To be held on Monday, October 28, 2002

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Oriental Financial Group Inc. (the Company ) of proxies to be voted at the annual meeting of stockholders to be held on Monday, October 28, 2002 (the Annual Meeting ) at 10:00 a.m., at conference room 9-A of the McConnell Valdés law offices located at 270 Muñoz Rivera Avenue, Ninth Floor, San Juan, Puerto Rico, and at any adjournment or postponement thereof, for the purposes set forth herein. This Proxy Statement is expected to be mailed to stockholders on or about October 1, 2002.

Each proxy solicited hereby, if properly signed and returned to the Company and not revoked prior to its use, will be voted in accordance with the instructions contained therein. If no contrary instructions are given, each proxy received will be voted for the matters described below. Any stockholder giving a proxy has the power to revoke it at any time before it is exercised by: (i) filing with the Secretary of the Company written notice thereof (addressed to: Carlos O. Proxies solicited hereby may be exercised only at the Annual Meeting, including any adjournment or postponement thereof, and will not be used for any other purpose.

Each proxy solicited hereby also confers discretionary authority on the Board of Directors of the Company to vote the proxy with respect to: (i) the approval of the minutes of the last annual meeting of stockholders; (ii) the election of any person as director if any nominee is unable to serve or, for good cause, will not serve; (iii) matters incident to the conduct of the Annual Meeting; and (iv) such other matters as may properly come before the Annual Meeting. Except with respect to procedural matters incident to the conduct of the Annual Meeting, management is not aware of any business that may properly come before the meeting other than those matters described in this Proxy Statement. However, if any other matters should properly come before the Annual Meeting, it is intended that proxies solicited hereby will be voted with respect to those other matters in accordance with the judgment of the persons voting the proxies.

**SOLICITATION OF PROXIES**

The cost of solicitation of proxies will be borne by the Company. The Company has retained the services of American Stock Transfer & Trust Company, which also acts as the Company's transfer agent and registrar, to assist the Company in the solicitation of proxies for the Annual Meeting. The fee to be paid to such firm for these services is not expected to exceed \$1,500, plus reimbursement of all reasonable out-of-pocket expenses. The Company will also reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in sending proxy materials to the beneficial owners of the Company's shares of common stock, \$1.00 par value per share (the Common Stock ). In addition to solicitations by mail, directors, officers and employees of the Company or any of its subsidiaries may solicit proxies personally, by telephone or otherwise without additional compensation.

**Table of Contents**

-2-

The presence, either in person or by proxy, of at least a majority of the outstanding shares of Common Stock is necessary to constitute a quorum at the Annual Meeting. For purposes of determining quorum, abstentions and broker non-votes will be treated as shares that are present and entitled to vote. A broker non-vote results when a broker or nominee has expressly indicated that it does not have discretionary authority to vote on a particular matter. Action with respect to Proposal 1, Election of Directors, shall be taken by a majority of the votes cast. Therefore, abstentions and broker non-votes will not have an effect on the election of directors. With respect to this proposal, each holder of shares of Common Stock has the right to cumulate his/her votes as described below under CUMULATIVE VOTING IN THE ELECTION OF DIRECTORS.

**PROPOSAL 1: ELECTION OF DIRECTORS**

The By-laws of the Company provide that the Board of Directors shall consist of such number of directors as shall be fixed from time to time by Board resolution. The number of directors as established by resolution is presently nine. The Company's Certificate of Incorporation, as amended, and By-laws also provide that the Board of Directors shall be divided into three classes of directors as nearly equal in number as possible. The members of each class are to be elected for a term of three years and until their successors are duly elected and qualified. Only one class of directors is to be elected annually.

Other than Mr. José Enrique Fernández's employment agreement with Oriental Bank and Trust (the Bank), a Puerto Rico commercial bank and a wholly-owned subsidiary of the Company, which requires the Board of Directors of the Bank to nominate him for election as a director of the Bank and, if elected, as Chairman of the Bank's Board of Directors, there are no arrangements or understandings between the Company or the Bank and any person pursuant to which such person has been elected a director. Except for Mr. Fernández, who is the father of José E. Fernández-Richards, an executive officer of the Company, no other director is related to any other director or executive officer of the Company, including its subsidiaries, by blood, marriage or adoption (excluding those that are more remote than first cousin).

Mr. Miguel Vazquez-Deynes has been nominated as director for a two-year term expiring in 2004. Set forth below is certain information with respect to such nominee.

*Miguel Vazquez-Deynes (Age 64)* - Director of the Company since 2002 (including terms as director of the Bank). Mr. Vazquez-Deynes was the President and Chief Executive Officer of Triple-S Management Corp. (an insurance company in Puerto Rico) from 1990 to 2001. He served as the President and General Manager for Puerto Rico and northern Latin American operations of NCR Corporation from 1987 to 1990. He was Vice President and General Manager of Automotive Equipment, Inc. from 1965 to 1969. In 1969, he began working as a branch manager for MAI del Caribe, Inc., and later became President of that company until 1979. He has also served in the boards of directors of several corporations and non-profit organizations, including: Puerto Rico Art Museum (Chairman 2001), Ethics Committee of the Puerto Rico Chamber of Commerce (Chairman 1998), Luis Muñoz Marín Foundation (director 1997), Puerto Rico Insurance Company Association (ACODESE) (Treasurer 1997), GM Group, Inc. (director 1994 - present), San Juan Rotary Club (director 1990 - present), Puerto Rico Chamber of Commerce (President 1994 - 1996; First Vice President 1992 - 1994), Puerto Rico National Guard Military Stores (Vice President 1992 - 1994), Ashford Medical Presbyterian Hospital (Vice President 1984 - 1986), Puerto Rico Manufacturer's Association (Chairman of the Resolutions Committee 1984 - 1985).

Messrs. Pablo I. Altieri, M.D., Diego Perdomo, C.P.A. and Francisco Arriví have been nominated as directors for three-year terms expiring in 2005. Set forth below is certain information with respect to such nominees.

*Pablo I. Altieri, M.D. (Age 57)* - Director of the Company since 1990 (including terms as director of the Bank). He is a cardiologist and a Professor of Medicine and Physiology at the University of Puerto Rico School of Medicine. Dr. Altieri is also a member of the Board of Directors of Corporacion para el Desarrollo Tecnologico de Recursos Tropicales de Puerto Rico (a charitable organization) located in San Juan, Puerto Rico, and a member of the Board of Directors of Casa Roig Foundation (a charitable organization) in Humacao, Puerto Rico.

**Table of Contents**

*Diego Perdomo, C.P.A. (Age 67)* - Director of the Company since 1996 (including terms as director of the Bank). Mr. Perdomo is a certified public accountant and has been a partner of Diego Perdomo & Company (an accounting firm), San Juan, Puerto Rico, since 1968.

*Francisco Arriví (Age 56)* - Director of the Company since 1998 (including terms as director of the Bank). Mr. Arriví has been the President and Chief Executive Officer of Pulte International Caribbean Corp., a subsidiary of Pulte Corporation (a publicly traded company), San Juan, Puerto Rico, since March 1999. He was the President and Chief Executive Officer of Interstate General Properties LP, S.E., a subsidiary of Interstate General Company LP (a publicly traded company), San Juan, Puerto Rico, from 1995 to 1999, and Vice President and Chief Financial Officer of that company, from 1990 to 1995. He was also a director of Interstate General Properties LP, S.E. from 1996 to 1998. He was also Vice President and Manager of the Real Estate Department of The Chase Manhattan Bank, San Juan, Puerto Rico, from 1985 to 1990. He served as a director of American Communities Property Trust (a publicly traded company), San Juan, Puerto Rico, from 1998 to 1999. Since May 2001, he serves as a director of the Puerto Rico Aqueduct and Sewer Authority (a government instrumentality of the Commonwealth of Puerto Rico).

Unless otherwise directed, each proxy executed and returned by a stockholder will be distributed equally between the three nominees designated by the Board of Directors or in such other fashion as will most likely ensure the election of such nominees.

If any person named as a nominee is unable or unwilling to stand for election at the time of the Annual Meeting, the proxies will nominate and vote for a replacement nominee or nominees recommended by the Board of Directors. At this time, the Board of Directors knows of no reason why any of the nominees listed above may not be able to serve as a director if elected.

**The Board of Directors Recommends  
that Stockholders Vote For Proposal 1.**

**CUMULATIVE VOTING IN THE ELECTION OF DIRECTORS**

Pursuant to the By-laws of the Company, holders of shares of Common Stock have the right to cumulate their votes at annual meetings in which more than one director is being elected. Cumulative voting entitles each holder of Common Stock to a number of votes equal to the number of shares of Common Stock held by him/her multiplied by the number of directors to be elected. A holder of shares of Common Stock may cast all or any number of such votes for one nominee or distribute such votes among any two or more nominees as he/she desires. Thus, for example, for the election of the three nominees being considered at this Annual Meeting, a stockholder owning 1,000 shares of Common Stock is entitled to 3,000 votes, and may distribute such votes equally among the nominees for election, cast them for the election of only one of such nominees, or otherwise distribute such votes as he/she desires.

In the absence of any express indication that the shares to be voted should be cumulated in a particular fashion, the votes represented by executed proxies will be distributed equally among the four nominees designated by the Board of Directors or in such other fashion as will most likely ensure the election of all the nominees.

The Board members also serve on the Board of Directors of the Bank, the principal subsidiary of the Company. During fiscal year 2002, directors received a fee of \$750 for each Board meeting attended and \$250 for each committee meeting attended. On June 25, 2002, such fees were increased to \$900 per Board meeting attended and \$300 per committee meeting attended. Only directors who are not officers of the Company, including its subsidiaries, receive fees for attendance at such meetings. No director attended fewer than 75% of the meetings held in fiscal year 2002, including meetings of committees on which he served during the year.

The Audit Committee assists the Board of Directors in its oversight of the Company's financial reporting process. Its primary duties include serving as an independent and objective party to monitor the Company's financial reporting process and internal control systems; reviewing and appraising the audit efforts of the Company's independent auditors and internal auditing department; and providing an open way of communication among the Company's independent accountants, financial and senior management, internal auditing department and the Board of Directors. The Compensation Committee reviews and evaluates on a yearly basis the salary increases and bonuses of all of the Company's executive officers and makes recommendations to the Board of Directors. The Compensation Committee also administers the various stock option plans of the Company and is given absolute discretion to, among other things, construe and interpret the plans; to prescribe, amend and rescind rules and regulations relating to the plans; to select the persons to whom options will be granted to determine the number of shares subject to each option; and to determine the terms and conditions to which each grant and/or exercise of options is subject. On April 4, 2002, the Bank and José Enrique Fernández entered into an employment agreement for a term of three years, which supercedes and replaces a previous employment agreement dated December 22, 1998, between the Bank and Mr. Fernández. The agreement provides for an increase in salary to \$400,000 in fiscal year 2003, and further increases to \$450,000 in fiscal year 2004 and to \$500,000 in fiscal year 2005, and an annual automobile and expense allowance of \$38,400. The agreement also provides that the Bank will pay for Mr. Fernández's membership in such social and business clubs that in his judgment are reasonably necessary for the performance of his Bank-related duties. Also, under the agreement, the Bank will pay for a 10-year term life insurance policy in the amount of \$1,500,000, covering the life of Mr. Fernández, for the benefit of Mr. Fernández's estate. The agreement may be terminated by the Bank for just cause (as such term is defined in the agreement) at any time. In the event employment is terminated for just cause, Mr. Fernández will have no right to compensation or other benefits for any period after such termination. The agreement also provides for payments and other benefits for Mr. Fernández if there occurs a change in control of the Bank or in the event of involuntary termination of employment in connection with any change in control of the Bank, as defined therein. The term change in control is defined to include any of the following: (i) a change in control as defined in 12 U.S.C. § 1817(j) and 12 C.F.R. § 303.4, or (ii) a change in control that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A promulgated under the Securities Exchange Act of 1934, as amended (the Securities Exchange Act of 1934) or (iii) when during any period of two consecutive years during the term of the agreement, individuals who at the beginning of such period constitute the Board of Directors cease for any reason to constitute at least a majority thereof, unless the election of each director who was not a director at the beginning of such period has been approved in advance by directors representing at least two-thirds of the directors then in office, who were directors at the beginning of the period.

The agreement also provides that Mr. Fernández may terminate his employment for good reason, which includes: (i) failure by the Bank to comply with any material provision of the agreement, which failure has not been cured within ten (10) days after notice thereof has been given by Mr. Fernández to the Bank; and (ii) any purported termination of Mr. Fernández's employment which is not effected pursuant to a notice of termination satisfying certain requirements set forth in the agreement.

In the event that there occurs a change in control, or if Mr. Fernández is terminated other than for just cause and in connection with a change in control, the Bank will pay Mr. Fernández an amount equal to the aggregate annual compensation paid or payable to him (including salary, bonus, car allowance and the value of any other benefits provided to Mr. Fernández) during the year in which the termination occurs multiplied by 3.00. The payment is to be made in a lump sum on or before the fifth (5th) day following the date of termination. The payment is to be made in a lump sum on or before the fifth (5th) day following the date of termination. The term change in control is defined to include any of the following: (i) a change in control as defined in 12 U.S.C. § 1817(j) and 12 C.F.R. § 303.4; or (ii) a change in control that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A promulgated under the Securities Exchange Act of 1934; or (iii) when during any period of two consecutive years during the term of the agreement, individuals who at the beginning of such period constitute the Board of Directors cease for any reason to constitute at least a majority thereof, unless the election of each director who was not a director at the beginning of such period has been approved in advance by directors representing at least two-thirds of the directors then in office, who were directors at the beginning of the period.

The agreement also provides that Mr. Valladares may terminate his employment for good reason, which includes: (i) failure by the Company to comply with any material provision of the agreement, which failure has not been cured within ten (10) days after notice thereof has been given by Mr. Valladares to the Company; and (ii) any purported termination of Mr. Valladares' employment which is not affected pursuant to a notice of termination satisfying certain requirements set forth in the agreement.

In the event that there occurs a change of control, or if Mr. Valladares is terminated other than for just cause and in connection with a change in control, the Company will pay Mr. Valladares an amount equal to the aggregate annual compensation paid or payable to him (including salary, bonus, car allowance and the value of any other benefits provided to Mr. Valladares) during the year the termination occurs multiplied by 2.00. The payment is to be made in a lump sum on or before the fifth (5th) day following the date of termination. If Mr. Valladares terminates his employment for good reason, the severance payments from the Company will be equal to the aggregate annual compensation paid or payable to Mr. Valladares (including salary, bonus, car allowance and the value of any other benefits provided to Mr. Valladares) during the year in which the termination occurs multiplied by 2.00. The severance payment is to be made in a lump sum on or before the fifth (5th) day following the date of termination. If Mr. Valladares had been terminated for other than just cause, as of June 30, 2002, he would have been entitled to a severance payment of approximately \$672,000. If Mr. Valladares had terminated his employment for good reason, as of June 30, 2002 he would have been entitled to a severance payment of approximately \$448,000.

The agreement contains provisions restricting Mr. Valladares' ability to engage or participate in, become a director of, or render advisory or other services to any firm or entity competitive with the Company. The agreement further contains provisions protecting the confidential information and trade secrets of the Company while Mr. Valladares is employed by the Company. The agreement does not contain any provision restricting Mr. Valladares' right to compete against the Company upon termination of employment.

*Marcial Díaz*

On March 15, 2001, the Company and Marcial Díaz entered into an employment agreement for a term of three years. The agreement provides for a minimum base salary of \$126,000 from March 15, 2001, through March 14, 2002, and further increases to \$146,000 and \$171,000 from March 15, 2002, through March 14, 2003, and from March 15, 2003, through March 14, 2004, respectively, an annual automobile and expense allowance of \$18,000; an annual allowance of \$10,000 for membership expenses for social and business clubs that in the judgment of the Company's Chief Executive Officer are reasonably appropriate to the performance of the duties of Mr. Díaz pursuant to the agreement; and an annual performance bonus of not less than \$80,000 for fiscal year 2002 and not less than \$100,000 for fiscal year 2003 and subsequent fiscal years. The agreement contains a provision for automatic one-year extensions of said agreement unless terminated by either party. Any salary increases for this agreement, or extensions thereof, shall be mutually agreed to by the Company and Mr. Díaz. The agreement also provides that Mr. Díaz will be entitled to participate in, and receive the benefits of, any stock option plan, profit sharing plan or other plans, benefits and privileges given to employees and executives of the Company for which Mr. Díaz may qualify. Such benefits will be provided to Mr. Díaz while he is employed under the terms of the agreement or any extension thereof. Pursuant to the

agreement, the Company granted Mr. Díaz options to purchase 15,000 shares of Common Stock at the signing of the agreement and not less than 15,000 shares of Common Stock each year thereafter. The stock options may be exercised by Mr. Díaz during a period commencing on the first and ending on the tenth anniversary of the agreement. Notwithstanding the above limitations, such stock options will become immediately exercisable if Mr. Díaz dies, is disabled, retires from employment with the Company or if there occurs a change in control of the Company. The options shall survive one year after termination of the agreement, unless termination is the result of Mr. Díaz' illegal conduct or gross misconduct materially injurious to the Company; or a regulatory order, or; as a result of appointment by court or other public authority of a legal custodian for the Company for the purpose of liquidation.

The agreement may be terminated by the Company for just cause (as such term is defined in the agreement) at any time. In the event that employment is terminated for just cause, Mr. Díaz will have no right to compensation or other benefits for any period after such termination. The agreement also provides for payment and other benefits for Mr. Díaz if there occurs a change in control of the Company or in the event of involuntary termination of employment in connection with any change in control of the Company, as defined therein. The term change in control is defined to include any of the following: (i) a change in control as defined in 12 U.S.C. § 1817(j) and 12 C.F.R. § 303.4; or (ii) a change in control that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A promulgated under the Securities Exchange Act of 1934.

The agreement also provides that Mr. Díaz may terminate his employment for good reason, which includes: (i) failure by the Company to comply with any material provision of the agreement, which failure has not been cured within ten (10) days after notice thereof has been given by Mr. Díaz to the Company, and (ii) any purported termination of Mr. Díaz' employment which is not affected pursuant to a notice of termination satisfying certain requirements set forth in the agreement.

In the event that there occurs a change of control, or if Mr. Díaz is terminated other than for just cause and in connection with a change in control, the Company will pay Mr. Díaz an amount equal to the aggregate annual compensation paid or payable to him (including salary, bonus, car allowance and the value of any other benefits provided to Mr. Díaz) during the year the termination occurs multiplied by 3.00. The payment is to be made in a lump sum on or before the fifth (5th) day following the date of termination. If Mr. Díaz terminates his employment for good reason, the severance payments from the Company will be equal to the aggregate annual compensation paid or payable to Mr. Díaz (including salary, bonus, car allowance and the value of any other benefits provided to Mr. Díaz) during the year in which the termination occurs multiplied by 2.00. The severance payment is to be made in a lump sum on or before the fifth (5th) day following the date of termination. If Mr. Díaz had been terminated for other than just cause, as of June 30, 2002, he would have been entitled to a severance payment of approximately \$822,000. If Mr. Díaz had terminated his employment for good reason, as of June 30, 2002, he would have been entitled to a severance payment of approximately \$548,000.

The agreement contains provisions restricting Mr. Díaz' ability to engage or participate in, become a director of, or render advisory or other services to any firm or entity competitive with the Company for a period of one year subsequent to the termination of the agreement. The agreement further contains provisions protecting the confidential information and trade secrets of the Company while Mr. Díaz is employed by the Company.

**COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION**

The Company operates in a highly competitive industry where the quality, creativity and professionalism of its executive officers is of utmost importance to the success, profitability and growth of the Company. Accordingly, the compensation program of the Company, which is managed by the Compensation Committee, is intended to retain and appropriately reward experienced and well-trained executive officers, align the long-term interests of the executive officers with those of the stockholders and tie total compensation opportunities to the achievement of the Company's institutional goals and the achievement of goals for each of its subsidiaries.

The Compensation Committee evaluates the performance of management, reviews the compensation levels of members of management, and evaluates and reviews all aspects of compensation for the Company's executive officers.

In evaluating the performance and compensation of all of the executive officers, the Compensation Committee reviews available peer group information for comparable financial institutions or bank holding companies in Puerto Rico and in the United States and assesses the performance in accordance with the overall attainment of the Company's goals for such fiscal year, which are set forth in the Company's three-year business plan that is updated and approved by the Board of Directors every fiscal year.

**Bonus**

The compensation program for the Company's executive officers provides for a performance bonus, which purpose is to maximize the efficiency and effectiveness of the Company's operations. The bonuses that are paid to the executive officers are linked to the performance of the Company as an institution as well as to the performance of each of the Company's subsidiaries. In addition, in the event the institutional and individual goals are achieved, the bonus amounts that are generally paid to the executive officers are determined so that the total salary and bonus compensation paid to them is competitive with the amounts paid by comparable financial institutions or bank holding companies in Puerto Rico and in the United States.

**Long-Term Compensation**

The compensation program for the executive officers also contemplates long-term incentive compensation in the form of stock options granted under the Company's stock option plans. The Company's stock option plans provide for ownership of the shares of Common Stock which, in turn, creates a direct relationship between the performance of the Company, as reflected by the market value of the shares of Common Stock, and executive compensation, and further creates a direct link between the interests of the executive officers and the interests of the stockholders.

The awards are made by the administrators of the Company's stock option plans, which are the members of the Compensation Committee. The plan administrators are given absolute discretion to select which of the eligible persons will be granted stock options and the amount of stock options to be granted to such persons. In general terms, the plan administrators, in determining such amounts, consider total compensation information obtained from various comparable financial institutions or bank holding companies in Puerto Rico and in the United States that they track, as well as the general trend in total compensation in the financial services industry.

**Fiscal Year 2002 Results**

Among the results of operations for fiscal year 2002 that the Compensation Committee placed particular emphasis when it approved the bonuses paid and the stock options granted to the executive officers, which amounts are set forth

in separate tables in this Proxy Statement, are the following: (i) the Company reported a net income of \$38.5 million (\$2.50 diluted per share), an increase of 354.1% compared with fiscal year 2002; (ii) the performance of each of the Company's subsidiaries; and (iii) the total financial assets owned and managed by the Company grew by 11.3% to \$5.0 billion as of June 30, 2002.

**Compensation of Chairman, President and Chief Executive Officer**

Mr. José Enrique Fernández, who serves as President, Chief Executive Officer and Chairman of the Board of Directors of the Company and the Bank, negotiated the terms of his agreement with the Bank at arm's length with the Bank's Board of Directors. The current terms of Mr. Fernández's employment, including his salary and certain other compensation arrangements, are described in this Proxy Statement under EXECUTIVE COMPENSATION - Employment Agreements.

Mr. Fernández's compensation in terms of bonus and any additional stock options granted to him under the Company's stock option plans was determined in accordance with the Company's compensation program described above and was based on considerations of competitive industry practice as well as the overall performance of the Company. In making such determination, the Compensation Committee took into consideration the Company's performance as a whole during fiscal year 2002 (as described above) and the achievement of goals which are geared to ensure the Company's continued long-term growth and the enhancement of stockholder value, such as the further diversification of the Company's asset base and the emphasis on expanding the Company's financial services and non-interest income.

Management has the primary responsibility for the preparation and integrity of the Company's financial statements, accounting and financial reporting principles, and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Company's independent auditors are responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with U.S. generally accepted accounting principles.

In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed the audited financial statements for fiscal year 2002 with the Company's management and has discussed with Deloitte & Touche LLP the matters that are required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*. In addition, Deloitte & Touche LLP has provided the Audit Committee with the written disclosures and

**INDEBTEDNESS OF MANAGEMENT**

Certain transactions involving loans and deposits were transacted during fiscal year 2002 between the Bank, some of its directors and executive officers, including those of its affiliates, and persons related to or affiliated with such persons. All such transactions were made in the ordinary course of business on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other persons, and did not involve more than the normal risk of uncollectability or other unfavorable features. At present, none of the loans to such directors and executive officers, including persons related to or affiliated with such persons, is non-performing.

**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Based solely on the review of copies of such forms and on other information furnished to the Company by such individuals, the Company believes that during and with respect to fiscal year 2002 its directors and executive officers, and persons who own more than ten percent of the Company's equity securities, timely filed all required reports thereunder.

**INDEPENDENT AUDITORS**

The Board of Directors requested and obtained proposals from several accounting firms in Puerto Rico, including PricewaterhouseCoopers LLP, the Company's former independent auditors, in connection with the Company's annual and quarterly financial statements for the three fiscal years in the period ending June 30, 2004. After reviewing and considering each proposal, the Audit Committee recommended to the Board of Directors the appointment of Deloitte & Touche LLP as the Company's independent auditors for fiscal years 2002, 2003 and 2004. On September 25, 2001, the Board of Directors accepted such recommendation and appointed Deloitte & Touche LLP as the Company's independent auditors for fiscal years 2002, 2003 and 2004. This decision was based on the amount of fees quoted by each firm and the scope of services to be provided.

PricewaterhouseCoopers LLP's report on the Company's financial statements for each of the two fiscal years in the period ended June 30, 2001, did not contain an adverse opinion or a disclaimer of opinion, nor was qualified or modified as to uncertainty, audit scope or accounting principles. During such two-year period and the interim period through September 25, 2001, there were no disagreements between the Company and PricewaterhouseCoopers LLP on any matter of accounting principles or practices, financial statement disclosure, or audit scope or procedure, which disagreements, if not resolved to PricewaterhouseCoopers LLP's satisfaction, would have caused them to make reference to such disagreements in their reports on the financial statements for such years.

Deloitte & Touche LLP, as the Company's independent auditors for fiscal year 2002, will have a representative present at the Annual Meeting who will have an opportunity to make a brief statement, if he/she so desires, and who will be available to respond to appropriate questions.

**Audit Fees**

The aggregate fees billed by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, Deloitte & Touche), for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended June 30, 2002, and for the review of the Company's quarterly financial statements for that fiscal year were \$135,000 (including out-of-pocket expenses of \$5,000).

**Financial Information Systems Design and Implementation Fees**

Deloitte & Touche did not render professional services to the Company relating to financial information systems design and implementation in fiscal year 2002.

**All Other Fees**

The aggregate fees billed by Deloitte & Touche for services rendered to the Company, other than the services described above under Audit Fees and Financial Information Systems Design and Implementation Fees, in fiscal year 2002 were \$1,663,000, including audit-related services of approximately \$93,000 and non-audit services of \$1,569,000. Audit-related services generally include audits of the Company's employee benefit plans and subsidiaries.

The Audit Committee has considered whether the provision of the non-audit services described above is compatible with maintaining the independence of Deloitte & Touche.

**STOCKHOLDERS PROPOSALS**

Stockholders' proposals intended to be presented at the 2003 annual meeting of stockholders must be set forth in writing and received by Carlos O. Souffront, Esq., Secretary of the Company, c/o McConnell Valdés, P.O. Box 364225, San Juan, Puerto Rico 00936-4225, no later than June 2, 2003, for inclusion in the Company's proxy statement and proxy card relating to the 2003 annual meeting of stockholders in order to be considered at such annual meeting.

The undersigned hereby acknowledges receipt of the accompanying proxy statement for the annual meeting prior to signing this proxy.
