QUESTIONS AND ANSWERS

Why did I receive this proxy statement?

On or about March 25, 2004, we will begin mailing this proxy statement and accompanying proxy card to everyone who was a holder of our shares of common stock at the close of business on March 12, 2004. We prepare a proxy statement each year to let our stockholders know when and where we will hold our annual stockholders meeting. This proxy statement:

includes information about the matters that will be discussed and voted on at the meeting, and

provides you with updated information about our company.

I may have received more than one proxy statement. Why?

If you received more than one proxy statement, your shares are probably registered differently or are in more than one account. Please vote each proxy card that you received.

What will occur at the annual meeting?

First, we will determine whether enough stockholders are present at the meeting to conduct business. A stockholder will be deemed to be present at the meeting if the stockholder:

is present in person, or

is not present in person but has voted by proxy card prior to the meeting.

All common stockholders at the close of business on March 12, 2004 will be entitled to vote on matters presented at the meeting or any adjournment thereof. As of the record date, there were 30,716,748 shares of our common stock outstanding. Each share of our common stock is entitled to one vote on all matters brought before the meeting or any adjournment thereof. Our common stock stockholders are entitled to cast an aggregate of 30,716,748 votes at the meeting. The holders of a majority, or 15,358,375, of the shares of our common stock who are entitled to vote at the meeting must be represented at the meeting in person or by proxy to have a quorum for the transaction of business at the meeting and to act on the matters specified in the Notice. If holders of fewer than 15,358,375 shares are present at the meeting, we will adjourn or reschedule the meeting.

After each proposal has been voted on at the meeting, we will discuss and take action on any other matter that is properly brought before the meeting. Our transfer agent, Computershare Investor Services, LLC, will count the votes and act as inspector of election.

A representative of Ernst & Young LLP (we refer to it as Ernst & Young), our independent auditors, is expected to be present at the annual meeting and will be afforded an opportunity to make a statement, if such representative so desires, and to respond to appropriate questions.

If enough stockholders are present at the meeting to conduct business, then we will vote on the proposals outlined in this proxy statement and any other business that is properly brought before the meeting and any adjournments thereof.

We know of no other matters that will be presented for consideration at the annual meeting. If, however, other matters or proposals are presented and properly come before the meeting, the proxy holders intend to vote all proxies in accordance with their best judgment in the interest of Zix Corporation and our stockholders.

How many votes are necessary to elect the nominees for director?

At the close of business on March 12, 2004, there were 30,716,748 common stock shares issued and outstanding. The five nominees receiving the highest number of votes will be elected as directors. This number is called a plurality.

Table of Contents

Votes that are withheld from any director nominee will be counted in determining whether a quorum has been reached but will not affect the outcome of the vote. Assuming a quorum is present, the affirmative vote of a plurality of the shares of common stock voted and entitled to vote for the election of directors is required for the election of directors. Votes may be cast in favor of, or withheld from, a director nominee.

In the election of directors, stockholders are not entitled to cumulate their votes or to vote for a greater number of persons than the number of nominees named in this proxy statement.

How many votes are necessary to approve the adoption of the Zix Corporation 2004 Stock Option Plan and Zix Corporation 2004 Directors Stock Option Plan?

The affirmative vote of a majority of the shares of our common stock represented at the annual meeting and entitled to vote, if a quorum is present, is required to approve the adoption of the proposed Zix Corporation 2004 Stock Option Plan and Zix Corporation 2004 Directors Stock Option Plan. The same vote is generally required for action on any other matters that properly come before the meeting.

What if a nominee is unwilling or unable to stand for election?

Each of the persons nominated for election to our Board of Directors has agreed to stand for election. However, should any nominee become unable or unwilling to accept nomination or election, no person will be substituted in his stead. The Board of Directors, in accordance with our Restated Bylaws, will by resolution reduce the number of members of our Board accordingly. Our Board of Directors has no reason to believe that any of the nominees will be unable or unwilling to serve if elected, and to the knowledge of the Board, each of the nominees intends to serve the entire term for which election is sought.

How do I vote if I am not planning to attend the annual meeting?

In addition to voting in person at the meeting, you may mark your selections on the enclosed proxy card, date and sign the card and return the card in the enclosed postage-paid envelope.

Please understand that voting by any means other than voting in person at the meeting has the effect of appointing John A. Ryan, our Chairman and Chief Executive Officer, and Steve M. York, our Senior Vice President, Chief Financial Officer and Treasurer, as your proxies. They will be required to vote on the proposals described in this proxy statement exactly as you have voted. However, if any other matter requiring a stockholder vote is properly raised at the meeting, then Messrs. Ryan and York will be authorized to use their discretion to vote on such issues on your behalf.

We encourage you to vote now even if you plan to attend the annual meeting in person. If your shares are in a brokerage account, you may receive different voting instructions from your broker.

What if I want to change my vote?

Where a stockholder has appropriately specified how a proxy is to be voted, it will be voted accordingly, and where no specific direction is given on a properly executed proxy card, it will be voted FOR adoption of the proposals set forth in this proxy statement. The proxy holders will have discretion to vote on any matter properly proposed to come before the meeting that was not brought to our attention by February 9, 2004.

You may revoke your vote on a proposal at any time before the annual meeting for any reason. To revoke your proxy before the meeting, write to our Secretary, Ronald A. Woessner, at 2711 North Haskell Avenue, Suite 2300, LB 36, Dallas, Texas 75204-2960. You may also come to the meeting and change your vote in writing.

How do I raise an issue for discussion or vote at the annual meeting?

Edgar Filing: ZIX CORP - Form DEF 14A

If you would like to submit a proposal to be included in next year's proxy statement, you must submit your proposal in writing so that we receive it no later than November 26, 2004. We will include your proposal in our next annual proxy statement if it is a proposal that we would be required to include in our proxy

Table of Contents

statement pursuant to the rules of the Securities and Exchange Commission (we refer to it as the SEC). Under Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the Exchange Act), proposals of stockholders must conform to certain requirements as to form and may be omitted from the proxy materials under certain circumstances. To avoid unnecessary expenditures of time and money, you are urged to review this rule and, if questions arise, consult legal counsel prior to submitting a proposal to us. Proposals should be directed to our Secretary, Ronald A. Woessner, at our principal executive offices at 2711 North Haskell Avenue, Suite 2300, LB 36, Dallas, Texas 75204-2960.

What if my shares are in a brokerage account and I do not vote?

If your shares are in a brokerage account and you do not vote, your brokerage firm could:

vote your shares, if it is permitted by the Marketplace Rules of The Nasdaq Stock Market (Nasdaq), or

leave your shares unvoted.

Under applicable rules, brokers who hold shares in street name have the authority to vote in favor of the election of the directors if they do not receive contrary voting instructions from beneficial owners. Brokers who hold shares in street name do not have the authority to vote in favor of the Zix Corporation 2004 Stock Option Plan or for the Zix Corporation 2004 Directors Stock Option Plan. Under applicable law, if a broker has not received voting instructions with respect to certain shares and gives a proxy for those shares, but does not vote the shares on a particular matter, those shares will not affect the outcome of the vote with respect to that matter. Such broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business, but will not be counted for purposes of determining the number of votes cast with respect to a proposal. Thus, a broker non-vote will not affect the outcome of the voting on any of the proposals being considered at the meeting.

How are abstentions treated?

Any stockholder that is present at the meeting, either in person or by proxy, but who abstains from voting, will still be counted for purposes of determining whether a quorum exists. An abstention will not be counted as an affirmative or negative vote in the election of the directors. With respect to all other matters, an abstention would have the same effect as a vote against the proposal. Our stockholders have no appraisal rights under Texas law with respect to the proposals specified in the Notice. If you sign your proxy card but do not specify how you want to vote on a proposal, then your shares will be voted FOR that proposal.

How much will this solicitation cost, and who will pay for it?

We will bear the cost of solicitation of proxies, including the cost of preparing, printing and mailing proxy materials, and the cost of reimbursing brokers for forwarding proxy solicitation materials to their principals. We have engaged Georgeson Shareholder to assist in the solicitation of proxy materials from stockholders at a fee of approximately \$6,000 plus reimbursement of reasonable out-of-pocket expenses. Proxies may also be solicited without extra compensation by our officers and employees by telephone or otherwise. Arrangements may also be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of proxy solicitation material to beneficial owners of shares of our common stock, and we may reimburse them for reasonable out-of-pocket expenses incurred by them.

Where can I find the voting results of the annual meeting?

We will announce the voting results at the meeting and will publish the results in our quarterly report on Form 10-Q for the second quarter of 2004 ending on June 30, 2004. We will file that report with the SEC by August 9, 2004, and you can get a copy by contacting either our Investor Relations office at (214) 515-7357 or the SEC at (800) SEC-0330 or <http://www.sec.gov>.

PROPOSAL 2**ADOPTION OF ZIX CORPORATION 2004 STOCK OPTION PLAN**

On March 13, 2004, our Board of Directors adopted the Zix Corporation 2004 Stock Option Plan (we refer to it as the "Plan"), subject to approval by our stockholders at the annual meeting. Our Board believes that the adoption of the Plan will advance the interest of our company and our stockholders by enabling us to attract and retain personnel of high caliber by offering stock-based compensation incentives. The Plan will provide all employees a sense of proprietorship through stock ownership, thus closely aligning their interests with those of our stockholders. The Plan will become effective upon approval by our stockholders and will expire ten years from such effective date, unless terminated earlier.

A copy of the Plan is attached to this proxy statement as **APPENDIX A**. The following summary of certain provisions of the Plan is qualified in its entirety by reference to the full text of the Plan.

Administration

The Plan will be administered by our Board of Directors and the Board's Compensation Committee (the "committee"). All the members of the committee and a majority of the members of our Board of Directors are independent within the meaning of applicable rules and regulations. The committee will be authorized to grant awards in the form of stock options and to determine the terms and conditions relating to such options. The committee has complete authority to construe, interpret and administer the provisions of the Plan and the provisions of the agreements

Edgar Filing: ZIX CORP - Form DEF 14A

governing options granted thereunder. The committee will have the authority to prescribe, amend and rescind rules and regulations pertaining to the Plan and to make all other determinations necessary or deemed advisable in the administration of the Plan. The determinations and interpretations made by the committee are final and conclusive.

Table of Contents

Eligibility

Eligibility to participate in the Plan is limited to our employees and non-employee consultants and advisors and our subsidiaries employees and non-employee consultants and advisors, as selected by the committee. We estimate that the number of Plan participants could be approximately 300.

Number of Shares Subject to the Plan

Subject to adjustment as described below, the maximum number of shares of our common stock for which options may be granted under the Plan is 2,000,000 shares. We may use a portion of the available shares under the Plan for option grants to all or substantially all of our employees as a bonus incentive for achieving company defined financial metrics. In the event of a stock split, stock dividend or other relevant change affecting our common stock, the committee has the authority to make appropriate adjustments to the number of shares available for grants and to the number of shares under outstanding grants and, if applicable, the exercise price under outstanding grants made before the event in question.

Type of Awards Under the Plan

The committee may grant options under the Plan to purchase shares of our common stock. The maximum number of shares of our common stock for which stock options may be granted under the Plan is 2,000,000 shares. No participant in the Plan may be granted stock options for more than 850,000 shares of our common stock in the aggregate during the term of the Plan. The committee will determine the number of shares subject to the option, the manner and time of the exercise of the option, the exercise price per share of stock subject to the option and other applicable conditions. The committee may grant either nonqualified stock options (we refer to these as NQSOs) or incentive stock options (we refer to these as ISOs) pursuant to Section 422 of the Internal Revenue Code, as amended, or both. The exercise price of ISOs may not be less than the fair market value of our common stock on the date of grant (and not less than 110% of the fair market value in the case of options granted to an optionee owning 10% or more of our outstanding common stock). The exercise price for NQSOs may not be less than 100% of the fair market value of our common stock on the date of grant. The exercise price may, at the discretion of the committee, be paid in cash, shares of our common stock or a combination thereof. We may make financing available to the optionee on such terms as the committee shall specify. The effect of an optionee's termination of employment by reason of death, retirement, disability or otherwise and other conditions that will apply to the exercise of the option will be specified in the option agreement evidencing the grant of the option. ISOs granted to an optionee who owns 10% or more of our outstanding common stock may not be exercisable more than five years after the date of grant (or such other time period as the Internal Revenue Code may require). NQSOs and all other ISOs may not be exercisable more than ten years after the date of grant.

Amendment and Termination

Our Board of Directors may amend, abandon, suspend or terminate the Plan or any portion thereof at any time. No amendment shall, however, be made without stockholder approval if such approval is necessary to comply with any tax or regulatory requirement. No options may be granted under the Plan after May 6, 2014.

Change in Control

In order to preserve the rights of participants in the event of a change in control of Zix Corporation, the committee in its discretion may, at the time a grant is made or any time thereafter, take one or more of the following actions: (i) provide for the acceleration of any time period relating to the exercise of an option, (ii) provide for the purchase of the option upon the participant's request for an amount of cash or other property that could have been received upon the exercise or realization of the option had the option been currently exercisable or payable, (iii) adjust the terms of the option in a manner determined by the committee to reflect the change in control, (iv) cause an option to be assumed, or new rights substituted therefor, by another entity or (v) make such other provisions as the committee may consider equitable and in the best interest of Zix Corporation.

Table of Contents

Federal Income Tax Consequences

Under current U.S. federal tax law, the following are the U.S. federal income tax consequences generally arising with respect to stock option awards under the Plan.

An employee receiving NQSOs will not realize any taxable income, and we will not be entitled to any federal income tax deduction, at the time the NQSO is granted. At the time the NQSO is exercised, however, the employee generally will realize ordinary income in an amount equal to the excess of the fair market value of our common stock on the date of exercise over the option price paid, and we will generally be entitled to a corresponding federal income tax deduction. Upon the sale of our common stock acquired upon exercise of a NQSO, the employee generally will recognize capital gain or loss.

Any employee receiving ISOs generally will not realize taxable income, and we will not be entitled to a federal income tax deduction, at the time an ISO is granted or at the time the ISO is exercised. However, there may be certain alternative minimum tax consequences to the employee resulting from the exercise of an ISO. Upon a sale of our common stock acquired upon exercise of an ISO, the employee generally will realize a capital gain or capital loss, and we will receive no deduction, so long as the sale does not occur within two years of the date of the grant of the ISO or within one year from the date the shares were transferred to the employee upon the exercise of the ISO. If a sale does occur within two years of the date of grant or one year of the transfer date, however, part or all of the income recognized by the employee may be treated as ordinary income. Under such circumstances, we could be entitled to a federal income tax deduction equal to the ordinary income recognized by the employee.

Summary

Our Board of Directors believes that the Plan is in the best interest of our company and our stockholders and is necessary to enable us to attract and retain highly qualified personnel. The affirmative vote of a majority of the shares of our common stock represented at the annual meeting and entitled to vote, if a quorum is present, is required to approve the adoption of the Plan.

OUR BOARD OF DIRECTORS URGES STOCKHOLDERS TO VOTE FOR THE ADOPTION OF THE PROPOSED ZIX CORPORATION 2004 STOCK OPTION PLAN.

PROPOSAL 3

ADOPTION OF ZIX CORPORATION 2004 DIRECTORS' STOCK OPTION PLAN

Our Board of Directors adopted the Zix Corporation 2004 Directors' Stock Option Plan in March 2004 (we refer to it as the Directors' Plan), subject to approval by our stockholders at the annual meeting. Our Board believes that the adoption of the Directors' Plan will strengthen our ability to attract and retain non-employee directors of high caliber by encouraging a sense of proprietorship through stock ownership. The Directors' Plan provides for the automatic grant of options to acquire shares of our common stock to non-employee directors, as described below. The Directors' Plan will become effective upon approval by our stockholders. We anticipate that the number of shares authorized for issuance under the Directors' Plan will be sufficient until the Company's 2005 annual meeting of shareholders. The proposed Directors' Plan replaces our current 1999 Directors' Stock Option Plan, which has no options available for grant. See **How are our Board members paid?** on page 21 for a description of our current 1999 Directors' Stock Option Plan.

A copy of the Directors' Plan is attached to this proxy statement as **APPENDIX B**. The following summary of certain provisions of the Directors' Plan is qualified in its entirety by reference to the full text of the Directors' Plan.

Administration

The Directors' Plan will be administered by our Board of Directors and the Board's Compensation Committee (the committee). The Directors' Plan provides for the automatic grant of stock options to the non-employee members of our Board of Directors. The committee has complete authority to construe,

Table of Contents

interpret and administer the provisions of the Directors' Plan and the provisions of the agreements governing options granted thereunder. The committee has the authority to prescribe, amend and rescind rules and regulations pertaining to the Directors' Plan and to make all other determinations necessary or deemed advisable in the administration of the Directors' Plan. The determinations and interpretations made by the committee are final and conclusive. All the members of the committee and a majority of the members of our Board of Directors are independent within the meaning of applicable rules and regulations.

Eligibility

Eligibility to participate in the Directors' Plan is limited to our non-employee directors. As of February 20, 2004, we had four non-employee directors.

Automatic Grants of Options

The Directors' Plan provides that on the day that a non-employee director is first appointed or elected to our Board of Directors, such director will be granted nonqualified options to purchase 25,000 shares of our common stock. These options vest quarterly and pro-rata over one year from the grant date, and the exercise price is 100% of the common stock price on the grant date.

Also, on the first business day of January of each year during the term of the Directors' Plan, each non-employee director that has served on our Board for at least six months as of the grant date will be granted nonqualified options to purchase a number of shares of our common stock equal to the *greater* of (i) one-half of one percent of the number of our outstanding shares (measured as of the prior December 31) *or* (ii) 200,000 shares, divided by the *greater* of (i) five or (ii) the number of non-employee directors that have served on our Board for at least 6 months as of the grant date. The options will vest quarterly and pro-rata over three years from the grant date and the option exercise price will be 100% of our common stock price on such day. Messrs. Keane, Marston, Sanchez and Dr. Streetman will, assuming continued service on our Board of Directors, be eligible to receive these annual grants.

Also, the Directors' Plan will provide that any non-employee director that was not eligible to receive an option grant in January 2004 under our current 1999 Directors' Stock Option Plan shall be entitled to receive an option grant covering 50,000 shares, effective the date of the 2004 annual stockholders meeting. The exercise price of these options will be 100% of the common stock price on such date. These options will vest quarterly and pro-rata over three years. Mr. Sanchez will, assuming continued service on our Board of Directors, be the only director eligible to receive this option grant.

Number of Shares Subject to the Directors' Plan

Subject to adjustment as described below, the maximum number of shares of our common stock for which options may be granted under the Directors' Plan is 300,000 shares. In the event of a stock split, stock dividend or other relevant change affecting our common stock, the committee has the authority to make appropriate adjustments to the number of shares available for grants and to the number of shares under outstanding grants and, if applicable, the exercise price under outstanding grants made before the event in question.

Amendment and Termination

Our Board of Directors may amend, abandon, suspend or terminate the Directors' Plan or any portion thereof at any time. No amendment, however, shall be made without stockholder approval if such approval is necessary to comply with any tax or regulatory requirement.

Federal Income Tax Consequences

An optionee will not realize any taxable income, and we will not be entitled to any federal income tax deduction, at the time the option is granted. At the time the option is exercised, however, the optionee generally will realize ordinary income in an amount equal to the excess of the fair market value of the common

stock on the date of exercise over the option price paid, and we will generally be entitled to a corresponding federal income tax deduction.

Section 16(a) Beneficial Ownership Reporting Compliance

Under the securities laws of the U.S., our directors, officers and any beneficial owner of more than 10% of our outstanding common stock (collectively, insiders) are required to report their initial ownership of our common stock and any subsequent changes in their ownership to the SEC. Specific due dates have been established by the SEC, and we are required to disclose any failure to file by those dates. Based upon our review of filings with the SEC and written representations that no other reports were required to be filed, we believe that our insiders complied with all Section 16(a) filing requirements applicable to them during 2003, with the exception of the following. During 2003, Messrs. The Nominating and Corporate Governance Committee identifies an initial slate of candidates, including any recommended by stockholders and accepted by the Nominating and Corporate Governance Committee, after taking account of the Director Qualification Criteria.

We entered into a two-year employment agreement with Mr. Ryan, effective through November 2003, which provided for a \$300,000 annual salary and a cash bonus of \$160,000 paid at the end of 2003 that was tied to the achievement of defined objectives. In addition, in 2001, Mr. Ryan received options to acquire 1,000,000 shares of our common stock at an exercise price of \$5.24 per share that became fully vested in November 2003 pursuant to the John Ryan 2001 Stock Option Agreement Plan.

Mr. Cook, a former director and former executive officer of our company, received an option in 1998 to acquire 4,254,627 shares of our common stock at an exercise price of \$7.00 per share pursuant to the AMTC [Zix] Corporation Stock Option Agreement. All of the options are currently vested and expire in April 2004. Of this original option grant, as of December 31, 2003, Mr. Cook held options to acquire 102,500 shares, after giving effect to Mr. Cook's option exercises and his reallocation of 2,138,890 of his option shares to the members of the investment group that, in 2000, invested \$44,000,000 in our company, and 807,127 of his option shares (we refer to them as the Cook Employee Transferred Options) to certain of our current and former employees and a former director.

Cook Employee Transferred Options

Of the 807,127 Cook Employee Transferred Options, 329,000 shares remained outstanding as of December 31, 2003. These shares are governed by plan arrangements that are substantially the same as (if not identical to) the provisions of the 2004 Stock Option Plan, which is described above under **PROPOSAL 2** and set forth in its entirety in **APPENDIX A**. plans and plan arrangements are substantially the same as (if not identical to) the provisions of the 2004 Stock Option Plan, which is described above under **PROPOSAL 2** and set forth in its entirety in **APPENDIX A**. The exercise price of all of these options is the fair market value of our common stock on the date of grant, and the vesting periods range from immediately vested to vesting annually and pro-rata over three years.

Other Stock Grants

As of December 31, 2003, 528,714 shares were available for issuance under our 2003 Stock Compensation Plan to certain employees for the payment of various compensation elements. The 2003 Stock Compensation Plan allows us to use our common stock to pay salary, bonus and commission compensation payable to our employees and former employees. Since the inception of the 2003 Stock Compensation Plan, 71,286 shares have been issued at an average price of \$6.81.

Employment and Severance Agreements with Certain Executive Officers

We entered into an employment agreement, effective December 1, 2003, with Mr. Nutkis, Executive Vice President and Chief Strategy Officer, for the period through December 31, 2004. The agreement provides for a \$200,000 annual salary, plus a non-recoverable \$25,000 quarterly draw against commissions. As additional compensation, Mr. Nutkis is eligible to receive commissions on contracted billings attributable to services provided to end-user customers by our Care Delivery business as follows: 2% on billings up to \$5 Million; 3% on billings between \$5 Million and up to \$10 Million; and 2% on billings over \$10 Million. The commissions will only be paid if the expenses of the Care Delivery business do not exceed the budgeted amounts.

We entered into an employment agreement with Mr. Spurr, our President and Chief Operating Officer, effective January 20, 2004 through February 1, 2005, which provides for a \$250,000 annual salary, plus a quarterly cash bonus of \$50,000 subject to the achievement of defined objectives. Mr. Spurr also received a signing bonus of 3,823 shares of our common stock (valued at \$50,000). If Mr. Spurr's employment with us is terminated for cause or he resigns other than for good reason, as such terms are defined in his employment agreement, his signing bonus shares will be forfeited to us. Furthermore, Mr. Spurr may not sell, option, pledge, transfer or otherwise dispose of these signing bonus shares or any interest therein until February 1, 2005. Also, Mr. Spurr forfeits these shares to our company if he resigns employment or if his employment terminates for any reason other than termination by our company without cause prior to February 1, 2005. Notwithstanding the foregoing, upon the occurrence of a change in control (as defined in the applicable agreement), these forfeiture provisions and transfer restrictions shall lapse.

In November 2001, we entered into a two-year employment agreement with Mr. Ryan, our Chairman and Chief Executive Officer. The agreement, which expired in November 2003, provided for a \$300,000 annual salary and a cash bonus tied to the achievement of defined objectives. In addition, Mr. Ryan received options to acquire 1,000,000 shares of our common stock at an exercise price of \$5.24 per share that became fully vested in November 2003.

We are a party to severance agreements with Messrs. Almond, Heathcote, Nutkis, Robertson, Woessner and York which provide for the payment to each of them of six months (or 18 months in the case of Messrs. Woessner and York) of each of their base salaries in the event each has good reason (as defined) to resign his employment or if his employment is terminated other than for cause (as defined). The severance agreements also provide for the payment of six months (or two times and three times, respectively, in the case of Messrs. Woessner and York) of each of their annual base salaries in the event his employment terminates after a change in control (as defined) of our company. The severance agreements of Messrs. Woessner and York also contain confidentiality and stock option acceleration provisions.

How are our Board members paid?

Former Arrangements

Under our 1999 Directors' Stock Option Plan, on the day an outside director was first appointed or elected to our Board of Directors, such director was granted nonqualified options to purchase 25,000 shares of our common stock, which vested six months from the grant date with an exercise price equal to 100% of our common stock price on the grant date. In 2003, Mr. Sanchez III received options to purchase 25,000 shares at an exercise price of \$5.24 per share. Also, in January of each year, each director who had served on our Board at least 12 consecutive months received a further grant of options determined according to a specified formula, which provided that the eligible directors collectively receive options for 1% of our outstanding common stock. The exercise price for these options was 120% of our common stock price on the grant date. These annual options vest over three years. In 2003, the eligible directors received, in the aggregate, options to acquire 153,282 shares of our common stock. The exercise price of these options was \$5.02 per share. We reimbursed our directors for expenses they incurred attending our Board or committee meetings.

Current and Proposed Arrangements

There are no further options available for grant under our 1999 Directors' Stock Option Plan. Hence, we are proposing the adoption of the Zix Corporation 2004 Directors' Stock Option Plan see **PROPOSAL 3** herein. In addition to the options that will be granted to the non-employee Board members under the proposed Zix Corporation 2004 Directors' Stock Option Plan, we will begin paying our non-employee directors cash fees as follows:

Cash payment of \$2,000 per meeting per director for attendance in person at Board meetings,

Cash payment of \$1,000 per meeting per director for attendance at telephonic Board meetings,

Annual cash payment of \$5,000 per director for serving as Chair of a Board committee (assuming attendance of at least two-thirds of the meetings), and

Annual cash payment of \$2,000 per director for serving as a member (*i.e.*, not the Chair) of a Board committee (assuming attendance of at least two-thirds of the meetings).

Certain Relationships and Related Transactions

On September 18, 2002, we closed two financing transactions pursuant to which we received \$16,000,000 in gross cash proceeds. In the first transaction, we issued 819,886 shares of Series A Convertible Preferred Stock, par value \$1.00 per share (the "Series A"); 1,304,815 shares of Series B Convertible Preferred Stock, par value \$1.00 per share (the "Series B"); and warrants to purchase 709,528 shares of our common stock. Purchasers of the Series A and associated warrants included John A. Ryan, our Chairman and Chief Executive Officer; Antonio R. Sanchez, Jr., a former director, father of one of our current directors, and substantial stockholder of our company; SANTIG, Ltd., a family limited partnership for which Mr. Sanchez owns and controls the managing general partner, Sanchez Management Corporation; and the 1988 Spendthrift Trust, a family trust of which Mr. Sanchez is a beneficiary. Mr. Ryan purchased 189,205 shares of Series A and associated warrants to purchase an aggregate of 66,518 shares of our common stock. Mr. Sanchez purchased 126,136 shares of Series A and associated warrants to purchase an aggregate of 44,345 shares of our common stock. SANTIG, Ltd. purchased 252,273 shares of Series A and associated warrants to purchase an aggregate of 88,691 shares of our common stock. The 1988 Spendthrift Trust purchased 126,136 shares of Series A and associated warrants to purchase an aggregate of 44,345 shares of our common stock. Messrs. Ryan and Sanchez and the Sanchez limited partnership and family trust invested an aggregate of \$2,750,000 in our company.

Purchasers of the Series B and associated warrants included George W. Haywood, a current 16.0% beneficial stockholder of our company, and an IRA for the benefit of Mr. Haywood. Mr. Haywood and the IRA for the benefit of Mr. Haywood purchased an aggregate of 947,708 shares of Series B and associated

Table of Contents

warrants to purchase an aggregate of 305,986 shares of common stock. Mr. Haywood and the IRA for the benefit of Mr. Haywood invested an aggregate of \$3,450,000 in our company.

During 2003, shares of the Series A and the Series B were converted into shares of our common stock pursuant to the mandatory conversion provisions of the Series A and the Series B. Then, effective September 30, 2003, we elected to convert the remaining outstanding shares of our Series A and our Series B into shares of our common stock pursuant to the terms of the Series A and the Series B. The closing price of the common stock exceeded specified prices for the required number of days, thus permitting us to effect the conversion. During 2003, 189,205 and 504,545 Series A shares held by Messrs. Ryan and Sanchez, respectively, and related accrued dividends were converted into 196,119 and 522,982 shares of our common stock. Also, during 2003, 947,708 Series B shares held by Mr. Haywood and an IRA for the benefit of Mr. Haywood and related accrued dividends were converted into 969,745 shares of our common stock.

Finally, for the year 2003, we received payments of \$1,345,000 in connection with a marketing agreement with Entrust, Inc. Mr. Ryan, our Chairman and Chief Executive Officer, was Chief Executive Officer of Entrust, Inc. when such agreement was executed. Mr. Almond, our Vice President of Investor Relations and Mergers and Acquisitions, was Vice President of Sales Operations of Entrust, Inc. when such agreement was executed and he holds a minority equity interest in Entrust, Inc. This agreement was terminated in 2003 by mutual agreement with Entrust, Inc.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is comprised of three independent directors, Michael E. Keane, James S. Marston and Dr. Ben G. Streetman, who served on the committee during the year ended December 31, 2003. None of Messrs. Keane or Marston or Dr. Streetman is or was an officer or employee of our company or any of our subsidiaries. The committee met on one occasion during the year ended December 31, 2003. We have no executive officers who serve as a member of a board of directors or compensation committee of any other entity that has one or more executive officers serving as a member of our Board or Compensation Committee.

REPORT OF BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The Compensation Committee or the entire Board of Directors of Zix Corporation (the Company) approves salaries and annual bonuses for executive officers and administers its stock option plans.

Compensation Philosophy

The Company's compensation philosophy is to offer its executive officers compensation packages that are competitive with those being paid for comparable positions. Compensation consists of salary, bonus and stock options.

Chief Executive Officer Compensation

At December 31, 2003, the Company's Chairman, President and Chief Executive Officer was John A. Ryan. Mr. Ryan's employment agreement, which expired in November 2003, provided for, among other things, an annual base salary of \$300,000 and a cash bonus tied to the achievement of corporate objectives. Mr. Ryan received a cash bonus of \$160,000 for calendar year 2003. In addition, Mr. Ryan's options, granted at the inception of his employment, to acquire 1,000,000 shares of the Company's common stock at an exercise price of \$5.24 per share became fully vested in November 2003. Mr. Ryan's bonus opportunity for 2004 will be tied to the attainment of defined corporate objectives. Mr. Ryan received no salary increase in 2003.

Inasmuch as a substantial portion of Mr. Ryan's compensation is stock based and Mr. Ryan's 2004 cash bonus opportunity is tied to the achievement of defined objectives, his interests are aligned precisely with those of the Company's stockholders. The Company believes that Mr. Ryan's employment arrangement was and continues to be appropriate in light of his demonstrated prior success at Entrust in building its customer base and achieving significant revenue growth and the results he has accomplished at the Company to date.

Table of Contents

Other Executive Officer Compensation

At December 31, 2003, the Company's other executive officers were Dennis F. Heathcote, Vice President, Sales and Marketing; Wael Mohamed, Vice President, Global Distribution; Russell J. Morgan, Vice President, Client Services; Daniel S. Nutkis, Executive Vice President and Chief Strategy Officer; David J. Robertson, Vice President, Engineering; Steve M. York, Senior Vice President, Chief Financial Officer and Treasurer; and Ronald A. Woessner, Senior Vice President, General Counsel and Secretary. Messrs. Mohamed, Robertson, York and Woessner received no salary increase in 2003. Mr. Heathcote received a \$25,000 increase in pay, effective August 2003, when his job responsibilities increased as a result of a promotion to Vice President, Sales and Marketing. Mr. Morgan received a \$25,000 increase in pay, effective July 2003, when his job responsibilities increased as a result of the Company's recent acquisitions. The Board of Directors approved a 2003 bonus plan for the Company's executive officers, which was tied to the amount of end-user customer orders obtained by the Company for 2003. Bonuses, in the range of 80 -104% of the targeted levels, aggregating \$600,250, were paid under the bonus plan as follows: Heathcote (\$73,750), Mohamed (\$69,000), Morgan (\$52,000), Nutkis (\$95,000), Robertson (\$67,500), Ryan (\$160,000), Woessner (\$41,500) and York (\$41,500). To align the executive's compensation with the interests of the Company's stockholders, all of the executive officers, except Mr. Ryan, received stock option grants in early 2003 as set forth above in the Summary Compensation Table. Also, Mr. Nutkis received an additional stock option grant in December 2003 in connection with him assuming greater responsibility with respect to the operations of the Company's Care Delivery Services business.

Internal Revenue Code §162(m) Compliance

Compensation in excess of \$1,000,000 per year realized by any of the Company's five most highly compensated executive officers is not deductible by the Company for federal income tax purposes unless the compensation arrangement complies with the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended.

The options granted to Mr. Ryan in 2001 do not comply with the requirements of Section 162(m), which, among other things, would have required the Company to obtain stockholder approval of the option grant. Time was of the essence when the Company was discussing Mr. Ryan's potential employment. Seeking stockholder approval of the option grant would have, in the Board's opinion, imposed an unwarranted and harmful delay in completing the employment arrangements and Mr. Ryan commencing his employment duties. These options will, during the year of exercise, likely result in Mr. Ryan realizing compensation in excess of \$1,000,000, depending on the number of options exercised and the price of the Company's common stock at the time.

If there is no reported price information for such date, the Fair Market Value will be determined by the reported price information for Common Stock on the day nearest preceding such date.

Incentive Stock Option shall mean a stock option granted under Section 6 that is intended to meet the requirements of Section 422 of the Code (or any successor provision).

Nonqualified Stock Option shall mean a stock option granted under Section 6 that is not intended to be an Incentive Stock Option.

Option shall mean an Incentive Stock Option or a Nonqualified Stock Option.

Optionee shall mean the person to whom an option is granted under the Plan or who has obtained the right to exercise an option in accordance with the provisions of the Plan.

SECTION 3. *Administration*

Edgar Filing: ZIX CORP - Form DEF 14A

The Plan shall be administered by the Committee. The Committee shall have sole and complete authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the operation of the Plan as it shall from time-to-time deem advisable, and to construe, interpret and administer the terms

and provisions of the Plan and the agreements thereunder. The determinations and interpretations made by the Committee are final and conclusive.

SECTION 4. *Eligibility*

All employees and non-employee consultants and advisors (other than non-employee directors) who, in the opinion of the Committee, have the capacity for contributing in a substantial measure to the successful performance of the Company are eligible to receive Options under the Plan.

SECTION 5. *Maximum Amount Available for Options*

(a) The maximum number of shares of Common Stock in respect of which Options may be made under the Plan shall be a total of 2,000,000 shares of Common Stock. Of that amount, no participant may be granted Options for more than 850,000 shares of Common Stock in the aggregate during the term of the Plan. Shares of Common Stock may be made available from the authorized but unissued shares of the Company or from shares reacquired by the Company, including shares purchased in the open market. In the event that an Option is terminated unexercised as to any shares of Common Stock covered thereby, such shares shall thereafter be again available for award pursuant to the Plan.

(b) In the event that the Committee shall determine that any stock dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, exchange of shares, warrants or rights offering to purchase Common Stock at a price substantially below fair market value, or other similar corporate event affects the Common Stock such that an adjustment is required in order to preserve the benefits or potential benefits intended to be made available under the Plan, then the Committee shall adjust appropriately any or all of (1) the number and kind of shares which thereafter may be optioned under the Plan and (2) the grant, exercise or conversion price and/or number of shares with respect to the Options and/or, if deemed appropriate, make provision for cash payment to an Optionee; provided, however, that the number of shares subject to any Option shall always be a whole number.

SECTION 6. *Stock Options*

(a) Subject to the provisions of the Plan, the Committee shall have sole and complete authority to determine the persons to whom Options shall be granted, the number of shares to be covered by each Option, the option price therefor and the conditions and limitations applicable to the exercise of the Option.

(b) The Committee shall have the authority to grant Incentive Stock Options, or to grant Nonqualified Stock Options, or to grant both types of options. In the case of Incentive Stock Options, the terms and conditions of such grants shall be subject to and comply with the Code and relevant regulations. Incentive Stock Options to purchase Common Stock may be granted to such employees of the Company or its Subsidiaries (including any director who is also an employee of the Company or one of its Subsidiaries) as shall be determined by the Committee. Nonqualified Stock Options to purchase Common Stock may be granted to such eligible participants as shall be determined by the Committee. Neither the Company nor any of its Subsidiaries or any of their respective directors, officers or employees, shall be liable to any Optionee or other person if it is determined for any reason by the Internal Revenue Service or any court having jurisdiction that any Incentive Stock Option granted hereunder does not qualify for tax treatment as an Incentive Stock Option under the then-applicable provisions of the Code.

(c) The Committee shall, in its discretion, establish the exercise price at the time each Option is granted, which in the case of Nonqualified Stock Options, shall not be less than 100% of the Fair Market Value of the Common Stock on the Date of Grant, or in the case of grants of Incentive Stock Options, shall not be less than 100% of the Fair Market Value of the Common Stock on the Date of Grant or such greater amount as may be prescribed by the Code.

(d) Exercise

(1) Each Option shall be exercisable at such times and subject to such terms and conditions as the Committee may, in its sole discretion, specify in the applicable grant or thereafter; provided, however, that in no event may any Option granted hereunder be exercisable after the expiration of ten years from

Table of Contents

the Date of Grant. The Committee may impose such conditions with respect to the exercise of Options, including without limitation, any relating to the application of federal or state securities laws, as it may deem necessary or advisable.

(2) No shares shall be delivered pursuant to any exercise of an Option until payment in full of the option price therefore is received by the Company. Such payment may be made in cash, or its equivalent, or, if and to the extent permitted by the Committee or under the terms of the applicable agreement, by exchanging shares of Common Stock owned by the Optionee (which are not the subject of any pledge or other security interest), or by a combination of the foregoing, provided that the combined value of all cash and cash equivalents and the Fair Market Value of any such Common Stock so tendered to the Company, valued as of the date of such tender, is at least equal to such option price.

If the shares to be purchased are covered by an effective registration statement under the Securities Act of 1933, as amended, any Option may be exercised by a broker-dealer acting on behalf of an Optionee if (a) the broker-dealer has received from the Optionee instructions signed by the Optionee requesting the Company to deliver the shares of Common Stock subject to such Option to the broker-dealer on behalf of the Optionee and specifying the account into which such shares should be deposited, (b) adequate provision has been made with respect to the payment of any withholding taxes due upon such exercise, and (c) the broker-dealer and the Optionee have otherwise complied with Section 220.3(e)(4) of Regulation T, 12 CFR Part 220, or any successor provision.

(3) The Company, in its sole discretion, may lend money to an Optionee, guarantee a loan to an Optionee or otherwise assist an Optionee to obtain the cash necessary to exercise all or any portion of an Option granted under the Plan.

(4) The Company shall not be required to issue any fractional shares upon the exercise of any Options granted under this Plan. No Optionee nor an Optionee's legal representatives, legatees or distributees, as the case may be, will be, or will be deemed to be, a holder of any shares subject to an Option unless and until said Option has been exercised and the purchase price of the shares in respect of which the Option has been exercised has been paid. Unless otherwise provided in the agreement applicable thereto, an Option shall not be exercisable except by the Optionee or by a person who has obtained the Optionee's rights under the Option by will or under the laws of descent and distribution or pursuant to a qualified domestic relations order as defined in the Code.

(e) No Incentive Stock Options shall be exercisable (a) more than five years (or such other period of time as from time-to-time provided in the then-applicable provisions of the Code governing Incentive Stock Options) after the Date of Grant with respect to an Optionee who owns ten percent or more of the outstanding Common Stock (within the meaning of the Code), and (b) more than ten years after the Date of Grant with respect to all other Optionees. No Nonqualified Stock Options shall be exercisable more than ten years after the Date of Grant.

(f) In no event shall any Option granted to any employee who is classified as non-exempt under the Fair Labor Standards Act of 1938 be exercisable less than six months after the Date of Grant, except in the case of death, disability, retirement, a change in control or other circumstances permitted by regulations under the Worker Economic Opportunity Act (WEOA). Grants to such non-exempt employees shall not be based on pre-established performance criteria, except as specifically permitted under the WEOA. Non-exempt employees shall be notified of the terms of their Options in accordance with the WEOA, and exercise of such Options must be voluntary.

SECTION 7. *General Provisions*

(a) The Company and its Subsidiaries shall have the right to deduct from all amounts paid to an Optionee in cash (whether under the Plan or otherwise) any taxes required by law to be withheld in respect of Option exercises under the Plan. However, if permitted by the Committee or under the terms of the applicable agreement, the Optionee may pay all or any portion of the taxes required to be withheld by the Company or its Subsidiaries or paid by the Optionee with respect to such Common Stock by electing to have the Company or its Subsidiaries withhold shares of Common Stock, or by delivering previously owned shares of Common

Table of Contents

Stock, having a Fair Market Value equal to the amount required to be withheld or paid. The Optionee must make the foregoing election on or before the date that the amount of tax to be withheld is determined. Any such election is irrevocable and subject to disapproval by the Committee. If the Optionee is subject to the provisions of Section 16(b) of the Exchange Act, then any such election shall be subject to the restrictions imposed by applicable rules and regulations.

(b) Each Option hereunder shall be evidenced in writing, delivered to the Optionee, and shall specify the terms and conditions thereof and any rules applicable thereto, including, but not limited to, the effect on such Option of the death, retirement, disability or other termination of employment of the Optionee and the effect thereon, if any, of a change in control of the Company.

(c) Unless otherwise provided in the agreement applicable thereto, no Option shall be assignable or transferable except by will or under the laws of descent and distribution or pursuant to a qualified domestic relations order as defined in the Code, and no right or interest of any Optionee shall be subject to any lien, obligation or liability of the Optionee.

(d) No person shall have any claim or right to be granted an Option. Further, the Company and its Subsidiaries expressly reserve the right at any time to terminate the employment of an Optionee free from any liability, or any claim under the Plan, except as provided in any agreement entered into with respect to an Option. Neither the Plan nor any Option granted hereunder is intended to confer upon any Optionee any rights with respect to continuance of employment or other utilization of his or her services by the Company or by a Subsidiary, nor to interfere in any way with his or her right or that of his or her employer to terminate his or her employment or other services at any time (subject to the terms of any applicable contract). The conditions to apply to the exercise of an Option in the event an Optionee ceases to be employed by the Company or a Subsidiary for any reason shall be determined by the Committee or specified in the written agreement evidencing the Option.

(e) Subject to the provisions of the applicable Option, no Optionee or Designated Beneficiary shall have any rights as a stockholder with respect to any shares of Common Stock to be distributed under the Plan until he or she has become the holder thereof.

(f) The validity, construction, interpretation, administration and effect of the Plan and of its rules and regulations, and rights relating to the Plan, shall be determined solely in accordance with the laws of the State of Texas (without giving effect to its conflicts of laws rules) and, to the extent applicable, federal law.

(g) The Plan shall be effective as of May 6, 2004. No Options may be granted under the Plan after May 6, 2014; however, all previous Options issued that have not expired under their original terms or will not then expire at the time the Plan expires will remain outstanding.

(h) Restrictions on Issuance of Shares

(1) The Company shall not be obligated to sell or issue any Shares upon the exercise of any Option granted under the Plan unless: (i) the shares pertaining to such Option have been registered under applicable federal and state securities laws or are exempt from such registration; (ii) the prior approval of such sale or issuance has been obtained from any state regulatory body having jurisdiction; and (iii) in the event the Common Stock has been listed on any exchange, the shares pertaining to such Option have been duly listed on such exchange in accordance with the procedure specified therefor. The Company shall be under no obligation to effect or obtain any listing, registration, qualification, consent or approval with respect to shares pertaining to any Option granted under the Plan. If the shares to be issued upon the exercise of any Option granted under the Plan are intended to be issued by the Company in reliance upon the exemptions from the registration requirements of applicable federal and state securities laws, the recipient of the Option, if so requested by the Company, shall furnish to the Company such evidence and representations, including an opinion of counsel, satisfactory to it, as the Company may reasonably request.

(2) The Company shall not be liable for damages due to a delay in the delivery or issuance of any stock certificates for any reason whatsoever, including, but not limited to, a delay caused by listing,

Table of Contents

registration or qualification of the shares of Common Stock pertaining to any Option granted under the Plan upon any securities exchange or under any federal or state law or the effecting or obtaining of any consent or approval of any governmental body.

(i) The Board of Directors or Committee may impose such other restrictions on the ownership and transfer of shares issued pursuant to the Plan as it deems desirable; any such restrictions shall be set forth in the applicable agreement.

(j) The Board of Directors may amend, abandon, suspend or terminate the Plan or any portion thereof at any time in such respects as it may deem advisable in its sole discretion, provided that no amendment shall be made without stockholder approval (including an increase in the maximum number of shares of Common Stock in respect of which Options may be made under the Plan) if such stockholder approval is necessary to comply with any tax or regulatory requirement or exchange listing rules, including for these purposes any approval requirement that is a prerequisite for exemptive relief under Section 16(b) of the Exchange Act.

(k) To preserve an Optionee's rights under an Option in the event of a change in control of the Company or an Optionee's separation from employment, the Committee in its discretion may, at the time an Option is made or any time thereafter, take one or more of the following actions: (i) provide for the acceleration of any time period relating to the exercise of the Option, (ii) provide for the purchase of the Option, upon the Optionee's request, for an amount of cash or other property that could have been received upon the exercise or realization of the Option had the Option been currently exercisable or payable, (iii) adjust the terms of the Option in a manner determined by the Committee to reflect the change in control or to prevent the imposition of an excise tax under section 280G(b) of the Code, (iv) cause the Option to be assumed, or new rights substituted therefor, by another entity, or (v) make such other provision as the Committee may consider equitable and in the best interests of the Company.

IN WITNESS WHEREOF, the Company has caused the Plan to be executed on its behalf as of the 6th day of May 2004.

The Committee may impose such conditions with respect to the exercise of Options (that are consistent with the foregoing principles), including without limitation, any relating to the application of federal or state securities laws, as it may deem necessary or advisable.

SECTION 7. *Plan Amendments*

The Board may amend, abandon, suspend or terminate the Plan or any portion thereof at any time in such respects as it may deem advisable in its sole discretion, provided that no amendment shall be made without stockholder approval if such amendment is material or if stockholder approval is necessary to comply with any tax or regulatory requirement.

In the event that the Committee shall determine that any stock dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, exchange of shares, warrants or rights offering to purchase Common Stock at a price substantially below Fair Market Value or other similar corporate event affects the Common Stock such that an adjustment is required in order to preserve the benefits or potential benefits intended to be made available under the Plan, then the Committee shall adjust appropriately any or all of (a) the number and kind of shares that thereafter may be optioned under the Plan, (b) the number and kind of shares subject of Options and (c) the exercise price with respect to any of the foregoing and/or, if deemed appropriate, make provision for cash payment to an Optionee or a person who has an outstanding Option; *provided, however*, that the number of shares subject to any Option shall always be a whole number.

IV. AUTHORITY, RESPONSIBILITIES AND DUTIES.

The following functions shall be within the power of the Committee in carrying out its purposes outlined in Section I of this Charter. These functions should serve as a guide with the understanding that the Committee may carry out additional functions and adopt additional or different policies and procedures as may be appropriate in light of changing business, legislative, regulatory, legal or other conditions. The Committee shall also have such further powers as may be delegated to it by the Board from time to time related to the purposes of the Committee outlined in Section I of this Charter.

The Committee's role is one of oversight and it recognizes that the Company's management is responsible for preparing the Company's financial statements and that the outside auditors are responsible for auditing those financial statements. Additionally, the Committee recognizes that financial management as well as the outside auditors, have more time, knowledge and more detailed information about the Company than do Committee members. Consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the outside auditor's work.

The Committee, in fulfilling its responsibilities, is empowered to study or investigate any matter of interest or concern that the Committee deems appropriate and shall have independent authority to retain outside counsel or other experts for this purpose.

A. Supervise the Independent Audit.

The Committee shall have the direct responsibility for the appointment, compensation, retention and oversight of the work of the outside auditor, including, where appropriate, the dismissal of the outside auditor. The outside auditor shall report directly to the Committee, and the Committee's responsibility includes the resolution of disagreements between management and the outside auditor regarding financial reporting.

2. The Committee shall review and approve the scope of the annual audit, and pre-approve any audit-related services provided by the Company's independent auditors. All non-audit services permitted pursuant to law to be provided by the auditor must also be considered and pre-approved by the Committee, except in the limited circumstances permitted by Rule 2-01(c)(7)(i) of SEC Regulation S-X. The Committee may delegate the authority to grant pre-approvals to one or more members of the Committee, whose decisions must be presented to the full Committee at its scheduled meetings.

3. The Committee shall review a formal written statement from the outside auditor delineating all relationships between the outside auditor and the Company, consistent with Independence Standards Board Standard No. 1. The Committee shall actively engage in a dialogue with the outside auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the outside auditor and take appropriate action in response to the outside auditor's report to satisfy itself of the auditor's independence. The Committee shall also (i) consider whether, in the interest of assuring continuing

Table of Contents

independence of the outside auditor, the Company should regularly rotate its outside auditor and (ii) set clear hiring policies for employees or former employees of the outside auditors.

4. The Committee shall consider and review with management, the Chief Financial Officer or Controller and the outside auditor: (i) significant findings during the year, including the status of previous audit recommendations; (ii) any audit problems or difficulties encountered in the course of audit work including any restrictions on the scope of activities or access to required information; (iii) any changes required in the planned scope of the audit plan; (iv) the audit budget and staffing; and (v) the coordination of audit efforts in order to monitor completeness of coverage, reduction of redundant efforts, and the effective use of audit resources.

B. Oversee Internal Audit, Internal Controls and Risk Management.

1.
