PROXY STATEMENT

**FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD
JUNE 4, 2004**

GENERAL

This proxy statement and the accompanying form of proxy are being furnished to the shareholders of Flowers Foods, Inc. on or about April 30, 2004 in connection with the solicitation of proxies by our Board of Directors for use at the Annual Meeting of Shareholders to be held on June 4, 2004 at 11:00 A.M. Eastern Time at the Thomasville Cultural Center, 600 East Washington Street, Thomasville, Georgia, and any adjournment or postponement of the meeting.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will:

vote to elect two nominees as directors of the company to serve for a term of three years;

consider and vote on the ratification of the appointment of PricewaterhouseCoopers LLP as the independent public accountants for Flowers Foods for the fiscal year ending January 1, 2005; and

transact any other business that may properly come before the meeting and any adjournment or postponement of the meeting.

In addition, management will report on the performance of the company and respond to questions from shareholders.

How does the Board of Directors recommend that I vote on each proposal?

The Board of Directors recommends that you vote **FOR**:

the election of the two director-nominees to serve as Class III directors until 2007; and

the ratification of the appointment of PricewaterhouseCoopers LLP as our independent public accountants for the fiscal year ending January 1, 2005.

What is a proxy?

A proxy is your legal designation of another person to vote the shares of Flowers Foods common stock you own as of the record date for the Annual Meeting. If you appoint someone as your proxy in a written document, that document is also called a proxy or a proxy card. We have designated three of our executive officers as proxies for the 2004 Annual Meeting of Shareholders. These three officers are George E. Deese, our President and Chief Executive Officer, Jimmy M. Woodward, our Senior Vice President and Chief Financial Officer and Stephen R. Avera, our Secretary and General Counsel.

Who can vote?

Edgar Filing: FLOWERS FOODS INC - Form DEF 14A

To be eligible to vote, you must have been a shareholder of record of the company's common stock at the close of business on April 16, 2004, which is the record date for the Annual Meeting. There were 44,174,877 shares of our common stock outstanding and entitled to vote on the record date.

Table of Contents

How many votes do I have?

With respect to each matter to be voted upon at the Annual Meeting, you are entitled to one vote for each share of common stock you held on the record date for the Annual Meeting. For example, if you owned 100 shares of our common stock on the record date, you would be entitled to 100 votes for each matter to be voted upon at the Annual Meeting.

How do I vote?

You can vote in one of four ways. You can vote by mail, via the Internet, by telephone or you can vote in person at the Annual Meeting. By executing and returning your proxy (either by returning the proxy card or by submitting your proxy electronically via the Internet or by telephone), you appoint George E. Deese, Jimmy M. Woodward and Stephen R. Avera to represent you at the Annual Meeting and to vote your shares at the Annual Meeting in accordance with your voting instructions.

Voting by Mail. You may vote by completing and signing the proxy card that accompanies this proxy statement and promptly mailing it in the enclosed postage-paid envelope. The envelope does not require additional postage if you mail it in the United States.

Internet Voting. If you have Internet access, you may authorize the voting of your shares from any location in the world by following the Vote by Internet instructions set forth on the enclosed proxy card.

Telephone Voting. You may authorize the voting of your shares by following the Vote by Telephone instructions set forth on the enclosed proxy card.

Vote at the Meeting. If you attend the Annual Meeting, you may vote by delivering your completed proxy card in person or you may vote by completing a ballot. Ballots will be available at the Annual Meeting.

The Internet and telephone voting procedures are designed to authenticate shareholder identities, to allow shareholders to give voting instructions and to confirm that shareholders instructions have been recorded properly. Any shareholder voting by Internet should understand that there may be costs associated with electronic access, like usage charges from Internet access and telephone or cable service providers, that must be borne by the shareholder.

What if I do not give any instructions on a particular matter described in this proxy statement when voting by mail?

Shareholders should specify their choice for each matter on the enclosed proxy card. If no specific instructions are given, proxies which are signed and returned will be voted FOR the election of all director-nominees and FOR the proposal to ratify the appointment of PricewaterhouseCoopers LLP.

Can I change my vote after I have mailed my proxy card or after I have authorized the voting of my shares over the Internet or by telephone?

Yes. You can change your vote and revoke your proxy at any time before the polls close at the Annual Meeting by doing any one of the following things:

Signing another proxy with a later date;

Giving our corporate secretary a written notice before or at the meeting that you want to revoke your proxy; or

Voting in person at the Annual Meeting.

Your attendance at the meeting alone will not revoke your proxy.

Table of Contents

How do I vote my 401(k) shares?

If you participate in the Flowers Foods, Inc. 401(k) Retirement Savings Plan, by signing and returning your proxy you will direct Putnam Fiduciary Trust Company, the Trustee of the 401(k) plan, how to vote the Flowers Foods, Inc. common shares allocated to your Stock Account. Any unvoted or unallocated shares will be voted by the Trustee in the same proportion on each proposal as the Trustee votes the shares of stock credited to the 401(k) plan participants' accounts for which the Trustee receives voting directions from the 401(k) plan participants. The number of shares you are eligible to vote is based on your balance in the 401(k) plan on the record date for the Annual Meeting.

Can I vote if my shares are held in street name?

If your shares are held in street name through a broker, bank or other holder of record, you will receive instructions from the registered holder that you must follow in order for your shares to be voted for you by that record holder. Telephone and Internet voting is also offered to shareholders who own their Flowers Foods shares through certain banks and brokers.

What constitutes a quorum?

The holders of at least a majority of the shares of our common stock entitled to vote at the Annual Meeting are required to be present at the meeting in person or by proxy to constitute a quorum for the transaction of business.

Abstentions and broker non-votes will be counted as present in determining whether the quorum requirement is satisfied. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal pursuant to discretionary authority or instructions from the beneficial owner, but does not vote on another proposal because the nominee has not received instruction from the beneficial owner and does not have discretionary power. The aggregate number of votes cast by all shareholders present in person or represented by proxy at the meeting, whether those shareholders vote for or against the proposals, will be counted for purposes of determining the minimum number of affirmative votes required for approval of the proposals, and the total number of votes cast for each of these proposals will be counted for purposes of determining whether sufficient affirmative votes have been cast. Abstentions and non-votes will have no effect on the voting with respect to any of the proposals.

What vote is required for each matter to be voted upon at the Annual Meeting?

Once a quorum has been established, the vote of the holders of a majority of the shares of our common stock present at the meeting in person or by proxy will decide the action proposed on each matter identified in this proxy statement, except the election of directors. Directors will be elected at the meeting by a plurality of the votes cast by holders of shares of our common stock entitled to vote in the election. In other words, the two director-nominees receiving the highest number of votes cast at the Annual Meeting will be elected, regardless of whether that number represents a majority of the votes cast.

Will any other business be conducted at the Annual Meeting or will other matters be voted on?

Our Board of Directors does not know of any other business to be brought before the meeting, but if any other business is properly brought before the meeting, the persons named as proxies, Messrs. Deese, Woodward and Avera, will exercise their judgment in deciding how to vote or otherwise act at the Annual Meeting with respect to that matter or proposal.

Where can I find the voting results from the Annual Meeting?

We will report the voting results in our quarterly report on Form 10-Q for the second quarter of fiscal 2004, which we expect to file with the Securities and Exchange Commission (SEC) on or about August 26, 2004.

Table of Contents

How and when may I submit a shareholder proposal for the 2005 Annual Meeting?

For information on how and when you may submit a shareholder proposal for the 2005 Annual Meeting, please refer to the section entitled Shareholder Proposals in this proxy statement.

Who pays the costs of soliciting these proxies?

We will pay the cost of soliciting proxies. Our directors and officers may solicit proxies in person, by telephone or facsimile but will not receive additional compensation for these services. Brokerage houses, nominees, custodians and fiduciaries will be requested to forward soliciting material to beneficial owners of stock held of record by them, and we will reimburse those persons for their reasonable expenses in doing so.

How can I obtain an Annual Report on Form 10-K?

A copy of Flowers Foods Annual Report, which includes our Form 10-K and our financial statements for the fiscal year ended January 3, 2003, is being mailed with this proxy statement to all shareholders entitled to vote at the meeting. The Annual Report does not form any part of the material for the solicitation of proxies.

We have included the website address for reference only. The information contained on our website is not incorporated by reference into this proxy statement and does not form any part of the materials used for the solicitation of proxies.

Who should I contact if I have any questions?

If you have any questions about the Annual Meeting or your ownership of our common stock, please contact Marta J. Turner, our Vice President of Communications and Investor Relations, at the above address or by calling (229) 226-9110.

Section 16(a) Beneficial Ownership Reporting Compliance

Other than as set forth below, based solely upon a review of our records and written representations by the persons required to file these reports, all stock transaction reports required to be filed by Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act) with the SEC were timely filed in fiscal 2003 by directors and executive officers.

On February 3, 2003, George E. Deese, then the President and Chief Operating Officer of our Flowers Bakeries division purchased 5,500 shares on the open market. Due to an administrative error, the Form 4 reporting this transaction was not filed until February 6, 2003.

On February 3, 2003, February 13, 2003 and February 19, 2003, Langdon S. Flowers, a director of the company, executed several transactions in our common stock. Due to administrative error, a late Form 4 was filed reporting the transactions on February 20, 2003, and an amended Form 4 was filed on March 6, 2003.

On July 16, 2003, the compensation committee of our Board of Directors granted nonqualified stock options to the following executive officers of the company pursuant to the terms of our 2001 Equity Performance Incentive Plan: George E. Deese, Jimmy M. Woodward, Stephen R. Avera, Gene D. Lord, Allen L. Shiver, Michael A. Beaty and Marta J. Turner. The Form 4 for each of these grants was not filed until September 19, 2003 because the total number of shares underlying each option grant was not determined until that time.

CORPORATE GOVERNANCE

General

Flowers Foods has long believed that good corporate governance is essential to ensure that our company is effectively managed for the long-term benefit of our shareholders. During the last year, we have thoroughly reviewed our corporate governance policies and practices and compared them with those recommended by corporate governance advisors and the practices of other publicly-held companies. Furthermore, we have continued to monitor the evolution of the Sarbanes-Oxley Act of 2002, the new and proposed rules of the SEC and the new listing standards adopted by the New York Stock Exchange.

Based upon this review, in December 2003 our Board of Directors adopted the following corporate governance documents:

Corporate Governance Guidelines

Restated Audit Committee Charter

Compensation Committee Charter

Table of Contents

Nominating/ Corporate Governance Committee Charter

Finance Committee Charter

Code of Business Ethics for Executive Officers and Directors.

You can access the full text of all these corporate governance documents on our website at www.flowersfoods.com by clicking on the Investor Center tab and selecting Corporate Governance or by writing to Flowers Foods, Inc., 1919 Flowers Circle, Thomasville, Georgia 31757, Attn: Investor Relations Dept. In addition, the Audit Committee Charter is included with this proxy statement as Annex A.

Determination of Independence

In December 2003, the Board of Directors adopted Corporate Governance Guidelines addressing, among other things, guidelines to assist the board in determining the independence of the company's directors. The Corporate Governance Guidelines meet the new listing standards of the New York Stock Exchange adopted in 2003 (the NYSE Rules). As noted above, you can access our Corporate Governance Guidelines on our website.

Pursuant to the Corporate Governance Guidelines, the nominating/corporate governance committee and the Board of Directors reviewed the independence of each director in December 2003. During this review, transactions and relationships among each director or any member of his or her immediate family and the company were considered, including, among others, all commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships and those reported in this proxy statement under Transactions with Management and Others. In addition, transactions and relationships among directors or their affiliates and members of senior management and their affiliates were examined. The purpose of this review was to determine whether each director met the applicable criteria for independence under the NYSE Rules and the Corporate Governance Guidelines. Only those directors who meet the applicable criteria for independence and who the Board of Directors affirmatively determines have no direct or indirect material relationship with the company will be considered independent directors.

As a result of this review, and upon the recommendation of the nominating/corporate governance committee, the Board of Directors affirmatively determined that effective June 4, 2004, the date of the Annual Meeting of Shareholders, a majority of our directors are independent of the company and its management as required by the NYSE Rules and the Corporate Governance Guidelines. The six independent directors are Messrs. Burke, Beverly, Lanier, Shields and Wood and Ms. Ward. Certain members of the Board of Directors abstained from voting as follows: (i) Messrs. Crozer, Shields and Wood as to themselves and one another and (ii) Messrs. Beverly, Burke and Lanier as to themselves. Mr. McMullian is considered an inside director because of the proximity of his past employment as an executive officer of the company. Mr. Deese, a director-nominee, is considered an inside director because he is currently an executive officer of the company. Mr. Crozer and Mr. Flowers will retire as directors of the company effective June 4, 2004.

The foregoing discussion of director independence is applicable only to service as a member of the Board of Directors, the compensation committee and the nominating/corporate governance committee. More rigid guidelines apply to the members of the audit committee under applicable law and NYSE Rules.

Presiding Director

Pursuant to the Corporate Governance Guidelines, in December 2003, the Board of Directors created a new position of presiding director, whose primary responsibility is to preside over periodic executive sessions of the Board of Directors in which management directors and other members of management do not participate. At each such executive session, a presiding director will be appointed. The Board of Directors has appointed Joseph L. Lanier, Jr. as presiding director through the date of the 2004 Annual Meeting of Shareholders.

Table of Contents

Shareholder Communication with Directors

The Board of Directors will give appropriate attention to written communications on issues that are submitted by shareholders and will respond if and as appropriate. Shareholders interested in communicating directly with the Board of Directors as a group or any individual director may do so by writing to Presiding Director, Flowers Foods Inc., 1919 Flowers Circle, Thomasville, GA 31757. Absent circumstances contemplated by committee charters, the presiding director, with the assistance of our Secretary and General Counsel will monitor and review all shareholder correspondence and provide copies or summaries of such communications to other directors as they deem appropriate, depending on the facts and circumstances contained in the communication.

Committees of the Board of Directors

Our Board of Directors has established several standing committees, which include an audit committee, a nominating/corporate governance committee, a compensation committee and a finance committee. The first member of each committee listed below serves as chairman of that committee.

Audit Committee

The members of the audit committee are Franklin L. Burke, Joe E. Beverly and Jackie M. Ward. The board has determined that all audit committee members are independent as defined by the NYSE Rules and under SEC rules and regulations. The Board of Directors has also determined that Mr. Burke, the chairman of the audit committee, is an audit committee financial expert under Item 401(h) of Regulation S-K of the Securities Act of 1933, as amended (the Securities Act). This committee held nine meetings in fiscal 2003.

The charter of the audit committee, adopted in December 2003, specifies the purpose of the committee is to assist the Board of Directors in fulfilling the Board's oversight responsibilities with respect to:

- the integrity of the company's financial statements;
- the company's compliance with legal and regulatory requirements;
- the independent auditors' qualifications and independence; and
- the performance of the company's internal audit function and independent auditors.

Selection of Director-Nominees

The nominating/corporate governance committee identifies and considers director candidates recommended by its members and other board members, as well as management and shareholders. A shareholder who wishes to recommend a prospective director-nominee for the committee's consideration should submit the candidate's name and qualifications to Flowers Foods, Inc., 1919 Flowers Circle, Thomasville, Georgia 31757, Attention: Secretary and General Counsel. The nominating/corporate governance committee will also consider whether to recommend for nomination any person identified by a shareholder pursuant to the provisions of our amended and restated bylaws relating to shareholder nominations. Recommendations by shareholders that are made in accordance with these procedures will receive the same consideration given to nominees of the nominating/corporate governance committee.

The nominating/corporate governance committee believes that any director-nominee must meet the director qualification criteria set forth in our Corporate Governance Guidelines before it could recommend such director-nominee for election to the Board of Directors. These factors include:

integrity and demonstrated high ethical standards;

the ability to express opinions, raise tough questions and make informed, independent judgments;

experience managing or operating public companies;

knowledge, experience and skills in at least one specialty area;

Directors' Fees

Each non-employee director receives an option to purchase 22,500 shares of our common stock upon that director's initial election to our Board of Directors. Additionally, each non-employee director receives payments pursuant to a standard arrangement. For fiscal 2003, these directors received: (i) a retainer of \$2,500 per month; (ii) \$1,500 for each meeting of the Board of Directors or committee of the Board of Directors attended, with the chairmen of the audit and compensation committees receiving an annual retainer of \$15,000 and \$10,000, respectively, and the chairmen of all other committees receiving an annual retainer of \$5,000; and (iii) reimbursement for travel expenses. In addition to the above-described fees and retainers, in fiscal 2004, Mr. McMullian will receive a fee of \$100,000 for his services as the non-executive Chairman of the Board of Directors.

Non-employee directors are eligible to participate in our 2001 Equity and Performance Incentive Plan (the "EPIP"), our Stock Appreciation Rights Plan (the "SAR Plan") and our Executive Deferred Compensation Plan (the "EDCP"). Under the EPIP non-employee directors received non-qualified stock options as described above. Options vest one-year from the date of grant and the non-employee director has ten years to exercise these options. Under the SAR Plan, a non-employee director may elect to receive stock appreciation rights in lieu of cash payments for the retainers described above. Stock appreciation rights granted under the SAR Plan do not give the director an equity interest in the company. Stock appreciation rights vest one year from the date of issuance and the director has ten years to exercise these rights. The company is required to value stock appreciation rights at a required measurement date based on the difference in the fair market value of the company's common stock on such measurement date and the grant price. The difference in those prices is recorded as an expense to the company. Additionally, each stock appreciation right receives credit for any dividends paid on an equivalent number of shares of the company's common stock. Under the EDCP, non-employee directors may elect to defer all or any portion of their annual retainer and meeting fees. All deferrals earn interest until paid to the director. Generally, the deferral plus interest is paid to the director upon retirement or termination from the Board of Directors.

Table of Contents**Retirement Plan**

We adopted the Flowers Foods, Inc. Retirement Plan No. 1, referred to as the retirement plan, which provides a defined benefit pension upon retirement to eligible employees of participating subsidiaries (but not to employees of Flowers Foods) that is based upon each year of service with the participating subsidiary. Additionally, the retirement plan provides a defined benefit pension upon retirement to eligible employees (including employees of non-participating subsidiaries and of Flowers Foods) who were participants under the Flowers Industries, Inc. Retirement Plan No. 1 prior to the spin-off from Flowers Industries, Inc. that is based upon each year of service with Flowers Industries, Inc. and/or certain of its subsidiaries. The pension benefit is the sum of annual credits earned during eligible employment. The basic annual credit is 1.35% of the first \$10,000 of W-2 earnings (subject to certain exclusions) for each year of service and 2% of W-2 earnings (subject to certain exclusions) in excess of \$10,000 for each year of service. Certain additional annual credits are provided for a limited group of participants in the retirement plan. The table below includes the estimated amounts that are payable to the individuals indicated upon their retirement at age 65 under the provisions of the retirement plan, assuming that payment is made in the form of a life annuity. Effective as of the date of our spin-off from Flowers Industries, Inc., Messrs. McMullian, Deese and Woodward had accrued a fixed benefit under the retirement plan as set forth in the table below and will not earn additional benefits under the retirement plan for years of service with Flowers Foods and/or non-participating subsidiaries. Effective as of December 30, 2001, Mr. Avera had accrued a fixed benefit under the retirement plan as set forth in the table below and will not earn additional benefits under the retirement plan for years of service with Flowers Foods. Effective as of July 14, 2002, Mr. Shiver had accrued a fixed benefit under the retirement plan as set forth in the table below, and will not earn additional benefits under the retirement plan for years of service with non-participating subsidiaries. Because of his employment by a participating subsidiary of the company, Mr. Lord will continue to earn additional benefits under the retirement plan.

Supplemental Executive Retirement Plan

Our supplemental executive retirement plan, referred to as the SERP, provides a supplemental retirement income benefit for any executive who is a participant in the retirement plan, if his retirement plan benefit is subject to restrictions that apply to tax-qualified plans. The supplemental benefit is equal to (i) the benefit he would have received according to the retirement plan formula if he had not been subject to limitations on maximum benefits or pensionable compensation received from tax-qualified plans and if certain amounts of compensation that he elected to defer under non-qualified deferred compensation programs were taken into account as pensionable compensation, minus (ii) the amount he will receive from the retirement plan, as adjusted for these limits, and minus (iii) the amount of the monthly accrued benefit under the Flowers Industries, Inc. Supplemental Executive Retirement Plan as of March 26, 2001, which was paid out in the form of a lump sum in connection with the termination of that plan. The SERP is not tax-qualified. The purpose of the plan is to ensure that each participating executive's total retirement income benefits will equal the amounts that would have been payable to him under the retirement plan absent the limitations described above. Payments pursuant to this plan will be calculated in the form of a life only annuity, and the actuarial equivalent thereof will be paid in the form which the participating executive has elected for purposes of the retirement plan. Payments will be made from Flowers Foods' general assets. Payments generally will be made at the same time as the participant's distributions from the retirement plan, except in the event of a change in control of Flowers Foods, in which event the actuarial equivalent of anticipated payments will be paid

Table of Contents

immediately in a lump sum. Accruals under this plan during fiscal 2003 amounted to \$127,361, and there were no distributions from the plan during fiscal 2003.

Executive Deferred Compensation Plan

Our Executive Deferred Compensation Plan, referred to as the EDCP, allows certain members of management to defer the receipt of a percentage of their salary and bonus. The EDCP is not a tax-qualified plan. The purpose of the EDCP is to provide a benefit to certain members of management whose contributions to the company's defined contribution plan, a tax qualified plan, are limited by statutory restrictions. The participants' deferrals are credited to an account established for the participant and earn interest until paid. Additionally, the company makes contributions to the plan on behalf of the participant, which also earn interest until paid. Interest earned on deferrals and company contributions to the plan are based on the Merrill Lynch U.S. Corp., BBB- rated, Fifteen plus Year Bond Index plus 150 basis points. Generally, the deferrals and company contributions plus interest are paid to the participant upon termination of employment. Contributions to the EDCP, made by the company on behalf of the executives and included in the all other compensation column of the executive compensation table above, amounted to \$97,961 in fiscal 2003. There were no distributions from the plan during fiscal 2003.

Report on Executive Compensation

Our executive compensation program is administered by the compensation committee of our Board of Directors, which is comprised of three independent, non-employee directors. Our compensation committee met four times during fiscal 2003 to evaluate the executive compensation program to assure that it is reasonable, equitable and competitive. The compensation committee considers the recommendations of independent compensation specialists in evaluating compensation levels, plan design and administration.

Compensation Philosophy

Our compensation committee administers each aspect of our executive compensation program in a manner that emphasizes our primary long-term goals, which are the creation of consistent earnings growth and the enhancement of shareholder value in our common stock. The compensation committee considers these goals to be attainable by maintaining continuity within an experienced, professional and technically proficient executive group. Accordingly, our compensation program is designed (a) to be competitive with other similarly situated companies, (b) to be equitable by offering a reasonable level of base compensation and (c) to align the interests of the executives with those of the shareholders. The primary compensation arrangements, tailored to fulfill this philosophy and utilized by the compensation committee in various combinations, are as follows:

Base Salary

Each year, the compensation committee reviews the contribution made to Flowers Foods' performance by each senior executive and approves the executive's base salary. The base salary represents Flowers Foods' ongoing compensation commitment and forms the foundation for the executive compensation program. The compensation committee ensures that a competitive base salary is maintained for each executive by periodically reviewing the results of independent national survey data for comparable positions in companies with a dollar sales volume similar to Flowers Foods.

Bonus Plan

Flowers Foods' Annual Executive Bonus Plan provides for an annual incentive bonus, expressed as a percentage of base salary that varies according to the executive's position with the company. A bonus is awarded upon Flowers Foods' attainment of a specified earnings goal. In addition, the bonus plan is designed to provide an executive with an increased bonus, limited to the lesser of \$1,500,000 or an amount equal to one and one-half the bonus percentage established for the executive's position multiplied by the executive's base salary, if actual earnings significantly exceed the goal. Correspondingly, the bonus plan is designed to provide

Table of Contents

an executive a lesser bonus if actual earnings fall below the goal, and no bonus at all if actual earnings fall below eighty percent of the goal. This mechanism provides motivation for our executives to continue to strive for improved earnings in any given year, regardless of the fact that the goal may, or may not, be obtained.

Stock Incentive Plan

In keeping with the compensation committee's philosophy that the element of shareholder risk is an essential compensation tool, stock based incentives comprise a significant portion of the compensation program for the individuals listed above in the Summary Compensation Table. The compensation committee believes that continuation of stock based incentives is fundamental to the enhancement of shareholder value.

The 2001 Equity and Performance Incentive Plan, referred to as the EPIP, is Flowers Foods' ongoing intermediate and long-term incentive plan. The EPIP provides the compensation committee with an opportunity to make a variety of stock based awards, while selecting the form that is most appropriate for Flowers Foods and the executive group. The awards described below contain elements that focus the executive's attention on one of Flowers Foods' primary goals, the enhancement of shareholder value.

During fiscal 2003, the compensation committee granted non-qualified stock options under the EPIP. These options are exercisable at any time, commencing on the fourth anniversary of the grant date, until the year 2013. Upon exercise, the executives are required to pay the fair market value of the shares, determined as of the grant date, which was \$21.02 per share (referred to below as the option price). The executives have no rights as shareholders with respect to the common shares subject to the options until payment of the option price. The options are subject to forfeiture in the event of termination of employment, other than for retirement, disability, death, termination without cause or termination for any reason that the compensation committee determines should not result in forfeiture.

Compensation of Chief Executive Officer

For fiscal 2003, Mr. McMullian received a base salary of \$687,981, which amount was determined by the compensation committee to be appropriate in consideration of Flowers Foods' performance, Mr. McMullian's leadership and contribution to that performance and market conditions. In accordance with the terms of our bonus plan, Mr. McMullian received a bonus of \$426,646 for fiscal 2003.

Effective January 3, 2004, Mr. McMullian retired from the position of Chief Executive Officer. Effective January 4, 2004, this position was filled by George E. Deese, the former President and Chief Operating Officer. Mr. McMullian will continue to serve as non-executive Chairman of the Board of Directors.

Deductibility of Compensation Expenses

Flowers Foods is not allowed a federal income tax deduction for compensation paid to certain executive officers in excess of \$1 million, except to the extent that such compensation constitutes performance-based compensation (as defined in Section 162(m) of the Code). Other than with respect to the restricted stock award to Mr. Deese in fiscal 2004, which does not qualify as performance-based compensation, the compensation committee believes that any awards under the Annual Executive Bonus Plan and the EPIP will result in performance-based compensation, and that Flowers Foods will not lose any federal income tax deduction for compensation paid under these compensation programs. The compensation committee will consider this deduction limitation during future deliberations and will continue to act in the best interests of Flowers Foods.

Table of Contents

Summary

The compensation committee believes that the base salary and the Annual Executive Bonus Plan provide an efficient and effective mechanism to reward the executive group for the daily leadership required to maximize Flowers Foods' current performance. Additionally, the stock based awards granted under the EPIP serve to align the long-term interests of the executives with those of the shareholders so that executive decisions are made as owners of Flowers Foods.

AUDIT COMMITTEE REPORT

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Flowers Foods filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent we specifically incorporate this Report by reference therein.

During fiscal 2003, at each meeting the audit committee met with the senior members of the company's management team, internal auditors and the company's independent auditors. At each of its regularly scheduled meetings, the audit committee conducted private sessions with the independent auditors and, separately with the director of internal audit, to discuss financial management, accounting and internal controls. The audit committee has reviewed and discussed with management and the company's independent auditors, PricewaterhouseCoopers LLP, the company's audited consolidated financial statements for the year ended January 3, 2004 and the company's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations, including a discussion of the quality of the accounting principles, the reasonableness of significant accounting judgments and estimates and the clarity of disclosures in the financial statements. The audit committee reviewed management's representations and reviewed certifications prepared by the Chief Executive Officer and Chief Financial Officer that the unaudited quarterly and audited consolidated financial statements of the company fairly present, in all material respects, the financial condition and results of operations of the company. Management advised the audit committee that the company's financial statements were prepared in accordance with generally accepted accounting principles, and reviewed significant accounting issues with the audit committee. These reviews included discussions with PricewaterhouseCoopers LLP of the matters required to be discussed pursuant to the Statement on Auditing Standards No. 61, Communication with Audit Committees, including the quality of the company's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The audit committee has also received the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with PricewaterhouseCoopers LLP matters relating to its independence from the company, including a review of audit and non-audit fees. The audit committee has also monitored the scope and adequacy of the company's internal auditing program and reviewed internal audit staffing levels.

In performing all of its functions, the audit committee acts in an oversight capacity on behalf of the Board of Directors. The audit committee reviews the company's earnings releases before issuance and its Quarterly Reports on Form 10-Q and Annual Report on Form 10-K prior to filing with the SEC. The audit committee relies on the representations of management, which has primary responsibility for the financial statements and reporting process, including the company's system for internal controls, and the independent auditors, who, in their report, express an opinion on the conformity of the company's annual financial statements to generally accepted accounting principles.

Based on its review and discussions, the audit committee recommended to our Board of Directors (and the Board of Directors has approved) that our audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended January 3, 2004. The audit committee and the Board of Directors also have appointed PricewaterhouseCoopers LLP as our independent public accountants for the fiscal year ending January 1, 2005, subject to ratification by the shareholders.

Audit related services principally include services related to the sale of Mrs. Smith's Bakeries' frozen dessert business and Sarbanes-Oxley compliance in 2003. The fees for 2002 related principally to due diligence services.

Tax Fees. Fees for tax services, including tax compliance, tax advice and tax planning, totaled approximately \$275,000 in 2003 and approximately \$877,000 in 2002.

All Other Fees. Fees for all other services not described above totaled approximately \$12,000 in 2003 and \$20,000 in 2002, principally including software licensing agreements in 2003 and services related to an information systems upgrade in 2002.

All non-audit services were reviewed by the audit committee, which concluded that the provision of such services by PricewaterhouseCoopers LLP was compatible with the maintenance of that firm's independence in the conduct of its auditing function. On an ongoing basis all audit and permissible non-audit services provided by PricewaterhouseCoopers LLP are pre-approved by the audit committee on a case-by-case basis.

Dear Plan Participant:

The purpose of this letter is to provide you with important information concerning your voting rights as a participant in the Flowers Foods, Inc. 401(k) Retirement Savings Plan.

The Annual Meeting of Shareholders of Flowers Foods, Inc. is scheduled for June 4, 2004. As a participant in the Flowers Foods, Inc. 401(k) Retirement Savings Plan, you have the right to direct Putnam Fiduciary Trust Company, the Trustee of the 401(k) plan, how to vote the Flowers Foods, Inc. common shares allocated to your Stock Account. Any unvoted or unallocated shares will be voted by the Trustee in the same proportion on each proposal as the Trustee votes the shares of stock credited to the 401(k) plan participants' accounts for which the Trustee receives voting directions from the 401(k) plan participants. The number of shares you are eligible to vote is based on your balance in the 401(k) plan on April 16, 2004, the record date for the determination of shareholders eligible to vote.

Your instructions to the Trustee are confidential and will be known only by Putnam Fiduciary Trust Company.

If, in addition to your 401(k) plan participation, you own stock directly in your own name or indirectly through a bank or broker, you will receive a separate proxy card and voting instruction form. Please be sure to return each proxy or voting instruction card in the postage-paid return envelope provided with each separate package.

We encourage you to exercise your voting rights under the 401(k) plan. Please review the enclosed documents carefully before deciding how to vote your shares. Because the shares in the 401(k) plan are registered in the name of Putnam Fiduciary Trust Company, as Trustee, you will not be able to vote your shares in the 401(k) plan in person at the Annual Meeting on June 4, 2004. Please return your voting instruction card, signed and dated, in the enclosed postage-paid envelope as soon as possible.

Sincerely,

Flowers Foods, Inc.
