PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 28, 2003

SOLICITATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of ProAssurance Corporation (sometimes referred to as "ProAssurance" or the "Company") to be voted at the Annual Meeting of the Stockholders (the "Annual Meeting") to be held at 10:30 a.m., local time, on Wednesday, May 28, 2003, at the Harbert Center, 2019 Fourth Avenue North, Birmingham, Alabama 35203, or at any adjournment or postponement thereof. At the Annual Meeting, the stockholders will be asked to elect four (4) members to the Board of Directors of the Company to serve as Class II Directors until the 2006 Annual Meeting.

The Proxy Statement and proxy card are first being mailed to the stockholders of the Company on or about April 24, 2003. The Company will bear the cost of solicitation of proxies. The Company has requested brokers or nominees to forward this Proxy Statement to their customers and principals and will reimburse them for expenses incurred in so doing. If deemed necessary, the Company may also use its officers and regular employees, without additional compensation, to solicit proxies personally or by telephone.

Edgar Filing: PROASSURANCE CORP - Form DEF 14A

The Board of Directors has set March 31, 2003 as the record date for the Annual Meeting. Only stockholders of record at the close of business on the record date will be entitled to notice of and to vote at the Annual Meeting. At the close of business on the record date there were 28,880,185 outstanding shares of common stock of the Company, par value \$0.01 per share, with each stockholder entitled to one vote in person or by proxy for each share of Common Stock on all matters properly to come before the Annual Meeting.

Any person who held certificates for shares of Medical Assurance (or MAIC Holdings) common stock or for shares of Professionals Group common stock on the record date will be entitled to vote the number of shares of ProAssurance common stock into which the shares evidenced by the certificate have been converted. PERSONS WHO HAVE NOT EXCHANGED THEIR CERTIFICATES FOR PROFESSIONALS GROUP COMMON STOCK FOR PROASSURANCE COMMON STOCK AND CASH ARE ENCOURAGED TO DO SO. FOR INFORMATION AS TO THE PROCEDURE FOR SURRENDERING CERTIFICATES OF PROFESSIONALS GROUP COMMON STOCK IN EXCHANGE FOR CERTIFICATES FOR PROASSURANCE COMMON STOCK, PLEASE CONTACT FRANK O'NEIL, SENIOR VICE PRESIDENT, PROASSURANCE CORPORATION, EITHER BY MAIL AT P.O. BOX 590009, BIRMINGHAM, ALABAMA 35259-0009, OR BY TELEPHONE AT (205) 877-4400 OR (800) 282-6242.

VOTING INSTRUCTIONS

The record owners of ProAssurance common stock may vote their shares on matters properly presented at the Annual Meeting in four ways:

- By signing and returning the enclosed proxy card in the enclosed envelope; or
- By voting on the Internet at WWW.EPROXY.COM/PRA in accordance with instructions on the enclosed proxy card; or
- By telephone by calling 1-800-435-6710 on a touchtone telephone and following the instructions on the enclosed proxy card; or
- By attending the meeting and voting in person.

Shares of common stock held in the name of a nominee such as a broker or bank must be voted in accordance with instructions provided by the nominee.

All shares of Common Stock represented by proxies properly received at or prior to the Annual Meeting and not revoked will be voted in accordance with the instructions in the proxy. If no instructions are indicated on the proxy, the shares represented by that proxy will be voted FOR the election of each director nominee nominated by the Board of Directors.

Proxies may be revoked prior to the Annual Meeting by either (i) submitting to ProAssurance a properly executed proxy bearing a later date, or (ii) by voting by telephone or Internet at a later date or in person at the meeting, or (iii) by giving written notice of revocation to the Secretary of ProAssurance. The mailing address of ProAssurance is P.O. Box 590009, Birmingham, Alabama 35259-0009, and the street address is 100 Brookwood Place, Birmingham, Alabama 35209.

VOTE REQUIRED

The presence, in person or by proxy, of the holders of one-third of the shares of ProAssurance common stock entitled to vote at the meeting will constitute a quorum to conduct business at the Annual Meeting. Proxies received but marked as abstentions and "broker non-votes" (which occur where shares held by brokers or nominees for beneficial owners are not voted on a matter) will be

Edgar Filing: PROASSURANCE CORP - Form DEF 14A

included in the calculation of the number of shares considered to be present at the meeting.

Directors will be elected by a plurality of the votes cast in person or by proxy at the Annual Meeting. With respect to the election of directors, a stockholder may vote for all four nominees or withhold authority to vote for any or all of the nominees. Because directors are elected by a plurality of the votes cast, votes to withhold authority with respect to one or more nominees and broker non-votes will have no effect on the outcome of the election.

ELECTION OF DIRECTORS

BOARD OF DIRECTORS

The Certificate of Incorporation of ProAssurance provides that the Board of Directors is comprised of at least three and not more than twenty-four directors, as determined by the Board of Directors. The Board of Directors currently has eleven directors. The Certificate of Incorporation requires that the directors be divided into three classes as nearly equal as possible and that the directors serve staggered terms of three years. Any vacancies on the Board of Directors resulting from the death, resignation or removal of a director or from any increase in the number of directors may be filled by action of the remaining directors. A Director elected by the directors to fill a vacancy on the Board of Directors holds office until the next election of the class of directors for which such director has been chosen.

The Agreement to Consolidate between Medical Assurance and Professionals Group dated June 22, 2000, and amended November 1, 2000 (the "Consolidation Agreement") provided that the initial Board of Directors of ProAssurance would be comprised of eleven directors divided into three classes designated as Class I, Class II and Class III. Four directors would be appointed as Class I Directors to serve until the 2002 annual meeting; four directors would be appointed as Class II Directors to serve until the 2003 annual meeting; and three directors would be appointed as Class III Directors to serve until the 2004 annual meeting. The Consolidation Agreement further provided that Professionals Group would have the right to appoint one director to serve in each class for a total of three directors and that Medical Assurance would have the right to appoint a total of eight directors to be divided among the three classes of directors. Professionals Group appointed Ann F. Putallaz as a Class I Director, William H. Woodhams as a Class II Director and Victor T. Adamo as a Class III Director. The Consolidation Agreement requires the ProAssurance Board of Directors to nominate a person selected by the directors nominated by Professionals Group to fill the vacancy created upon the expiration of the first term of each director nominated by Professionals Group. The Board of

2

Directors is required to recommend to the ProAssurance stockholders that the nominee so nominated be elected to the Board of Directors and is further required to solicit proxies in favor of the election of such nominee to the Board of Directors. William H. Woodhams has been nominated by the directors nominated by Professionals Group to fill the vacancy on the expiration of his term as a director.

In addition to Dr. Woodhams, the Board of Directors has nominated John J. McMahon, Jr. and John P. North, Jr. for election as directors at the Annual Meeting to fill the vacancies arising on the expiration of their terms as Class II Directors. The Board of Directors has also nominated Wilfred W. Yeargan, Jr. for election as a Class II Director to fill the vacancy arising upon the retirement of Leon C. Hamrick upon the expiration of his current term. Each of the nominees has been nominated upon the recommendation of the Nominating

Edgar Filing: PROASSURANCE CORP - Form DEF 14A

Committee. The Nominating Committee has not recommended anyone for election to fill the vacancy created in the Class III Directors arising upon the resignation of Drayton Nabers when he resigned to serve as Finance Director for the State of Alabama. The Board of Directors may at a later date either elect a director to fill the vacancy or reduce the size of the Board of Directors.

The persons named in the enclosed Proxy have advised that, unless a contrary direction is indicated on the enclosed Proxy, they intend to vote the shares appointing them as proxies in favor of the nominees named herein. If the nominees should be unable to serve, and the Board of Directors knows of no reason to anticipate this will occur, the Proxies will be voted for a substitute selected by the Board of Directors, or the Board of Directors may decide not to elect an additional person as a director. The persons named in the enclosed Proxy will have no authority to vote for the election of any person other than the nominees or their substitutes in the election of directors.

Biographical information regarding each nominee for election to the Board of Directors and each of the other directors is set forth below and the stock ownership with respect to each nominee and director is set forth in the table under "Principal Stockholders."

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The By-Laws of ProAssurance establish four standing committees of the Board of Directors: the Executive Committee, the Nominating Committee, the Compensation Committee and the Audit Committee.

Executive Committee. The Executive Committee has the authority during intervals between the meetings of the Board of Directors to exercise all powers and authority of the Board of Directors in the management of the business and affairs of ProAssurance, except that the Executive Committee has no power

or authority to alter or repeal any resolution adopted by the Board of Directors that by its terms is not subject to amendment or repeal by the Executive Committee or any resolution relating to the establishment or membership of the Executive Committee and the Executive Committee may not authorize matters required by law to be passed upon by the full Board. The By-Laws provide that the Executive Committee have at least three members including the Chairman and Chief Executive Officer and the Vice Chairman of the Board. The members of the

Edgar Filing: PROASSURANCE CORP - Form DEF 14A

Executive Committee are: A. Derrill Crowe, Chairman, Victor T. Adamo, Paul R. Butrus and Robert E. Flowers. The Executive Committee did not meet in 2002.

Nominating Committee. The Nominating Committee is responsible for fielding a slate of candidates for election as directors at each annual meeting and to fill vacancies otherwise created on the Board of Directors. The members of the Nominating Committee are: Leon C. Hamrick, Chairman; John P. North, Jr. and William H. Woodhams. The Nominating Committee met two times in 2002, and all members were present.

Compensation Committee. The Compensation Committee establishes the compensation arrangements for the Chief Executive Officer and approves compensation for other senior management personnel. The Compensation Committee is the administrator of the ProAssurance Corporation Incentive Compensation Stock Plan. The members of the Compensation Committee are: Robert E. Flowers, Chairman, Leon C. Hamrick and John J. McMahon, Jr. The Compensation Committee had one meeting in 2002, at which all members were present.

Audit Committee. The duties and responsibilities of the Audit Committee are set forth in its written charter and include the following: to recommend to the Board of Directors the independent accountant to audit the consolidated financial statements of ProAssurance and its subsidiaries; to serve as an independent and objective party to assist the Board of Directors in its oversight of the Company's financial reporting principles and policies and internal controls and procedures; to provide an evaluation of the independence of the independent auditors; to review the fees of the independent auditors for audit and non-audit services; and to review reports and other communications between management and the independent auditors with respect to accounting methods and systems of internal control. The charter for the audit committee was adopted by the Board of Directors prior to the passage of the Sarbanes-Oxley Act of 2002, and it is expected that the charter will be amended as required by that legislation and rules promulgated thereunder by the Securities and Exchange Commission and the New York Stock Exchange. All of the members of the Audit Committee are independent directors as defined in the current listing standards of the New York Stock Exchange and as the listing standards are proposed to be amended pursuant to rules promulgated by the Securities and Exchange Commission under the Sarbanes-Oxley Act. The members are: John P. North, Jr., Chairman, Lucian F. Bloodworth, Leon C. Hamrick and Ann F. Putallaz. The Audit Committee held four meetings during 2002, at which all members were present.

Director Compensation. At the February 2002 meeting, the Board of Directors approved payment of compensation to non-employee directors at the rate of \$2,000 per month and \$1,000 for each day that a director attends a Board or committee meeting. Non-employee directors are eligible to participate in the ProAssurance Corporation Stock Ownership Plan.

Meetings of the Board. The Board of Directors had five meetings during 2002. None of the directors attended fewer than seventy-five percent of the total number of meetings of the Board of Directors and of the committees on which he or she served.

EXECUTIVE COMPENSATION

The following table sets forth a summary of the compensation paid or accrued by ProAssurance and its subsidiaries during each of the last three fiscal years with respect to (i) the Company's Chief Executive Officer and (ii) the four most highly compensated persons considered to be executive officers or their equivalent. Because ProAssurance did not begin its business as the holding company for Medical Assurance

Edgar Filing: PROASSURANCE CORP - Form DEF 14A

and Professionals Group until June 27, 2001, the summary treats Medical Assurance and Professionals Group as subsidiaries of ProAssurance as if the consolidation occurred on January 1, 2000.

(1) The bonus compensation was paid in cash and ProAssurance common stock. The

Edgar Filing: PROASSURANCE CORP - Form DEF 14A

shares of common stock have been issued as stock awards under the ProAssurance Incentive Compensation Stock Plan and are valued at the closing price of a share on the New York Stock Exchange on the date of the award. The bonus compensation includes the following number of shares of Common Stock for the Named Executive Officers: Dr. Crowe -- 5,850 shares in 2002 and 4,464 shares in 2001; Mr. Adamo -- 3,835 shares in 2002 and 4,702 shares in 2001; Mr. Butrus 1,705 shares in 2002 and 744 shares in 2001; Mr. Friedman -- 2,585 shares in 2002 and 1,488 shares in 2001; and Mr. Morello -- 1,193 shares in 2002 and 1,488 shares in 2001.

- (2) Excludes perquisites and other personal benefits, securities or property paid to a Named Executive Officer in an aggregate amount equal to the lesser of \$50,000 or 10% of the annual salary and bonus of such executive.
- (3) The shares acquired with loan proceeds under Amended and Restated ProAssurance Corporation Stock Ownership Plan are treated as restricted stock awards in the Summary Compensation Table. ProAssurance made no loans to its executive officers and directors under the plan after the effective date of the Sarbanes-Oxley Act of 2002 on July 30, 2002. Effective December 1, 2002, the Stock Ownership Plan was amended to eliminate the loans to employees and to provide for matching grants from the Company that are used to purchase shares of the Company's common stock in the open market for the account of participating employees prior to vesting. The unvested shares acquired with the matching grants are also treated as restricted stock awards in the table. The amounts reflected in the table represent the loans and matching grants made to the Named Executive Officers under the plan during 2002, and loans made in 2001 and 2000. At December 31, 2002, ProAssurance had outstanding loans and unvested grants under the plan to Mr. Adamo in the approximate amount of \$3,000 that have been used to purchase 168 shares having a value of \$3,568 on that date; to Mr. Friedman in the approximate amount of \$13,689 that have been used to purchase 593 shares having a value of \$12,472 on that date; and to Mr. Morello in the amount of approximately \$47,185 that have been used to purchase 1,921 shares having a value of \$40,348 on that date. Loans are forgiven and shares purchased with grants are fully vested if a participant remains in the employ of the Company for three years (four years for loans made prior to January 1, 2002), or until his prior retirement, death or disability, or until a change of control of the Company.

6

- (4) The table reflects options granted under the Company's Incentive Compensation Stock Plan in the year the options were granted. The table does not reflect options for ProAssurance common stock that were substituted under the Consolidation Agreement for the outstanding options to purchase Medical Assurance common stock and Professionals Group common stock that were granted to their former employees prior to 2000.
- (5) Other compensation includes (i) compensation paid to certain of the Named Executive Officers in 2001 for accrued and unused vacation in connection with the adoption of a new vacation policy adopted effective January 1, 2002, as follows: Mr. Butrus -- \$35,621 in cash and 4,469 shares of ProAssurance common stock having a value of \$66,141 and Mr. Morello --\$10,863 in cash and 1,362 shares of ProAssurance common stock having a value of \$20,158; (ii) matching contributions for purchases of common stock to Mr. Adamo under the Professionals Group Stock Purchase Plan of \$4,000 for 2001 and \$5,000 for 2000; (iii) contributions under the Medical Assurance Pension Plan, a qualified defined contribution retirement plan, to each of Messrs. Crowe, Butrus, Morello and Friedman in the following amounts -- \$24,886 for 2002, \$20,890 for 2001, and \$21,098 for 2000; (iv) contributions for the account of Mr. Adamo under the ProNational Insurance Company Stock Ownership Plan, a qualified profit sharing retirement plan, and the ProNational Insurance Company Employees' Savings and Retirement Plan, a Section 401(k) contributory retirement plan with discretionary matching contributions, in

Edgar Filing: PROASSURANCE CORP - Form DEF 14A

the following amounts: \$22,878 for 2002 (includes contributions to the Medical Assurance Pension Plan for part of 2002), \$17,000 for 2001, and \$22,100 for 2000; and (v) \$8,038 paid to Mr. Adamo in 2001 because of an extra payroll period resulting from the integration of operations in the consolidation.

EQUITY INCENTIVE PLANS

The Company assumed all of the options previously granted under Medical Assurance's Incentive Compensation Stock Plan and Professionals Group's 1996 Long Term Stock Incentive Plan in its consolidation with Medical Assurance and Professionals Group. Outstanding options to acquire shares of Medical Assurance common stock were converted into options to acquire 398,625 shares of ProAssurance common stock, and outstanding options to acquire shares of Professionals Group common stock were converted into options to acquire 458,680 shares of ProAssurance common stock. On November 19, 2001, the Company prospectively assumed Medical Assurance's plan by substituting its common stock for the shares of Medical Assurance common stock reserved for future awards under the plan. At the 2002 annual meeting, the stockholders of the Company approved the assumption of the plan under the name "ProAssurance Corporation Incentive Compensation Stock Plan."

The following table sets forth information as of December 31, 2002, with respect to equity securities authorized for issuance pursuant to compensation plans previously approved by the stockholders of the Company and compensation plans not previously approved by the Company's stockholders. For purpose of this table, the shares to be issued pursuant to outstanding options assumed under the Consolidation Agreement are considered shares to be issued under a compensation plan approved by the Company's stockholders because the Consolidation Agreement was approved by the Medical Assurance stockholders and the Professionals Group stockholders.

The purpose of the Company's Incentive Compensation Stock Plan is to secure or retain the services of key employees who include officers, directors and other employees of the Company and its subsidiaries. The Compensation Committee has full authority, in its discretion, to grant awards under the plan, to determine the eligible persons to whom awards shall be granted and the number of

Edgar Filing: PROASSURANCE CORP - Form DEF 14A

shares to be covered by each award. Awards may be granted in the form of incentive stock options, nonqualified stock options, and reload options, as well as restricted and other stock grants. Non-employee directors and advisory directors are eligible to participate in the plan but only to the extent they elect to receive stock awards in lieu of their regular cash compensation.

STOCK OPTIONS GRANTED IN 2002

The following table shows the grants of stock options to the Chief Executive Officer and the other Named Executive Officers pursuant to the Incentive Compensation Stock Plan. Stock Awards granted under the plan to such Named Executive Officers are disclosed in Footnote (1) to the "Summary Compensation Table." See also "COMPENSATION COMMITTEE REPORT."

- The options were granted on January 15, 2002, pursuant to the Incentive Compensation Stock Plan at an exercise price equal to \$16.80, being the closing price of a share of Common Stock on the New York Stock Exchange on that date. The options vest in five equal annual installments commencing July 15, 2002.

- Based on the Black-Scholes Option Pricing Model adopted for use in valuing executive stock options. The actual value, if any, an executive may realize will depend upon the excess of the stock price over the exercise price on the date the option is exercised, so that there is no assurance that the value realized by an executive will be at or near the value estimated by the Black-Scholes Model. The assumptions used in calculating the Black-Scholes value of the options were expected volatility of .34, risk-free return to 4.6% and a dividend value of -0-, and six years before exercise.

OPTION EXERCISES AND OPTION VALUES FOR 2002

The following table sets forth information with respect to exercisable and unexercisable options held by the Chief Executive Officer and other Named Executive Officers for the year ended December 31, 2002. For years prior to 2001, the options were granted to the Named Executive Officers (except Mr. Adamo) under the Medical Assurance Incentive Compensation Stock Plan and were converted into options to acquire ProAssurance common stock under the Consolidation Agreement. Options granted to Mr. Adamo prior to 2001 were granted under Professionals Group's 1996 Long Term Stock Incentive Plan and were converted into options to acquire ProAssurance common stock under the

STOCK PURCHASE PLAN

At its meeting in December 2001, the Board of Directors of ProAssurance amended and restated the Medical Assurance, Inc. Thrift Plan to reflect the assumption and amendment of the plan by ProAssurance under the name of the ProAssurance Corporation Stock Ownership Plan (the "Stock Purchase Plan"). Effective January 1, 2002, each employee and director of ProAssurance and its wholly-owned subsidiaries who has completed six months of service became eligible to participate in the Stock Purchase Plan at his or her election. ProAssurance loans participating employees an amount equal to 100% of the first \$2,000 deposited by the participating employee under the Stock Purchase Plan and 50% of the next \$8,000 deposited by the participating employee during a calendar

Edgar Filing: PROASSURANCE CORP - Form DEF 14A

year. The deposits and loan proceeds are used to purchase ProAssurance common stock in the open market for the account of the employees participating in the Stock Purchase Plan. The shares purchased and any dividends paid thereon are pledged as security for the loans to the participating employees who are entitled to vote the shares. Each loan is forgiven and the shares purchased with the deposits and loan proceeds are released after three years if the employee remains employed with ProAssurance. For periods prior to January 1, 2002, Medical Assurance loaned \$.35 for each \$.65 deposited by a participating employee under the Medical Assurance Thrift Plan, and the loan was forgiven if the employee remained employed with Medical Assurance or a subsidiary for four years.

9

ProAssurance ceased making loans to its executive officers and directors under the Stock Purchase Plan on the effective date of the Sarbanes-Oxley Act of 2002, July 30, 2002. Effective December 1, 2002, the Stock Purchase Plan was amended to provide for grants to employees rather than loans from ProAssurance. Matching grants are made to participants in same ratio that the matching loans were made under the plan prior to the amendment. The proceeds from the grants are used to purchase shares of ProAssurance common stock in the public market. The shares so purchased are held for the account of each participant, but do not vest until the first to occur of the following: (i) the participant remains in the employ of ProAssurance or a subsidiary for three years; (ii) the participant terminates such employment by reason of his or her disability, death or retirement; or (iii) a "change of control" of ProAssurance occurs. All unvested shares are forfeited when the participant terminates his or her employment.

Like the loans, the grants are matched against cash contributions made to the plan by participant or against shares of ProAssurance common stock deposited with the Stock Purchase Plan by a participant. The participant owns the shares purchased with his or her cash contributions and/or deposited with the plan. If the participant withdraws his or her owned shares from the plan, all unvested shares are forfeited.

EMPLOYMENT AGREEMENT

Dr. Crowe's employment agreement with Medical Assurance was automatically renewed for a three year term that will expire on December 31, 2005. The employment agreement provides for an annual salary to be established by the Board of Directors each year. Medical Assurance may terminate the employment agreement only for "good cause," as defined in the employment agreement. If Medical Assurance terminates Dr. Crowe's employment agreement other than for "good cause," Medical Assurance is obligated to pay to Dr. Crowe monthly payments each equal to one-twelfth of Dr. Crowe's salary for the remainder of the term of his employment agreement. If the Board of Directors selects someone other than Dr. Crowe as Chief Executive Officer of Medical Assurance or substantially changes Dr. Crowe's duties without his consent or agreement, except for "good cause," Medical Assurance is obligated to pay to Dr. Crowe eight monthly payments each equal to one-twelfth of Dr. Crowe's salary. The employment agreement automatically renews for three years unless the Board or Dr. Crowe elects not to renew the employment agreement.

SEVERANCE AGREEMENTS

ProAssurance has entered into a Release and Severance Compensation Agreement ("Severance Agreement") with the Named Executive Officers (other than Dr. Crowe and Mr. Butrus) and several other key executives of ProAssurance and its subsidiaries. The Severance Agreement provides the executive severance compensation in the event that the executive is terminated without cause, or voluntarily resigns for "good reason." The severance compensation includes an

Edgar Filing: PROASSURANCE CORP - Form DEF 14A

amount equal to the executive's annual base salary; an amount equal to the executive's average annual incentive award (generally calculated as the average of the prior three years); continuation of health care benefits for 12 months; and outplacement services. The executive may assert good reason in certain enumerated circumstances including demotion, relocation, a reduction in base salary, or the failure of any successor of ProAssurance to assume the Severance Agreement.

The terms of the Severance Agreement with Victor T. Adamo are similar in format, but more expansive than those described above. His severance benefits are established at two times base salary and average bonus, and include health care benefits for 18 months. Mr. Adamo may voluntarily and unilaterally terminate his employment and receive severance benefits until the later of June 27, 2005 or two years after a successor to Dr. Crowe is selected.

RELATED TRANSACTIONS

On January 29, 2003, MEEMIC Holdings completed the purchase of the shares of its common stock held by its minority shareholders at a price of \$29.00 per share by means of a cash tender offer followed by a cash merger. ProAssurance beneficially owned 84% of the outstanding stock of MEEMIC Holdings through its subsidiary ProNational Insurance Company immediately preceding the completion of the transaction. The transaction was approved by a committee of independent directors of MEEMIC Holdings not affiliated with

10

ProAssurance and was subject to the satisfaction of several conditions, including, without limitation, approval by the stockholders other than ProAssurance and its affiliates, receipt of a fairness opinion from an independent financial advisor, receipt of regulatory approvals, and no indication from the rating agencies that the transaction will result in a current reduction of the current ratings of MEEMIC Insurance Company.

The merger agreement required MEEMIC Holdings to make a cash tender offer for all of its shares not held by ProNational at a price of \$29.00. Upon completion of the tender offer, the merger agreement provided that MEEMIC Holdings would be merged into a wholly owned subsidiary of ProNational and continue as a wholly owned subsidiary of ProNational; shares of its common stock held by persons other than ProNational and not surrendered in the tender offer would be converted into cash at the rate of \$29.00 per share; and each holder of an outstanding option to acquire MEEMIC Holdings common stock would be entitled to receive in settlement of such option cash in an amount equal to the difference between \$29.00 and the exercise price per share. In accordance with the terms of the tender offer and the merger, Mr. Adamo, a director and Vice Chairman and President of ProAssurance, surrendered 18,188 shares of MEEMIC Holdings common stock for \$527,452 and Ms. Putallaz, a director of ProAssurance, surrendered 500 shares for \$14,500. Additionally, Lynn Kalinowski, President and a director of MEEMIC Holdings, surrendered 9,660 shares and 20,000 options for a total of \$660,140, and William P. Sabados, Vice President of ProAssurance, surrendered 8,960 shares and 20,000 options for a total of \$639,840. Shares of MEEMIC Holdings common stock were publicly traded in the NASDAQ national market (NASDAQ Symbol: MEMH) prior to completion of the transaction and were delisted upon its completion.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors of ProAssurance adopts compensation policies and practices for the Board of Directors. The Compensation Committee, which is comprised entirely of independent directors, establishes all elements of compensation for the Chief Executive Officer and, in conjunction

Edgar Filing: PROASSURANCE CORP - Form DEF 14A

with the Chief Executive Officer, establishes the elements of compensation for other senior officers of ProAssurance. The Compensation Committee administers the ProAssurance Corporation Incentive Compensation Stock Plan that is available to provide incentive awards to selected executives and employees of ProAssurance and its subsidiaries.

The executive compensation policy of ProAssurance is to offer competitive compensation in comparison to market practices to attract and retain individuals and to reward individuals based on performance. There are three components of executive compensation:

- Base salary compensation
- Annual incentive compensation
- Long term incentive compensation.

Historically, ProAssurance and its predecessor companies have established salaries at a level intended to reflect on executive's level of responsibilities in comparison to compensation survey data for other property/casualty insurance companies and publicly traded insurance groups of similar size and product lines. The annual and long term incentive compensation awards have been made to executives based on performance that the Committee believes will increase the value of ProAssurance. The Compensation Committee intends to follow these practices.

THE COMPENSATION COMMITTEE'S REPORT ON EXECUTIVE COMPENSATION FOLLOWS:

The officers of ProAssurance and its subsidiaries, including the Chief Executive Officer, are compensated through a combination of salary and incentive compensation. The primary purposes of ProAssurance's compensation program is to attract and retain qualified individuals and to motivate and reward individuals

11

based on performance. Salary and annual incentive compensation are focused on both current and long-term performance. Options awarded under ProAssurance's Incentive Compensation Stock Plan are provided to reward senior executives for taking action that contributes to ProAssurance's long-term growth and success, and to link the interests of the senior executives to those of ProAssurance's stockholders. We believe that making portions of executive compensation subject to short-term and long-term corporate interests will provide an incentive for increasing stockholder value over the long term and will more closely align the interest of senior executives with those of stockholders.

It is our goal to establish salaries that are competitive in comparison to market practices and reflect a senior executive's scope of responsibilities, level of experience, individual performance and contribution to the business. In establishing salaries, we review executive compensation survey data for property/casualty insurance companies and publicly traded insurance groups of similar size and product lines. We also consider, among other factors, job responsibilities and job performance, education, training and market opportunities.

We award annual incentive compensation to the senior executives based upon our assessment of ProAssurance's performance against:

- certain established corporate goals under the organization's strategic plans,
- the market performance of ProAssurance common stock as compared with an

Edgar Filing: PROASSURANCE CORP - Form DEF 14A

insurance industry benchmark index, and

- the contribution made by each senior executive to ProAssurance's current and future performance.

We encourage stock ownership by senior executives. In prior years and in 2002 annual incentive awards have been paid partly in common stock as grants of stock under the Incentive Compensation Stock Plan. In addition, options to purchase shares of common stock were awarded under the Incentive Compensation Stock Plan.

ProAssurance's executive officers are also eligible to participate in compensation and benefit programs generally available to other employees, such as the stock ownership plan, the pension and 401(k) plans, healthcare and supplemental life, and disability insurance programs.

For 2002, ProAssurance's chief executive officer was A. Derrill Crowe, M.D., Chairman and Chief Executive Officer. The Summary Compensation Table shows the amounts and type of compensation paid to Dr. Crowe for 2002. Dr. Crowe's base salary was determined using survey data of peer executives after giving consideration to the success of Dr. Crowe's leadership at ProAssurance. For 2002, Dr. Crowe was awarded an annual incentive award as a result of the Committee's evaluation of Dr. Crowe's strategic leadership of ProAssurance and the achievement of corporate goals under the organization's strategic plan. Evidence of Dr. Crowe's leadership can be found in: ProAssurance's financial progress during 2002 including an increase in book value and revenues; excellent claims-paying-ability ratings; the successful follow-on offering of common stock; the successful tender offer for the minority shares in MEEMIC Holdings; and the continuing emergence of ProAssurance as an industry leader. We also examined the performance of ProAssurance common stock that was substantially better than the performance of that of the property and casualty insurance industry as a whole. The key judgment we made in determining Dr. Crowe's 2002 compensation was our assessment of his ability and dedication to enhancing the long-term value of ProAssurance for its stockholders by continuing to provide the leadership and vision that he has provided throughout his tenure at ProAssurance and its predecessor. For these reasons, we deem Dr. Crowe's compensation package to be appropriate.

STOCK PERFORMANCE GRAPH

The following graphs are included to assess the performance of management by comparing the market value of ProAssurance common stock with other public companies and public companies in the insurance industry. Upon consummation of the consolidation on June 27, 2001, each outstanding share of Medical Assurance common stock was converted into a share of ProAssurance common stock; the Medical Assurance common stock was delisted on the New York Stock Exchange; and the ProAssurance common stock began trading on the New York Stock Exchange on the next business day. The consolidation of Medical Assurance into ProAssurance was treated as a corporate reorganization similar to a pooling of interests for accounting purposes and was treated as a corporate name change from Medical Assurance to ProAssurance for listing purposes on the New York Stock Exchange. Accordingly the Stock Performance Graph tracks the market value of a share of Medical Assurance common stock for periods prior to June 27, 2001.

The graph sets forth the cumulative total stockholder return (assuming reinvestment of dividends) to stockholders during the five years ended December 31, 2002, as well as an overall stock market index (Russell 2000) and a peer group index (SNL Property & Casualty) for the five years ended December 31, 2002.

As set forth in the Audit Committee's Charter, the management of ProAssurance is responsible for the preparation, presentation and integrity of ProAssurance's financial statements, ProAssurance's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent accountants are responsible for auditing ProAssurance's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

The Committee has discussed with Ernst & Young LLP, ProAssurance's independent auditors, the matters required to be discussed by Statement of Accounting Standards 61 (Communications with Audit Committee). SAS 61, as amended, requires the independent auditors to provide ProAssurance with additional information regarding the scope and results of their audit of ProAssurance's financial statements, including (i) their responsibility under generally accepted auditing standards, (ii) significant accounting policies, including a discussion of their quality, not just their acceptability, (iii) management judgments and estimates, (iv) any significant audit adjustments, (v) any disagreements with management, and (vi) any difficulties encountered in performing the audit.

The Committee has received from Ernst & Young LLP a letter providing the disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) with respect to any relationships between Ernst & Young LLP and ProAssurance that in their professional judgment may reasonably be thought to bear on independence. Ernst & Young LLP has discussed its independence with the Committee, and has confirmed in such letter that, in its professional judgment, it is independent of ProAssurance within the meaning of the federal securities laws. The Committee has considered whether the non-audit services rendered by ProAssurance's

Edgar Filing: PROASSURANCE CORP - Form DEF 14A

independent auditors during ProAssurance's most recent fiscal year are compatible with maintaining the independence of such auditors and determined that such services are compatible with maintaining such independent status.

Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Committee's considerations and discussions referred to above do not assure that the audit of ProAssurance's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that ProAssurance's auditors are in fact "independent."

17

Based on the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee recommended to the Board that the audited financial statements be included in ProAssurance's Annual Report on Form 10-K for the year ended December 31, 2002, before it was filed with the Securities and Exchange Commission. The Committee has not yet met to select ProAssurance's independent auditors for the fiscal year ending December 31, 2003.
