See Executive Employment Agreements and Loans below.

Aggregated Option Exercises and Fiscal Year-End Option Values

During 2003, no options to purchase shares of our common stock were granted to, or exercised by, our named executive officers. As of December 31, 2003, no outstanding stock options were held by our named executed officers.

Executive Employment Agreements and Loans

We are a party to executive employment agreements with each of Messrs. Baker, Daniels and Pottle. Each of the executive employment agreements has a term of three years expiring on May 29, 2005 and will automatically renew from year to year thereafter unless terminated by either party at least 90 days prior to any renewal date. Under these agreements, Messrs. Baker, Daniels and Pottle are entitled to receive annual base salaries of \$600,000, \$379,000 and \$305,000, respectively, subject to review and adjustment after 2002 by the board of directors, and other bonuses and benefits.

In the event that the employment of an executive is terminated by us prior to a change in control other than for cause, disability or death, or by the executive for good reason, the executive will be entitled to receive:

a lump sum cash payment equal to the executive's annual base salary in effect at the time of the termination;

a lump sum cash payment of a pro rata portion of the annual bonus for which the executive would have been eligible for the fiscal year in which the executive's employment is terminated;

for a period of nine months from the first anniversary of the date of termination, continuation payments equal to the amount by which the executive's monthly base salary immediately prior to his termination exceeds the executive's new monthly base salary; and

Table of Contents

for the period during which cash benefits are available, continuation of certain benefits similar to those received prior to termination, unless the executive becomes entitled to receive substantially equivalent benefits from another employer.

In the event an executive resigns without good reason, he will be entitled to receive a lump sum cash payment equal to the amount of unpaid base salary, deferred compensation and accrued vacation pay through the termination date.

Good reason is defined to include, among other things, a material reduction in employment position or responsibilities, the inability of the executive to perform his duties as a result of disability, the relocation of the executive more than 50 miles from his regular place of business or, in the case of Mr. Baker, ceasing to be our chief executive officer or a member of our board of directors. Following termination of employment without good reason or for cause, each executive has agreed not to compete with us or solicit our employees or business for one year.

All restricted stock and options, if any, held by the executive will become immediately exercisable or vested in full upon a change of control, as defined in the agreement. Additionally, if the executive would receive benefits upon a change of control that would be qualified as excess parachute payments under the golden parachute provision of the Internal Revenue Code, payments that we are required to pay to the executive will be reduced if such a reduction would result in a larger after tax benefit to the executive.

Prior to our chapter 11 reorganization and before the enactment of the Sarbanes-Oxley Act, we had made a loan to Mr. Baker bearing interest at 4.99% annually. Upon the effective date of our plan of reorganization on May 29, 2002, the unpaid amount of this indebtedness, \$427,766, was cancelled.

2002/2003 Retention Plan

We adopted a retention plan to assist in retaining the services of key employees and in focusing key employees on our chapter 11 reorganization efforts. Retention bonuses were paid to Messrs. Baker, Daniels, Pottle and Kuzia and Ms. Gray in the amounts of \$726,000, \$600,000, \$600,000, \$200,000 and \$200,000, respectively.

Each retention bonus was payable in three installments if the eligible employee remained employed on the date each installment was due; provided that if any eligible employee's employment had been terminated by us other than for cause, disability or death, each as defined in the retention plan, then all unpaid installments of the retention bonus payments would have been immediately due and payable to the employee as of his or her termination of employment. Similarly, if a change in control, as defined in the retention plan, had occurred prior to the payment of the final installment then all unpaid installments would have been immediately due and payable to all eligible employees. If we had been liquidated or commenced a plan of liquidation prior to a change in control, then all installments not yet payable would have been forfeited.

The first and second installments of 25% each of the retention bonus were paid on May 29, 2002, the effective date of our plan of reorganization. The third installment of 50% of each retention bonus was paid on June 30, 2003.

Table of Contents

Severance Plan

We have a severance plan that provides severance benefits to certain of our employees, including the named executive officers other than Messrs. Baker, Daniels and Pottle. Severance benefits will be paid if the executive officer is terminated by us, without cause.

If eligible for benefits, the terminated executive officer will receive a lump sum payment of his or her base salary for a period of six months plus an additional two weeks for each year of service, as defined in the severance plan, up to a maximum of 12 months total base salary plus any pro rata portion of any targeted bonus that the executive officer was eligible to receive. Each terminated executive officer eligible for severance payments shall also be eligible for continued participation in our sponsored employee health programs in effect, if any, during the period which is used to calculate severance payments if the executive officer continues the same payments for such benefits as made immediately prior to employment termination and as adjusted after that time for our active employees. Participation in the health programs will cease, except to the extent required by law, whenever other comparable benefits are available to the terminated executive officer.

2002 Stock Incentive Plan

Our only equity compensation plan is our 2002 Stock Incentive Plan, which was established in connection with our emergence from bankruptcy in May 2002. The board of directors approved an amendment to the 2002 plan, which was approved by our stockholders in June 2003, to increase the number of shares of common stock authorized for issuance under the 2002 plan from 950,000 to 1,200,000. Under the 2002 plan, restricted stock awards, stock options and other stock-based awards may be granted to our employees, officers, directors, consultants and advisors.

The 2002 plan is administered by the board of directors. The board is authorized to adopt, amend and repeal the administrative rules, guidelines and practices relating to the 2002 plan and to interpret the provisions of the 2002 plan. The board may amend, suspend or terminate the 2002 plan at any time. The board has delegated to the compensation committee authority to administer certain aspects of the 2002 plan.

The board of directors or the compensation committee selects the recipients of awards under the 2002 plan and determines (1) the number of shares of common stock covered by awards under the plan, (2) the dates upon which awards vest or become exercisable, (3) the issue price of restricted stock awards, which may be less than the fair market value of the common stock on the date of grant, (4) the exercise price of stock options, which may not be less than the fair market value of our common stock on the date of grant in the case of incentive stock options, and (5) the duration of the options, which may not exceed 10 years.

The 2002 plan permits the following forms of payment of the exercise price of stock options, some of which are in our discretion: (1) payment by cash, check or in connection with a cashless exercise through a broker, (2) surrender to us of shares of common stock, (3) delivery to us of a promissory note, (4) any other lawful means or (5) any combination of these forms of payment.

If any option granted under the 2002 plan expires or is terminated, surrendered, canceled or forfeited, the unused shares of common stock covered by such option will again be available for grant under the 2002 plan. No awards may be granted under the 2002 plan after May 29, 2012, but awards previously granted may extend beyond that date.

The 2002 plan provided that all 950,000 shares of common stock initially available under the plan would be issued as restricted stock to certain members of our senior management in connection with our emergence from bankruptcy. Upon the effective date of our plan of reorganization, we issued a total of 882,200 shares of common stock for \$.001 per share to ten members of our senior management, including

Table of Contents

249,663 shares to Mr. Baker, 146,445 shares to Mr. Daniels, 118,215 shares to Mr. Pottle, 73,223 shares to Mr. Kuzia and 29,113 shares to Ms. Gray. Subject to continued employment on the applicable vesting dates, these shares vest 35.222% on the first anniversary of the effective date (May 29, 2003), 35.222% on the second anniversary of the effective date (May 29, 2004) and 29.556% on the third anniversary of the effective date (May 29, 2005). On November 5, 2002, an additional 17,800 shares were issued for \$.001 per share to members of our senior management when it was determined that the general unsecured claims, excluding secured creditor deficiency claims, of our intermediate holding company, Arch Wireless Holdings, Inc., would not exceed \$120 million. These shares, of which 5,037 were issued to Mr. Baker, 2,955 were issued to Mr. Daniels, 2,385 were issued to Mr. Pottle, 1,477 were issued to Mr. Kuzia and 587 were issued to Ms. Gray, vest in the same manner as the initial 882,200 shares. On June 27, 2003 and April 5, 2004, an additional aggregate 50,000 shares were issued for \$.001 per share to members of our senior management when and as general unsecured claims, excluding secured creditor deficiency claims, of Arch Wireless Holdings, Inc., were reduced below specified levels. Subject to continued employment on the vesting date, these additional 50,000 shares, of which 14,150 shares were issued to Mr. Baker, 8,300 shares were issued to Mr. Daniels, 6,700 shares were issued to Mr. Pottle, 4,150 shares were issued to Mr. Kuzia and 1,650 shares were issued to Ms. Gray, vest 100% on the third anniversary of the effective date of our plan of reorganization (May 29, 2005).

All shares issued to Messrs. Baker, Daniels and Pottle will immediately vest if:

a change in control occurs while the executive is employed by us;

the employment of the executive is terminated without cause following the announcement of a change in control;

the employment of the executive is terminated within 90 days prior to a change in control or the announcement of a change in control;
or

the employment of the executive is terminated more than 90 days prior to a change in control or the announcement of a change in control and the executive can reasonably demonstrate that such termination was in connection with or anticipation of the change in control.

Following approval by our stockholders of the amendment to the 2002 plan that increased the number of shares of common stock authorized for issuance under the 2002 plan from 950,000 to 1,200,000, we granted stock options to the non-employee directors who joined our board of directors upon our emergence from bankruptcy and who were reelected at the 2003 annual meeting of stockholders. On June 12, 2003, we granted options to purchase 41,666 shares of common stock at an exercise price of \$.001 per share and a ten year term to each of Messrs. Continenza, Gold, McHenry, Oristano, Redmond and Thompson. Subject to continued service as a director, these options vested 50% upon issuance and the remaining 50% will vest on May 29, 2004, and will immediately vest upon a change in control of our company.

As a result of the merger of our company with a wholly-owned subsidiary that was approved by our stockholders at our 2003 annual meeting and resulted in the imposition of transfer restrictions on our common stock to help preserve, to the extent possible, certain tax benefits, on June 13, 2003 all shares of common stock issued or issuable under the 2002 plan were converted into class A common stock.
