Notes To Financial Statements

1. Basis of Presentation:

The accompanying unaudited financial statements of Cytation Corporation (the "Company") have been prepared in accordance with generally accepted accounting principles for interim financial information and with the instructions to prepare them for inclusion as part of the Form 10QSB. Accordingly, they do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. The financial statements for the periods ended June 30, 2002 and 2001 are unaudited and include all adjustments which in the opinion of management are necessary, in order to make the financial statements not misleading. All such adjustments are of a normal recurring nature. The results of the Company's operations for any interim period are not necessarily indicative of the results of the Company's operations for a full fiscal year. For further information, refer to the financial statements and footnotes thereto included in the Company's Form 10KSB filed with the Securities and Exchange Commission for the period ended December 31, 2001.

2. The Company:

Until June 20, 2001, the Company provided an extensive range of in-school and online services directed at high school students and their parents, high school counselors, college admissions officers and corporations which target the teen marketplace. On June 20, 2001, the Company sold all of its assets associated with these activities to TMP Worldwide Inc.

3. Deferred Compensation:

On July 2, 2001, the Company's board of directors authorized advances to two officers of the Company in the aggregate amount of \$600,000. These advances are repayable by either officer if the officer leaves the employment of the Company before January 2003, unless certain events occur before such date. These advances have been booked as deferred compensation and amortized over fifteen months. In addition, the Company also advanced \$50,000 to one of the officers in lieu of his participation in the Company's retirement plans, which amount has been recorded as compensation expense in the quarter ended March 31, 2002.

4. Legal Proceedings:

On February 7, 2002, Gerald Paxton, a former consultant to the Company, filed a demand for arbitration arising under his consulting agreement with the Company. The Company and Mr. Paxton have tentatively agreed to resolve this matter.

Item 2. Management's Discussion and Analysis or Plan of Operation

The Company sold all of its revenue producing assets on June 20, 2001. Accordingly, the following should be read in conjunction with Item 5 hereof.

Results of Operations

As a result of the sale in June 2001 by the Company of substantially all of its assets (including all of its revenue generating assets) to TMP and the prior sales of the Company's Internet services businesses, the Company no longer is engaged in any business in which it was engaged during its three fiscal years ended June 30, 1998, 1999 and 2000, its six-month transition period ending December 31, 2000 or its fiscal year ended December 31, 2001. Accordingly, management does not believe that it is informative or useful to compare the results of operations of the principal business which it conducted until June 20, 2001 but which it no longer owns with the results of operations of this

business and other discontinued businesses for prior periods, including the three month period ended June 30, 2001.

Liquidity and Capital Resources

Net cash used in operating activities was \$92,121 for the six month period ended June 30, 2002 compared to \$655,539 for the six month period ended June 30, 2001, shortly after the Company discontinued its former business and sold its operating assets. See Item 5. As of June 30, 2002, the Company had working capital of \$279,722 compared to working capital of \$2,293,618 as of June 30, 2001.

PART II OTHER INFORMATION

Item 1. Legal Proceedings.
