PART III -- NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Registrant's report on Form N-SAR could not be filed within the prescribed time period because of the discovery, during the audit of the Fund's financial statements for that fiscal year, that the performance fee paid to the Fund's investment manager has not been calculated correctly since the inception of the Fund. As a result, the Registrant had to restate certain financial information for its 2000, 2001, 2002 and 2003 fiscal years. The need to resolve technical auditing issues in connection with that restatement resulted in the delay in filing the Form N-SAR. In addition, the Fund's independent registered public accountants have indicated that its letter on the Fund's internal controls, which is required to be included in the N-SAR report, will indicate deficiencies related to calculation of the Fund's performance fee. The report will be filed once the Fund receives this letter and management of the Fund has had an opportunity to respond to the deficiencies indicated in the letter.
