**Table of Contents****Item 4.02(a) Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

On October 26, 2007, NaviSite, Inc. (the Company), reported on a Current Report on Form 8-K an error in its Consolidated Statement of Cash Flows for the fiscal year ended July 31, 2006 and in its Condensed Consolidated Statement of Cash Flows for the nine months ended April 30, 2006. This Amendment No. 1 hereby amends the Current Report on Form 8-K filed by the Company on October 26, 2007. The Consolidated Statement of Cash Flows for the fiscal year ended July 31, 2006 and the Condensed Consolidated Statement of Cash Flows for the nine months ended April 30, 2006 should no longer be relied upon.

As a result of the continuing review and related audit procedures related to the restatement, the Company has determined that the presentation of Release of (transfer to) restricted cash was not classified in accordance with U.S. GAAP in the Consolidated Statement of Cash Flows for the fiscal year ended July 31, 2006 and in the Condensed Consolidated Statement of Cash Flows for the nine months ended April 30, 2006. Release of (transfer to) restricted cash totaling approximately \$6.4 million was originally reported as a financing activity. In addition, approximately \$35,000 of Release of (transfer to) restricted cash was incorrectly reported as a component of the change in Other assets. Release of (transfer to) restricted cash should be reported as an investing activity in the statement of cash flows. Accordingly, the Company will restate its Release of (transfer to) restricted cash by reclassifying the change from a financing activity to an investing activity.

This reclassification will result in no changes to the Consolidated Balance Sheet, Consolidated Statement of Operations or Consolidated Statement of Changes in Stockholders' Equity (Deficit) at and for the year ended July 31, 2006 or to the Condensed Consolidated Balance Sheet or the Condensed Consolidated Statement of Operations at and for the nine months ended April 30, 2006.

The Company will include the corrected financial information for the year ended July 31, 2006 and the nine months ended April 30, 2006 in its Annual Report on Form 10-K for the year ended July 31, 2007, which is expected to be filed on November 9, 2007.

The changes will be reflected in the restated Consolidated Statement of Cash Flows for the fiscal year ended July 31, 2006, as follows.
