Item 2. Acquisition or Disposition of Assets

On December 14, 2001 (the "Effective Time"), Netegrity, Inc. ("Netegrity") completed its acquisition of DataChannel, Inc., a Washington corporation ("DataChannel"), pursuant to an Agreement and Plan of Merger dated October 24, 2001 by and among Netegrity, LKN Acquisition Corp., a Delaware corporation and a wholly-owned subsidiary of Netegrity (the "Merger Subsidiary"), and DataChannel, as amended by the First Amendment to the Agreement and Plan of Merger, dated as of December 3, 2001 and the Second Amendment to the Agreement and Plan of Merger, dated as of December 7, 2001 (as amended, the "Merger Agreement").

Pursuant to the Merger Agreement, the Merger Subsidiary merged with and into DataChannel at the Effective Time, whereupon DataChannel became a wholly-owned subsidiary of Netegrity (the "Merger"). In connection with the Merger, Netegrity issued an aggregate of 2,500,000 shares of its Common Stock,

\$.01 par value per share (the "Merger Shares") and paid a total of \$15 million in cash in exchange for all of the outstanding shares of DataChannel capital stock. A total of 250,001 Merger Shares have been placed in escrow in accordance with the terms of a related escrow agreement to secure indemnification obligations of the DataChannel stockholders under the Merger Agreement. Netegrity has agreed to register with the Securities and Exchange Commission all of the Merger Shares for resale by the DataChannel stockholders within 60 days of the Effective Time.

Netegrity paid the cash portion of the consideration for the acquired capital stock from its working capital. Netegrity expects to treat the Merger as a purchase for accounting purposes.

Prior to the Merger, DataChannel was a provider of data management platform solutions designed to enable enterprises to gather, integrate, personalize and extend mission critical enterprise application and content to their employees, customers and business partners. Netegrity currently intends to continue DataChannel's use of the acquired assets constituting plant, equipment or other physical property.

The terms of the Merger Agreement, including the amount of consideration paid by Netegrity, were determined pursuant to arms' length negotiations between Netegrity and DataChannel. Prior to the closing of the Merger, none of Netegrity, its affiliates, officers or directors, or any associate of any such officer or director, had any material relationship with DataChannel or any of the stockholders of DataChannel.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is included as Exhibit 2.1 to this Current Report on Form 8-K.
