**Item 1.01. Entry into a Material Definitive Agreement.**

On June 6, 2006, Flowers Foods, Inc. ( Flowers ) further amended and restated its credit agreement with Bank of America N.A., Harris N.A. and Cooperatieve Centrale Raiffeisen-Boerenleen Bank, B.A., Rabobank International, New York Branch, as co-documentation agents, SunTrust Bank, as syndication agent, and Deutsche Bank AG, New York Branch, as administrative agent (the New Facility ). The New Facility is a 5-year, \$250 million unsecured revolving credit agreement that provides for lower rates on future borrowings than Flowers former credit facility. Flowers may request to increase its borrowings under the New Facility up to an aggregate of \$350 million upon the satisfaction of certain conditions. Proceeds from the New Facility may be used for working capital and general corporate purposes, including acquisition financing, refinancing of indebtedness and share repurchases. Interest is due quarterly in arrears on any outstanding borrowings at a customary Eurodollar rate or the Base Rate (higher of the prime lending rate or federal funds rate *plus* 50 basis points), plus the applicable margin. The applicable margin is based on Flowers leverage ratio (calculated in accordance with the New Facility) and ranges from 0.0% to 0.20% for Base Rate Loans and from 0.40% to 1.075% for Eurodollar Loans. In addition, a facility fee ranging from 0.10% to 0.30% is due quarterly on all commitments and is based on the company's leverage ratio.

The New Facility contains customary events of default and customary restrictive and financial covenants, including financial covenants regarding minimum interest coverage and maximum leverage ratios. The New Facility also includes standard provisions related to conditions of borrowing. Upon the occurrence of an Event of Default (as defined in the New Facility), all amounts outstanding under the New Facility, including principal, accrued interest, facility fees and other fees may be accelerated and become immediately due and payable.

Flowers has other relationships, including financial advisory and banking, with some parties to the New Facility.

As of June 5, 2006, there were outstanding borrowings of approximately \$35 million under Flowers former credit facility prior to the execution of the New Facility. The outstanding balance under the New Facility is approximately \$33.5 million as of the date this Report.
