PROXY STATEMENT

Annual Meeting and Proxy Solicitation Information.

This Proxy Statement is furnished by our Board of Directors for the solicitation of proxies from the holders of our common stock in connection with the annual meeting of shareholders to be held at our offices located at 345 Bobwhite Court, Suite 200 Boise, Idaho 83706, on Tuesday, August 21, 2007, at 9:00 a.m. MDT, and at any recess or adjournment thereof. It is expected that the Notice of Annual Meeting of Shareholders, our Annual Report on Form 10-KSB of the Securities and Exchange Commission for fiscal year ended March 31, 2007, this Proxy Statement, and the accompanying Proxy card will be mailed to shareholders starting on or about July 22, 2007.

Voting Procedures.

The presence in person or by proxy of a majority of the voting power at the Annual Meeting is required to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be considered represented at the Annual Meeting for the purpose of determining a quorum. The shares represented by each proxy will be voted in accordance with the instructions given therein. Where no instructions are indicated, the proxy will be voted in favor of all matters to be voted on as set forth in the proxy and, at the discretion of the persons named in the proxy, on any other business that may properly come before the Annual Meeting. Each stockholder will be entitled to one vote for each share of common stock held and will not be entitled to cumulate votes in the election of directors. Shares that are authorized but not yet issued will not be entitled to vote at the Annual Meeting.

Shareholders can ensure that their shares are voted at the annual meeting by signing, dating and returning the accompanying proxy card in the self-addressed, stamped envelope provided. The submission of a signed Proxy will not affect a shareholder's right to attend the annual meeting and vote in person. Shareholders who execute proxies retain the right to revoke them at any time before they are voted by filing with the Secretary of the Company a written revocation or a Proxy bearing a later date at the corporate address. The presence at the annual meeting of a shareholder who has signed a proxy does not, by itself, revoke that Proxy unless the shareholder attending the annual meeting files a written notice of revocation of the Proxy with the Secretary of the Company at any time prior to the voting of the Proxy at the meeting.

Proxies will be voted as specified by the shareholders. Where specific choices are not indicated, proxies will be voted FOR the election of each item so presented.

The Board of Directors knows of no other matters to be presented for shareholder action at the annual meeting. If any other matters properly come before the annual meeting, the persons named as proxies will vote on such matters in their discretion.

The expense of printing and mailing Proxy materials, including expenses involved in forwarding Proxy materials to beneficial owners of common stock held in the name of another person, will be paid by us. No solicitation, other than by mail, is currently planned.

Only shareholders of record at the close of business on Monday, July 2, 2007 (this date is referred to as the "record date"), are entitled to receive notice of and to vote the shares of common stock registered in their name at the annual meeting. As of the record date, we had approximately 35,000,00 shares of our common stock outstanding. Each share of common stock entitles its holder to cast one vote on each matter to be voted upon at the annual meeting.

Under Idaho law, the Idaho Business Corporation Act requires the presence of a quorum to conduct business at the annual meeting. A quorum is defined as the presence, either in person or by proxy, of a majority of the outstanding shares of common stock entitled to vote at the annual meeting. The shares represented at the annual meeting by Proxies that are marked "withhold authority" will be counted as shares present for the purpose of determining whether a quorum is present. Broker non-votes (i.e., Proxies from brokers or nominees indicating that such persons have not received instructions from beneficial owners to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will also be counted as shares present for purposes of determining a quorum.

Directors are elected by the affirmative vote of a plurality of the shares of common stock present, either in person or by proxy, at the annual meeting and entitled to vote. For this purpose, "plurality" means that the individuals receiving the largest number of votes are elected as directors, up to the maximum number of directors to be chosen at the election. In the election of directors, votes may be cast in favor or withheld. Votes that are withheld and broker non-votes will have no effect on the outcome of the election of directors.

A majority of the outstanding shares of the Company entitled to vote, represented in person or by proxy, constitute a quorum at the Annual Meeting of shareholders. Broker non-votes will have no effect on the outcome of the shareholder vote on Proposal No. 2.

Effective Dates.

The election of directors and appointment of HJ & Associates as our auditors, if approved by the shareholders, will be effective immediately following the annual meeting.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The nominees for election as Directors are the five members of our current Board of Directors: Anthony A. Maher, Donald J. Farley, Cecil D. Andrus, Dehryl A. Dennis, and Michael K. McMurray. Each director is to serve until the next Annual Meeting of our stockholders or the director's prior death, resignation or termination and the appointment and qualification of a successor.

In previous proxy statements, we had four board members. In October 2006, Dehryl A. Dennis was appointed to the board to comply with requirements in the Note Purchase Agreement dated December 29, 2005. After Mr. Dennis appointment, the board increased from four to five members. All other directors have served since the last annual meeting of our shareholders.

Nominees for Director

Name	Age	Position	Held Position Since
Anthony A. Maher	59	Chairman, President, and CEO	1989
Donald J. Farley	59	Secretary	1994
Cecil D. Andrus	75	Director	1997
Dehryl A. Dennis	66	Director	2006
Michael K. McMurray	61	Director	1989-1994, 2003-Present

Anthony A. Maher. Mr. Maher was recruited to PCS at our inception as Chairman of the Board, President and Chief Executive Officer and structured our purchase of PCS Schools, Inc. and PCS LabMentors, LTD. Since then, Mr. Maher has overseen the development of our curriculum from four core areas to over sixty (60); the development of our distance developer database and the creation of our web-based publishing expertise. From 1982 to 1989, he was founder and Chairman of the Board of National Manufacturing Company, Inc. and its subsidiary, National Medical Industries, Inc. From 1979 to 1982, Mr. Maher was Executive Vice President for Littletree Inns, a hotel company based in Boise, Idaho, with properties throughout the Northwest. Mr. Maher graduated from Boise State University in 1970 with a Bachelor of Arts degree in Political Science.

Donald J. Farley. Mr. Farley is the Secretary of the Company and acted as our Company's legal counsel from 1994 until 2005. Mr. Farley is a founding partner of the law firm of Hall, Farley, Oberrecht & Blanton, P.A. His legal practice emphasizes litigation and representation of closely held businesses. He has been in private practice since 1975, after serving a two-year judicial clerkship with former United States District Judge J. Blaine Anderson. Mr. Farley is admitted to practice before all state and federal courts in Idaho and has also been admitted to practice before the United States Supreme Court. He is a member of the American Bar Association, the International Association of Defense Counsel, Defense Research Institute, the Idaho State Bar Association and the Association of Trial lawyers of America. Mr. Farley graduated from the University of Idaho in 1970 with a Bachelor of Arts degree in Economics and from the University of Idaho College of Law in 1973.

Cecil D. Andrus. Governor Andrus joined the PCS Board of Directors in November 1995. Following his retirement from public service in January 1995, Mr. Andrus founded and now directs the Andrus Center for Public Policy at Boise State University. Governor Andrus is the first person in the history of Idaho to be elected Governor four different times (1970, 1974, 1986, and 1990). When he retired from public office, he was the senior governor in the United States in length of service. Mr. Andrus resigned as governor in 1977 to become the Secretary of the Interior in the Carter Administration, the first Idahoan to serve in a Presidential Cabinet. Governor Andrus is a former Director of Albertsons and KeyCorp, and a current Director of The Coeur D'Alene Company and Rentrak Corp. He also serves "Of Counsel" to the Gallatin Group, a public affairs and corporate analysis company, and the Andrus Center for Public Policy at Boise State University.

Dehryl A. Dennis, PhD. Dr. Dennis has had a 36-year career that took him from teaching in small public schools in southwest Idaho to Puerto Rico and Illinois, and then returning to his native state as a district administrator in Boise, Idaho. During his entire professional career, Dr. Dennis was an outspoken advocate for programs that emphasized applied learning. Because of his strong belief that most people learn by "doing rather than thinking about doing," he supported and helped implement off-school site classrooms in malls and hospitals, partnerships with trade unions, small business, and industry, and cooperative agreements with institutions of higher learning. The success of these programs culminated in the construction of the Dehryl A. Dennis Professional Technical Center, which opened in 1999 and presently serves approximately 900 students from sixteen (16) area high schools. Appointed in 1976 as Director of Personnel, he later served as Assistant Superintendent and then Deputy Superintendent until he was appointed District Superintendent in 1994. He remained as Superintendent until his retirement in July 1999.

Michael K. McMurray. Mr. McMurray returned to the Board of PCS after having served from 1989 through 1994. He retired from Boise Cascade after serving there for over 30 years, starting as a Treasury Analyst in 1970, Assistant to Realty Controller from 1971 to 1974, Manager, Cash & Banking from 1974 to 1976, Manager of Banking & Corporate Credit from 1976 to 1980, Assistant Treasurer from 1980 to 1989, and then Assistant Treasurer and Director, Retirement Funds from 1989 until he retired in 2000. Mr. McMurray has served with distinction on several Boards including Regence Blue Shield of Idaho, American Red Cross, Farmers & Merchants State Bank, Idaho Housing and Finance, Boise Family YMCA, Hillcrest Country Club and the Downtown Boise Association. He is a graduate of the University of Idaho with a degree in Finance and has completed the Program for Management Development at the Harvard Business School.

Committees

Audit Committee: We chartered an audit committee in 2001 for the purpose of engaging accounting firm(s), which is currently HJ & Associates, LLC, for the annual audit. The audit committee currently consists of Board members, Michael K. McMurray and Cecil D. Andrus. Mr. McMurray is considered an audit committee financial expert based on his previous work experience and the definition contained in Reg. 228.401 Instructions to paragraph (e)(1) of Item 401 of the Sarbanes-Oxley Act. The audit committee continued to implement the formal policy regarding the scope, responsibilities and length of service for the audit committee adopted fiscal year 2005. The audit committee held no formal meetings during fiscal year 2007. However, the audit committee did discuss auditing issues via telephone conference and during regularly scheduled board meetings, after which time the conversations were incorporated into the Company's minutes.

The audit committee is currently responsible for (i) appointing or replacing our auditing firm, (ii) reviewing the scope, reports, costs, and other items related to the quarterly reviews and annual audit conducted by our auditors, (iii) reviewing the qualifications, expertise, and suitability of our auditors, (iv) speaking with and approving all actions to be undertaken by our auditors, and (v) reviewing and providing feedback for our internal control reports.

Nominating or Governance Committee: PCS does not have standing nominating or governance committee or a charter with respect to the process for nominations to our Board of Directors. Currently, our directors submit nominations for election to fill vacancies on the Board to the entire Board for its consideration.

Our Bylaws do not contain any provision addressing the process by which a stockholder may nominate an individual to stand for election to the Board of Directors, and we do not have any formal policy concerning stockholder recommendations to the Board of Directors. To date, we have not received any recommendations from non-affiliate stockholders requesting that the Board consider a candidate for election to the Board. However, the absence of such a policy does not mean that the Board of Directors would not consider any such recommendation, if one is received. The Board would consider any candidate proposed in good faith by a stockholder. To do so, a stockholder should send the candidate's name, credentials, contact information and his or her consent to be considered as a candidate to the Chairman of the Board, Anthony A. Maher. The proposing stockholder should also include his or her contact information and a statement of his or her share ownership in the Company (how many shares owned and for how long).

In evaluating potential directors, Mr. Maher and the Board consider the following factors:

- v the appropriate size of our Board of Directors;
- v our needs with respect to the particular talents and experience of our directors;
- v the knowledge, skills and experience of nominees, including experience in finance, administration, or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;
- v familiarity with the educational industry;
- v experience with accounting rules and practices; and
- v the desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board members.

Our goal is to assemble a Board of Directors that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, Mr. Maher and the Board will also consider candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees, although Mr. Maher and the Board of Directors may also consider such other factors as they may believe are in the best interests of PCS and our shareholders.

Mr. Maher and the Board of Directors identify nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-election. If any member of the Board does not wish to continue in service or if we decide not to re-nominate a member for re-election, we then identify the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board of Directors are polled for suggestions as to individuals meeting the criteria described above. The Board may also engage in research to identify qualified individuals. To date, we have not

engaged third parties to identify or evaluate or assist in identifying potential nominees, although we reserve the right in the future to retain a third party search firm, if necessary.

Our Board of Directors does not have a formal process for security holders to send communications to the Board. However, our directors take great interests in the concerns of stockholders. In addition, our directors review and give careful consideration to any and all stockholder communications. Security holder communications may be sent to: Board of Directors, PCS Edventures!.com, Inc., 345 Bobwhite Court, Suite 200, Boise, Idaho 83706. Communications may also be sent to any individual director at our address.

Compensation Committee Interlocks and Insider Participation

Compensation Committee: We adopted a compensation committee during fiscal year 2004 for the purpose of regulating management's compensation, as well as any incentive plans proposed by the Company. The compensation committee currently consists of Board Members, Cecil D. Andrus and Donald J. Farley. Neither member of the committee is now or was previously an officer or employee of the Company or any of its subsidiaries. Compensation for each member of the compensation committee is included in the table titled Director Compensation for Fiscal Year 2007.

Compensation Committee Report

This report is being submitted by the compensation committee members, Mr. Farley and Mr. Andrus. This report addresses what the compensation committee is responsible for and how the Company current decides on compensation of its executive officers.

The compensation committee is currently responsible for (i) reviewing and monitoring the appropriateness of the Company's executive compensation procedures, (ii) reviewing and approving, where necessary, compensation and benefits to executives, (iii) evaluating the performance of the executive officers, (iv) monitoring the benefit plan(s) offered to employees of the Company, and (v) evaluating and making recommendations for the stock option plan(s).

The compensation committee did not hold any meetings during fiscal year 2007. However, any discussions related to compensation were discussed during regularly scheduled board meetings, after which time the conversations were incorporated into the Company's minutes. Within these discussions, the compensation committee discussed Compensation Discussion and Analysis including, but not limited to compensation awarded to, earned by, or paid to the executive officers of the Company; current and long-term compensation for executive officers; and proposed incentive compensation plans. The compensation committee sets all levels of compensation for the executive officers. For executive officers other than the CEO, the committee reviews, analyzes, and makes a determination of compensation based on recommendations from the CEO. The CEO's compensation is determined by the compensation committee each year after open discussions with other board members, excluding the Chairman, who is the CEO. The key components of our compensation strategy is to link performance and shareholder value to salaries, stock bonus awards, and stock option awards to recognize the contribution of each individual executive officer, as well as to recognize the business results as demonstration by the executive officers as a whole.

DIRECTOR COMPENSATION FOR FISCAL YEAR 2007

Each fiscal year, the Board of Directors sets the dollar amount for the compensation of outside directors for their services. Said compensation shall be in the form of freely tradable PCS common stock at its then bid price, or in the form of stock options to purchase PCS common stock at its then current bid price. It is the current practice of the Company to issue this compensation in the form of options that vest immediately upon execution of each agreement to purchase Rule 144 stock. The current CEO is excluded from receiving additional compensation as a Board member beginning the second fiscal quarter of 2006 at his own request and by unanimous consent of the Board.

The Option Awards (\$) listed below are valued utilizing the Black-Scholes Model. At the time of the grant, the Company utilizes the weekly Friday risk-free rate of return for a treasury bill for the date closest thereto. The Company calculates the volatility related to each issuance based upon the standard deviation of the Company's stock price at the end of each month for the number of periods in arrears equal to the number of periods expiration of the option agreement.
