## SELLING SECURITYHOLDERS

RPM International Inc. (the Company) originally issued the notes, which were sold by Merrill Lynch & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated, Wachovia Securities, Inc., BNY Capital Markets, Inc., Bank One Capital Markets, Inc. and McDonald Investments Inc., a Keycorp Company, as the initial purchasers, in transactions exempt from the registration requirements of the Securities Act of 1933, as amended (the Securities Act), to persons reasonably believed by the initial purchasers to be qualified institutional buyers. Selling securityholders, including their transferees, pledges or donees or their successors, may from time to time offer and sell any or all of the notes and the common stock into which the notes are convertible pursuant to the Prospectus. The selling securityholders may offer all, some or none of the notes and the underlying common stock.

The table below supplements or amends the table of selling securityholders contained on pages 2 through 5 of the prospectus supplement, dated January 16, 2004, which superseded the table of selling securityholders contained on pages 47 through 50 of the Prospectus. The information below is based on information provided to us by or on behalf of the selling securityholders on or prior to March 17, 2005. Where the name of a selling securityholder identified in the table below also appears in the table in the Prospectus or in the previous prospectus supplements, the information set forth in the table below regarding that selling securityholder supersedes the information in the prospectus or in the previous prospectus supplements. Information about the selling securityholders may change from time to time. Any changed information will be set forth in prospectus supplements, post-effective amendments or in other documents that we may file from time to time with the SEC, as required.

Because the selling securityholders may offer all or some portion of the notes or the common stock into which the notes are convertible, we cannot estimate the amount of notes or common stock that may be held by the selling securityholders upon the completion of any sales. Additionally, because selling securityholders may trade all or some of the notes listed at any time without notifying us, the table below may not reflect the exact value of notes held by each selling securityholder on the date of this Supplement. For information on the procedure for sales by selling securityholders, read the disclosure on page 52 of the Prospectus under the heading Plan of Distribution :

Name of  Selling Securityholder(1)	Principal Amount of Notes Beneficially Owned that May be Sold	Percentage of Notes Outstanding	Number of Shares of Common Stock Beneficially Owned(2)	Number of Common Stock that May be Sold (3)(4)	Percentage of Common Stock Outstanding(5)
S.A.C. Arbitrage Fund, LLC (6)	\$2,000,000	*	44,100	54,103	*

\*Less than 1%

- (1) Also includes any sale of the notes and the underlying common stock by pledgees, donees, transferees or other successors in interest that receive such securities by pledge, gift, distribution or other non-sale related transfer from the named selling securityholders. Information about other selling securityholders will be set forth in prospectus supplements, post-effective amendments or in other documents that we may file from

time to time with the SEC that are incorporated by reference in the Prospectus, if required. See [Where You Can Find More Information](#) on page ii of the Prospectus.

- (2) Excludes common stock issuable upon conversion of the selling securityholder's notes.

- (3) Assumes conversion of all of the selling securityholders' notes at a conversion rate of 27.0517 per note and a cash payment in lieu of the issuance of any fractional share interest. However, this conversion rate is subject to adjustment as described under "Description of the Notes - Conversion Rights" on pages 20 through 23 of the Prospectus. As a result, the number of shares of common stock issuable upon conversion of the notes may increase in the future.
- (4) Reflects rounding to the nearest share of common stock issuable to each selling securityholder upon conversion of the notes.
- (5) Calculated based on Rule 13d-3 of the Securities Exchange Act of 1934, as amended, using 117,189,915 shares of common stock outstanding as of December 27, 2004. In calculating this amount, we did not treat as outstanding the common stock issuable upon conversion of notes.
- (6) As a result of various transfers by S.A.C. Capital Associates, LLC ( "S.A.C. Capital" ) of the notes attributed to S.A.C. Capital in the January 16, 2004 prospectus supplement, including the transfer of \$2,000,000 principal amount of notes to S.A.C. Arbitrage Fund, LLC, S.A.C. Capital is no longer a Selling Securityholder.
