Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

Section 2 Financial Information

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

In a report filed on March 8, 2005, Exelon Corporation (Exelon) announced that on March 7, 2005 it had entered into a \$2 billion term loan agreement, the proceeds from which were intended to finance a pension funding announced in 2004. On March 10, 2005, Exelon borrowed \$1.2 billion under the term loan agreement and on March 30, 2005 borrowed an additional \$800 million. These funds were immediately contributed to Exelon's defined benefit pension plans on the same day as the borrowings.

On April 1, 2005, Exelon entered into a \$500 million term loan agreement with Dresdner Bank AG. On April 4, 2005, Exelon borrowed \$500 million under the term loan agreement, the proceeds from which were used to pay down amounts borrowed under the \$2 billion term loan agreement described above. The loan carries interest at a variable rate determined, at Exelon's option, by either the Base Rate or the Eurodollar Rate (as defined in the term loan agreement). The loan is due in full on December 1, 2005. Exelon expects to repay the amount outstanding primarily with the proceeds from long-term debt financing that Exelon expects will be issued later this year.

The term loan agreement is attached to this report as Exhibit 99.
