GENERAL

The Company has sent you this booklet and proxy on or about October 27, 2006 because the Board of Directors of Michael Baker Corporation is soliciting your proxy to vote at the Company's 2006 annual meeting of shareholders.

Who May Vote

Shareholders of Michael Baker Corporation as reflected in the Company's stock records at the close of business on October 20, 2006 may vote. You have one vote for each share of Michael Baker Corporation common stock you own. You have cumulative voting rights in the election of directors. Cumulative voting entitles you to that number of votes in the election of directors equal to the number of shares you hold of record multiplied by the total number of directors to be elected, and to cast the whole number of your votes for one nominee or distribute them among any two or more nominees as you choose. Shares represented by proxies, unless otherwise indicated on the proxy card, will be voted cumulatively in such manner that the number of shares voted for each nominee (and for any substitute nominated by the Board of Directors if any nominee listed becomes unable or is unwilling to serve) will be as nearly equal as possible. The eight nominees receiving the highest number of affirmative votes cast at the annual meeting by the holders of common stock voting in person or by proxy, a quorum being present, will be elected as directors.

How to Vote

You may vote in person at the meeting or by proxy. Shareholders of record have a choice of voting by proxy over the internet, by telephone, or by using a traditional proxy card. If you hold shares through someone else such as a stockbroker, you may get material from them asking how you want to vote. Please check your proxy card or the information forwarded by your bank, stockbroker or other holder of record to see which options are available to you. The Company recommends you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

How a Proxy Works

Giving the Company a proxy means you authorize the Company to vote your shares in accordance with your directions. If you give the Company a proxy, but do not make any selections, your shares will be voted in favor of the Company's director candidates.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are generally covered by one card. If you hold shares through someone else, such as a stockbroker, you may get material from them asking how you want to vote.

Changing Your Vote

You may revoke your proxy before it is voted by submitting a new proxy with a later date, by voting in person at the meeting or by notifying the Company's Secretary in writing.

Common Stock Outstanding

As of the close of business on October 20, 2006, there were 8,499,988 shares of Michael Baker Corporation common stock issued and outstanding.

Quorum and Voting Information

In order to conduct the business of the meeting, there must be a quorum. This means at least a majority of the outstanding shares eligible to vote must be represented at the meeting, either in person or by proxy. You are considered a part of the quorum if you submit a properly signed proxy card, vote over the internet or vote by telephone.

Table of Contents

If a quorum is present at the meeting, votes with respect to the election of directors will be counted as discussed above. Approval of any other matter that properly comes before the Board requires the favorable vote of the holders of shares representing the majority of the votes cast at the annual meeting (in person or by proxy) unless the matter requires more than a majority vote under statute or the Company's bylaws. Under Pennsylvania law, an abstention or broker non-vote is not a vote cast and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee in 2005 are non-employee directors who are independent as defined by American Stock Exchange listing standards. During 2005, no executive officer of the Company served on a compensation committee (or other board committee performing equivalent functions) or on the board of

Table of Contents

directors of any entity (other than the Company's Board of Directors) related to any member of the Company's Board of Directors.

Even if Michael Baker Corporation's previous filings under the Securities Laws incorporate future filings, including this proxy statement, the following report and the Stock Performance Graph on page 14 are NOT incorporated by reference into any such filings.

The Compensation Committee Report

Introduction. Decisions regarding compensation of the Company's executives generally are made by the Compensation Committee of the Board. In 2005, the Compensation Committee consisted of Drs. Murray and Bontempo and Mr. Constantakis.

All recommendations of the Compensation Committee relating to compensation of the Company's executive officers are reviewed and approved by the full Board. Set forth below is a report submitted by Drs. Murray and Bontempo and Mr. Constantakis in their capacity as the Board's Compensation Committee addressing the Company's compensation policies for 2005 as they affected executive officers of the Company.

Compensation Philosophy. The Company's philosophy on compensation places a share of employee compensation at risk, thereby rewarding employees based on the overall performance of the Company. The Company's 2003 Long-Term Incentive Compensation Plan and Line-of-Sight annual Incentive Compensation Plan each utilize this philosophy. The following are the Company compensation objectives:

to attract and retain executive officers and other key employees of outstanding ability, and to motivate all employees to perform to the full extent of their abilities;

to ensure that pay is competitive with other leading companies in the Company's industries;

to reward executive officers and other key employees for corporate, group and individual performance; and

to ensure that total compensation to the executive officers as a group is not disproportionate when compared to the Company's total employee population.

Compensation. The Compensation Committee reviews data from multiple sources (Hay Group Inc., Hewitt Associates LLC, Watson Wyatt Data Services and William M. Mercer Incorporated) in connection with performance of its duties. In addition, William M. Mercer Incorporated assisted in the development of incentive compensation plans and policies.

On April 25, 2001, Mr. Fusilli became President and Chief Executive Officer of the Company at an annual base salary of \$400,000. On February 18, 2003, Mr. Fusilli's salary was increased to \$410,000, effective April 1, 2003. On April 21, 2005, Mr. Fusilli's salary was increased to \$430,498, effective April 25, 2005. The Compensation Committee believes this salary is in line with the Company's philosophy for executive officers and is in accord with the responsibilities of Mr. Fusilli as Chief Executive Officer. In addition to his base salary, Mr. Fusilli was eligible to be awarded a bonus by the Compensation Committee based on the Committee's evaluation of Mr. Fusilli's performance. In assessing Mr. Fusilli's performance, the Compensation Committee reviews a variety of areas affecting the Company's performance for which Mr. Fusilli is held accountable such as leadership, strategic planning, financial results, succession planning, human resources, communications, and external and Board relationships. No awards were granted to Mr. Fusilli under the Company's annual or 2003 Long-Term Incentive Compensation plans in 2006 for fiscal year 2005 performance. No stock options were granted to Mr. Fusilli in 2006 for fiscal year 2005 performance.

Mr. Fusilli's employment with the Company terminated on September 12, 2006.

Effective April 25, 2001, Mr. Shaw retired from the position of Chief Executive Officer, and the Company and Mr. Shaw entered into a Consulting Agreement for Mr. Shaw's consulting services for the period April 26, 2001 through April 26, 2003. The Consulting Agreement provides an annual compensation equal to 25% of Mr. Shaw's previous salary of \$425,006. In addition, under the Consulting Agreement, the Company covers the costs of health insurance and maintains a life insurance policy for Mr. Shaw. The Consulting Agreement also provides for a supplemental retirement benefit of \$5,000 per month commencing at the expiration of the consulting term. During 2003, the Company agreed to extend the term of this Agreement for two years until April 26, 2005. During 2005, the

Table of Contents

Company extended the term of this Agreement for an additional year. During 2006, the Company extended the term of this Agreement through April 26, 2008. During 2005, the Company compensated Mr. Shaw at the rate of \$35,000 per month in lieu of the monthly compensation under his Consulting Agreement for the three-month period commencing on January 24, 2005 and ending on April 21, 2005 in return for his increased services provided during Mr. Fusilli's previously announced medical leave. This adjusted arrangement covered the period until Mr. Fusilli's full-time return in April. Following Mr. Fusilli's departure from the Company on September 12, 2006, a Supplement to the Employment Agreement (referred to in "Related Party Transactions" on Page 15) was entered into with Mr. Shaw effective September 14, 2006, pursuant to which Mr. Shaw re-assumed the full-time position of Chief Executive Officer at an annual salary of \$430,498. This Supplement also suspends payments under Mr. Shaw's Consulting Agreement during the period he is employed as the Company's Chief Executive Officer, although its term continues to run.

The Company applies a compensation program consisting of base salary, annual incentive compensation and long-term incentive compensation. In determining base salaries for 2005, the Compensation Committee reviewed the relationship of an executive's compensation to that of other executive officers of the Company, similar executive officers in comparable companies, and the Company's current and projected growth and profitability performance. In determining annual and long-term incentive compensation, the Compensation Committee reviewed the Company's performance in 2005. No awards were granted to any executive officer under the Company's annual or 2003 Long-Term Incentive Compensation plans in 2006 for fiscal year 2005 performance.

The Chief Executive Officer recommends to the Compensation Committee salary adjustments for executive officers. The Committee reviews these recommendations in light of the above referenced factors. A final comparison is made to verify that the total percentage increase in compensation paid to the executive officers as a group is not disproportionate to the percentage increase applicable to other Company employee groups.

2001 Line of Sight Incentive Compensation Plan. In keeping with its philosophy of placing a portion of employee compensation at-risk, the Committee administers the Company's 2001 Line-of-Sight Incentive Compensation Plan, in which all employees have an opportunity to participate on an annual basis. Under the Plan, the Committee established a Company performance goal measured by earnings per share and revenue. Upon achievement of the Company earnings per share performance goal and other Company goals established based upon an employee's group within the Plan, the employee may receive payment of an incentive award up to the amount of a pre-established incentive target. The incentive targets are based upon market comparisons to ensure that incentive compensation opportunities are competitive with other leading companies in the Company's industries or lines of business. Providing an incentive compensation payment opportunity contingent upon the achievement of the Company's performance goals facilitates the objective of establishing a clear line-of-sight between the overall performance of the Company and the individual contribution of each employee.

2003 Long-Term Incentive Compensation Plan. The long-term incentive compensation plan is designed to award employees for specific performance factors, which are defined in the Plan, over a three year time period. During the first three year time period (2003 through 2005), the awards are paid annually based on performance factors for a single year. The Compensation Committee and the Board believe that this plan design provides a commitment to long-term performance. The Plan provides for the payment of performance-based incentive awards to employees and includes provisions that protect the Company's ability to take a tax deduction for such awards. Payment of incentive awards will be, in part, in the form of restricted stock, which will assist in aligning the interests of employees and shareholders.

Respectfully submitted,

Dr. John E. Murray, Jr.

The Governance and Nominating Committee

During 2005 the Governance and Nominating Committee, consisting of Mr. Gavert as Chairman, Mr. Constantakis and Mr. Copeland, held four meetings. The Governance and Nominating Committee considers and recommends candidates to sit on the Board of Directors and addresses issues related to governance relative to the Company.

Table of Contents

The Board has determined that the members of the Governance and Nominating Committee are independent as defined by the American Stock Exchange listing standards. The Governance and Nominating Committee acts under a written charter which was adopted by the Board of Directors on February 20, 2003. A current copy of the Governance and Nominating Committee Charter is available on Michael Baker Corporation's website at www.mbakercorp.com.

The Governance and Nominating Committee will consider nominees for Director recommended by shareholders. Shareholders wishing to recommend a director candidate for consideration by the Committee can do so by writing to the Secretary of Michael Baker Corporation, Airside Business Park, 100 Airside Drive, Moon Township, PA 15108; giving the candidate's name, biographical data and qualifications. Any such recommendation should be accompanied by a current resume of the individual and a written statement from the individual of his or her consent to be named as a candidate and, if nominated and elected, to serve as a director. Such nominations must be received at least 60 days prior to the annual meeting of shareholders, as discussed further below under Shareholder Proposals for Next Year. No candidates for Board membership have been put forward by shareholders for election at the 2005 annual meeting.

In considering candidates for the Board, the Governance and Nominating Committee considers the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met by a Board nominee. The Governance and Nominating Committee is guided by the objectives set forth in its charter that the Board of Directors consists of individuals of the highest integrity, able to provide insightful, intelligent and effective guidance to management, coming from diverse educational and professional experiences and backgrounds who, collectively, provide meaningful counsel to management. If candidates are recommended by the Company's shareholders, such candidates will be evaluated using the same criteria. With respect to nominations of continuing directors for re-election, the individual's previous contributions to the Board are also considered.

The Committee has the authority under its charter to hire and pay a fee to a consultant or search firm to assist in the process of identifying and evaluating director candidates. The Committee did not use a consultant or search firm in the last fiscal year.

The Health, Safety, Environmental and Compliance Committee

During 2005 the Health, Safety, Environmental and Compliance Committee, consisting of Dr. Larson as Chairman, and Mr. Fusilli and Ms. Pierce, held four meetings. The Committee reviews and considers health, safety, environmental and related compliance issues relative to the Company.

Employment Continuation Agreements

The Company entered into Employment Continuation Agreements in October 2000 with Messrs. Fusilli, Mooney and McKnight; in September 2002 with Mr. Giffhorn; and in February 2004 with Mr. Mallory. Under the Agreements with Messrs. Fusilli, Mooney and McKnight, the executives agree to remain in the Company's employment for thirty-six months following the date of a change of control (as defined in the Agreements), and the Company agrees to provide salary and benefits at levels commensurate with those prior to the change of control for that period. The Agreements further provide that if the executive's employment is terminated following a change in control for reasons other than death, disability, voluntary termination (except a voluntary termination for good reason as defined in the Agreements), or is terminated by the Company other than for cause (as defined in the Agreements), during that period, the Company will pay the executives their (i) earned salary, (ii) a severance amount equal to three times the sum of the executive's annual base salary and the executive's average bonus for the five fiscal years preceding the change of control, and (iii) obligations accrued under applicable benefit plans and programs, and continue their benefits for three years. The payments under the Agreements may be subject to reduction to the extent that they are considered excess parachute payments under the Internal Revenue Code. Furthermore, the executives will under certain circumstances receive similar benefits if their employment is terminated in contemplation of a change of control and a change of control occurs within one year following such termination.

The Agreements with Mr. Giffhorn and Mr. Mallory are the same except that the executive agrees to remain in the Company's employment for twenty-four months following a change of control and the severance amount is an amount equal to two times the sum of the executive's annual base salary and the executive's average bonus for the five fiscal years preceding the change of control with continued benefits for two years.

Mr. Giffhorn resigned from the Company on June 29, 2006, and Mr. Fusilli's employment with the Company was terminated on September 12, 2006. The events necessary for the Agreements to become effective had not occurred prior to their termination of employment.

This adjusted arrangement covered the period until Mr. Fusilli's full-time return in April. In order to facilitate the Company's compliance with certain state regulatory requirements, Mr. Fusilli held a 50% ownership interest in a Pennsylvania partnership, Baker and Associates, which was established for the purpose of practicing professional engineering in those states. Mr. Fusilli received no gain or profit from the partnership or the contracts into which it entered. All profits from such contracts are assigned by the partnership to Michael Baker Corporation or a subsidiary. Following Mr. Fusilli's departure, the Company designated David J. Greenwood, another independent registered professional engineer, to hold the 50% ownership interest in this partnership.
