PROXY STATEMENT FOR THE
ANNUAL MEETING OF STOCKHOLDERS
To Be Held June 15, 2004

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy is solicited by the Board of Directors of Vialta, Inc. (the Company), a Delaware corporation. The Proxy will be used at the Annual Meeting of Stockholders to be held on Tuesday, June 15, 2004 at 2:00 p.m., local time, or at any postponement or adjournment(s) thereof (the Annual Meeting). The Annual Meeting will be held at the Fremont Marriott, 46100 Landing Road, Fremont, CA 94538. The telephone number at that location is (510) 413-3700.

The Company's principal executive offices are located at 48461 Fremont Blvd., Fremont, CA 94538.

Solicitation

These proxy solicitation materials, including an annual report for the fiscal year ended December 31, 2003, will be mailed on or about May 20, 2004 to all stockholders entitled to vote at the Annual Meeting. The costs of soliciting these proxies will be borne by the Company. These costs will include the expenses of preparing and mailing proxy materials for the Annual Meeting and reimbursement paid to brokerage firms and other custodians, nominees and fiduciaries for their expenses incurred in forwarding solicitation material regarding the Annual Meeting to beneficial owners of the Company's Common Stock. Officers, directors and regular employees of the Company may conduct further solicitation personally, telephonically or by facsimile, without receiving additional compensation for assisting with the solicitation.

The Company will provide a copy of the Company's Annual Report on Form 10-K for the year ended December 31, 2003, including financial statements and financial statement schedules (but not exhibits), without charge to each stockholder upon written request. The request should be sent to William Scharninghausen, Chief Financial Officer, Vialta, Inc., 48461 Fremont Blvd., Fremont, CA 94538 (telephone number: (510) 870-3098). Exhibits to the Annual Report may be obtained on written request to Mr. Scharninghausen.

Revocability of Proxies

A proxy may be revoked by the person giving it at any time before its use by submitting to the Secretary of the Company a written notice of revocation, by delivering a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Please note, however, that if a stockholder's shares are held of record by a broker, bank or other nominee and the stockholder wishes to vote at the Annual Meeting, the stockholder must bring to the Annual Meeting a proxy from the broker, bank or other nominee authorizing him or her to vote the shares.

VOTING RIGHTS AND SOLICITATION OF PROXIES

Voting

Each share of Vialta common stock outstanding on the record date is entitled to one vote per share on all matters. In accordance with the provisions of California law, until the Company is a listed corporation

Table of Contents

stockholders have the right to cumulate votes in connection with the election of directors. Each stockholder complying with the conditions set forth below may cumulate votes and give one candidate a number of votes equal to the number of votes to which such stockholder's shares are entitled multiplied by the number of directors to be elected. The stockholder may cast these votes all for a single candidate or distribute the votes among any or all of the candidates. Under California law, no stockholder will be entitled to cumulate votes for a candidate unless that candidate's name has been placed in nomination prior to the voting and the stockholder, or any other stockholder, has given notice at the Annual Meeting prior to the voting of an intention to cumulate votes. In such event, the proxy holder may allocate among the Board of Directors' nominees the votes represented by proxies in the proxy holder's sole discretion. With respect to the election of directors, the six directors receiving the highest number of votes of the shares of Common Stock present in person or represented by proxy at the Annual Meeting and voting on the election of directors will be elected.

The Inspector of Elections will tabulate the votes cast in person or by proxy at the Annual Meeting. The affirmative vote of a majority of the votes cast at a duly held meeting at which a quorum is present and voting is required for approval of proposals presented to stockholders other than the election of directors. If a broker indicates on the enclosed proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter (broker non-votes), those shares will not be considered as votes present with respect to that matter so will have no effect on the outcome of that vote. Abstentions will not be counted in the tabulation of the voting results with respect to the election of directors but will have the effect of a negative vote on the other proposals.

Quorum

A majority of the outstanding shares on the record date, represented either in person or by proxy, shall constitute a quorum for purposes of the Annual Meeting. The Inspector of Elections will determine whether or not a quorum is present. The Inspector of Elections will treat abstentions and broker non-votes as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

Board Recommendations

Any proxy which is returned using the form of proxy enclosed and which is not marked as to a particular item will be voted, as applicable, for the election of the Board's nominees for directors, for the ratification of PricewaterhouseCooper, LLP, and as the proxy holders deem advisable on other matters that may come before the meeting.

Record Date and Share Ownership

Only stockholders of record at the close of business on April 23, 2004 are entitled to notice of and to vote at the Annual Meeting. As of the record date, _____ shares of the Company's Common Stock were issued and outstanding, and there were _____ stockholders of record.

Deadline for Receipt of Stockholder Proposals

Under our bylaws, no business may be brought before an annual meeting unless it is specified in the notice of the meeting or is otherwise properly brought before the meeting by or at the direction of the Board or by an eligible stockholder who has delivered written notice to the Company's Corporate Secretary not less than 120 days prior to the date that the Company's proxy statement was released to stockholders in connection with the previous year's annual meeting of stockholders. With respect to the Company's 2005 Annual Meeting of Stockholders, written proposals by stockholders of the Company must be received by the Company no later than December 31, 2004 to be considered for inclusion in the proxy statement and form of proxy relating to that meeting. If the date of the Company's 2005 Annual Meeting of Stockholders is changed by more than 30 calendar days from the date contemplated, notice by the stockholder must be received not later than the close of business on the tenth day following the day on which the date of the annual meeting is publicly announced.

Table of Contents**PROPOSAL NO. 1****ELECTION OF DIRECTORS**

The Company's bylaws currently provide that the number of directors shall be fixed from time to time by the Board of Directors. The size of the Board of Directors is currently set at six members. The Company's bylaws divides the Board into three classes with staggered, three-year terms. Herbert Chang and George M. Cain serve as Class I directors, with terms set to expire in 2005. Matthew K. Fong and Didier Pietri serve as Class II directors with terms set to expire in 2006, and Fred S.L. Chan and Michael S. Dubester serve as Class III directors, with terms set to expire in 2004. However, pursuant to the requirements of California law, this provision will become effective only when the Company becomes a listed corporation, as defined under California law. As a result, six nominees will be elected at the Annual Meeting to be the six directors of the Company.

The Board has nominated the six people named below to serve as directors to hold office until the next Annual Meeting of Stockholders and until their respective successors have been elected and qualified or until such directors' earlier resignation or removal. All of the nominees are currently directors of the Company. If any nominee, for any reason, is unable to, or will not, serve as a director, the proxies may be voted for and will serve in the same class as designated above such substitute nominee as the proxy holder may determine. The Company is not aware of any nominee who will be unable to, or will not serve as a director.

Herbert Chang has been a member of Vialta's board of directors since November 1999. Mr. Chang is the President of InveStar Capital, Inc., a venture capital firm. He has held that position since August 1996. In addition, Mr. Chang is the managing member of Forefront Associates, LLC, which is the general partner of Forefront Venture Partners, L.P., a position he has held since February 1998. Mr. Chang currently serves as a director of Marvell Technology Group Ltd. and Oplink Communications, Inc.

He was the founder and President of The Sporting News Online, from 1996 until 1998.

Matthew K. Fong has been a member of Vialta's board of directors since April 1999. Prior to that, Mr. Fong served as California State Treasurer from January 1995 to January 1999.

Board of Directors Meetings and Committees

The Board of Directors met four times during fiscal year 2003. The Board of Directors, during 2003, had an Audit Committee and a Compensation Committee but did not have a Nominating Committee or any other standing committees. Nominations to the Board of Directors are handled as discussed below. Each incumbent director attended at least 75% of the meetings of the Board and meetings of the Committees of the Board on which he served during the fiscal year 2003. The Company invites Board members to attend annual meetings of the stockholders. Didier Pietri attended the last annual meeting of stockholders.

Audit Committee. The Audit Committee is currently comprised of three members: Matthew Fong (Chairman), Michael Dubester and Herbert Chang. Mr. Dubester was elected to the Audit Committee on May 1, 2003. Mr. Chang was elected to the Audit Committee on April 23, 2002. Currently, Mr. Chang and Mr. Dubester are both independent as defined by the listing standard of NASDAQ as now in effect. Prior to January 31, 2003, Mr. Fong was employed by the Company as the Advisor to the Chairman so is not independent under such standard. During 2003, the Board did not designate any member as a financial expert within the meaning of applicable regulatory standards, but believes that each member has the appropriate experience and ability to perform their duties as Audit Committee members.

The Audit Committee pre-approves the performance of audit and non-audit services by the Company's accountants and reviews the Company's internal control systems, financial reporting procedures, the general scope of the Company's annual audit, the fees charged by the independent accountants, and the fairness of any proposed transaction between any officer, director or other affiliate of the Company and the Company. With respect to the foregoing, the Audit Committee makes recommendations to the full Board and performs such further functions as may be required or delegated to the Committee by the Board of Directors. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is attached to the Proxy Statement filed by the Company on April 30, 2002. During fiscal year 2003, the Audit Committee of the Board held four meetings independent of the entire Board of Directors.

Compensation Committee. The Compensation Committee is comprised of three members: Matthew Fong (Chairman), George Cain and Michael Dubester. The Compensation Committee reviews and approves compensation and benefits for the Company's key executive officers, administers the Company's stock purchase and equity incentive plans and makes recommendations to the Board of Directors regarding such matters. During fiscal year 2003, the Compensation Committee held two meetings independent of the entire Board of Directors.

Table of Contents

Nominations. The Company does not have a nominating committee. In light of the relatively small size of the Board of Directors, the Company does not believe that a separate nominating committee is currently necessary. In the interim, all current directors will take part, as necessary, in selecting any required nominees. The Board currently considers candidates for Board membership suggested by its members. A stockholder who wishes to recommend a prospective nominee for the Board should notify the Company's Corporate Secretary in writing with whatever supporting material the stockholder considers appropriate. The Board will also consider whether to nominate any person nominated by a stockholder pursuant to the provisions of the Company's bylaws relating to stockholder nominations.

Compensation of Directors

During 2003, non-employee directors of the Company received cash compensation for their services, along with reimbursement for their reasonable expenses in attending meetings of the Board of Directors or any meetings of a Committee of the Board of Directors. Commencing with the first quarter of 2003, each non-employee director received the following fees:

\$2,000 for each Board meeting attended in person;

\$1,000 for each Board meeting attended by telephone;

\$8,000 per year for service on the Audit Committee or \$12,000 per year for service as the Chairman of the Audit Committee, in each case payable in four quarterly installments; and

an annual stock grant of 20,000 shares under our 2000 Directors Stock Option Plan, as amended on April 30, 2003. Prior to its amendment, the 2000 Directors Stock Option Plan provided for an initial grant of 32,000 shares and subsequent grants of 8,000 shares each year for services as a director. All options are granted at an exercise price equal to the fair market value of a share of Common Stock on the date of grant and vest in four equal annual installments, starting on the first anniversary of the date of grant. For a more detailed description of the Directors Plan, including the amendment, see Exhibit 10.2 of the Company's 2003 Form 10-K for the 2003 fiscal year filed with the SEC.

Up until January 2003, Mr. Fong served as an advisor to the Chairman of the Board and received \$8,025 in 2003 as compensation for advisory services provided to the Company. Subsequent to January 2003, Mr. Fong, as a non-employee director, received \$20,000 for Board and committee meetings attended in 2003. Mr. Cain received \$8,000; Mr. Chang received \$10,000, and Mr. Dubester received \$13,000 for Board and committee meetings attended in 2003.

Directors who are employees of the Company do not receive additional compensation for their services as directors. During fiscal 2003, Mr. Chan and Mr. Pietri were the only employees who served as directors.

Communications with the Board

Stockholders who wish to communicate with a member or members of the Board of Directors, or the non-employee directors as a group, may do so by addressing their correspondence to the Board member or members, c/o Vialta's Corporate Secretary at the principal executive office of the Company, with a request to forward the same to the intended recipient. In general, all stockholder communications delivered to Vialta's Corporate Secretary for forwarding to the Board or specified Board members will be forwarded in accordance with the stockholder's instructions.

Required Vote

The six nominees receiving the highest number of affirmative votes of shares of the Company's Common Stock present at the Annual Meeting in person or by proxy and voting on the election of directors shall be elected as directors.

**THE BOARD RECOMMENDS A VOTE FOR THE ELECTION
OF EACH OF THE NOMINEES LISTED ABOVE.**

Table of Contents**PROPOSAL NO. 2****RATIFICATION OF SELECTION OF INDEPENDENT ACCOUNTANTS**

The Company has selected PricewaterhouseCoopers LLP (PwC) as its independent accountants to perform the audit of the Company's financial statements for fiscal year 2004 and recommends that the stockholders ratify such selection. In the event the stockholders do not ratify such appointment, the Board will reconsider its selection. PwC has been the Company's independent accountants since August 2001 when the Company was spun off from its parent. Even if the appointment is ratified, the Audit Committee may recommend to the Board or the Board may appoint a different firm at any time if it determines that such appointment is in the best interests of the Company. Representatives of PwC are expected to be present at the Annual Meeting, will have the opportunity to make a statement at the Annual Meeting if they desire to do so and are expected to be available to respond to appropriate questions.

Fees Paid to the Independent Accountants

The aggregate fees for professional services by PwC for fiscal 2003 and 2002 are listed in the following table.

	<u>Fiscal 2003</u>	<u>Fiscal 2002</u>	<u>Description</u>
Audit Fees	\$208,000	\$227,000	Services rendered for the annual audit and quarterly reviews of the Company's financial statements.

Tax Fees	40,900	60,000	Tax compliance and preparation
All Other Fees	0	0	
	<u>\$248,900</u>	<u>\$287,000</u>	

The Audit Committee of the Board pre-approved all non-audit services provided by PwC and concluded, based on information provided by PwC, that providing such services is compatible with maintaining PwC's independence.

Required Vote

The ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent accountants requires the affirmative vote of the holders of a majority of the shares of the Company's Common Stock present at the Annual Meeting in person or by proxy and entitled to vote.

EMPLOYMENT AGREEMENTS

Didier Pietri originally entered into an employment letter agreement on April 2001, with the Company pursuant to which he was entitled to receive an annual salary of \$300,000. In addition to basic compensation, Mr. Pietri was entitled to participation in employee benefit plans, stock option grants and a guaranteed bonus of \$100,000 after one year of service. Mr. Pietri was also awarded an additional \$150,000 bonus, which was paid in 2003. In April 2002, the Compensation Committee approved continuing Mr. Pietri's basic compensation at the previous rate, but his the guaranteed bonus for his second year of service was reduced to \$75,000, and a discretionary bonus of \$75,000 was added. Any discretionary bonus must be paid before the expiration of the agreement. In May, 2003, the Compensation Committee again approved continuing Mr. Pietri's base salary and retaining his guaranteed and discretionary bonuses. In addition, the compensation committee approved a stock option grant to Mr. Pietri of 2,000,000 shares of common stock to vest 25% immediately, 25% on the first anniversary of the grant and 2 1/2% each month thereafter.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

General

The Committee acts on behalf of the Board to examine and implement the general compensation policy of the Company for all executive officers and such other employees of the Company as the Board of Directors may deem appropriate. The Committee reviews the general compensation policy applicable to the Chief Executive Officer (CEO) and other executive officers on an annual basis. The Committee administers the Company's incentive and equity plans, including the 1999 Stock Incentive Plan, the 2000 Directors Stock Option Plan and the 2001 Nonstatutory Stock Option Plan.

The Company's policy in compensating its executive officers is intended to attract, motivate and retain these executives. Consistent with this policy, key executives are eligible to receive, in addition to their base salaries, stock option grants under the 1999 Stock Incentive Plan in amounts determined by the Board of Directors based on recommendations by the Compensation Committee. Stock options have value for these executives only if the price of the Company's stock increases above the fair market value on the grant date and the executive remains in the Company's employ for the period required for the shares to vest. Additional incentive compensation is also considered by the Committee based on individual performance and the achievement of short term goals.

The base salary, incentive compensation and stock option grants of the executive officers are determined in part by the Committee reviewing data on prevailing compensation practices in technology companies with

whom the Company competes for executive talent and by their evaluating such information in connection with the Company's corporate goals. To this end, the Committee attempts to compare the compensation of the Company's CEO and other executive officers with the compensation practices of comparable companies to determine base salary, target bonuses and target total cash compensation.

Compensation of Executive Officers

During the fiscal year that ended on December 31, 2003, the Company's executive compensation program was comprised of the following key components: base salary, annual bonus, and equity-based incentives.

Base Salary. The Company sets the base salaries of its executives at levels believed to be consistent with comparably sized companies engaged in similar industries.

Equity-Based Incentive Compensation. Stock options are an important component of the total compensation of executives. The Company believes that stock options align the interests of each executive with those of the stockholders. They also provide executives a significant, long-term interest in the Company's success and help retain key executives in a competitive market for executive talent. The Company's 1999 Equity Incentive Plan authorizes the Committee to grant stock options to executives. The number of shares owned by, or subject to options held by, each executive officer is periodically reviewed and additional awards are considered based upon past performance of the executive and the relative holdings of other executives in the Company. The option grants generally utilize four-year vesting periods to encourage executives to continue contributing to the Company, and they expire not later than ten years from the date of grant.

Compensation of the Chief Executive Officer

The Company's CEO's compensation plans include the same elements and performance measures as the plans of the Company's other executive officers. The Compensation Committee evaluates the performance of the Company's CEO, sets his base compensation and determines bonuses and awards stock or option grants, if any. In May 2003 the Compensation Committee approved continuing Mr. Pietri's basic compensation at the rate he has been paid since joining the Company in April of 2001. In addition, the Compensation Committee voted to provide a guaranteed bonus of \$75,000, which was paid in November 2003. A discretionary bonus of \$75,000 has not yet been paid as of the date of this proxy statement filing. The Compensation Committee also approved a stock option grant to Mr. Pietri of 2,000,000 shares of common stock to vest 25% immediately, 25% on the first anniversary of the grant and 2 1/2% each month thereafter. In determining the terms of his agreement, the Compensation Committee considered a number of factors and criteria including, Mr. Pietri's depth of experience, his past accomplishments with other companies, his vision and leadership abilities, and the future needs of the Company. In making its compensation decisions with Mr. Pietri, the Compensation Committee also considered the need to provide continuity of leadership. The Compensation Committee exercised its discretion and judgment based on the above factors, and no specific formula was applied to determine the weight of any factor.

Deductibility of Executive Compensation

The Compensation Committee has considered the impact of Section 162(m) of the Code, which disallows a deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for the CEO and four other most highly compensated executive officers, unless such compensation meets the requirements for the performance-based exception to the general rule. Since the cash compensation paid by the Company to each of its executive officers is expected to be below \$1 million, the Compensation Committee believes that this section will not affect the tax deductions available to the Company. It will be the Compensation Committee's policy to qualify, to the extent reasonable, the executive officers' compensation for deductibility under applicable tax law.

**COMPENSATION COMMITTEE INTERLOCKS
AND INSIDER PARTICIPATION**

Fred Chan, who is the Chairman of the Company, participated in deliberations of the Company's Board of Directors concerning executive officer compensation.

Vialta employs Fred S.L. Chan's brother as its Senior Director of IT and one of his sons as its Director of Product Marketing and Design. The salary and benefits provided to these individuals for fiscal 2003 was \$107,194 and \$91,528, respectively. Another of Mr. Chan's sons is employed as a Marketing Coordinator and received salary and benefits during the last fiscal year that did not exceed \$60,000.

No Compensation committee interlocks existed during 2003.

CERTAIN RELATIONSHIPS AND CERTAIN TRANSACTIONS

Vialta employs Fred S.L. Chan's brother as its Senior Director of IT and one of his sons as its Director of Product Marketing and Design. The salary and benefits provided to these individuals for fiscal 2002 was \$107,194 and \$91,528, respectively, and they also received the Company's standard employee benefits package. Another of Mr. Chan's sons was employed as a Marketing Coordinator during a portion of fiscal 2003 and received salary and benefits during the last fiscal year that did not exceed \$60,000.

Mr. Chan is Chairman of the Board of ESS Technology, Inc., and owns approximately 14.1% of the outstanding common stock of ESS. Prior to its spin-off in August 2001, Vialta was a subsidiary of ESS. Vialta leases its corporate headquarters and purchases component parts from ESS. The companies are also parties to an Administrative and Management Services Agreement. During 2003, Vialta made payments to ESS of \$1,182,000 under the lease, \$194,000 for component parts, \$10,000 for administrative and management services, \$33,000 for services received in fiscal 2002, and received payments from ESS of \$4,000 for other services. Effective as of July 2003, Vialta renegotiated its lease with ESS Technology to extend the duration of the lease at fair market rate. Vialta believes it paid fair market value for the lease based on a review of lease rental rates in its area and believes the prices it was charged for parts is equivalent to those charged by ESS to other manufactures.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16 of the Securities Exchange Act of 1934, as amended, requires the Company's directors and officers, and persons who own more than 10% of the Company's Common Stock to file initial reports of ownership and reports of changes in ownership. Such persons are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms that they file. Based solely on its review of the copies of such forms furnished to the Company and written representations from the executive officers and directors, the Company believes that all transactions required to be reported pursuant to Section 16(a) for the year ended December 31, 2003 were reported on a timely basis with the exception of Mr. Pietri, who filed a report in July 2003 for options granted in June 2003; Mr. Cain, who filed a form in March 2003 for options granted in February 2003; Mr. Chang, who filed a report in June 2003 for options granted in March 2003; Mr. Dubester, who filed a form in March 2003 for options granted in February 2003, and Mr. Fong, who filed a form in June 2003 for options granted in April 2003.

CODE OF ETHICS

Vialta has not adopted a Code of Ethics that applies to its principal executive officer, principal financial officer and principal accounting officer. In view of Vialta's small size and the limited number of personnel who are responsible for its operations, the Company has determined that a formal code of ethics is not currently necessary. Our Board of Directors will, however, revisit this issue in the future to determine if adoption of a code of ethics is appropriate. In the meantime, our management has adopted an insider trading policy and is committed to promoting honest and ethical conduct, full and fair disclosure in our report to the SEC, and compliance with applicable governmental laws and regulations.
