PROXY STATEMENT
DATED AUGUST 5, 2004

ANNUAL MEETING OF SHAREHOLDERS
FOR THE FISCAL YEAR ENDED MARCH 31, 2004
TO BE HELD ON SEPTEMBER 7, 2004

GENERAL

This Proxy Statement is being furnished to the Shareholders of Bonso Electronics International Inc. ("Bonso" and "Corporation") in connection with the solicitation of proxies by the Board of Directors of the Corporation (the "Board of Directors") from the Shareholders of the Corporation for use at the Annual Meeting of the Shareholders to be held at 8:30 a.m., local time, on September 7, 2004, at the Richmond Meeting Room in the Hilton Toronto, located

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

at 145 Richmond Street West, Toronto, Ontario, Canada, M5H 2L2, and any adjournments or postponements thereof. This Proxy Statement, Notice of Annual Meeting of Shareholders, and the accompanying Proxy Card are first being mailed to Shareholders on or about August 13, 2004.

VOTING SECURITIES AND VOTE REQUIRED

Only Shareholders of record at the close of business on August 3, 2004 (the "Record Date"), are entitled to notice of and to vote the shares of Common Stock of the Corporation held by them on such date at the Meeting or any and all adjournments thereof. As of the Record Date, 5,758,365 shares of Common Stock were outstanding. There was no other class of voting securities outstanding at that date.

Each share of Common Stock held by a Shareholder entitles such Shareholder to one vote on each matter that is voted upon at the Meeting or any adjournments thereof.

The presence, in person or by proxy, of the holders of one-third of the outstanding shares of Common Stock is necessary to constitute a quorum at the Meeting. Assuming that a quorum is present, the affirmative vote of the holders of a majority of the shares of Common Stock represented at the Meeting in person or by proxy and entitled to vote will be required to approve Proposals 1, 2 and 3 and to adopt the resolutions of the Shareholders corresponding to such proposals.

Abstentions and broker "non-votes" will be counted toward determining the presence of a quorum for the transaction of business; however, abstentions will have the effect of a negative vote on the proposals being submitted. Abstentions

may be specified on the proposal to ratify the selection of PricewaterhouseCoopers as the independent accountants of the Corporation. A broker "non-vote" will have no effect on the outcome of any of the proposals.

If the accompanying Proxy Card is properly signed and returned to the Corporation and not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the persons designated as proxy holders in the accompanying Proxy Card will vote "FOR" each proposal to be considered by the Shareholders at the Meeting or, if no such recommendation is given, in their own discretion. The Corporation's executive officers and directors have advised the Corporation that they intend to vote their shares (including those shares over which they hold voting power), representing approximately 2,261,908 shares or 40.33% of the outstanding shares of Common Stock as of June 14, 2004, in favor of each of the proposals above. Each Proxy granted by a Shareholder may be revoked by such Shareholder at any time thereafter by writing to the Secretary of the Corporation prior to the Meeting, or by execution and delivery of a subsequent Proxy or by attendance and voting in person at the Meeting, except as to any matter or matters upon which, prior to such revocation, a vote shall be cast pursuant to the authority conferred by such Proxy.

The cost of soliciting these Proxies, consisting of the printing, handling, and mailing of the Proxy and related material, and the actual expense incurred by brokerage houses, custodians, nominees and fiduciaries in forwarding proxy materials to the beneficial owners of the shares of Common Stock, will be paid by the Corporation.

In order to assure that there is a quorum, it may be necessary for certain officers, directors, regular employees and other representatives of the

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

Corporation to solicit Proxies by telephone, facsimile or in person. These persons will receive no extra compensation for their services.

Directors

Except for that mentioned above, our directors do not receive any additional monetary compensation for serving in their capacities. However, outside directors receive stock options pursuant to the 1996 Non-Employee Directors' Stock Option Plan and have been granted other options. (See "Stock Option Plans -- The 1996 Non-Employee Directors' Stock Option Plan," below.) All directors are reimbursed for all reasonable expenses incurred in connection with services as a director.

Provident Fund Plan

Our wholly-owned foreign subsidiary, Bonso Electronics Limited ("BEL"), started a Provident Fund Plan (the "Plan") effective January 1, 1998, with a major international assurance company to provide life insurance and retirement benefits for its employees. All permanent full time employees who joined BEL before December 2000, excluding factory workers, are eligible to join the Plan.

Members of the Plan are required to contribute 5% of their monthly salary. The contribution by BEL is as follows:

Years of Service -----	% of salary as BEL's contribution -----
Less than 5 years	5.0%
5 to 10 years	7.5%
More than 10 years	10.0%

The Mandatory Provident Fund (the "MPF") was introduced by the Hong Kong Government in December 2000. BEL joined the MPF with a major international assurance company. All permanent full time employees who joined BEL in or after December 2000, excluding factory workers, are eligible to join the MPF. Members' and employers' each contribute 5% of the members' monthly salaries to the MPF and are subject to a maximum contribution of HK\$1,000 monthly.

At normal retirement age, death or ill health, the member shall be entitled to receive from the Plan a lump sum equal to the total of the member's and BEL's contributions plus a return on their investment. On resignation prior to normal

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

retirement age, a member shall be entitled to receive from the Plan a lump sum equal to the member's contributions plus a percentage of the employer's balance determined in accordance with a predetermined set scale.

BEL's total contributions to the Plan and the MPF for the years ended March 31, 2004, 2003 and 2002 amounted to \$77,402, \$73,945 and \$78,995, respectively.

Compensation Pursuant to Options to Purchase Common Stock

Outside, non-employee directors receive stock options pursuant to the 1996 Non-Employee Directors' Stock Option Plan and have been granted other options. In October 1996, the Board of Directors adopted a 1996 Non-Employee Directors' Stock Option Plan which provided for the grant of options to purchase an aggregate of not more than 100,000 shares of the Corporation's Common Stock. In January 2000, the Shareholders approved the proposal of the Board of Directors to increase from 100,000 to 600,000 in the aggregate number of options to purchase Common Stock of the Corporation under the Non-Employee Directors' Plan. The purpose of the 1996 Non-Employee Directors' Stock Option Plan is to promote the long-term success of the Corporation by creating a long-term mutuality of interests between the non-employee directors and the stockholders of the Corporation, to provide an additional inducement for the non-employee directors to remain with the Corporation and to provide a means through which the Corporation may attract able persons to serve as directors of the Corporation. The 1996 Non-Employee Directors' Stock Option Plan is administered by a committee appointed by the Board of Directors.

Under the 1996 Non-Employee Directors' Stock Option Plan, on the third business day following each annual meeting of the stockholders, each director who is not then an employee of the Corporation or any of its subsidiaries will automatically be granted a stock option to purchase 10,000 shares of Common Stock. The exercise price of all options granted under the 1996 Non-Employee Directors' Stock Option Plan will be equal to the fair market value of the underlying shares on the date of grant, based on guidelines set forth in the plan. The exercise price may be paid in cash, by the surrender of options, in Common Stock, in other property, including a promissory note from the optionee, or by a combination of the above, at the discretion of the committee administering the 1996 Non-Employee Directors' Stock Option Plan. The term of each option granted pursuant to the 1996 Non-Employee Directors' Stock Option Plan will be ten years from the date of grant; however, no option may be exercised during the first six months of its term. The term of an option granted pursuant to the 1996 Non-Employee Directors' Stock Option Plan may be reduced in the event that the optionee ceases to be a director of the Corporation. No option granted pursuant to the plan will be transferable otherwise than by will or the laws of descent and distribution.

Employee directors may receive stock options pursuant to the Corporation's 1996 Stock Option Plan. In October 1996, the Board of Directors adopted the 1996 Stock Option Plan which provided for the grant of options to purchase an aggregate of not more than 400,000 shares of the Corporation's Common Stock. In January 2000, the shareholders of the Corporation approved the proposal of the Board of Directors to increase from 400,000 to 900,000 in the aggregate the number of options to purchase Common Stock of the Corporation under the 1996 Stock Option Plan. The purpose of the 1996 Stock Option Plan is to make options available to management and employees of the Corporation in order to encourage them to secure or increase on reasonable terms their ownership of Common Stock in the Corporation and to encourage them to remain in the employ of the

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

Corporation.

7

The 1996 Stock Option Plan is administered by a committee appointed by the Board of Directors which determines the persons to be granted options under the plan, the number of shares subject to each option, the exercise price of each option and the option period, subject to the requirement that no option may be exercisable more than 10 years after the date of grant. The exercise price of an option may be less than fair market value of the underlying shares of Common Stock. No options granted under the plan will be transferable by the optionee other than by will or the laws of descent and distribution and each option will be exercisable, during the lifetime of the optionee, only by the optionee.

The exercise price of an option granted pursuant to the 1996 Stock Option Plan may be paid in cash, by the surrender of options, in Common Stock, in other property, including a promissory note from the optionee, or by a combination of the above, at the discretion of the committee administering the 1996 Stock Option Plan.

On March 23, 2004, our stockholders adopted the 2004 Stock Option Plan (the "2004 Plan") which provides for the grant of up to six hundred thousand (600,000) shares of the Corporation's Common Stock in the form of stock options, subject to certain adjustments as described in the Plan.

The purpose of the 2004 Plan is to secure key employees to remain in the employ of the Corporation and to encourage such employees to secure or increase on reasonable terms their Common Stock ownership in the Corporation. The Corporation believes that the Plan promotes continuity of management and increased incentive and personal interest in the welfare of the Corporation.

The 2004 Plan is administered by a committee appointed by the Board of Directors which consists of at least two but not more than three members of the Board, one of who shall be a non-employee of the Corporation. The committee members currently are Anthony So, Woo Ping Fok and George O'Leary. The committee determines the specific terms of the options granted, including the employees to be granted options under the plan, the number of shares subject to each option grant, the exercise price of each option and the option period, subject to the requirement that no option may be exercisable more than 10 years after the date of grant. The exercise price of an option may be less than fair market value of the underlying shares of Common Stock. No options granted under the plan will be transferable by the optionee other than by will or the laws of descent and distribution and each option will be exercisable, during the lifetime of the optionee, only by the optionee.

The exercise price of an option granted pursuant to the 2004 Stock Option Plan may be paid in cash, by the surrender of options, in Common Stock, in other property, including a promissory note from the optionee, or by a combination of the above, at the discretion of the Committee.

8

As of August 5, 2004, no shares have been granted under the 2004 Plan.

CERTAIN TRANSACTIONS

Edgar Filing: BONSO ELECTRONICS INTERNATIONAL INC - Form 6-K

Over the years, the Corporation has provided to and received cash advances from its officers and directors. In October 1994, the Board of Directors adopted a policy resolution prohibiting the Corporation from making any loan or advance of money or property, or guaranteeing the obligation of any directors of the Corporation, and limiting the Corporation's ability to make such loans, advances or guarantees to officers of the Corporation or its subsidiaries unless a majority of independent, disinterested outside directors determine that such loan, advance or guarantee may reasonably be expected to benefit the Corporation. Further, all future material affiliated transactions, loans and loan guarantees, if any, will be made on terms that are no less favorable to the Corporation than those that are generally available from unaffiliated third parties. The Corporation has neither provided nor received any cash advances to its officers or directors since this policy resolution was adopted.

It is common practice in Hong Kong, the location of the Corporation's principal executive offices, to provide a housing allowance or living accommodations for senior executives as part of their compensation. One of the Corporation's properties in Hong Kong is provided to Mr. So as part of his compensation. The Corporation also provides Mr. Chung with a housing allowance.

Mr. George O'Leary, a director, is paid a consulting fee by the Corporation for support and marketing services such as soliciting customers, negotiating prices and public relations in the United States. During the fiscal year ended March 31, 2004, Mr. O'Leary was paid a consulting fee of \$172,125.

During the fiscal year ended March 31, 2004 we paid Schlueter & Associates, P.C. an aggregate of \$230,909 for legal fees and expenses. Mr. Henry F. Schlueter, a director, is the Managing Director of Schlueter & Associates, P.C.

PROPOSAL 1

ELECTION OF SEVEN (7) PERSONS TO SERVE AS DIRECTORS OF THE CORPORATION

The Corporation's directors are elected annually to serve until the next Annual Meeting of Shareholders and thereafter until their successors shall have been elected and qualified. The number of directors presently authorized by the Articles of Association of the Corporation shall be not less than one (1) nor more than seven (7).

Unless otherwise directed by Shareholders, the proxy holder will vote all shares represented by proxies held by them for the election of the following nominees, all of whom are now members and constitute the Corporation's Board of Directors. The Corporation is advised that all nominees have indicated their availability and willingness to serve if elected. In the event that any nominee becomes unavailable or unable to serve as a director of the Corporation prior to the voting, the proxy holder will vote for a substitute nominee in the exercise of his best judgment.
