Item 5. Other Events and Regulation FD Disclosure

Effective June 22, 2004, Metalclad Insulation Corporation, the wholly owned subsidiary of Entrx Corporation, and Entrx Corporation, entered into a Settlement Agreement and Full Policy Release (the Agreement) releasing one of its insurers from its policy obligations for a broad range of claims arising from injury or damage which may have occurred during the period March 15, 1980 to March 15, 1981, under an umbrella liability policy (the Policy). The Policy provided limits of \$5,000,000 in the aggregate and per occurrence. The insurer claimed that liability under the Policy had not attached, and that regardless of that fact, an exclusion in the Policy barred coverage for virtually all claims of bodily injury from exposure to asbestos, which is of primary concern to Metalclad Insulation Corporation. Metalclad Insulation Corporation took the position that such asbestos coverage existed. The parties to the Agreement reached a compromise, whereby Metalclad Insulation Corporation will receive \$2,500,000 in cash, and Metalclad Insulation Corporation and Entrx Corporation agreed to indemnify and hold harmless the insurer from all claims which could be alleged against the insurer respecting the policy, limited to \$2,500,000 in amount. The Agreement is attached hereto as Exhibit 10.1, with the identity of the insurer omitted (indicated by ** in item 7 below) as a consequence of the confidentiality provision of the Agreement (Section 17). The Agreement including the name of the insurer has been filed separately with the Securities and Exchange Commission, along with a request for confidential treatment of the omitted information in the Agreement.
