Item 1.01 Entry into a Material Definitive Agreement.

I-trax, Inc., certain of its direct and indirect subsidiaries, and Bank of America, N.A., are parties to a senior secured credit facility pursuant to a Credit Agreement dated as of March 19, 2004. On June 29, 2007, I-trax, certain of its direct and indirect subsidiaries, and Bank of America entered into an Eighth Amendment to the Credit Agreement. Under the Eighth Amendment:

- The amount I-trax can borrow under the facility was increased to \$20 million. The \$20 million is comprised of the existing \$15 million revolving loan facility and a new, separate \$5 million loan facility. The new \$5 million loan facility is not subject to a borrowing base limitation.
 - The facility maturity date, covering both components of the facility, was extended until July 1, 2009.
 - Certain of the financial covenants under the facility have been amended.
- The interest rate spread and commitment fee under the facility were reduced by one percent and 1/8th percent, respectively.

The purpose of the amendment is to allow I-trax access to additional working capital necessary to fund expenses associated with launching new on-site facilities.

Item 9.01 Exhibits.

10.1 Eighth Amendment to Credit Agreement, dated June 29, 2007 by and among I-trax, Inc., all subsidiaries of I-trax, Inc. that are parties to the Credit Agreement and Bank of America, N.A.
