Voting Procedures

The presence in person or by Proxy of a majority of the voting power at the Annual Meeting is required to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be considered represented at the Annual Meeting for the purpose of determining a quorum. The shares represented by each Proxy will be voted in accordance with the instructions given therein. Where no instructions are indicated, the Proxy will be voted in favor of all matters to be voted on as set forth in the Proxy and, at the discretion of the persons named in the Proxy, on any other business that may properly come before the Annual Meeting. Each shareholder will be entitled to one vote for each share of common stock held and will not be entitled to cumulate votes in the election of directors. Shares that are authorized but not yet issued will not be entitled to vote at the Annual Meeting. The expense of printing and mailing Proxy materials, including expenses involved in forwarding Proxy materials to beneficial owners of common stock held in the name of another person, will be paid by us. No solicitation, other than by mail, is currently planned.

YOUR VOTE IS IMPORTANT. PLEASE SUBMIT YOUR PROXY PROMPTLY.

Shareholders can ensure that their shares are voted at the Annual Meeting, even if they plan to attend the meeting, by casting their vote by one of the following measures;

Revocability of Proxy

The submission of a signed Proxy will not affect a shareholder's right to attend the Annual Meeting and vote in person. Shareholders who execute proxies retain the right to revoke them at any time before they are voted by filing with the Secretary of the Company a written revocation or a Proxy bearing a later date at the corporate address. The presence at the Annual Meeting of a shareholder who has signed a Proxy does not, by itself, revoke that Proxy unless the shareholder attending the Annual Meeting files a written notice of revocation of the Proxy with the Secretary of the Company at any time prior to the voting of the Proxy at the meeting.

Proxies will be voted as specified by the shareholders. Where specific choices are not indicated, proxies will be voted **FOR** the election or adoption of each item so presented.

The Board of Directors knows of no other matters to be presented for shareholder action at the Annual Meeting. If any other matters properly come before the Annual Meeting, the persons named as proxies will vote on such matters in their discretion.

Record Date

Only shareholders of record at the close of business on Friday, August 10, 2012 (this date is referred to as the record date), are entitled to receive notice of and to vote the shares of common stock registered in their name at the Annual Meeting.

Outstanding Shares

As of the record date, we had approximately 46,707,782 shares of our common stock outstanding. Each share of common stock entitles the holder to cast one vote on each matter to be voted upon at the Annual Meeting.

Voting Rights and Required Vote

Under Idaho law, the Idaho Business Corporation Act requires the presence of a quorum to conduct business at the Annual Meeting. A quorum is defined as the presence, either in person or by Proxy, of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting. The shares represented at the Annual Meeting by Proxies that are marked withhold authority will be counted as shares present for the purpose of determining whether a quorum is present. Broker non-votes (i.e., Proxies from brokers or nominees indicating that such persons have not received instructions from beneficial owners to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will also be counted as shares present for purposes of determining a quorum.

Directors are elected by the affirmative vote of a plurality of the shares of common stock present, either in person or by Proxy, at the Annual Meeting and entitled to vote. For this purpose, plurality means that the individuals receiving the largest number of votes are elected as directors, up to the maximum number of directors to be chosen at the election. In the election of directors, votes may be cast in favor, against or withheld. Votes that are withheld and broker non-votes will have no effect on the outcome of the election of directors.

A majority of the outstanding shares of the Company entitled to vote, represented in person or by Proxy, constitute a quorum at the Annual Meeting of shareholders.

Effective Dates

The election of directors, if approved by the shareholders, will be effective immediately following the Annual Meeting.

Director Qualifications

In evaluating potential directors, The Board considers the following factors:

the appropriate size of our Board of Directors;

our needs with respect to the particular talents and experience of our directors;

the knowledge, skills and experience of nominees, including experience in finance, administration, or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;

familiarity with the educational industry;

experience with accounting rules and practices; and

the desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board members.

Our goal is to assemble a Board of Directors that brings together a variety of perspectives and skills derived from high quality business and professional experience. In doing so, The Board will also consider candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees, although The Board of Directors may also consider such other factors as they may believe are in the best interests of PCS and its shareholders.

The Board of Directors identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to our business and who are willing to continue in service are considered for re-election. If any member of the Board does not wish to continue in service or if we decide not to re-nominate a member for re-election, we then identify the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board of Directors are polled for suggestions as to individuals meeting the criteria described above. The Board may also engage in research to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate or assist in identifying potential nominees, although we reserve the right in the future to retain a third party search firm, if necessary.

Role of Board in Risk Oversight

One of the functions of our Board of Directors is informed oversight of our risk management process. The Board does not have a standing risk management committee, but oversees this function through the Board as a whole, as well as through the audit committee, which is responsible for discussing guidelines and policies to govern the process by which risk assessment and management is undertaken.

Our Board oversees risk, including operational risk, liquidity risk and credit risk in various ways. Board meetings generally include discussions among Board members, management and outside consultants, when practical, regarding material risks we face, including operational and financial risk. Our management provides information to the Board regarding our approach to material risks, both at meetings and on a regular basis during informal discussion. In addition, the Board generally reviews the disclosures in our Annual Report on Form 10-K, including the risk factors. The Board's discussions with management include whether all material risks and concerns have been identified and the manner in which management will address the issues.

Potential Conflicts of Interests of Compensation Consultants

None.

Donald J. Farley. Mr. Farley is a founding partner of the law firm of Farley Oberrecht Harwood& Burke, P.A. and has been the firm's managing shareholder for over 15 years. His legal practice emphasizes litigation and representation of closely held businesses. He has been in private practice since 1975, after serving a two-year judicial clerkship with former United States District Judge J. Blaine Anderson. Mr. Farley is admitted to practice before all state and federal courts in Idaho and has also been admitted to practice before the United States Supreme Court. He is a member of the American Bar Association, the

International Association of Defense Counsel, Defense Research Institute, the Idaho State Bar Association and the American College of Trial Lawyers. Mr. Farley graduated from the University of Idaho in 1970 with a Bachelor of Arts degree in Economics and from the University of Idaho College of Law in 1973. He has been active in the Boise and Idaho legal and business communities throughout his 35 years as a practicing attorney. Mr. Farley has not held a directorship position nor was he a directorship nominee for any other public company or investment company in the past five years.

Mr. Farley acts as the Chairman of our Compensation Committee and serves as the Secretary of the Company. He acted as the Company's legal counsel from 1994 until 2005, during which time he guided the Company in merger and acquisition activities, as well as all agreements between the Company and its vendors and customers. We feel he is more than qualified to be re-elected to the Board because of his long tenure and knowledge of the Company, his legal experience and general business experience.

Dehryl A. Dennis, Ed.D. Dr. Dennis has had a 36-year career that took him from teaching in small public schools in southwest Idaho to Puerto Rico and Illinois, and then returned him to his native state as a district administrator in Boise, Idaho. During his entire professional career, Dr. Dennis was an outspoken advocate for programs that emphasized applied learning. Because of his strong belief that most people learn by doing rather than thinking about doing, he supported and helped implement off-school site classrooms in malls and hospitals; partnerships with trade unions, small business, and industry; and cooperative agreements with institutions of higher learning. The success of these programs culminated in the construction of the Dehryl A. Dennis Professional Technical Center, a 40,000 SF technical school within the Boise District, which opened in 1999 and presently serves approximately 900 students from 16 area high schools. Appointed in 1976 as Director of Personnel, he later served as Assistant Superintendent and then Deputy Superintendent until he was appointed District Superintendent in 1994. During that time, he brought the Boise School District from an under-performing school system to the best performing in the State of Idaho. He remained as Superintendent until his retirement in July 1999. Dr. Dennis has not held a directorship position nor was he a directorship nominee for any other public company or investment company in the past five years.

Dr. Dennis serves on our Audit Committee and he is our sounding board for product and program development. We feel Dr. Dennis, a Board Member since 2007, is more than qualified to sit on our Board, as he is the technical advisor to our in-house instructional designers and curriculum writers for products developed for the classroom.

Michael K. McMurray. Mr. McMurray returned to the PCS Board in 2004 after having served on the Board from 1989 through 1994. He retired as a financial executive from Boise Cascade Corporation in 2001. Mike has served on a number of company and not-for-profit boards. Mike is currently on the PCS Edventures!.com, Inc. and Tenxsys Boards. Mike also serves as a director for the non-public company Regence Blue Shield of Idaho and on the public not-for-profit Finance Committee of the Board of the Idaho Community Foundation. Mike has worked as a consultant primarily engaged in financing growth for a broad range of companies including the Titcomb Family Trust and Paksense. Community boards include past Board Chairman of Idaho Housing and Finance Association and Board Chairman of the Idaho Housing Company. He is a past board member of Farmers and Merchants Bank, the Downtown Boise Association, Hillcrest Country Club and the Boise Family YMCA. Mike is a graduate of the University of Idaho with a finance degree and the Harvard Business School Executive MBA program. Other than the items mentioned above, Mr. McMurray has not held a directorship position in any other publicly held company or investment company in the past five years.

Mr. McMurray is familiar with our Company and personnel. He provides financial and general business advice that is useful to our Company. Mr. McMurray currently acts as the Chairman of our Audit Committee. He also serves on our Compensation Committee. We feel Mr. McMurray is a considerable asset to PCS.

Todd R. Hackett. Todd Hackett is the owner of a successful construction company in Iowa who first became aware of PCS as an investment opportunity in 2007. Over the past five years his involvement with PCS has grown from a casual investor to a strong advocate for bringing educational opportunities to both children and young adults to strengthen their knowledge in math and science. Mr. Hackett brings a strong business background to PCS, well founded in the fundamental principles of building a successful company. He has demonstrated his abilities in the building of his own company from a start-up in 1981 to a major construction firm now handling multi-million dollar projects. Many of his projects involve educational institutions such as community colleges, middle schools, libraries, and applied technology labs. Mr. Hackett has not held a directorship position nor was he a directorship nominee for any other public company or investment company in the past five years.

Mr. Hackett is actively involved in his community, is passionate about the potential of PCS, and is actively engaged in helping to create a company that will have deep shareholder value as well as improve STEM education around the world. We believe Mr. Hackett brings valuable business and financial experience to PCS.

Robert O. Grover. Mr. Grover was appointed Chief Executive Officer in January 2012. In 2011 he served as the Chief Technology Officer and President of PCS International. From March 2010 to January 2012, Mr. Grover served as President, Chief Operating Officer and Chief Technology Officer. Mr. Grover joined PCS at its inception and has spent the last two decades with PCS designing, developing, and creating PCS learning programs and services intended to facilitate student-centered, experiential learning. Mr. Grover has worked closely with a variety of organizations to design, implement, and study successful, hands-on STEM programs including the United States Department of Education, the National Science Foundation, the Boys and Girls Clubs of America, the YMCA, the US Army, the US Air Force, NASA, Boise State University, Idaho State University, SECME, and many others. Mr. Grover has traveled extensively throughout the world promoting PCS programs and developing International relationships for the Company. He was appointed to the Idaho District Export Council by the US Secretary of Commerce in January of 2012. A Merit Scholar, Mr. Grover attended Michigan State University for course work in Astrophysics, Philosophy, Computer Science, and Religious Studies; he attended the University of Idaho for additional coursework in History, Religious Studies, and Philosophy; and graduated with a B.A. in English, Creative Writing and an A.A.S in Management from Boise State University in 1988. Mr. Grover has not held a directorship position nor was he a directorship nominee for any other public company or investment company in the past five years.

With Mr. Grover's 25 plus years of experience, acquired knowledge and creativity, we feel that he contributes an excellent awareness of industry trends and brings the strategies and tactic needed to retain and attract new business opportunities.

Committees

Audit Committee:

We chartered an audit committee in 2001 for the purpose of engaging an accounting firm, which is currently M&K CPAs, PLLC, for our annual audit and quarterly reviews. The audit committee currently consists of Board members Michael K. McMurray and Dehryl A. Dennis. Mr. McMurray is considered an audit committee financial expert based on his previous work experience and the definition contained in Reg. 228.401 Instructions to paragraph (e)(1) of Item 401 of the Sarbanes-Oxley Act. The audit committee continued to implement its Charter regarding the scope and responsibilities for the audit committee adopted in fiscal year 2005 and revised in fiscal year 2010. The audit committee meets with M&K CPAs, PLLC via telephone on a quarterly basis and meets separately with management to review quarterly financial results and discuss any issues. In addition, the audit committee discusses auditing issues as needed during regularly scheduled Board meetings, which are documented in the Company's minutes.

The audit committee is currently responsible for

(i)

appointing or replacing our auditing firm;

(ii)

reviewing the scope, reports, costs, and other items related to the quarterly reviews and annual audit conducted by our auditors;

(iii)

reviewing the qualifications, expertise, and suitability of our auditors;

(iv)

speaking with and approving all actions to be undertaken by our auditors; and

(v)

reviewing and providing feedback for our internal control reports

Nominating or Governance Committee:

PCS does not have a standing nominating or governance committee or a charter with respect to the process for nominations to our Board of Directors. Currently, our directors submit nominations for election to fill vacancies on the Board to the entire Board for its consideration.

Our Bylaws do not contain any provision addressing the process by which a shareholder may nominate an individual to stand for election to the Board of Directors, and we do not have any formal policy concerning shareholder recommendations to the Board of Directors. To date, we have not received any recommendations from non-affiliate shareholders requesting that the Board consider a candidate for election to the Board. However, the absence of such a policy does not mean that the Board of Directors would not consider any such recommendation, if one is received. The Board would consider any candidate proposed in good faith by a shareholder. To do so, a shareholder should send the candidate's name, credentials, contact information and his or her consent to be considered as a candidate to the attention of the company's Secretary, Donald J. Farley at 345 Bobwhite Court, Suite 200, Boise, ID 83706. The proposing shareholder should also include his or her contact information and a statement of his or her share ownership in the Company (how many shares owned and for how long).

Our Board of Directors does not have a formal process for security holders to send communications to the Board. However, our directors take great interests in the concerns of shareholders. In addition, our directors review and give careful consideration to any and all shareholder communications. Security holder communications may be sent to: Board of Directors, PCS Edventures!.com, Inc., 345 Bobwhite Court, Suite 200, Boise, Idaho 83706. Communications may also be sent to any individual director at our address.

Compensation Committee:

We adopted a compensation committee during fiscal year 2004 for the purpose of regulating management's compensation, as well as any incentive plans proposed by the Company. The compensation committee currently consists of Board Members Donald J. Farley and Michael K. McMurray. None of the members of the committee is now or was previously an officer or employee of the Company or any of its subsidiaries. Compensation for each member of the compensation committee is included in the table titled Director Compensation for fiscal year 2012.

Compensation Committee Report

This report is being submitted by the compensation committee members, Mr. Farley and Mr. McMurray. This report addresses what the compensation committee is responsible for and how the Company currently decides on compensation of its executive officers.

The compensation committee is currently responsible for

- (i)
reviewing and monitoring the appropriateness of the Company's executive compensation;
- (ii)
reviewing and approving, where necessary, compensation and benefits to executives;
- (iii)
evaluating the performance of the executive officers;
- (iv)
monitoring the benefit plan(s) offered to employees of the Company; and
- (v)
evaluating and making recommendations for the stock incentive plan(s).

The compensation committee did not hold any meetings during fiscal year 2012. However, any discussions related to compensation were discussed during regularly scheduled Board meetings, after which time the conversations were incorporated into the Company's minutes. Within these discussions, the compensation committee discussed Compensation Discussion and Analysis including, but not limited to compensation awarded to, earned by or paid to the executive officers of the Company; current and long-term compensation for executive officers; and proposed incentive compensation plans. The compensation committee sets all levels of compensation for the executive officers. For executive officers other than the CEO, the committee reviews, analyzes and makes a determination of compensation based on recommendations from the CEO. The CEO's compensation is determined by the compensation committee each year after open discussions with other Board members. The key components of our compensation strategy is to link performance and shareholder value to salaries, stock bonus awards, and stock option awards to recognize the contribution of each individual executive officer, as well as to recognize the business results as demonstrated by the executive officers as a whole.

Director Independence

We believe that all members of our Board of Directors, with the exception of our Chief Executive Officer, Mr. Robert Grover, are independent based on the following definition of NASDAQ, which is quoted below from Rule 5605(a)(2), which our Board of Directors has adopted this definition of an independent director even though we are not required to have independent directors. (2) Independent Director means a person other than an Executive Officer or employee of the Company or any other individual having a relationship, which, in the opinion of the Company's Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. For purposes of this rule, Family Member means a person's spouse, parents, children and siblings, whether by blood, marriage or adoption, or anyone residing in such person's home. The following persons shall not be considered independent:

(A) a director who is, or at any time during the past three years was, employed by the Company;

(B) a director who accepted or who has a Family Member who accepted any compensation from the Company in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, other than the following:

i.

compensation for Board or Board committee service;

ii.

compensation paid to a Family Member who is an employee (other than an Executive Officer) of the Company; or

iii.

benefits under a tax-qualified retirement plan, or non-discretionary compensation.

Provided, however, that in addition to the requirements contained in this paragraph (B), audit committee members are also subject to additional, more stringent requirements under Rule 5605(c)(2).

(C) a director who is a Family Member of an individual who is, or at any time during the past three years was, employed by the company as an Executive Officer;

(D) a director who is, or has a Family Member who is, a partner in, or a controlling Shareholder or an Executive Officer of, any organization to which the Company made, or from which the Company received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more, other than the following:

i.

payments arising solely from investments in the Company's securities; or

ii.

payments under non-discretionary charitable contribution matching programs.

(E) a director of the Company who is, or has a Family Member who is, employed as an Executive Officer of another entity where at any time during the past three years any of the Executive Officers of the Company serve on the compensation committee of such other entity; or

(F) a director who is, or has a Family Member who is, a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three years.

(G) in the case of an investment company, in lieu of paragraphs (A)-(F), a director who is an interested person of the Company as defined in Section 2(a)(19) of the Investment Company Act of 1940, other than in his or her capacity as a member of the Board of Directors or any Board committee.

Director Compensation For Fiscal Year 2012

Effective October 1, 2009, the Board resolved and adopted the annual fees to be paid to outside Directors of the Board to be \$30,000 annually and paid in the form of Restricted Stock Units, or other form authorized under the PCS 2009 Equity Incentive Plan as the Board determines. Restricted Stock Units are subject to forfeiture as described in the 2009 Plan. As of March 31, 2012, the Company had accrued \$52,500 of director fees. The CEO is excluded from receiving additional compensation as a Board member beginning the second fiscal quarter of 2006 by unanimous consent of the Board.

The following table shows awards and payments to outside Directors of our Board for fiscal year 2012 as compensation..

Each common stock share is valued at \$0.51, based on the closing price of the Company s common stock at the date of grant. During the fiscal year ended March 31, 2012, the Company granted 200,000 shares of restricted stock to R. Grover, an officer and member of the board of directors. Shares are immediately forfeited if the officer is not an employee of the Company at the date that Rule 144 of the current rules of the

Securities and Exchange Commission provides that the restrictions are removed and the restricted stock may be registered or otherwise qualified for sale. The stock certificate was issued and is being held at PCS until the shares are fully vested in April 2012. The shares vest over a six-month period and are valued at \$.11 per share which represents the fair market value at the date of grant in accordance with the 2009 Equity Incentive Plan. The value of the shares is being amortized over the vesting period in the amount of \$3,667 per month.

During the year ended March 31, 2012 and 2011, the Company issued 27,662 and 69,868, shares of common stock, respectively, to J Khoury, an officer of LabMentors, our wholly owned subsidiary, for bonuses for a net value of \$5,809 and \$23,906, based on the closing price of our common stock at the grant dates.

On January 1, 2012, the Company executed an at will employment agreement with A. Maher, former CEO and former Board member, which rescinds a previous employment agreement dated August 26, 2011. Maher's responsibility as an employee of the Company shall be to assist the Company, its Chief Executive Officer, Chief Financial Officer and Board of Directors in Business Development, Strategic Planning related thereto, the EB-5 Immigration Program, Corporate Finance, and such other responsibilities as the Company, its Board of Directors, Chief Executive Officer and Chief Financial Officer may request from time to time with a monthly salary of \$7,500 with standard benefits.

On March 16, 2012, the Company executed an employment agreement with B. Newbold as the Company's new Chief Operating Officer. The agreement is at will after six-months, unless terminated for cause. Mr. Newbold's responsibilities are to increase operating efficiencies, reduce costs as appropriate, direct product development and increase sales and marketing to support the strategic plan as defined by the Board of Directors and executive management team. Mr. Newbold will be paid a salary of \$5,000 per month with standard benefits. In conjunction with the employment agreement, the Company granted Mr. Newbold 100,000 shares of restricted common shares of PCS stock. Said shares are fully vested immediately. In addition to the monthly salary and the aforementioned 100,000 shares of common restricted stock, the Company will issue to Newbold 150,000 shares of Incentive Stock Options, at the closing price on the date this agreement is effective. Said ISOs shall vest 12 months from the date of this agreement, contingent upon Newbold's continued employment with the Company and the Company reaching the incentive defined goal of increasing revenue, increasing operations efficiencies and reducing costs resulting in PCS achieving a cash flow positive position.

During the fiscal year ended March 31, 2012, the Company entered into various loan transactions with members of the Board of Directors (D. Farley), shareholders (T. Hackett) and an employee (A.
