Item 1.01 Entry into a Material Definitive Agreement

On December 19, 2008, as part of the U.S. Department of the Treasury (the Treasury) Troubled Asset Relief Program (TARP) Capital Purchase Program, Fidelity Southern Corporation (the Company) entered into a Letter Agreement (Letter Agreement) and a Securities Purchase Agreement Standard Terms attached thereto (Securities Purchase Agreement) with the Treasury, pursuant to which the Company agreed to issue and sell, and the Treasury agreed to purchase (i) 48,200 shares (the Preferred Shares) of the Company's Fixed Rate Cumulative Perpetual Preferred Stock, Series A, having a liquidation preference of \$1,000 per share, and (ii) a ten-year warrant (the Warrant) to purchase up to 2,295,238 shares of the Company's common stock, no par value (Common Stock), at an exercise price of \$3.19 per share, for an aggregate purchase price of \$48.2 million in cash.

This transaction closed on December 19, 2008 (the Closing Date). The issuance and sale of these securities was a private placement exempt from registration pursuant to Section 4(2) of the Securities Act of 1933.

The Preferred Shares will qualify as Tier 1 capital and will pay cumulative dividends at a rate of 5% per annum for the first five years and 9% per annum thereafter. The Preferred Shares have no maturity date and rank senior to the Common Stock with respect to the payment of dividends and distributions and amounts payable upon liquidation, dissolution and winding up of the Company.

For three years following the Closing Date, the Company may redeem the Preferred Shares only from the sale or sales of qualifying equity securities of the Company (a Qualified Equity Offering) resulting in the aggregate of not less than 25% of the Treasury's purchase price (\$12.05 million). A Qualified Equity Offering is defined as the sale for cash by the Company, after the Closing Date, of shares of preferred stock or common stock that qualify as Tier 1 capital of the Company under the capital guidelines of the Company's federal banking agency. After three years following the Closing Date, the Company may redeem the Preferred Shares in whole or in part at any time, or from time to time. All redemptions are subject to the approval of the Board of Governors of the Federal Reserve System.

The Treasury may not transfer a portion of the Warrant with respect to, or exercise the Warrant for more than, one-half of the 2,295,238 shares of Common Stock issuable upon exercise of the Warrant until the earlier of (i) the date on which the Company has received aggregate gross proceeds of not less than \$48.2 million from one or more Qualified Equity Offerings and (ii) December 31, 2009. In the event the Company completes one or more Qualified Equity Offerings on or prior to December 31, 2009 that results in the Company receiving aggregate gross proceeds of not less than \$48.2 million, then the number of shares of Common Stock underlying the portion of the Warrant then held by the Treasury will be reduced by one-half of the shares of Common Stock originally covered by the Warrant.

The Securities Purchase Agreement, pursuant to which the Preferred Shares and the Warrant were sold, contains limitations on the payment of dividends on common stock, junior preferred shares, and on other preferred shares. The ability to repurchase common stock, junior preferred shares, or other preferred shares is also restricted under the Securities Purchase Agreement.

The Securities Purchase Agreement also subjects the Company to certain of the executive compensation limitations included in the Emergency Economic Stabilization Act of 2008 (the EESA). As a condition to the closing of the transaction, each of Messrs. James B. Miller, H. Palmer Proctor, Stephen H. Brolly, and David Buchanan, the Company's senior executive officers (as defined in the Securities Purchase Agreement) (the Senior Executive Officers), (i) executed a waiver (the Waiver) voluntarily waiving any claim against the Treasury or the Company for any changes to compensation or benefits arrangements that are required to comply with the regulation issued by the Treasury under the TARP Capital Purchase Program and acknowledging that the regulation may require modification of the compensation, bonus, incentive, and other benefit plans, arrangements, and policies and agreements (including so-called golden parachute agreements) (collectively, Benefit Plans) as they relate to the period the Treasury holds any equity or debt securities of the Company acquired through the TARP Capital Purchase Program; and (ii) entered into a senior executive officer agreement (Senior Executive Officer

Agreement) with the Company amending the Benefit Plans with respect to such Senior Executive Officer as may be necessary during the period that the Treasury owns any debt or equity securities of the Company acquired pursuant to the Securities Purchase Agreement or the Warrant, to comply with Section 111(b) of the EESA.

The Securities Purchase Agreement and all related documents may be amended unilaterally by the Treasury to the extent required to comply with any changes in applicable federal statutes after the execution thereof.

The Warrant provides that if the Company does not obtain shareholder approval allowing the full exercise of the Warrant for Common Stock within 18 months of the issue date of the Warrant, the Treasury may cause the Company to exchange all or a portion of the Warrant for an alternative economic interest in the Company.
