SPECIAL NOTE REGARDING FORWARD LOOKING STATEMENTS

Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995: Certain statements contained in this report on Form 8-K and in Exhibit 99.1 and Exhibit 99.2 are forward-looking statements intended to qualify for the safe harbor from liability established by the Private Securities Litigation Reform Act of 1995. Such forward-looking statements and financial or other business targets are subject to certain risks and uncertainties. Actual results and trends may differ materially from historical or expected results depending on a variety of factors, including but not limited to risks and uncertainties relating to investment in development activities and new production facilities; fluctuations in cost and availability of raw materials; ability of the Company to achieve and sustain targeted cost reductions, including synergies expected from the integration of the Paxar business in the time and at the cost anticipated; ability of the Company to generate sustained productivity improvement; successful integration of acquisitions; successful implementation of new manufacturing technologies and installation of manufacturing equipment; the financial condition and inventory strategies of customers; customer and supplier concentrations; changes in customer order patterns; loss of significant contract(s) or customer(s); timely development and market acceptance of new products; fluctuations in demand affecting sales to customers; impact of competitive products and pricing; selling prices; business mix shift; volatility of capital and credit markets; credit risks; ability of the Company to obtain adequate financing arrangements and to maintain access to capital; fluctuations in interest rates; fluctuations in pension, insurance and employee benefit costs; impact of legal proceedings, including previous government investigations into industry competitive practices, and any related proceedings or lawsuits pertaining thereto or to the subject matter thereof related to the concluded investigations by the U.S. Department of Justice (DOJ), the European Commission, and the Canadian Department of Justice (including purported class actions seeking treble damages for alleged unlawful competitive practices, which were filed after the announcement of the DOJ investigation), as well as the impact of potential violations of the U.S. Foreign Corrupt Practices Act; changes in

governmental regulations; changes in political conditions; fluctuations in foreign currency exchange rates and other risks associated with foreign operations; worldwide and local economic conditions; impact of epidemiological events on the economy and the Company's customers and suppliers; acts of war, terrorism, natural disasters; and other factors. The Company believes that the most significant risk factors that could affect its ability to achieve its stated financial expectations in the near-term include (1) the impact of economic conditions on underlying demand for the Company's products; (2) the degree to which higher raw material and energy-related costs can be passed on to customers through selling price increases, without a significant loss of volume; (3) the impact of competitors' actions, including pricing, expansion in key markets, and product offerings; (4) potential adverse developments in legal proceedings and/or investigations regarding competitive activities, including possible fines, penalties, judgments or settlements; and (5) the ability of the Company to achieve and sustain targeted cost reductions, including expected synergies associated with the Paxar acquisition.

For a more detailed discussion of these and other factors, see Part I, Item 1A. Risk Factors and Part II, Item 7.

Management's Discussion and Analysis of Results of Operations and Financial Condition in the Company's Form 10-K, filed on February 27, 2008. The forward-looking statements included in this Form 8-K are made only as of the date of this Form 8-K, and the Company undertakes no obligation to update the forward-looking statements to reflect subsequent events or circumstances.

The financial information presented in the news release, included as an Exhibit to this Current Report, represents preliminary, unaudited financial results.
