Item 2.05. Costs Associated with Exit or Disposal Activities.

On January 27, 2009, Chico's FAS, Inc. (the Company) committed to certain expense reduction programs, which includes the elimination of approximately 180 positions, or approximately 11% of the headquarters employee base. The workforce reduction results from the Company's ongoing review of its cost structure in light of continued deterioration in the macroeconomic environment impacting the retail industry. The workforce reduction action was accomplished on January 29, 2009.

The Company expects to record after-tax charges of approximately \$2.9 million during the fourth quarter of fiscal 2008 ending January 31, 2009 to cover personnel separation costs in connection with the workforce reduction. The Company expects this workforce reduction to reduce payroll and related benefit expenses for the Company by approximately \$15 million over the next 12 months.

Information regarding these expense reduction actions is included in the January 29, 2009 press release attached hereto as Exhibit 99.1.

Item 2.06. Material Impairments.

Furthermore, on January 28, 2009, the Company concluded that a charge for impairment of goodwill and impairment associated with underperforming stores would need to be recorded in its financial results for the fourth quarter of fiscal 2008 ending January 31, 2009. The Company currently anticipates the non-cash impairment charges, net of tax benefit, based upon unaudited, preliminary year-end estimates, to be in the range of \$11.0 million to \$14.0 million related to goodwill and \$7.0 million to \$9.0 million related to the underperforming stores.

The non-cash impairment charge for goodwill impairment is primarily a result of the Company's analysis of goodwill associated with the 2007 acquisition of twelve Minnesota franchise stores and the non-cash impairment charge associated with underperforming stores results from the Company's ongoing analysis of historical and projected individual store performance. The conclusion of this analysis may result in the eventual closing of as many as 25 stores.

Information regarding these non-cash impairment charges is included in the January 29, 2009 press release attached hereto as Exhibit 99.1.

Item 9.01. Financial Statements and Exhibits.
