result of the Company's breach. If these agreements are terminated as a result of Nextel WIP's breach, the Company may be awarded the right to require Nextel WIP to purchase all of the outstanding shares of the Class A Common Stock:

Joint Venture Agreement

The Company's joint venture agreement with Nextel WIP requires the Company to build and operate its portion of the Nextel Digital Wireless Network on time, make it compatible with Nextel Communications' systems, meet or exceed quality standards applicable from time to time to Nextel Communications' subsidiaries operating in the United States, and offer a set of core service features and upgrade the Company's system to comply with future Nextel Communications' standards. Additional terms of the joint venture agreement include, among others, that:

the Company has agreed to obtain Nextel WIP's approval prior to taking certain significant actions, including making a material change to the Company's business objectives or technology; and

Nextel Communications and its subsidiaries would not offer wireless communications services under the Nextel brand name, iDEN services on 800 MHz frequencies, or wireless communications services that allow interconnect with landline telecommunications in the Company's territory.

Other Operating Agreements

The Company has also entered into operating agreements with Nextel WIP with respect to: the license to use Nextel Communications trademarks and service marks; the ability of each party's subscribers to roam in the other party's territory; Nextel Communications' use of analog systems and services in the Company's territories; access to systems; and telecommunications switching services.

Certain Obligations Under the Certificate

In addition to the Put Right, the Certificate, under certain circumstances, allows Nextel WIP, or allows holders of Class A Common Stock to cause Nextel WIP, to purchase all of the outstanding Class A Common Stock. In any such event, Nextel WIP will have the choice of paying for any such shares of Class A Common Stock in cash or, subject to meeting specified requirements, in shares of listed Nextel

common stock. Events that can trigger the right of Nextel WIP to purchase all of the outstanding shares of Class A Common Stock include:

January 29, 2008, subject to certain postponements by the Company's board of directors;

If Nextel Communications changes its digital transmission technology, the change is materially adverse to the Company and Nextel WIP determines not to provide the Company free of charge the equipment necessary to provide the Company's subscribers with service comparable to what they had been receiving;

If Nextel WIP requires a change in the Company's business, operations or systems, the change is materially adverse to the Company, Nextel WIP does not subsidize the Company for the costs of such change and the Company declines to implement the required change; or

Termination of the Company's operating agreements with Nextel WIP as a result of the Company's breach. In addition to consummation of the Merger, events that can trigger the right of the holders of Class A Common Stock of the Company to require Nextel WIP to purchase all outstanding Class A Common Stock include:

If the Company does not implement a change in its business, operations or systems required by Nextel WIP, the change is materially adverse to the Company, and the Company's board of directors provides holders of Class A Common Stock with the opportunity to require Nextel WIP to buy their shares of Class A Common Stock and a majority of the stockholders vote to do so; or

Termination of the Company's operating agreements with Nextel WIP as a result of a breach by Nextel WIP. If Nextel WIP purchases or is required to purchase the outstanding Class A Common Stock:

as a result of the termination of the operating agreements with the Company as a result of Nextel WIP's breach, the purchase price is determined based on a pricing formula;

as a result of the termination of the operating agreements as a result of a breach by the Company, the purchase price could involve a discount based on a pricing formula;

as a result of the election of a majority of the non-Nextel WIP stockholders to require Nextel WIP to purchase, after the Company's failure to implement changes in business, operations or systems required by Nextel Communications, the purchase price will be an amount equal to the higher of the fair market value as determined by the appraisal process set forth in the Certificate and a 20% rate of return on each tranche of invested capital in the Company, whether contributed in cash or in kind, from the date of its

contribution through the purchase date, which value will be divided over all of the Company's capital stock; or

for any other reason, including in connection with the exercise of the Put Right, the purchase price will be the fair market value as determined by the appraisal process set forth in the Certificate.

Pursuant to the Shareholders Agreement, prior to January 29, 2011, Nextel WIP cannot transfer its shares of the Company's capital stock to a third party. Holders of Class A Common Stock also have the right and/or obligation to participate in any sale by Nextel WIP of all of its shares of capital stock of the Company to a third party occurring after January 29, 2011. In the event that the holders of a majority of the Class A Common Stock elect to participate in such sale, then pursuant to the Certificate, all such holders of Class A Common Stock will be required to participate.

The closing of the Merger on August 12, 2005 constituted a Nextel Sale (as defined in the Certificate). Following the Merger, pursuant to Article V of the Certificate, holders of 20% or more of the outstanding Class A Common Stock have the right to require the Company to hold a special meeting. At this special meeting, the holders of Class A Common Stock have the right to vote to require Nextel WIP to purchase all (but not less than all) of such shares of Class A Common Stock outstanding, at a price equal to the portion of the fair market value of the Company that is allocable to the Class A Common Stock. The fair market value would be determined through an appraisal process as described in the Certificate.

Payment of the Put Price

To fulfill its obligation to purchase the Class A Common Stock, Nextel WIP has the option of either purchasing the shares or causing their redemption. On or before the proposed closing date for the sale of the shares of Class A Common Stock, Nextel WIP will notify the Company whether it has elected to fund a purchase or a redemption and will comply with the provisions of the Certificate to effect the transaction.

The Certificate also provides that Nextel WIP may elect, subject to meeting certain requirements, to deliver shares of listed Nextel common stock in payment of the purchase price. The Reporting Persons may take such actions as they deem necessary in order to provide listed Nextel common stock to be delivered upon the exercise of the Put Right.
