Press Release

STOCK TRADED: NYSE FOR IMMEDIATE RELEASE
TICKER SYMBOL: TR Wednesday, February 12, 2009

CHICAGO, ILLINOIS - February 12, 2009 - Melvin J. Gordon, Chairman, Tootsie Roll Industries, Inc. reported fourth quarter and twelve months 2008 net sales and earnings.

Fourth quarter 2008 net sales were \$115,432,000 compared to \$115,010,000 in fourth quarter 2007, an increase of \$422,000. Fourth quarter 2008 net earnings were \$5,363,000 compared to \$8,156,000 in fourth quarter 2007, and earnings per share were \$.10 and \$.15 in fourth quarter 2008 and 2007, respectively, a decrease of \$.05 per share. The fourth quarter 2008 period was adversely affected by a \$3,300,000 after-tax charge relating to the write-down to market value of an investment security that was initially purchased with a AAA rating and insured, which the Company has concluded is now impaired. Fourth quarter results however benefited from \$2,200,000 of favorable adjustments relating to state and foreign income taxes.

Edgar Filing: TOOTSIE ROLL INDUSTRIES INC - Form 8-K

Twelve months 2008 sales were \$492,051,000 compared to \$492,742,000 in twelve months 2007, a decrease of \$691,000. Twelve months 2008 net earnings were \$38,777,000 compared to \$51,625,000 in twelve months 2007, and earnings per share were \$.70 and \$.91 in twelve months 2008 and 2007, respectively, a decrease of \$.21 per share. The twelve month 2008 results were also affected by the impairment of the investment security and favorable income tax adjustments discussed above.

Mr. Gordon said, "Fourth quarter and twelve months 2008 domestic sales increased by 4% and 1/2%, respectively, however, the reported consolidated net sales reflect declines in sales outside of the U.S., including the effects of a stronger U.S. dollar, which offset these domestic sales increases. Fourth quarter 2008 earnings were adversely affected by higher input costs relating to major ingredients, freight and delivery; and twelve months 2008 results were adversely impacted by these same higher input costs as well as those relating to packaging materials and products manufactured in Canada due to less favorable foreign exchange rates. The Company's per share earnings for the fourth quarter and twelve months 2008 periods did benefit from common stock purchases in the open market in 2008 and 2007 resulting in fewer shares outstanding.

The Company has taken actions and implemented programs, including selected price increases as well as cost reduction programs, with the objective to recover some of these higher input costs. However, these actions did not allow the Company to recover all of the increases in ingredient and other input costs in the fourth quarter and twelve months 2008 periods."

TOOTSIE ROLL INDUSTRIES, INC.
 CONSOLIDATED SUMMARY OF NET PRODUCT SALES & NET EARNINGS
 FOR THE PERIODS ENDED
 DECEMBER 31, 2008 & 2007
