Item 2.02. Results of Operations and Financial Condition.

On October 26, 2007, Graham Corporation (the Company) issued a press release describing its results of operations and financial condition for its second quarter and six months ended September 30, 2007. The Company's press release is attached to this Current Report on Form 8-K as Exhibit 99.1 and is incorporated by reference herein.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Graham Corporation's (the Company's) common stock is listed and traded on the American Stock Exchange (AMEX). As such, the Company is subject to the listing standards of the AMEX. The Securities and Exchange Commission has adopted amendments to those listing standards that require AMEX-listed securities to be eligible to participate in a direct registration program by January 1, 2008. A direct registration program permits a shareholder's stock to be recorded and maintained on the books of the company or the company's transfer agent without the issuance of a physical stock certificate. Shares in this form are commonly referred to as uncertificated shares.

On October 25, 2007, the Company's Board of Directors amended and restated the Company's Bylaws in order to provide for uncertificated shares. Specifically, Articles 8 and 9 of the Company's Bylaws were amended to permit the Company's Board of Directors to provide by resolution that some or all of any class or series of Company stock may be uncertificated.

The preceding description of the amendments to the Company's Bylaws is qualified in its entirety by reference to the full text of the Company's Amended and Restated Bylaws, which are attached as Exhibit 3.2 to this Current Report on Form 8-K and are incorporated herein by reference.

Item 8.01. Other Events.

On October 26, 2007, the Company issued a press release announcing (i) the payment of a cash dividend, and (ii) a stock split to be paid as a stock dividend. The Company's press release is attached to this Current Report on Form 8-K as Exhibit 99.1.
