Capital Properties, Inc.
PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
April 28, 2009

SOLICITATION AND REVOCATION OF PROXIES

The accompanying proxy is solicited by the Board of Directors of Capital Properties, Inc. (the Company), in connection with the annual meeting of shareholders to be held April 28, 2009. The Company will bear the cost of such solicitation. It is expected that the solicitation of proxies will be primarily by mail. Proxies may also be solicited personally by regular employees of the Company at nominal cost. The Company may reimburse brokerage houses and other custodians, nominees and fiduciaries holding stock for others in their names, or in those of their nominees, for their reasonable out-of-pocket expenses in sending proxy materials to their principals or beneficial owners and obtaining their proxies. Any shareholder giving a proxy has the power to revoke it at any time prior to its exercise, but the revocation of a proxy will not be effective until notice thereof has been given to the Secretary of the Company. Notice of revocation may be delivered in writing to the Secretary prior to the meeting or may be transmitted orally to the Secretary at the meeting. Every properly signed proxy will be voted in accordance with the specifications made thereon.

This proxy statement and the accompanying proxy are expected to be first sent to shareholders on or about March 20, 2009.

VOTING AT MEETING

Only shareholders of record at the close of business on March 2, 2009, will be entitled to vote at the meeting. Under the Company's Restated Articles of Incorporation, the holders of the Company's Class A Common Stock, voting separately as a class, are entitled to one vote for each share held in the election of one-third (1/3) of the Board of Directors of the Company proposed to be elected at the meeting (or if the membership of the Board of Directors is not evenly divisible by three (3), the number of members equal to the whole numbers resulting from dividing the total authorized number of Directors by three (3) and rounding the result up to the nearest whole number). The holders of the Company's Class B Common Stock, voting separately as a class, are entitled to one vote for each share held in the election of the balance of the Board of Directors proposed to be elected at the meeting. The holders of the Company's Class A Common Stock and the holders of the Company's Class B Common Stock are entitled to one vote per share, voting as separate classes and not together, upon all other matters presented to the shareholders for their approval, except in connection with certain major corporate actions, including a sale of the Company, merger or other consolidation.

Class A directors will be elected in each case by vote of the holders of a majority of the Class A Common Stock present or represented at the meeting, and the Class B directors will be similarly elected by vote of the holders of a majority of the Class B Common Stock present or represented at the meeting.

On the record date, there were 3,301,103 shares of Class A Common Stock outstanding and 3,298,809 shares of Class B Common stock. There were no other outstanding securities of the Company entitled to vote. Shares represented by proxies which are marked `withhold authority` with respect to the election of any particular nominee for director, or to deny discretionary authority on any other matters will be counted as shares present and entitled to vote, and accordingly any such marking of a proxy will have the same effect as a vote against the proposal to which it relates. Brokers who hold shares in street name may lack authority to vote such shares on certain items, absent specific instructions from their customers. Shares subject to such `broker non-votes` will not be treated as shares entitled to vote on the matters to which they relate and therefore will be treated as not present at the meeting for those purposes, but otherwise will have no effect on the outcome of the voting on such matters. It is not presently anticipated that any matter which might be the subject of a `broker non-vote` will come before the annual meeting.

ELECTION OF DIRECTORS

At the annual meeting, two Class A directors and three Class B directors are to be elected to hold office until the next annual meeting and until their respective successors are elected and qualified. The proxies named in the accompanying proxy, who have been designated by the Board of Directors, intend to vote, unless otherwise instructed, for the election to the Board of Directors of the persons named below, all of whom are now directors of the Company. Certain information concerning such nominees is set forth below:

Director Name and Age	Since	Principal Occupation During Past Five Years
Class A Directors		
Robert H. Eder (76)	1995	President of the Company since January 1, 2008; Chairman of the Company, 1995 to present; Chairman, Providence and Worcester Railroad Company, 1988 to present
Todd D. Turcotte (37)	2008	Vice President of the Company and President of Capital Terminal Company since January 1, 2008

Alfred J. Corso (72)	2005	Consultant, 2001 to present
Roy J. Nirschel (56)	2005	President, Roger Williams University, 2001 to present
Harris N. Rosen (76)	2001	Consultant and Mediator, 2001 to present; Interim Executive Vice President, Jewish Federation of Rhode Island, January to October 2006

Mr. Eder is also a director of Providence and Worcester Railroad Company.

The Board of Directors has determined that all of the directors of the Company and the nominees standing for election at the 2009 annual shareholders meeting, other than Robert H. Eder and Todd D. Turcotte, are independent of the Company in that such directors and nominees have no material relationship with the Company either directly, or as a partner, shareholder or affiliate of an organization that has a relationship with the Company. The Board has made this determination based on the following:

Other than Messrs. Eder and Turcotte, no nominee for director is an officer or employee of the Company or its subsidiaries or affiliates;

No director or nominee has an immediate family member who is an officer of the Company or its subsidiaries or has any current or past material relationship with the Company;

No director nominee for director, other than Messrs. Eder and Turcotte, has worked for, consulted with, been retained by, or received anything of substantial value from the Company aside from his compensation as a director;

No director or nominee for director is, or was within the past three years, employed by the independent registered public accountants for the Company;

No executive officer of the Company serves on the Compensation Committee or, other than Mr. Eder, on the Board of Directors of any corporation that employs a nominee for director or a member of the immediate family of any nominee for director;

No director or nominee for director is an executive officer of any entity which the Company's annual sales to or purchases from exceeded one percent of either entity's annual revenues for the last fiscal year; and

No director or nominee for director serves as a director, trustee, executive officer or similar position of a charitable or non-profit organization to which the Company or its subsidiaries made charitable contributions or payments in fiscal year 2008 in excess of five percent of the organization's consolidated gross revenues, or \$200,000, whichever is more, at any time during the past three years.

Communications with the Board of Directors

The Board of Directors has established a process for shareholders to communicate with members of the board. If you have any concern, question or complaint regarding our compliance with any policy or law, or would otherwise like to contact the Board of Directors, you may reach the Company's Board of Directors by writing directly to those individuals c/o Capital Properties, Inc., 100 Dexter Road, East Providence, Rhode Island 02914.

All inquiries received shall not be screened by the Company and will be forwarded directly to the director to which such inquiry is addressed, unless it is believed that a particular inquiry may pose a security risk. The Board of Directors sits as a committee of the whole to address any inquiries made by shareholders.

Committees of the Board of Directors

The Board of Directors has an Audit Committee and a Compensation Committee, both currently comprised of Messrs. Corso, Nirschel and Rosen, each of whom is independent as defined under applicable rules of the Securities and Exchange Commission (SEC) and American Stock Exchange (AMEX) listing requirements. The Audit and Compensation Committees has a written charter approved by the Board of Directors.

The Audit Committee is responsible for overseeing the establishment and maintenance of an effective financial control environment for the Company, for overseeing procedures for evaluating the system of internal accounting control and for evaluating audit performance. The Board of Directors has determined that all three members of the Audit Committee satisfy the financial literacy requirements of the AMEX listing standards and are independent as defined under the AMEX listing requirements and applicable rules of the SEC. Additionally, the Board of Directors has determined that Mr. Corso qualifies as an audit committee financial expert as defined by the SEC rules.

The Compensation Committee assists the Board of Directors in discharging the Board's responsibilities relating to director and executive compensation. The Compensation Committee's responsibilities include establishing and reviewing the Company's executive and director compensation philosophy, strategies, plans and policies, and evaluating the performance and determining the compensation of the Chairman and Chief Executive Officer (CEO) of the Company and advising and assisting the CEO in formulating and implementing programs to facilitate the selection and development of other key managers. The Compensation Committee also reviews and approves the compensation of other executive officers of the Company.

The Company does not maintain a nominating committee or a committee performing a similar function due to the fact that Mr. Eder owns a controlling interest in the Company. The Board of Directors sits as a committee of the whole to consider any recommendations made by shareholders and/or other directors of persons to be directors of the Company. In determining whether to nominate any such person for election by the shareholders, the Board of Directors considers the experience of such person as it relates to the business of the Company, together with such person's age, reputation and ability to carry out the requirements to serve as a director of the Company.

During the fiscal year ended December 31, 2008, the Board of Directors held nine meetings, the Audit Committee held six meetings, the Compensation Committee held one meeting and a Special Committee held three meetings to consider aspects of the proposed reverse stock split and creation of Class B Common Stock as approved by the shareholders at the special meeting of shareholders held on November 21, 2008. All directors attended every meeting of the Board of Directors and meetings of committees on which such director serves. The Board of Directors has adopted a policy that requires members of the Board of Directors to make every effort to attend each annual shareholders meeting. All then current members of the Board of Directors attended the 2008 annual shareholders meeting.

¹ On December 11, 2008, the Company delisted from the AMEX and listed its shares of Class A Common Stock for trading on the OTCQX. For purposes of determining the independence of directors and members of the

Audit
Committee,
however, the
Board of
Directors
determined to
use the
applicable
independence
standards as set
forth in the
AMEX
Company
Guide.

Compensation of Directors

The Board of Directors, upon recommendation of the Compensation Committee, is responsible for determining compensation of the directors. Directors, other than directors who are employed by the Company, received a fee for attendance at each meeting of the Board of Directors, together with related transportation and living expenses. During the 2008 fiscal year, outside directors received an annual retainer fee of \$12,000 payable in quarterly installments and fees per meeting as follows: Board, \$1,000; Audit Committee, \$750; Compensation Committee, \$500, and Special Committee, \$1,000. The maximum fees payable for attendance at Board and committee meetings occurring on the same day is \$1,500. These rates were established in 2005 based on the recommendations of Effective Pay Practices, a compensation consultant retained by the Compensation Committee. In connection with a review of the Company's compensation policies conducted by Effective Pay Practices in December 2007, the Company's annual retainer fee paid to outside directors was increased from \$10,000 to \$12,000 effective January 1, 2008.

The following Director Compensation table provides information regarding the compensation paid or accrued by each director during the 2008 fiscal year.

Based on the review of the audited consolidated financial statements and these various discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K, to be filed with the SEC.

Audit Committee: Alfred J. Corso (Chair), Roy J. Nirschel and Harris N. Rosen.
