### DESCRIPTION OF THE COMPANY

We were originally incorporated in the State of New York on June 16, 1911, as the Computing-Tabulating-Recording Co. (C-T-R). C-T-R was a consolidation of the Computing Scale Co. of America, the Tabulating Machine Co., and The International Time Recording Co. of

2

New York. In 1924, C-T-R adopted the name International Business Machines Corporation, also known more simply as IBM.

We use advanced information technology to provide customer solutions. We operate primarily in a single industry using several segments that create value by offering a variety of solutions that include, either singularly or in some combination, technologies, systems, products, services, software and financing.

## Edgar Filing: INTERNATIONAL BUSINESS MACHINES CORP - Form S-3

Organizationally, our major operations comprise a Global Services segment; three hardware product segments--Enterprise Systems, Personal and Printing Systems and Technology; a Software segment; a Global Financing segment and an Enterprise Investment segment. The segments are determined based on several factors, including customer base, homogeneity of products, technology and delivery channels.

We offer our products through our global sales and distribution organization. The sales and distribution organization has both a geographic focus (in the Americas, Europe/Middle East/Africa, and Asia Pacific) and a specialized and global industry focus. In addition, these organizations include a global sales and distribution effort devoted exclusively to small and medium businesses. We also offer our products through a variety of third party distributors and resellers, as well as through our on-line channels.

### USE OF PROCEEDS

The shares being offered are for the account of the Trust. IBM will not receive any proceeds from the sale of the shares offered.

### DESCRIPTION OF THE CAPITAL STOCK

As of the date of this prospectus, we are authorized to issue up to 4,687,500,000 shares of capital stock, \$0.20 par value per share. As of September 30, 2002, 1,918,678,874 shares of capital stock were issued and 1,690,087,776 were outstanding.

### DIVIDENDS.

Holders of capital stock are entitled to receive dividends, in cash, securities, or property, as may from time to time be declared by our Board of Directors, subject to the rights of the holders of the preferred stock.

### VOTING.

Each holder of capital stock is entitled to one vote per share on all matters requiring a vote of the stockholders.

### RIGHTS UPON LIQUIDATION.

In the event of our voluntary or involuntary liquidation, dissolution, or winding up, the holders of capital stock will be entitled to share equally in our assets available for distribution

3

after payment in full of all debts and after the holders of preferred stock have received their liquidation preferences in full.

### MISCELLANEOUS.

Shares of capital stock are not redeemable and have no subscription, conversion or preemptive rights.

### SELLING SHAREHOLDER

The Trust is the trust formed to hold the assets of IBM's defined benefit pension plan known as the IBM Personal Pension Plan, covering

## Edgar Filing: INTERNATIONAL BUSINESS MACHINES CORP - Form S-3

substantially all of IBM's U.S. employees. The Plan and the Trust are intended to be tax-qualified within the meanings of Sections 401(a) and 501(a) of the Internal Revenue Code. The Trust is funded by IBM contributions held for the sole benefit of Plan participants and beneficiaries, and to pay proper expenses of Plan administration.

As of September 30, 2002, the Trust owned 1,704,009 shares of capital stock (representing approximately 0.31% of the total assets of the Trust and approximately 0.10% of the outstanding shares of capital stock). Assuming all the 19,302,535 shares in this offering were contributed to the Trust and none of the shares now held by the Trust had been sold, the Trust would own 21,006,544 shares of capital stock (representing approximately 4.9% of the total assets of the Trust and approximately 1.24% of the outstanding shares of capital stock).

It is contemplated that the shares contributed to the Trust will be managed by investment managers designated in accordance with procedures established by the IBM Retirement Plans Committee. Each investment manager is responsible in its sole judgment and discretion for making any decision to sell from time to time any of or all the shares under its control, subject to the terms of investment management arrangements with the manager.

### PLAN OF DISTRIBUTION

The Trust, at the direction of an investment manager, may sell shares on the markets in which the capital stock is traded, through underwriters, in private transactions or otherwise.

Market sales may be effected from time to time in one or more transactions, including block transactions, (i) on any of the U.S. securities exchanges on which the capital stock is listed, including the New York Stock Exchange, the Chicago Stock Exchange and the Pacific Stock Exchange, in transactions that may include special offerings, exchange distributions pursuant to and in accordance with the rules of such exchanges, (ii) in the over-the-counter market, (iii) in transactions otherwise than on such exchanges or in the over-the-counter market or (iv) in a combination of any such transactions. Such transactions may be effected by the Trust at market prices prevailing at the time of sale, at prices related to such prevailing market prices, at negotiated prices or at fixed prices. The Trust may effect such transactions by selling shares to or through broker-dealers, and such broker-dealers may receive compensation in the form of discounts or commissions from the Trust and may receive commissions from the purchasers of shares for whom they may act as agent.

4

### LEGAL OPINIONS

The legality of the shares in this offering will be passed upon by Mr. David S. Hershberg, our Vice President and Assistant General Counsel. Mr. Hershberg, together with members of his family, owns, has options to purchase and has other interests in shares of our capital stock.

Our By-Laws (Article VI, Section 6) provide the following:

"The Corporation shall, to the fullest extent permitted by applicable law as in effect at any time, indemnify any person made, or threatened to be made, a party to an action or proceeding whether civil or criminal (including an action or proceeding by or in the right of the Corporation or any other corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, for which any director or officer of the Corporation served in any capacity at the request of the Corporation), by reason of the fact that such person or such person's testator or intestate was a director or officer of the Corporation, or served such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise in any capacity, against judgments, fines, amounts paid in settlement and reasonable expenses, including

attorneys' fees actually and necessarily incurred as a result of such action or proceeding, or any appeal therein. Such indemnification shall be a contract right and shall include the right to be paid advances of any expenses incurred by such person in connection with such action, suit or proceeding, consistent with the provisions of applicable law in effect at any time. Indemnification shall be deemed to be 'permitted' within the meaning of the first sentence hereof if it is not expressly prohibited by applicable law as in effect at the time."

Our Certificate of Incorporation (Article ELEVEN) provides the following:

"Pursuant to Section 402(b) of the Business Corporation Law of

the State of New York, the liability of the Corporation's directors to the Corporation or its stockholders for damages for breach of duty as a director shall be eliminated to the fullest extent permitted by the Business Corporation Law of the State of New York, as it exists on the date hereof or as it may hereafter be amended. No amendment to or repeal of this Article shall apply to or have any effect on the liability or alleged liability of any director of the Corporation for or with respect to any acts or omissions of such director occurring prior to such amendment or repeal."

With certain limitations, Sections 721 through 726 of the New York Business Corporation Law permit a corporation to indemnify a director or officer made a party to an action (i) by a corporation or in its right in order to procure a judgment in its favor unless he shall have breached his duties, or (ii) other than an action by or in the right of the corporation in order to procure a judgment in its favor, if such director or officer acted in good faith and in a manner he reasonably believed to be in or, in certain cases not opposed to such corporation's interest and additionally, in criminal actions, had no reasonable cause to believe his conduct was unlawful.

In addition, we maintain directors' and officers' liability insurance policies.

### ITEM 17. UNDERTAKINGS.

The undersigned registrant hereby undertakes:

6

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement (other than as provided in the proviso and instructions to Item 512(a) of Regulation S-K) (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the

Edgar Filing: INTERNATIONAL BUSINESS MACHINES CORP - Form S-3

registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described in Item 15 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person in the successful defense of any action, suit or proceeding) is asserted by such officer, director or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether or not such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, on the 6th day of November, 2002.
