GENERAL INFORMATION ABOUT VOTING

Solicitation of Proxies

The enclosed proxy is solicited by and on behalf of our board of directors. The expense of soliciting proxies for the annual meeting of stockholders, including the cost of mailing, will be borne by us. We also intend to request persons holding shares of our Common Stock in their name or custody, or in the name of a nominee, to send proxy materials to their principals and request authority for the execution of the proxies, and we will reimburse such persons for their expense in doing so. We will also use the proxy solicitation services of Georgeson Shareholder Communications Inc. For such services, we will pay a fee that is not expected to exceed $15,000 plus out-of-pocket expenses.

Voting Securities

Our outstanding voting equity securities include shares of our common stock (Common Stock) and shares of our Series B-1 Cumulative Convertible Redeemable Preferred Stock (Series B-1 Preferred Stock). Each share of Common Stock and each share of Series B-1 Preferred Stock entitles the holder to one vote. As of March 16, 2005 there were outstanding and entitled to vote 36,160,447 shares of Common Stock and 993,049 shares of Series B-1 Preferred Stock. Only stockholders of record at the close of business on March 16, 2005 are entitled to vote at the annual meeting of stockholders or any adjournment of the annual meeting.

Voting

If you hold your Common Stock or Series B-1 Preferred Stock in your own name as a holder of record, you may instruct the proxies to vote your Common Stock or Series B-1 Preferred Stock by signing, dating and mailing the proxy card in the postage-paid envelope provided. You may also vote your Common Stock or Series B-1 Preferred Stock in person at the annual meeting of stockholders.

If your Common Stock or Series B-1 Preferred Stock is held on your behalf by a broker, bank or other nominee, you will receive instructions from them that you must follow to have your Common Stock or Series B-1 Preferred Stock voted at the annual meeting of stockholders.

Counting of Votes

A quorum will be present if the holders of a majority of the outstanding shares entitled to vote are present, in person or by proxy, at the annual meeting of stockholders. If you have returned valid proxy instructions or if you hold your shares in your own name as a holder of record and attend the annual meeting of stockholders in person, your shares will be counted for the purpose of determining whether there is a quorum. If a quorum is not present, the annual meeting of stockholders may be adjourned by the vote of a majority of the shares represented at the annual meeting until a quorum has been obtained.

The affirmative vote of a plurality of the shares of Common Stock and shares of Series B-1 Preferred Stock, voting together as a single class, cast at the annual meeting of stockholders is required to elect each nominee to our board of directors. The affirmative vote of a majority of the shares present and voting is required to ratify the appointment of Ernst & Young LLP as our independent auditors for the year ending December 31, 2005. The affirmative vote of a majority of all the votes cast on Proposal 3, Proposal 4 and Proposal 5, respectively, is required to approve each such proposal, and the total votes cast on each of Proposal 3, Proposal 4 and Proposal 5 must represent at least a majority of the Company s outstanding Common Stock and Series B-1 Preferred Stock. For any other matter, unless otherwise required by Maryland or other applicable law, the affirmative vote of a majority of the shares of Common Stock and shares of Series B-1 Preferred Stock, voting together as a single class, present and voting at the annual meeting of stockholders is required to approve the matter.

Proposal 3, to approve the issuance of shares of Series B-1 Preferred Stock and Common Stock to Security Capital, Proposal 4, to approve the conversion of Class B Units into Common Units and Proposal 5, to approve amendments to our 2003 Stock Incentive Plan are matters that require stockholder votes under the rules of the New York Stock Exchange. Based on New York Stock Exchange listing rules, if your shares are held in the name of a nominee such as your brokerage firm, and you as beneficial owner do not tell your nominee how to vote your shares, the nominee cannot vote your shares on Proposal 3, Proposal 4 or Proposal 5 (giving rise to what is known as a broker non-vote). If the nominee signs and returns the proxy card, your shares will be counted as present to determine whether a quorum exists.

If you abstain or withhold votes or your shares are treated as broker non-votes, your abstention, withheld vote or broker non-vote:

Will not be counted as votes cast and will have no effect on the outcome in the election of our board of directors or the ratification of the appointment of Ernst & Young LLP as our independent auditors for the year ending December 31, 2005;

Will have the effect of a vote against (i) Proposal 3 to approve the issuance up to 2,285,865 shares of Series B-1 preferred stock to Security Capital and any additional shares of Common Stock that Security Capital may acquire pursuant to certain participation rights granted to Security Capital, (ii) Proposal 4, to approve the conversion of Class B Units in our Operating Partnership into Common Units in our Operating Partnership and (iii) Proposal 4 to approve amendments to our 2003 Stock Incentive Plan to increase the number of shares of Common Stock reserved for issuance under the plan from 362,564 to 2,850,000 shares, to extend the termination date of the plan from August 1, 2006 to August 1, 2013, and to avoid adverse tax consequences to a participant under Section 409A of the Internal Revenue Code; unless, with respect to each proposal, for purposes of the New York Stock Exchange listing standards over 50% of the shares of Common Stock entitled to vote as of the record date cast votes for that proposal, in which event your broker non-votes will not have any effect on the result of the votes on such proposal.

If you sign and return your proxy card without giving specific voting instructions, your shares will be voted FOR the nominees to our board of directors, FOR the ratification of the appointment of Ernst & Young LLP as our independent auditors for the year ending December 31, 2005, FOR the issuance of up to 2,285,865 shares of Series B-1 Preferred Stock to Security Capital and any additional shares of Common Stock that Security Capital may acquire pursuant to participation rights granted to Security Capital, FOR the conversion of 839,934 Class B Units in our Operating Partnership into 839,934 Common Units in our Operating Partnership and FOR the amendments to our 2003 Stock Incentive Plan to increase the number of shares of Common Stock reserved for issuance under the plan from 362,564 to 2,850,000 shares, to extend the termination date of the plan from August 1, 2006 to August 1, 2013, and to avoid adverse tax consequences to a participant under Section 409A of the Internal Revenue Code.

Right To Revoke Proxy

If you hold shares of Common Stock or Series B-1 Preferred Stock in your own name as a holder of record, you may revoke your proxy instructions through any of the following methods:

- notify our Secretary in writing before your shares of Common Stock or Series B-1 Preferred Stock have been voted at the annual meeting of stockholders;
- sign, date and mail a new proxy card to Equiserve, L.P.; or
- attend the annual meeting of stockholders and vote your shares of Common Stock or Series B-1 Preferred Stock in person.

You must meet the same deadline when revoking your proxy as when voting your proxy. See the Voting section of this proxy statement for more information.

If shares of Common Stock or Series B-1 Preferred Stock are held on your behalf by a broker, bank or other nominee, you must contact them to receive instructions as to how you may revoke your proxy instructions.

Multiple Stockholders Sharing the Same Address

The Securities and Exchange Commission (the SEC) rules allow for the delivery of a single copy of an annual report and proxy statement to any household at which two or more stockholders reside, if it is believed the stockholders are members of the same family. Duplicate account mailings will be eliminated by allowing stockholders to consent to such elimination, or through implied consent if a stockholder does not request continuation of duplicate mailings. Depending upon the practices of your broker, bank or other nominee, you may need to contact them directly to discontinue duplicate mailings to your household. If you wish to revoke your consent to householding, you must contact your broker, bank or other nominee.

If you hold shares of Common Stock or Series B-1 Preferred Stock in your own name as a holder of record, householding will not apply to your shares.

If you wish to request extra copies free of charge of any annual report, proxy statement or information statement, please send your request to Ashford Hospitality Trust, Inc., Attention: Stockholder Relations, 14185 Dallas Parkway, Suite 1100, Dallas, Texas, 75254. You can also obtain copies from our web site at www.ahtreit.com.

PROPOSAL NUMBER ONE ELECTION OF DIRECTORS

One of the purposes of the annual meeting of stockholders is to elect directors to hold office until the next annual meeting of stockholders and until their successors have been elected and qualified. Set forth below are the names, principal occupations, committee memberships, ages, directorships held with other companies, and other biographical data for the nominees for director, as well as the month and year each nominee was first elected as one of our directors. Also set forth below is the beneficial ownership of our shares of Common Stock as of March 16, 2005 for each nominee. This beneficial ownership figure does not necessarily demonstrate the nominee s individual ownership. No nominee owns any shares of Series B-1 Preferred Stock. For discussion of beneficial ownership, see the Security Ownership of Management and Certain Beneficial Owners section of this proxy statement. If any nominee becomes unable to stand for election as a director, an event that our board of directors does not presently expect, the proxy will be voted for a replacement nominee if one is designated by our board of directors.

BOARD OF DIRECTORS AND COMMITTEE MEMBERSHIP

Our business is managed through the oversight and direction of our board of directors. Members of our board of directors are kept informed of our business through discussions with our Chairman of the board of directors, Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in meetings of our board of directors and its committees.

During the year ended December 31, 2004, our board of directors held five regular meetings and nine special meetings. All directors standing for re-election attended, in person or by telephone, at least 75 percent of all meetings of our board of directors and committees on which such director served.

Attendance at Annual Meeting of Stockholders

In keeping with our corporate governance principles, directors are expected to attend the annual meeting of stockholders in person. All directors standing for re-election attended the 2004 annual meeting of stockholders.

Board Member Independence

Section 303A.02 Independence Tests of the NYSE Listed Company Manual describes the requirements for a director to be deemed independent by the NYSE, including the requirement of an affirmative determination by our board of directors that the director has no material relationship with us that would impair independence. The portion of our board of director s Corporate Governance Guidelines addressing director independence is attached to this proxy statement as Annex I, and the full text of the Guidelines can be found in the Investor Relations section of our website at www.ahtreit.com by clicking INVESTOR RELATIONS, then CORPORATE GOVERNANCE, and then Corporate Governance Guidelines. Pursuant to the Guidelines, the board of directors, taking into consideration the assessment of the Nominating/ Corporate Governance Committee, determined if a director had a material relationship with us that would impair his independence and concluded that each director met the NYSE independence requirements. Our board of directors has affirmatively determined that, with the exception of Messrs. Archie Bennett, Jr. and Montgomery J. Bennett who are our Chairman of the board of directors and Chief Executive Officer, respectively, all of the directors nominated for election at the annual meeting are independent of Ashford and its management under the standards set forth in the Corporate Governance Guidelines and the NYSE listing requirements. Therefore, our board of directors is comprised of a majority of independent directors, as required in Section 303A.01 of the NYSE Listed Company Manual. Any reference to an independent director herein infers compliance with the NYSE independence tests.

Board Committees and Meetings

The current standing committees of our board of directors are the Audit Committee, the Compensation Committee and the Nominating/ Corporate Governance Committee. Each of these committees has a written charter approved by our board of directors. A copy of each charter can be found in the Investor Relations section of our website at www.ahtreit.com by clicking INVESTOR RELATIONS and then CORPORATE GOVERNANCE. The members of the committees are identified in the table below, and a description of the principal responsibilities of each committee follows.

The *Audit Committee,* composed of three independent directors, met five times during 2004. This committee s purpose is to provide assistance to our board of directors in fulfilling their oversight responsibilities relating to:

The integrity of our financial statements;

Our compliance with legal and regulatory requirements;

The independent auditor s qualifications and independence; and

The performance of our internal audit function and independent auditors.

Our board of directors has determined that both Mr. Payne and Minami are audit committee financial experts, as defined in the applicable rules and regulations of the Securities Exchange Act of 1934, as amended.

The *Compensation Committee,* composed of three independent directors, met four times during 2004. This committee s purpose is to:

Discharge the board of director s responsibilities relating to compensation of the executives of Ashford;

Produce an annual report on executive compensation for inclusion in the our proxy statement; and

Oversee and advise the board of directors on the adoption of policies that govern our compensation programs, including stock and benefit plans.

The *Nominating/ Corporate Governance Committee,* composed of two independent directors, met one time during 2004. This committee s purpose is to:

Identify individuals qualified to become members of our board of directors;

Recommend that our board of directors select the director nominees for the next annual meeting of stockholders;

Identify and recommend candidates to fill vacancies occurring between annual stockholder meetings; and

Develop and implement Ashford s Corporate Governance Guidelines.

Board Member Compensation

Each of our independent directors who does not serve as the chairman of one of our committees is paid a director s fee of $20,000 per year. Each director who serves as a committee chairman, other than the chairman

8

of our Audit Committee, is paid a director s fee of $25,000. The director who serves as the chairman of our Audit Committee is paid a director s fee of $35,000 per year. Each director is also paid a fee of $2,000 for each board of directors or committee meeting that he or she attends in person, except that the chairman of each committee is paid a fee of $3,000 for each committee meeting that he or she attends in person. Each director is also paid a fee of $500 for each telephone board or telephone committee meeting that he or she attends or other board or committee meeting that he or she attends via teleconference. In addition, we reimburse all directors for reasonable out-of-pocket expenses incurred in connection with their services on the board of directors.

In 2004, our board of directors formed a special committee comprised solely of independent directors to evaluate a potential 21 property related party acquisition. The special committee retained independent advisors to review, evaluate, and negotiate the transaction, which the special committee unanimously approved. On March 8, 2005, the compensation committee approved a payment of $60,000 to the chairman of the special committee and a payment of $45,000 to each of the other three special committee members, in each case as compensation for their service on the special committee.

On the date of the first meeting of the board of directors following each annual meeting of stockholders at which an independent director is reelected to our board of directors, each independent director will receive additional restricted stock grants of 2,000 shares of our Common Stock. These restricted stock grants will be fully vested immediately. In accordance with this policy, we granted 2,000 shares of fully vested Common Stock to each of our independent directors in May 2004.

Additionally, we granted to our Chairman 10,500 shares of Common Stock in March 2004 based, in part, on his leadership role on the board during 2003 and 56,000 shares of common stock in March 2005 based, in part, on his leadership role on the board during 2004.

Non-Compete Agreement

We entered into a non-compete agreement with Mr. Archie Bennett, Jr. in August 2003. The non-compete agreement provides for Mr. Bennett to serve as our executive Chairman. The non-compete agreement has an initial term ending December 31, 2006 and is subject to automatic one-year extensions thereafter, in each case, unless either party provides at least six months notice of non-renewal. Mr. Bennett s non-compete agreement allows him to continue to act as Chairman of Remington Hotel and Remington Lodging provided his duties for Remington Hotel do not materially interfere with his duties to us.

The non-compete agreement provides for, among other provisions:

- an annual director s fee of $200,000, of which $25,000 may be paid in the form of shares of our Common Stock, at the discretion of our compensation committee;
- director s and officer s liability insurance coverage; and
- participation in other incentive, savings and retirement plans, in the discretion of our compensation committee.

OUR CORPORATE GOVERNANCE PRINCIPLES

Our policies and practices reflect corporate governance initiatives that are compliant with the listing requirements of the New York Stock Exchange (the NYSE) and the corporate governance requirements of the Sarbanes-Oxley Act of 2002. We maintain a corporate governance section on our website which includes key information about our corporate governance initiatives including our Board of Director Guidelines, charters for the committees of our board of directors, our Code of Business Conduct and Ethics and our Code of Ethics for the Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer. The corporate governance section can be found on our website at www.ahtreit.com by clicking INVESTOR RELATIONS and then CORPORATE GOVERNANCE.

Each director should perform, to the best of his ability, the duties of a director, including the duties as a member of a committee of our board of directors in good faith; in our best interests and the best interests of our stockholders; and with the care that an ordinarily prudent person in a like position would use under similar circumstances. This duty of care includes the obligation to make, or cause to be made, an inquiry when, but only when, the circumstances would alert a reasonable director to the need thereof. Directors are expected to attend all meetings of our board of directors and meetings of committees on which they serve. Directors are also expected to attend the annual meeting of stockholders.

Our Nominating/ Corporate Governance Committee is responsible for seeking, considering and recommending to the board of directors qualified candidates for election as directors and recommending a slate of nominees for election as directors at the annual meeting of stockholders. It also periodically prepares and submits to the board for adoption the Nominating/ Corporate Governance Committee s selection criteria for director nominees. Before recommending an incumbent, replacement or additional director, our Nominating/ Corporate Governance Committee reviews his or her qualifications, including personal and professional integrity, capability, judgment, availability to serve, conflicts of interest, ability to act on behalf of shareholders and other relevant factors. It reviews and makes recommendations on matters involving general operation of the board of directors and our corporate governance, and it annually recommends to the board of directors nominees for each committee of the board. In addition, our Nominating/ Corporate Governance Committee annually facilitates the assessment of the board of directors performance as a whole and of the individual directors and reports thereon to the board. Our Nominating/ Corporate Governance Committee has the sole authority to retain and terminate any search firm to be used to identify director candidates. Stockholders wishing to recommend director candidates for consideration by the committee can do so by writing to our secretary at our corporate headquarters in Dallas, Texas, giving the candidate s name, biographical data and qualifications. The secretary will, in turn, deliver any stockholder recommendations for director candidates prepared in accordance with our bylaws to the nominating/corporate governance committee. Any such recommendation must be accompanied by a written statement from the individual of his or her consent to be named as a candidate and, if nominated and elected, to serve as director. The Nominating/ Corporate Governance Committee will consider candidates recommended by stockholders provided stockholders follow, when submitting recommendations, the procedures set forth below in the Stockholder Procedures for Recommending Candidate for Director section of this proxy statement. The Nominating/ Corporate Governance Committee evaluates a candidate using the minimum criteria set forth above without regard to who nominated the candidate.

Our board of directors does not prohibit its members from serving on boards and/or committees of other organizations, and our board of directors has not adopted guidelines limiting such activities. The Nominating/ Corporate Governance Committee and our board of directors will take into account the nature of and time involved in a director s service on other boards in evaluating the suitability of individual directors and making its recommendations for inclusion in the slate of directors to be submitted to stockholders for election at the annual meeting of stockholders.

None of the directors on the Compensation Committee, or any of our executive officers will serve as a member of a board of directors or any compensation committee of any entity that has one or more executive officers serving as a member of our board of directors.

Upon attaining the age of 75 and annually thereafter, a director will tender a letter of proposed retirement from our board of directors to the chairperson of our Nominating/ Corporate Governance Committee. Our Nominating/ Corporate Governance Committee will review the director s continuation on our board of directors, and recommend to the board whether, in light of all the circumstances, our board should accept such proposed retirement or request that the director continue to serve.

If the Chief Executive Officer resigns from his position with Ashford, he will tender to our board of directors a letter of proposed resignation from the board. Our Nominating/ Corporate Governance Committee will review the director s continuation on our board of directors, and recommend to the board whether, in light of all the circumstances, our board of directors should accept such proposed resignation or request that the director continue to serve.

When a director s principal occupation or business association changes substantially from the position he held when originally invited to join our board of directors, the director will tender a letter of proposed resignation from the board to the chairperson of our Nominating/ Corporate Governance Committee. Our Nominating/ Corporate Governance Committee will review the director s continuation on our board of directors, and recommend to the board whether, in light of all the circumstances, the board should accept such proposed resignation or request that the director continue to serve.

OTHER GOVERNANCE INFORMATION

Stockholder Procedures for Recommending Candidate for Director

Once a reasonably complete recommendation is received by our Nominating/ Corporate Governance Committee, a questionnaire will be delivered to the recommended candidate which will request additional information regarding the recommended candidate s independence, qualifications and other information that would assist our Nominating/ Corporate Governance Committee in evaluating the recommended candidate, as well as certain information that must be disclosed about the candidate in our proxy statement, if nominated. The recommended candidate must return the questionnaire within the time frame provided to be considered for nomination by our Nominating/ Corporate Governance Committee. Recommendations received between the period December 5, 2005 and January 4, 2006, will be considered for candidacy at the 2006 annual meeting of stockholders.

Stockholder Communication with our Board of Directors

Stockholders who wish to contact any of our directors either individually or as a group may do so by writing to them c/o David A. Brooks, Corporate Secretary, Ashford Hospitality Trust, Inc., 14185 Dallas Parkway, Suite 1100, Dallas, Texas 75254. Meetings of Non-Management Directors

Our board of directors will have at least two regularly scheduled meetings per year for the non-management directors without management present. At these meetings, the non-management directors will review strategic issues for our board of directors consideration, including future agendas, the flow of information to directors, management progression and succession, and our corporate governance guidelines. The non-management directors have determined that the chairman of our Nominating/ Corporate Governance Committee, currently Mr. Edelman, will preside at such meetings. The presiding director is responsible for advising the Chief Executive Officer of decisions reached and suggestions made at these meetings. The presiding director may have other duties as determined by the directors. These meetings shall also constitute meetings of our Nominating/ Corporate Governance Committee, with any non-management directors who are not members of such committee attending by invitation. Stockholders may communicate with the presiding director or non-management directors as a group by utilizing the communication process identified in the Stockholder Communication with our Board of Directors section of this proxy statement. If non-

management directors include a director that is not an independent director, then at least one of the scheduled meetings should include only independent directors.

Director Orientation and Continuing Education

Our board of directors and senior management conduct a comprehensive orientation process for new directors to become familiar with our vision, strategic direction, core values including ethics, financial matters, corporate governance practices and other key policies and practices through a review of background material and meetings with senior management. Our board of directors also recognizes the importance of continuing education for directors and is committed to provide such education in order to improve both our board of directors and its committees performance. Employment Agreements

In addition to the non-compete agreement with our Chairman described above under Board of Directors and Committee Membership Non Compete Agreement, we entered into employment agreements with each of Messrs. Montgomery Bennett, Kessler, Brooks, Kimichik and Nunneley in August, 2003. The employment agreements provide for Mr. Bennett to serve as our President and Chief Executive Officer, Mr. Kessler to serve as our Chief Operating Officer, Mr. Brooks to serve as our Chief Legal Officer and Secretary, Mr. Kimichik to serve as our Chief Financial Officer and Treasurer, and Mr. Nunneley to serve as our Chief Accounting Officer. These employment agreements require Messrs. Kessler, Brooks, Kimichik and Nunneley to devote substantially full-time attention and time to our affairs, but also permit them to devote time to their outside business interests consistent with past practice. Mr. Bennett s employment agreement allows him to continue to act as Chief Executive Officer and President of Remington Hotel and to act as an executive officer of the general partner of Remington Lodging,

provided his duties for Remington Hotel and Remington Lodging do not materially interfere with his duties to us.

Each of the employment agreements has an initial term ending December 31, 2006 (December 31, 2007 in the case of Mr. Bennett) and is subject to automatic one-year renewals at the end of the initial term, unless either party provides at least six months notice of non-renewal.

The employment agreements provide for:

- An annual base salary of $425,000 for Mr. Bennett, $300,000 for Mr. Kessler, $260,000 for Mr. Brooks, $260,000 for Mr. Kimichik and $135,000 for Mr. Nunneley, subject to increase in accordance with our normal executive compensation practices;
- Eligibility for annual cash performance bonuses under our incentive bonus plans;
- Director s and officer s liability insurance coverage;
- Participation in other incentive, savings and retirement plans applicable generally to our senior executives; and
- Medical and other group welfare plan coverage and fringe benefits provided to our senior executives.

Mr. Bennett s annual bonus will range from 75% to 125% of his base salary, and will be at least 75% of his base salary for the first four years of his employment term. Mr. Kessler s annual bonus will range from 50% to 100% of his base salary, and will be at least 50% of his base salary for the first three years of his employment term. Mr. Brooks annual bonus will range from 30% to 90% of his base salary, and will be at least 30% of his base salary for the first three years of his employment term. Mr. Kimichik s annual bonus will range from 30% to 90% of his base salary, and will be at least 30% of his base salary for the first three years of his employment term. Mr. Nunneley s annual bonus will range from 20% to 60% of his base salary, and will be at least 20% of his base salary for the first three years of his employment term.

In addition, in connection with our initial public offering:

- Mr. Bennett was granted 221,178 shares of our Common Stock (valued at $1,990,602, at the initial public offering price of our Common Stock);
- Mr. Kessler was granted 105,231 shares of our Common Stock (valued at $947,079, at the initial public offering price of our Common Stock);
- Mr. Brooks was granted 38,184 shares of our Common Stock (valued at $343,656, at the initial public offering price of our Common Stock);
- Mr. Kimichik was granted 71,705 shares of our Common Stock (valued at $645,345, at the initial public offering price of our Common Stock); and
- Mr. Nunneley was granted 18,056 shares of our Common Stock (valued at $162,504, at the initial public offering price of our Common Stock).

The restricted stock granted to each of our executive officers in connection with our initial public offering vests in equal annual installments on each of the first three anniversaries of the initial public offering of our Common Stock. The actual number of shares of restricted stock granted to these five executive officers was equal, in the aggregate, to 1.45% of the fully-diluted shares of Common Stock outstanding after completion of the initial public offering of our Common Stock, excluding the 65,024 shares issued to the underwriters but including shares sold upon the exercise of the underwriters overallotment option.

The employment agreements provide that, if an executive s employment is terminated by the executive for good reason or after a change of control (each as defined in the applicable employment agreement), or by us without cause during the initial term of his employment agreement, the executive will be entitled to accrued and unpaid salary to the date of such termination and any unpaid incentive bonus from the prior year plus the following severance payments and benefits, subject to his execution and non-revocation of a general release of claims:

- a lump-sum cash payment equal to two times (three times in the case of Mr. Bennett) of the sum of his then-current annual base salary plus average bonus over the prior three years;

pro-rated payment of the incentive bonus;

all restricted stock held by such executive will become fully vested; and

health benefits for one year (18 months in the case of Mr. Bennett) following the executive s termination of employment at the same cost to the executive as in effect immediately preceding such termination, subject to reduction to the extent that the executive receives comparable benefits from a subsequent employer.

If the executive is terminated by us without cause after the initial term of his employment agreement or we do not renew his agreement, then the executive will receive all of the benefits above except that his lump sum cash payment will be equal to one times the sum of his then-current annual base salary plus his average bonus over the prior three years.

In addition, if the severance payment to any executive is deemed to be a golden parachute payment under § 280G of the Internal Revenue Code of 1986, as amended, then such executive would also be entitled to a tax gross-up payment to cover his excise tax liability under § 280G.

Each employment agreement also provides that the executive or his estate will be entitled to certain severance benefits in the event of his death or disability.

Mr. Bennett s employment agreement also contains standard confidentiality, non-compete and non-solicitation provisions. The confidentiality provisions apply during the term of the employment agreement and for a period of two years thereafter. The non-compete and non-solicitation provisions apply during the term of his employment agreement, and if Mr. Bennett resigns without cause, for a period of one year thereafter, or if Mr. Bennett is removed for cause (as defined in his employment agreement), for a period of 18 months thereafter. In the case of Mr. Bennett s resignation without cause, in consideration for his non-compete, Mr. Bennett will receive a cash payment, to be paid in equal monthly installments during the one-year non-compete period, equal to the sum of his then-current annual base salary plus average bonus over the prior three years. Mr. Bennett s non-compete period will terminate if Remington Lodging terminates our exclusivity rights under the mutual exclusivity agreement between Remington Lodging and us.

The other executives employment agreements also contain standard confidentiality, non-compete and non-solicitation provisions. The non-compete and non-solicitation provisions apply during the terms of their employment agreement, and if any of them resigns without cause during the initial three-year term of his agreement, for a period of one year thereafter. In the case of such executive s resignation without cause, in consideration for his non-compete, he will receive a cash payment, to be paid in equal monthly installments during the one-year non-compete period, equal to the sum of his then-current annual base salary, plus average bonus over the prior three years. In the event either Mr. Kessler, Mr. Brooks, Mr. Kimichik or Mr. Nunneley s employment is terminated for cause (as defined in the respective employment agreement), or he resigns without cause after the initial three-year term of his employment agreement, he will not be subject to a non-compete and will not be entitled to any cash payment other than accrued and unpaid base salary to the date of his separation from us.

COMPENSATION COMMITTEE

Compensation for our executive officers is administered under the direction of our Compensation Committee. In their role as our administrator of compensation programs, our Compensation Committee approves the compensation arrangements of all executives.

The following is our Compensation Committee s report, in its role as reviewer of our executive pay programs, on 2004 compensation practices for our executive officers. The report and the performance graph that appears immediately after such report shall not be deemed to be soliciting material or to be filed with the SEC under the Securities Act of 1933 or the Securities Exchange Act of 1934 or incorporated by reference in any document so filed.

COMPENSATION COMMITTEE REPORT

Executive Compensation Program Philosophy

The philosophy behind Ashford s executive compensation programs is to attract, motivate and retain the executives needed in order to maximize the creation of long-term stockholder value. The Compensation Committee (the Committee) believes that the uniqueness of Ashford s business, its strategic direction and the required caliber of employees needed to execute its strategy require that compensation be determined based on the following factors:

Responsibilities within Ashford.

Completion of individual business objectives (which objectives may vary greatly from person to person).

Overall performance of Ashford.

Amount and form of prior compensation.

Contributions toward executing the business strategy of Ashford.

The Committee believes that each of the above factors is important when determining compensation levels. No specific weighting or formula regarding such factors is used in determining compensation.

2004 Compensation for Executive Officers

For 2004, the primary components of Ashford s executive s compensation consist of: (i) base salaries; (ii) annual bonuses; and (iii) other executive programs and benefits. Each element is described in more detail below.

Base Salaries

The Chief Executive Officer, utilizing the above factors, reviews base salaries annually and makes recommendations to the Committee. Any interim modifications to salaries are also based on the above factors and recommendations are made to the Committee.

Annual Bonuses

The employment agreements for each of the executive officers provide for a minimum annual bonus during the initial terms of the respective agreements but allow for increased bonuses based on the level of accomplishment of management and performance objectives as established by the Board or the Committee. Each of the employment agreements also provides for a maximum incentive bonus, which can be no more than 100% of base salary for our Chief Operating Officer, 90% of base salary for our Chief Financial Officer and our Chief Legal Officer, and 60% of base salary for our Chief Accounting Officer. Each of the executive officers received a bonus for the 2004 fiscal year at the high end of the minimum and maximum bonus numbers set forth in their respective employment agreements. In making its determination as to the level of bonuses paid to the executive officers, the compensation committee utilized the services of FPL Advisory Group, a consulting firm, which conducted a survey of executive officer compensation within competitive industries and made a recommendation as to 2004 bonuses for our executive officers.

Long-Term Incentives

The Committee believes that Ashford s key employees should have an ongoing stake in the long-term success of the business. The Committee also believes that key employees should have a considerable portion of their total compensation paid in the form of stock. This element of the total compensation program is intended to align the executive s interest to that of Ashford stockholders through the granting of stock options, restricted stock and other incentive-based awards. The same factors that are used in determining other elements of compensation are used in determining long-term incentive grants. The Committee granted 29,700 shares of Common Stock to executive officers and 5,600 shares of Common Stock to other key employees in March 2004 based, in part, on the performance of these executive officers and employees during 2003. Additionally, the Committee granted 188,900 shares of Common Stock to executive officers and 20,000 shares of Common Stock to other key employees in March 2005 based, in part, on the performance of these executive officers and employees during 2004. All such shares will vest in equal annual installments on each of the first three anniversaries of the date of issuance.

Other Executive Programs and Benefits

Ashford maintains an Employee Savings Incentive Plan (ESIP). Under the ESIP, Ashford matches 25% of a participant s contribution to the ESIP, up to 10% of such participant s base salary.

2004 Compensation for the Chief Executive Officer

The same philosophies described above for executive compensation were used by the Committee to set the compensation of our Chief Executive Officer, Mr. Montgomery Bennett.

Base Salary

Mr. Bennett is compensated pursuant to an employment agreement entered into in August, 2003. Mr. Bennett s employment agreement provides for an annual base salary of $425,000, subject to increase in

accordance with our normal executive compensation practices. For 2005, the Committee recommended to the board of directors and the board approved a base salary of $425,000 for Mr. Bennett.

Annual Bonus

The employment agreement for Mr. Bennett provides for a minimum annual bonus during the initial term of the agreement but allows for an increased annual bonus based on the level of accomplishment of management and performance objectives as established by the Board or the Committee. Mr. Bennett s employment agreement also provides for a maximum incentive bonus, which can be no more than 125% of his base salary. Mr. Bennett received a bonus for the 2004 fiscal year at the high end of the minimum and maximum bonus numbers set forth in his employment agreement. In making its determination as to the level of bonuses paid, the compensation committee utilized the services of FPL Advisory Group, a consulting firm which conducted a survey a chief executive officer compensation within competitive industries and made a recommendation as to the 2004 bonus of our chief executive officer.

Long-Term Incentives

The Committee granted 24,600 shares of Common Stock to Mr. Bennett in March 2004 based, in part, on his performance during 2003. Additionally, the Committee granted 109,500 shares of Common Stock to Mr. Bennett in March 2005 based, in part, on his performance during 2004. All such shares will vest in equal annual installments on each of the first three anniversaries of the date of issuance.

Deductibility of Executive Compensation Pursuant to Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally precludes a publicly-held corporation from a federal income tax deduction for a taxable year for compensation in excess of $1 million paid to the Chief Executive Officer or any of the four other most highly compensated executive officers. Exceptions are made for, among other things, qualified performance-based compensation. Qualified performance-based compensation means compensation paid solely on account of attainment of objective performance goals, provided that (i) performance goals are established by a compensation committee consisting solely of two or more outside directors, (ii) the material terms of the performance-based compensation are disclosed to and approved by a separate stockholder vote prior to payment, and (iii) prior to payment, the Committee certifies that the performance goals were attained and other material terms were satisfied. The Committee intends, to the extent feasible and where it believes it is in the best interests of Ashford and its stockholders, to attempt to qualify executive compensation as tax deductible; however, the Committee does not intend to allow this tax provision to negatively affect the Committee s development and execution of effective compensation plans. The Committee intends to maintain the flexibility to take actions it considers to be in the best interests of Ashford and its stockholders.

Conclusion

Executive compensation at Ashford is subject to considerable focus by the Committee, the board of directors and management. The Committee believes that Ashford s compensation programs and other benefits produce a strong attraction and motivation for Ashford s executive officers and help align their interests with the interests of Ashford s stockholders.

AUDIT COMMITTEE

Our Audit Committee is governed by a written charter adopted by our board of directors and is composed of three independent directors, each of whom has been determined by our board of directors to be independent in accordance with the rules of the NYSE.

The following is our Audit Committee s report in its role as the overseer of the integrity of our financial statements, the financial reporting process, our independent auditor s performance, including their qualification and independence, and our compliance with legal and regulatory requirements. In carrying out its oversight responsibilities, our Audit Committee is not providing any expert or special assurance as to our financial statements or any professional certification as to the outside auditor s work. This report shall not be deemed to be soliciting material or to be filed with the SEC under the Securities Act of 1933 or the Securities Exchange Act of 1934 or incorporated by reference in any document so filed.

AUDIT COMMITTEE REPORT

The Audit Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its tasks. The Audit Committee meetings include, whenever appropriate, executive sessions with the independent auditors and with Ashford s internal auditors, in each case without the presence of management.

The Audit Committee has reviewed and discussed the consolidated financial statements with management and Ernst & Young LLP, Ashford s independent registered public accounting firm. Management is responsible for the preparation, presentation and integrity of Ashford s consolidated financial statements; accounting and financial reporting principles; establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rule 13a-15(e)); establishing and maintaining internal control over financial reporting (as defined in Exchange Act Rule 13a-15(f)); evaluating the effectiveness of disclosure controls and procedures; evaluating the effectiveness of internal control over financial reporting; and evaluating any change in internal controls over financial reporting that has materially affected, or is reasonably likely to materially affect, internal control over financial reporting. Ernst & Young LLP is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States, as well as expressing an opinion on (i) management s assessment of the effectiveness of internal control over financial reporting and (ii) the effectiveness of internal control over financial reporting.

During the course of the year, management completed the documentation, testing and evaluation of Ashford s system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002 and related regulations. The Audit Committee was kept apprised of the progress of the evaluation and provided oversight and advise to management during the process. In connection with this oversight, the Audit Committee received periodic updates provided by management and Ernst & Young LLP at each regularly scheduled Audit Committee meeting. At the conclusion of the process, management provided the Audit Committee with, and the Audit Committee reviewed a report on, the effectiveness of Ashford s internal control over financial reporting. The Audit Committee also reviewed the report of management contained in Ashford s annual report on Form 10-K for the fiscal year ended December 31, 2004 filed with the SEC, as well as Ernst & Young LLP s Report of Independent Registered Public Accounting Firm included in Ashford s annual report on Form 10-K for the fiscal year ended December 31, 2004 related to its audit of (i) the consolidated financial statements, (ii) management s assessment of the effectiveness of internal control over financial reporting and (iii) the effectiveness of internal control over financial reporting. The Audit Committee continues to oversee Ashford s efforts related to its internal control over financial reporting and management s preparation for the evaluation in fiscal 2005.

The Audit Committee has discussed with Ernst & Young LLP the matters required to be discussed with the independent auditors pursuant to Statement on Auditing Standards No. 61 (Communication with the Audit Committees), including the quality of Ashford s accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with

Ernst & Young LLP matters relating to its independence, including review of audit and non-audit fees and the written disclosures and letter from Ernst & Young LLP to the Audit Committee pursuant to Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

Taking all of these reviews and discussions into account, the undersigned Audit Committee members recommended to the board of directors that the board approve the inclusion of Ashford s audited financial statements in Ashford s Annual Report on Form 10-K for the fiscal year ended December 31, 2004, for filing with the Securities and Exchange Commission.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our operating partnership entered into a master management agreement with Remington Lodging, subject to certain independent director approvals, pursuant to which Remington Lodging operates and manages most of our hotels. Remington Lodging is an affiliate of Remington Hotel Corporation, both of which are beneficially owned 100% by Messrs. Archie and Montgomery Bennett. The fees due to Remington Lodging under the management agreement include management fees, project and purchase management fees and other fees. The actual amount of management fees for the properties managed by Remington Lodging for the 12 months ended December 31, 2004, was equal to approximately $2.9 million. The actual amount of project and purchase management fees for the same period was approximately $1.2 million. The actual amount of other fees for the same period was approximately $0.8 million for accounting fees incurred at the property level.

Further, we and our operating partnership entered into a mutual exclusivity agreement with Remington Lodging and Remington Hotel and Messrs. Archie and Montgomery Bennett, pursuant to which we have a first right of refusal to purchase lodging investments identified by them. We also agreed to hire Remington Lodging for the management or construction of any hotel which is part of an investment we elect to pursue, unless either all of our independent directors elect not to do so or a majority of our independent directors elect not to do so based on a determination that special circumstances exist or that another manager or developer could perform materially better than Remington Lodging.

On March 16, 2005, we acquired twenty-one hotel properties from selling entities controlled by affiliates of Fisher Brothers, Gordon Getty Trust, and George Soros, which collectively owned approximately 78% of the acquired hotels, and certain members of our senior management, which collectively owned approximately 22% of the acquired hotels, for approximately $250.0 million. The selling entities are collectively referred to as FGSB. The $250 million purchase price consisted of approximately $35.0 million in cash, approximately $164.7 million in assumed mortgage debt, and approximately $50.3 million worth of limited partnership units, which equates to 4,994,150 units based on the $10.07 average market price of the Company s common stock for the 20-day period ending five business days before signing a definitive agreement to acquire these properties on December 23, 2004. The $250 million purchase price was determined based on an 8.8x trailing 12-month EBITDA multiple, an EBITDA yield of 11.4% and a trailing 12-month net operating income capitalization rate of 9.5% on the entire 21-hotel portfolio based on a trailing 12-month net operating income

of $23.7 million. The members of our senior management and one of our independent directors who owned minority interests in these properties, and the consideration each received in the transaction, are as follows:

Archie Bennett, Jr., Chairman of our Board of Directors	361,604 Common Units 419,967 Class B Units $246,008*
Montgomery J. Bennett, President and Chief Executive Officer	361,604 Common Units 419,967 Class B Units $247,689*
Martin L. Edelman	92,712 Common Units $930,000
David A. Brooks, Chief Legal Officer	45,788 Common Units $461,159*
David J. Kimichik, Chief Financial Officer	45,788 Common Units $461,159*
Mark L. Nunneley, Chief Accounting Officer	18,333 Common Units $184,468*

* In connection with the consummation of this transaction, the selling entity owned by our senior management team was required to repay indebtedness owed to the FGS entities totaling $1,531,899. Netting each individual s portion of such repayment against the consideration received by that individual, Messrs. Archie and Montgomery Bennett had to pay to the FGS entities $365,282 and $363,601, respectively, and Messrs Brooks, Kimichik and Nunneley received $384,402, $384,402 and $153,765, respectively.

In connection with this acquisition, the Company s board of directors formed a special committee solely comprised of independent directors to evaluate this transaction. The special committee retained independent advisors to review, evaluate, and negotiate the transaction, which the Special Committee unanimously approved. The special committee was comprised of the following disinterested directors, who will receive the following compensation for their service on the special committee:

W.D. Minami, Director and Chairman of the Special Committee	$	60,000
W. Michael Murphy, Director		45,000
Philip S. Payne, Director		45,000
Charles P. Toppino, Director		45,000

In connection with the consummation of our initial public offering, we acquired eight asset management and consulting agreements between Ashford Financial Corporation and eight hotel management companies in consideration of 1,025,000 units of limited partnership interest in Ashford Hospitality Limited Partnership. Under these eight agreements, Ashford Financial Corporation provided asset management and consulting services to 27 hotels managed under contract with the eight management companies. We now hold Ashford Financial Corporation s interest under the contributed agreements and perform the services instead of Ashford Financial Corporation. Each of the eight management companies is either a wholly owned subsidiary of Remington Hotel Corporation, which is owned 100% by Messrs. Archie and Montgomery Bennett, or is 100% owned by one or both of the Bennetts. Messrs. Archie and Montgomery Bennett also own 100% of Ashford Financial Corporation. Pursuant to a written guaranty agreement executed by Ashford Financial Corporation for our benefit, Ashford Financial Corporation guaranteed that we will be paid a minimum of $1.2 million per year for five years from our initial public offering, in consulting fees under all of the asset management and consulting agreements, for a total guarantee of $6.0 million. The minimum guaranteed amount will be subject to annual adjustments based on the consumer price index. In March

2005, we acquired 21 of the 27 hotel properties for which we previously provided the asset management and consulting services. In connection with the acquisition, the asset management and consulting agreements for these properties were terminated, and we will no longer receive any fees under the terminated agreements. We do not expect the remaining six hotel properties for which we provide asset management and consulting services to generate sufficient revenue to result in at least $1.2 million (as adjusted) in fees to us per year of the agreement. However, pursuant to the written guaranty agreement executed by Ashford Financial Corporation for our benefit, Ashford Financial

Corporation will continue to guarantee a minimum fee of $1.2 million per year for five years from our initial public offering. We were paid approximately $1.3 million in 2004 under all of the asset management and consulting agreements, and we expect to receive the guaranteed minimum amount from Ashford Financial Corporation for the remainder of the five year term of the guaranty.

Remington Hotel Corporation, which is owned 100% by Messrs. Archie and Montgomery Bennett, pay for certain corporate general and administrative expenses on our behalf, including rent, payroll, office supplies and travel. Such charges are allocated to us based on various methodologies, including headcount, office space, usage and actual amounts incurred. For the year ended December 31, 2004 and the period from inception to December 31, 2003, such costs were approximately $809,000 and $388,000, respectively, which are reimbursed by us monthly.

In May, 2004 we entered into a broker agreement with Secured Capital Corp., a financial services firm. Pursuant to this agreement Secured Capital was to act as a financial advisor in obtaining permanent financing related to various hotel properties. Charles Toppino, a member of our board of directors, is an employee and principal of Secured Capital. We paid fees of approximately $707,000 under this agreement during 2004 in connection with a $210 million term loan with Merrill Lynch Mortgage Lending, Inc. and Merrill Lynch Capital, a division of Merrill Lynch Business Financial Services, Inc. This agreement terminated in accordance with its terms in August 2004.

PROPOSAL NUMBER TWO RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT AUDITORS

We are asking our stockholders to ratify our Audit Committee s appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2005. Ernst & Young LLP has audited our financial statements since we commenced operations in 2003. Stockholder ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm is not required by our bylaws or otherwise. However, our board of directors is submitting the selection of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate practice. If our stockholders fail to ratify the selection the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

Our Audit Committee is responsible for appointing, setting compensation, retaining and overseeing the work of our independent registered public accounting firm. Our Audit Committee pre-approves all audit and non-audit services provided to us by our independent registered public accounting firm. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is subject to a specific budget. The Audit Committee has delegated pre-approval authority to its chairperson when expedition of services is necessary. The independent registered public accounting firm and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee approved all fees paid to Ernst & Young LLP during the past two years with no reliance placed on the *de minimis* exception established by the SEC for approving such services.

Services provided by Ernst & Young LLP during 2004 included the audits of (i) our annual financial statements and the financial statements of our subsidiaries, (ii) management s assessment of the effectiveness of internal control over financial reporting, and (iii) the effectiveness of internal control over financial reporting. Services also included the limited review of unaudited quarterly financial information; review and consultation regarding filings with the SEC and the Internal Revenue Service; assistance with management s evaluation of internal accounting controls; and consultation on financial and tax accounting and reporting

matters. During the years ended December 31, 2004 and 2003, fees incurred related to our principal accountants, Ernst & Young LLP, consisted of the following:

	Year Ended December 31,	
	2004	2003
Audit Fees	$ 553,426	$ 851,388(1)
Audit-Related Fees	146,705	270,411(2)
Tax Fees	53,974	59,025(3)
All Other Fees	205,600	(4)
Total	$ 959,705	$ 1,180,824

(1) Represents professional fees associated with the audits of the Company s annual consolidated financial statements, including assessment of internal controls, quarterly reviews, and $434,888 related to the Company s 2003 initial public offering.

(2) Represents professional fees associated with required audits of acquired properties in compliance with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission.

(3) Represents professional fees associated with tax planning, tax consultation, and review of tax returns.

(4) Represents professional fees primarily associated with comfort letters related to equity offerings.

Our Audit Committee has considered all fees provided by the independent auditors to us and concluded this involvement is compatible with maintaining the auditors independence.

Representatives of Ernst & Young LLP will be present at the annual meeting, will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

The board of directors recommends a vote FOR the ratification of the appointment of Ernst & Young LLP as our independent auditors for the year ending December 31, 2005.

PROPOSAL NUMBER THREE ISSUANCE OF SERIES B-1 PREFERRED STOCK TO SECURITY CAPITAL

At the meeting, you will be asked to vote on a proposal to approve the issuance of up to 2,285,865 shares of Series B-1 Preferred Stock that is convertible on a one for one basis into shares of our Common Stock and additional shares of our Common Stock that Security Capital may acquire pursuant to certain participation rights granted to Security Capital which expire no later than July 31, 2005. This approval is required by rule 312.03(c) of the NYSE Listed Company Manual. Rule 312.03(c) requires stockholder approval prior to the issuance of Common Stock, or securities convertible into Common Stock, if:

(i) such securities have, or will have upon issuance, voting power equal to or in excess of 20% of the voting power outstanding prior to such issuance; or

(ii) the number of shares of Common Stock, or securities convertible into Common Stock, to be issued is, or will be upon issuance, equal to or in excess of 20% of the number of shares of Common Stock outstanding prior to such issuance.

We have entered into an agreement with Security Capital under which we may issue up to 5,162,000 shares of Series B-1 Preferred Stock and up to 2,285,865 shares of Series B-2 Cumulative Convertible Redeemable Preferred

Stock (Series B-2 Preferred Stock) to Security Capital. The two series of preferred stock are identical except with respect to voting rights and convertibility features. Each share of Series B-1 Preferred Stock is convertible, at the option of Security Capital, into a share of Common Stock, and all holders of Series B-1 Preferred Stock are entitled to vote on an as-converted basis, voting as a single class together with the holders of Common Stock, on all matters to be voted upon by our stockholders. Each share of Series B-2 Preferred Stock is automatically convertible into a share of Series B-1 Preferred Stock upon stockholder approval, and the holders of Series B-2 Preferred Stock have no voting rights.

Pursuant to the terms of the purchase agreement, Security Capital has participation rights with respect to any sale of equity securities by us for consideration consisting solely of cash. These participation rights permit

Security Capital to elect to acquire up to 20% of any equity securities we sell for consideration consisting solely of cash upon the same terms and conditions as the other purchasers of such securities. These participation rights will expire no later than July 31, 2005. Pursuant to this participation right and a result of the public Common Stock offering we completed in January 2005, Security Capital currently has the right to acquire up to 2,070,000 shares of Common Stock at $9.139 per share. If Security Capital exercises its option to acquire 2,070,000 shares of Common Stock and if we issue all available shares of Series B-1 Preferred Stock and Series B-2 Preferred Stock available under the purchase agreement, on an as converted and exercised basis, the Series B-1 Preferred Stock, the Series B-2 Preferred Stock and the Common Stock held by Security Capital will represent approximately 20.84% of our outstanding Common Stock.

Pursuant to the terms of our agreement with Security Capital, we are soliciting your affirmative vote for approval of the issuance of (i) the 2,285,865 shares of our Series B-1 Preferred Stock and (ii) any additional shares of our Common Stock that Security Capital may acquire pursuant to the participation rights granted to Security Capital in the purchase agreement, which shares will include up to 2,070,000 shares of Common Stock that Security Capital currently has the right to acquire pursuant to its participation rights with respect to our public Common Stock offering in January 2005. Security Capital s participation rights will expire no later than July 31, 2005. The 2,285,865 shares of our Series B-1 Preferred Stock and the additional share of our Common Stock that Security Capital may acquire pursuant to its participation rights represents the number of shares of equity securities in excess of the limit specified by Rule 312.03(c) of the NYSE Listed Company Manual. Stockholder approval is required for (i) the issuance of 2,285,865 shares Series B-1 Preferred Stock to Security Capital in lieu of the issuance of 2,285,865 shares of Series B-2 Preferred Stock and (ii) the issuance of any additional shares of our Common Stock to Security Capital in connection with the exercise of Security Capital s participation rights, including the 2,070,000 shares of our Common Stock that Security Capital currently has the right to acquire. Pursuant to rule 312.03(c) of the NYSE Listed Company Manual, the affirmative vote of a majority of votes cast on the proposal is required to adopt the proposal provided that the total vote cast on the proposal represents over 50% in interest of all securities entitled to vote on the proposal. If the stockholders approve this Proposal 3, we will issue to Security Capital a maximum of 7,447,865 shares of Series B-1 Preferred Stock, and we will be authorized to issue to Security Capital up to 20% of any equity securities we sell for consideration consisting solely of cash until Security Capital s participation rights expire, which will be no later than July 31, 2005, which will include up to 2,070,000 shares of Common Stock issuable to Security Capital in connection with its participation rights and our recent Common Stock offering. If the stockholders fail to approve this Proposal 3, a maximum of 5,162,000 shares of Series B-1 Preferred Stock and 2,285,865 shares of Series B-2 Preferred Stock will be issued to Security Capital and additional equity securities will be issued to Security Capital if it exercises its participation rights only to the extent such issuance will not violate rule 312.03(c) of the NYSE Listed Company Manual.

The board of directors recommends a vote FOR approval of the issuance of 2,285,865 shares of Series B-1 Preferred Stock to Security Capital and the issuance of additional shares of our Common Stock that Security Capital may acquire pursuant to participation rights granted to Security Capital which expire no later than July 31, 2005. Unless otherwise instructed, proxies will be voted FOR approval of this proposal.

The Transaction

In December 2004, we entered into an agreement with Security Capital that provides for the sale of up to 5,162,000 shares of Series B-1 Preferred Stock and up to 2,285,865 shares of Series B-2 Preferred Stock for a purchase price of $10.07 per share. The shares of Series B-1 Preferred Stock, when issued, will be convertible into Common Stock on a one-for-one basis by the holder at any time and will be entitled to quarterly dividends in arrears equal to the greater of $0.14 per share or the prevailing Common Stock dividend. The shares of Series B-2 Preferred Stock, when issued, will be automatically convertible into shares of Series B-1 Preferred Stock on a one-for-one basis upon stockholder approval and will be entitled to quarterly dividends in arrears equal to the greater of $0.14 per share or the prevailing Common Stock dividend, plus an additional dividend of $0.05015 per share beginning January 1, 2009 if (i) the conversion of the Series B-2 Preferred Stock into Series B-1 Preferred Stock has not been completed and (ii) the price at which the Common Stock is then trading exceeds $10.07 per share.

At the time we entered into the agreement with Security Capital, on an as converted and exercised basis, assuming the issuance of all available shares of Series B-1 Preferred Stock and Series B-2 Preferred Stock available under the purchase agreement, the Series B-1 Preferred Stock and the Series B-2 Preferred Stock represented approximately 22.39% of our outstanding Common Stock. As of March 16, 2005, on an as converted and exercised basis, assuming the issuance of all available shares of Series B-1 Preferred Stock and Series B-2 Preferred Stock available under the purchase agreement, the Series B-1 Preferred Stock and the Series B-2 Preferred Stock represented approximately 17.08% of our outstanding Common Stock.

In February 2005, we amended the terms of our agreement with Security Capital. Pursuant to the terms of the original agreement, Security Capital is entitled to purchase up to 20% of any equity security offering we complete for certain periods of time ending no later than July 31, 2005. Pursuant to this participation right and as a result of the public Common Stock offering we completed in January 2005, Security Capital has the right to acquire up to 2,070,000 shares of Common Stock at $9.139 per share. Pursuant to the terms of the amendment, Security Capital may exercise it option to purchase these shares of Common Stock by delivering a written notice indicating such exercise to us no later than October 12, 2005. If Security Capital elects to exercise this option, the issuance of the 2,070,000 shares of Common Stock will occur on November 1, 2005. If Security Capital exercises its option to acquire 2,070,000 shares of Common Stock and if we issue all available shares of Series B-1 Preferred Stock and Series B-2 Preferred Stock available under the purchase agreement, on an as converted and exercised basis, the Series B-1 Preferred Stock, the Series B-2 Preferred Stock and the Common Stock held by Security Capital will represent approximately 20.84% of our outstanding Common Stock.

Our board of directors has waived the ownership restrictions, as provided in our charter, with respect to the ownership of the Series B-1 Preferred Stock, Series B-2 Preferred Stock and Common Stock issuable to Security Capital, subject to requirements that are meant to insure that our REIT qualification will not be jeopardized.

Under the terms of the agreement with Security Capital, we sold 993,049 shares of Series B-1 Preferred Stock to Security Capital on December 30, 2004. We can sell an additional 993,049 shares of Series B-1 Preferred Stock to Security Capital in no more than two closings, at our option, occurring not later than June 30, 2005. If we do not exercise this option with respect to the 993,049 shares of Series B-1 Preferred Stock in full, Security Capital, at its option, can purchase any or all unsold shares, up to the full 993,049 shares, at a closing to occur on June 30, 2005. The purchase price for the shares of Series B-1 Preferred Stock is $10.07 per share.

Further, we have the option to sell to Security Capital 5,461,767 shares of preferred stock, comprised of a combination of Series B-1 Preferred Stock and Series B-2 Preferred Stock (3,175,902 shares of Series B-1 Preferred Stock and 2,285,865 shares of Series B-2 Preferred Stock, assuming either we or Security Capital exercise our respective option with respect to the 993,049 shares described in the preceding paragraph) in no more than 11 closings, at our option, occurring not later than December 23, 2005. If we do not exercise this option with respect to all such shares, in full, Security Capital, at its option, can purchase any or all unsold shares, up to the full 5,461,767 shares of preferred stock, at a closing to occur on December 23, 2005. The purchase price for the shares of Series B-1 Preferred Stock and Series B-2 Preferred Stock is $10.07 per share.

In connection with the transaction, we entered into certain related agreements with Security Capital, providing, among other things, for certain registration rights with respect to the shares of Series B-1 Preferred Stock, Series B-2 Preferred Stock and the Common Stock issuable upon exercise of the Series B-1 Preferred Stock.

Only shares of Common Stock, Series A Preferred Stock and Series B-1 Preferred Stock are now outstanding. The Common Stock and the Series A Preferred Stock are currently listed on the New York Stock Exchange under the symbols AHT and AHTPrA respectively.

Our board of directors is authorized by our charter, without stockholder approval, to issue additional authorized but unissued shares of our Common Stock or preferred stock and to classify or reclassify unissued shares of our Common Stock or preferred stock and thereafter to cause us to issue such classified or reclassified shares of stock. The additional classes or series, as well as the Common Stock, will be available for issuance without further action by our stockholders, unless stockholder consent is required by applicable law or the rules of any stock exchange or automated quotation system on which our securities may be listed or traded.

Our charter contains restrictions on the ownership and transfer of our capital stock that are intended to assist us in complying with the requirements set forth in the Internal Revenue Code or Code applicable to REITS and continuing to qualify as a REIT. The relevant sections of our charter provide that, subject to certain exceptions, no persons or person acting as a group may own, or be deemed to own by virtue of the attribution provisions of the Code, more than (i) 9.8% of the lesser of the number or value of shares of our Common Stock outstanding or (ii) 9.8% of the lesser of the n umber or value of the issued and outstanding preferred or other shares of any class or series of our stock. We refer to this restriction as the ownership limit.

At the time we entered into the agreement with Security Capital and assuming the full issuance of all available shares of Series B-1 Preferred Stock and Series B-2 Preferred Stock available under the purchase agreement, on an as converted and exercised basis, the Series B-1 Preferred Stock and the Series B-2 Preferred Stock represented approximately 22.39% of our outstanding Common Stock. As of March 16, 2005, assuming the full issuance of all available shares of Series B-1 Preferred Stock and Series B-2 Preferred Stock available under the purchase agreement, on an as converted and exercised basis, the Series B-1 Preferred Stock and the Series B-2 Preferred Stock represented approximately 17.08% of our outstanding Common Stock. If Security Capital exercises its option to acquire 2,070,000 shares of Common Stock and if we issue all available shares of Series B-1 Preferred Stock and Series B-2 Preferred Stock available under the purchase agreement, on an as converted and exercised basis, the Series B-1 Preferred Stock, the Series B-2 Preferred Stock and the Common Stock held by Security Capital will represent approximately 20.84% of our outstanding Common Stock.

Our board of directors has waived the ownership restrictions, as provided in our charter, with respect to the ownership of the Series B-1 Preferred Stock, Series B-2 Preferred Stock and Common Stock issuable to Security Capital, subject to requirements that are meant to insure that our REIT qualification will not be jeopardized.

Subject to the preferential rights of any other class or series of stock and to the provisions of the charter regarding the restrictions on transfer of stock, holders of shares of our Common Stock are entitled to receive dividends on such stock when, as and if authorized by our board of directors out of funds legally available therefor and declared by us and to share ratably in the assets of our company legally available for distribution to our stockholders in the event of our liquidation, dissolution or winding up after payment of or adequate provision for all known debts and liabilities of our company, including the preferential rights on dissolution of any class or classes of preferred stock.

Common Stock Subject to the provisions of our charter regarding the restrictions on transfer of stock, each outstanding share of our Common Stock entitles the holder to one vote on all matters submitted to a vote of stockholders, including the election of directors and, except as provided with respect to any other class or series of stock, the holders of such shares will possess the exclusive voting power. There is no cumulative voting in the election of our board of directors, which means that the holders of a plurality of the outstanding

shares of our Common Stock can elect all of the directors then standing for election and the holders of the remaining shares will not be able to elect any directors.

Holders of shares of our Common Stock have no preference, conversion, exchange, sinking fund, redemption or appraisal rights and have no preemptive rights to subscribe for any securities of our company. Subject to the provisions of the charter regarding the restrictions on transfer of stock, shares of our Common Stock will have equal dividend, liquidation and other rights.

Our Common Stock ranks junior to both the Series A Preferred Stock and the Series B-1 Preferred Stock, our only other capital stock outstanding. The Series A Preferred Stock, the Series B-1 Preferred Stock, and to the extent any shares of Series B-2 Preferred Stock are issued, the Series B-2 Preferred Stock rank equally as to dividends and upon liquidation, dissolution and winding up.

Series A Preferred Stock Holders of Series A Preferred Stock are entitled to receive, when and as authorized by our board of directors and declared by us, out of funds legally available for payment, cash dividends at the rate of 8.55% per annum on the $25.00 liquidation preference. Dividends on the Series A Preferred Stock are cumulative.

Upon any voluntary or involuntary liquidation, dissolution or winding up of our company, before any payment or distribution shall be made to or set apart for the holders of any junior stock, the holders of Series A Preferred Stock shall be entitled to receive a liquidation preference of $25.00 per share, plus an amount equal to all accumulated, accrued and unpaid dividends (whether or not earned or declared) to the date of final distribution to such holders; but such holders shall not be entitled to any further payment.

The Series A Preferred Stock is not redeemable prior to September 22, 2009, except in certain limited circumstances relating to our maintenance of our ability to qualify as a REIT. On and after September 22, 2009, we may redeem Series A Preferred Stock, in whole or from time to time in part, at a cash redemption price equal to 100% of the liquidation preference plus all accrued and unpaid dividends to the date fixed for redemption. The Series A Preferred Stock has no stated maturity and is not subject to any sinking fund or mandatory redemption provisions.

Holders of Series A Preferred Stock generally have no voting rights. However, whenever dividends on the Series A Preferred Stock are in arrears for six or more quarterly periods (whether or not consecutive), the holders of such shares (voting together as a single class with all other shares of any class or series of shares ranking on a parity with the Series A Preferred Stock which are entitled to similar voting rights, if any) will be entitled to vote for the election of two additional directors to serve on our board of directors until all dividends in arrears on outstanding Series A Preferred Stock have been paid or declared and set apart for payment. In addition, the issuance of senior shares or certain changes to the terms of the Series A Preferred Stock that would be materially adverse to the rights of holders of Series A Preferred Stock cannot be made without the affirmative vote of holders of at least $66^{2}/3\%$ of the outstanding Series A Preferred Stock and shares of any class or series of shares ranking on a parity with the Series A Preferred Stock which are entitled to similar voting rights, if any, voting as a single class.

The Series A Preferred Stock is not convertible or exchangeable for any of our other securities or property, and holders of shares of our Series A Preferred Stock have no preemptive rights to subscribe for any securities of our company.

Series B-1 Preferred Stock Holders of Series B-1 Preferred Stock are entitled to receive, when and as authorized by our board of directors and declared by us, out of funds legally available for payment, cash dividends equal to the greater of $0.14 per share or the prevailing Common Stock dividend. Additional, if we have breached certain covenants contained in our purchase agreement with Security Capital, failed to cured such breach within 120 days and such breach is continuing, or if we fail to pay dividends on the Series B-1 Preferred Stock for four quarterly dividends periods, the holders of Series B-1 Preferred Stock will be entitled to an additional dividend equal to $0.05015 per share of Series B-1 Preferred Stock. Dividends on the Series B-1 Preferred Stock are cumulative.

Upon any voluntary or involuntary liquidation, dissolution or winding up of our company, before any payment or distribution shall be made to or set apart for the holders of any junior stock, the holders of Series B-1 Preferred Stock shall be entitled to receive a liquidation preference of $10.07 per share, plus an amount equal to all accumulated, accrued and unpaid dividends (whether or not earned or declared) to the date of liquidation, dissolution or winding up of the affairs of our company.

We can redeem the Series B-1 Preferred Stock, in whole at any time or from time to time in part:

(i) at any time between the second anniversary and third anniversary of the final closing of the Series B-1 Preferred Stock under the purchase agreement with Security Capital if (x) the volume weighted average price of our Common Stock is equal to or greater than the product of 117.5% times the Conversion Price and (y) the number of shares of Common Stock traded during the thirty-day period used in the calculation of volume weighted average price is at least equal to the number of shares of Common Stock then issuable upon conversion of the Series B-1 Preferred Stock proposed to be redeemed;

(ii) on and after the third anniversary of the final closing; or

(iii) in the event of a determination by nationally recognized tax counsel that redemption is necessary to preserve our status as a REIT for federal income tax purposes prior to the third anniversary of the final closing.

Each holder of Series B-1 Preferred Stock is entitled to require us to redeem the Series B-1 Preferred Stock for 100% of its liquidation value, plus accrued and unpaid distributions whether or not declared, if a change of control occurs. Additionally, each holder of Series B-1 Preferred Stock is entitled to require us to redeem the Series B-1 Preferred Stock if a REIT termination event occurs or we cease to be listed for trading on the NYSE, the NASDAQ National Market system or the American Stock Exchange, in which case the redemption price for such shares will be equal to (i) 110% of its liquidation value, plus accrued and unpaid distributions whether or not declared, if such repurchase occurs prior to the third anniversary of the final closing of the Series B-1 Preferred Stock under the purchase agreement with Security Capital or (ii) 100% of the liquidation value, plus accrued and unpaid distributions whether or not declared, if such repurchase occurs on or after the third anniversary of the final closing

Each share of Series B-1 Preferred Stock is convertible, at the option of the holder, at any time into the number of shares of our Common Stock obtained by dividing $10.07 by the conversion price then in effect. The conversion price is currently $10.07 and is subject to certain adjustments as provided in the Articles Supplementary relating to the Class B-1 Preferred Stock.

Holders of Series B-1 Preferred Stock are entitled to vote on (i) all matters submitted to the holders of Common Stock together with the holders of Common Stock as a single class and (ii) certain matters affecting the Series B-1 Preferred Stock as a separate class. In certain circumstances, our board of directors will be expanded by two seats and the holders of Series B-1 Preferred Stock will be entitled to elect these two directors.

So long as any share of Series B-1 Preferred Stock is outstanding, in addition to any other vote or consent of stockholders required by law or by the Articles Supplementary, the affirmative vote of the holders of $66^{2}/3\%$ of the outstanding shares of Series B-1 Preferred Stock, voting together as a class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, shall be necessary for effecting or validating:

(i) Any amendment, alteration or repeal of any of the provisions of the charter or the Articles Supplementary creating the Series B-1 Preferred Stock that materially and adversely affects the voting powers, rights, preferences or other terms of the holders of the Series B-1 Preferred Stock;

(ii) Any issuance of (a) any capital stock or other equity security to which the Series B-1 Preferred Stock would be junior as to the payment of dividends or as to the distribution of assets upon liquidation, dissolution or winding up or (b) any capital stock or other equity security which has redemption rights

which are more favorable in any material respect to the holder of such security than the redemption rights granted to the holders of the Series B-1 Preferred Stock; and

(iii) Any merger or consolidation of our company and another entity in which the we are not the surviving corporation and each holder of Series B-1 Preferred Stock does not receive shares of the surviving corporation with substantially similar rights, preferences, powers and other terms in the surviving corporation as the Series B-1 Preferred Stock have with respect to us.

Holders of shares of our Series B-1 Preferred Stock have no preemptive rights to subscribe for any securities of our company other than the limited participation rights granted to Security Capital in the purchase agreement and described above under The Transaction, which participation rights end no later than July 31, 2005.

Series B-2 Preferred Stock The features of the Series B-2 Preferred Stock are identical to the features of the Series B-1 Preferred Stock except with respect to voting rights and convertibility features. Each share of Series B-2 Preferred Stock is automatically convertible into a share of Series B-1 Preferred Stock upon stockholder approval, and the holders of Series B-2 Preferred Stock have no voting rights. Additionally, the holders of shares of Series B-2 Preferred Stock will be entitled to quarterly dividends in arrears equal to the dividends paid to the holders of shares of Series B-1 Preferred Stock plus an additional dividend of $0.05015 per share beginning January 1, 2009 if (i) the conversion of the Series B-2 Preferred Stock into Series B-1 Preferred Stock has not been completed and (ii) the price at which the Common Stock is then trading exceeds $10.07 per share.

There are currently no shares of Series B-2 Preferred Stock issued or outstanding, and if this Proposal 3 is approved, no shares of Series B-2 Preferred Stock will be issued.

PROPOSAL NUMBER FOUR CONVERSION OF CLASS B UNITS IN OUR OPERATING PARTNERSHIP INTO COMMON UNITS IN OUR OPERATING PARTNERSHIP

At the meeting, you will be asked to vote on a proposal to approve the conversion of 839,934 Class B Units in our Operating Partnership, which represents all of the outstanding Class B Units, into Common Units in our Operating Partnership on a one-for-one basis. All of the Class B Units are currently held 50% by Mr. Archie Bennett, our chairman of the board, and 50% by Mr. Monty Bennett, our president and chief executive officer. The Common Units into which the Class B Units will be converted if this Proposal 4 is approved, will be redeemable, at the option of the holder, for cash, or, at our election, for shares of our Common Stock on a one-for-one basis. Stockholder approval is required by rule 312.03(b) of the NYSE Listed Company Manual. Rule 312.03(b) requires stockholder approval prior to the issuance of Common Stock, or securities convertible into Common Stock to a director, officer or substantial security holder of the company, if the number of shares of Common Stock into which the securities may be convertible or exercisable, exceeds either 1% of the number of shares of Common Stock or 1% of the voting power outstanding before the issuance.

We entered into a Combined Contribution and Purchase and Sale Agreement with FGSB Master Corp., FGSB Master LLC, Lismore Associates, L.P. and Rolling Rock GP. The selling entities are controlled by affiliates of the Fisher Brothers, Gordon Getty Trust and George Soros, collectively as majority partners (FGS) and certain members of our senior management team as minority partners. Pursuant to this agreement we acquired 21 hotels in exchange for $250 million in total consideration. The consideration consisted of approximately $35.0 million in cash, the assumption of approximately $164.7 million in debt at a fixed average interest rate of 7.4% and the issuance of 4,154,217 Common Units and 839,934 Class B Units. Because of the application of Rule 312.03(b) of the NYSE Listed Company Manual, the number of Common Units issuable to Mr. Archie Bennett and Mr. Montgomery Bennett in this transaction was limited. As a result, Messrs Archie and Montgomery Bennett received Common Units, up to the maximum amount permitted by the rule and received the rest of their respective compensation in the form of Class B Units. The Common Units and the Class B Units are identical except with respect to the redemption feature and the

return on the Class B Units. The Common Units are redeemable, at the option of the holder, for cash, or, at our election, for shares of our Common Stock on a one-for-one basis. The Class B Units are redeemable for cash only; we cannot elect to convert the Class B Units into Common Stock. Additionally, the holders of the Class B Units will be entitled to an additional return on their units equal to 10% of each cash distribution paid with respect to a Common Unit if (i) the holders of the Class B Units no longer serve in an officer or director capacity for our company, (ii) have requested stockholder approval authorizing the conversion of the Class B Units into Common Units and (iii) stockholder approval has not been obtained for a 180 period following the request.

Pursuant to a request by the holders of Class B Units, we are soliciting your affirmative vote for approval of the conversion of 839,934 Class B Units in our Operating Partnership, which represents all of the outstanding Class B Units, into Common Units in our Operating Partnership on a one-for-one basis. Stockholder approval is required for the conversion of 839,934 Class B Units because the conversion of the Class B Units will result in each of Mr. Archie Bennett and Mr. Montgomery Bennett receiving securities convertible into shares of Common Stock equal to greater than 1% of the number of shares of Common Stock outstanding as a result of the completion of the 21 property acquisition described above. Pursuant to rule 312.03(b) of the NYSE Listed Company Manual, the affirmative vote of a majority of votes cast on the proposal is required to adopt the proposal provided that the total vote cast on the proposal represents over 50% in interest of all securities entitled to vote on the proposal. If the stockholders approval this Proposal 4, all of the outstanding Class B Units will be converted into an equal number of Common Units, which will be redeemable, at the option of the holder, for cash, or, at our election, for shares of our Common Stock on a one-for-one basis. If the stockholders fail to approve this Proposal 4, all of the outstanding Class B Units will remain outstanding.

We are soliciting stockholder approval of the conversion of the Class B Units into Common Units because Messrs. Archie and Montgomery Bennett, the holders of the Class B Units, have requested us to do so. The ownership percentages of existing shareholders may be diluted if this Proposal 4 is approved, either Mr. Archie Bennett or Mr. Montgomery Bennett submit their Common Units to us for redemption and our board of directors determines at that time it is in the best interest of the stockholders to redeem such Common Units for shares of our Common Stock on a one-for-one basis in lieu of a cash redemption.

The board of directors recommends a vote FOR approval of the conversion of all of the outstanding Class B Units into Common Units. Unless otherwise instructed, proxies will be voted FOR approval of this proposal.

PROPOSAL NUMBER FIVE AMENDMENT TO THE 2003 STOCK INCENTIVE PLAN

General

Our board of directors proposes and recommends that stockholders approve an amendment to the 2003 Stock Incentive Plan (the Plan), increasing by 2,487,436 the number of shares of Common Stock that may be issued under the Plan, extending the termination date of the Plan to August 1, 2013, and including language intended to avoid adverse tax consequences to a participant under Section 409A of the Internal Revenue Code. The affirmative vote of a majority of the holders of shares of our Common Stock and Series B-1 Preferred Stock, voting together as a single class, cast on the proposal will be required for approval.

Description of the Proposed Amendments to the 2003 Stock Incentive Plan

Increase in Number of Shares. Under the 2003 Stock Incentive Plan, as adopted by stockholders in 2003, 1,531,681 shares of Common Stock were reserved for issuance under the Plan. As of March 24, 2005, 362,564 shares remained available for issuance under the Plan. Our board of directors believes that the proposed increase of 2,487,436 shares available for issuance under the Plan is necessary to continue the effectiveness of the Plan and that having an adequate reserve of shares under the Plan is important to our

continued success in attracting, motivating and retaining qualified directors, officers and employees with appropriate experience and ability, and to increase the grantee s alignment of interest with stockholders.

Extended Termination Date. The Plan currently terminates on the third anniversary of the effective date of the Plan, which was August 1, 2003. Thus, the termination date of the Plan is currently August 1, 2006. Our board of directors believes that the proposed extension of the termination date of the Plan to August 1, 2013 is necessary to enhance our long-term goals of aligning the grantee s interests with those of stockholders.

Avoiding Adverse Tax Consequences under Section 409A of the Internal Revenue Code. The Plan currently does not contain language specifically allowing or requiring the Compensation Committee to consider adverse tax consequences to a participant under Section 409A of the Internal Revenue Code. The proposed amendment would provide that the Compensation Committee may amend an award under the Plan without the consent of the holder if the Compensation Committee considers it necessary to avoid adverse tax consequences to the holder under Section 409A of the Internal Revenue Code. The proposed amendment also eliminates the Compensation Committee s discretion to accelerate or waive any non-mandatory provisions terms or conditions of awards under the Plan if such discretion would cause the award to have adverse tax consequences to a participant under Section 409A of the Internal Revenue Code.

Eligibility.

Under the Plan, we may grant awards to employees, consultants and non-employee directors of the Company or its affiliates. While we may grant incentive stock options only to employees of the Company or its affiliates, we may grant nonqualified stock options, bonus stock, stock appreciation rights, stock awards and performance awards to any eligible participant. As of March 16, 2005, we had a total of 25 employees and five non-employee directors and our affiliates had a total of approximately 4,075 employees, all of whom are eligible to participate in the Plan.

The board of directors recommends a vote FOR approval of the amendments to the 2003 Stock Incentive Plan.

STOCKHOLDER PROPOSALS

The proxies intend to exercise their discretionary authority to vote on any stockholder proposals submitted at the 2005 annual meeting as permitted by Rule 14a-4(c) promulgated under the Securities Exchange Act of 1934, as amended. Any stockholder proposal to be presented at the 2006 annual meeting of stockholders must have been received at our principal office to the attention of Stockholder Relations at 14185 Dallas Parkway, Suite 1100, Dallas, Texas 75254 no earlier than December 5, 2005 and no later than January 4, 2006 in order to be included in the proxy statement and form of proxy for such meeting. As to any proposal that a stockholder intends to present to stockholders other than by inclusion in our proxy statement for the 2006 annual meeting of stockholders, the proxies named in management s proxy for that annual meeting of stockholders will be entitled to exercise their discretionary authority on that proposal unless we receive notice of the matter to be proposed not later than February 18, 2006. Even if the proper notice is received on or prior to February 18, 2006, the proxies named in management s proxy for that annual meeting of stockholders may nevertheless exercise their discretionary authority with respect to such matter by advising stockholders of such proposal and how they intend to exercise their discretion to vote on such matter, unless the stockholder making the proposal solicits proxies with respect to the proposal to the extent required by Rule 14a-4(c)(2) under the Securities Exchange Act of 1934, as amended.

ANNEX I
CORPORATE GOVERNANCE GUIDELINE
ON DIRECTOR INDEPENDENCE

Director Qualification Standards

Determination of Independence.

To be considered independent for purposes of these standards, a director must be determined, by resolution of the Board as a whole, after due deliberation, to have no material relationship with the Company, either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company, other than as a director. In each case, the Board shall broadly consider all relevant facts and circumstances and shall apply the following standards:

1. In no event will a director be considered independent if, within the preceding three years:

(i) the director was employed by the Company or any of its direct or indirect subsidiaries;

(ii) an immediate family member of the director was employed by the Company as an executive officer;

(iii) the director received more than $100,000 per year in compensation from the Company, other than pension or other forms of deferred compensation for prior services, provided such compensation is not contingent in any way on continued service;

(iv) an immediate family member received more than $100,000 per year in compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior services, provided such compensation is not contingent in any way on continued service, provided that compensation received by an immediate family member for service as a non-executive employee of the Company need not be considered in determining independence;

(v) the director was affiliated with or employed by a present or former internal or external auditor of the Company;

(vi) an immediate family member of the director was affiliated with or employed in a professional capacity by a present or former internal or external auditor of the Company;

(vii) the director was employed as an executive officer of another company where any of the Company s present executives serve on such other company s compensation committee;

(viii) an immediate family member of the director was employed as an executive officer of another company where any of the Company s current executives serve on such other company s compensation committee;

(ix) the director was an executive officer or an employee of a company that made payments to or received payments from the Company for property or services in an amount which, in a any single fiscal year, exceeded the greater of $1 million or 2% of such other company s consolidated gross revenues; or

(x) an immediate family member of the director was an executive officer of a company that made payments to or received payments from the Company for property or services in an amount which, in any single fiscal year, exceeded the greater of $1 million or 2% of such other company s consolidated gross revenues.

2. Audit Committee members may not have any direct or indirect financial relationship whatsoever with the Company other than as directors. Audit committee members may receive directors fees, in the form of cash, stock,

stock units, stock options or other in-kind consideration ordinarily available to

directors, as well as regular benefits that other directors receive; however, audit committee members may not accept, directly or indirectly, any consulting, advisory or other compensatory fee from the Company or any of its direct or indirect subsidiaries or be affiliated with the Company or any of its direct or indirect subsidiaries.

3. The following commercial or not for profit relationships will not be considered to be material relationships that would impair a director s independence:

(i) if a director of the Company is an executive officer of another company, or an attorney of a law firm, that in either case does business with the Company and the annual payments to or from the Company are less than one percent of the annual revenues of such other company or law firm;

(ii) if a director of the Company is an executive officer of another company, or an attorney of a law firm, that in either case is indebted to the Company, or to which the Company is indebted, and the total amount of such entity s indebtedness to the other is less than one percent of the total consolidated assets of such other company or law firm;

(iii) if a director of the Company serves as an officer, director or trustee of a not for profit organization, and the Company s or its affiliates discretionary charitable contributions to the organization, in the aggregate, are less than one percent (or $50,000, whichever is greater) of that organization s latest publicly available operating budget; and

(iv) if a director of the Company made payments to or received payments from entities in which the Company s directors or executive officers own less than a majority interest and have no managerial control, for property or services, in an amount which, in any single fiscal year, is less than the greater of $200,000 or 2% of such other company s consolidated gross revenues.

Annually, the board will review all commercial and charitable relationships of directors. Whether directors meet these categorical independence tests will be reviewed and will be made public annually prior to their standing for re-election to the board.

4. For relationships not covered by the guidelines in paragraph 3, above, the determination of whether the relationship is material or not, and therefore whether the director would be independent or not, shall be made by the directors who satisfy the independence guidelines set forth in paragraphs 1 and 3, above. The Company would explain in the next proxy statement the basis for any board determination that a relationship is immaterial despite the fact that it does not meet the categorical standards of immateriality set forth in paragraph 3, above.

5. The Company will not make any personal loans or extensions of credit to directors or executive officers.

6. To help maintain the independence of the Board, all directors are required to deal at arm s length with the Company and its direct and indirect subsidiaries and to disclose circumstances material to the director that might be perceived as a conflict of interest.
