Item 8.01. Other Events.

On November 20, 2007, Meadow Valley Corporation (the Company) issued a press release announcing that the Company had appointed a Special Committee of independent directors to review and evaluate any acquisition proposal received from YVM Acquisition Corporation (YVM) and consider the Company's other alternatives. As previously reported, the Special Committee was formed in response to a Schedule 13D filed by YVM on November 2, 2007, which disclosed that YVM is considering proposing a transaction or series of transactions that would result in YVM's acquisition of all of the outstanding common stock of the Company.

The purpose of this report is to clarify that, in advance of the Company receiving an acquisition proposal from YVM or any other third party, if any, the Special Committee intends to review the Company's strategic alternatives to enhance shareholder value and will be prepared to conduct a process designed to maximize shareholder value, while taking into account prevailing market conditions. No assurance can be given that an agreement on terms satisfactory to the Special Committee will result from any proposal submitted by YVM or any other party, or that any transaction recommended by the Special Committee will be completed.
