On November 7, 2005, the Company's Board of Directors approved the adoption of the Oxford Industries, Inc. Deferred Compensation Plan, effective January 1, 2006. The terms of that Plan will supercede those of the Oxford Industries, Inc. Non-Qualified Deferred Compensation Plan adopted effective January 1, 2001, and the Viewpoint International, Inc. Employees eligible to participate in the Plan shall be those employees of the Company and its participating subsidiaries who are part of a select group of management or highly compensated employees, as determined by the committee appointed by the Board to administer the Plan. Each employee eligible to participate in the Plan may generally defer up to 50% of base salary and 100% of eligible bonus, unless otherwise determined by the committee administering the Plan. That committee may also permit participants to defer up to 50% of commissions.

Participants deferring compensation in excess of IRS limitations applicable to the Oxford Industries, Inc. Retirement Savings Plan shall receive a Company matching contribution in the Plan equal to (a) 100% of deferrals that do not exceed 3% of excess compensation and (b) 50% of deferrals that exceed 3% but do not exceed 5% of excess compensation. The Company may also make discretionary contributions to the Plan, subject to the prior approval of the Nominating, Compensation and Governance Committee of the Board.
