INFORMATION STATEMENT

WE ARE NOT ASKING YOU FOR A PROXY AND
YOU ARE REQUESTED NOT TO SEND US A PROXY.

Our board of directors is furnishing this information statement to the holders of record of the issued and outstanding shares of our common stock, \$.01 par value, and the holders of record of the issued and outstanding shares of our Series A Convertible Preferred Stock, \$.01 par value ("Series A Preferred"), as of the close of business on April 23, 2004 (the "record date"), in connection with our proposed amendment (the "Amendment") of certain terms of our Series A Preferred. Our board of directors unanimously approved the Amendment and recommended its adoption by our stockholders by a unanimous written consent of the board effective as of April 15, 2004.

Section 242 of the Delaware General Corporation Law ("DGCL") requires us to obtain stockholder approval of the Amendment, and Article XI of the Certificate of Designation, Preferences and Rights of Series A Convertible Preferred Stock ("Certificate of Designation") requires us to obtain approval of at least 75% of the issued and outstanding Series A Preferred shares and at least a majority of the issued and outstanding shares of our common stock. Only holders of record of our common stock and Series A Preferred at the close of business on the record date are entitled to approve and adopt the Amendment. As of the record date, 42,331,290 shares of our common stock and 1,278 shares of our Series A Preferred were issued and outstanding. We have no other classes or series of capital stock. Each share of our common stock and each share of Series A Preferred issued and outstanding on the record date is entitled to one vote with regard to the approval and adoption of the Amendment. The common stock and the Series A Preferred vote as separate classes on the Amendment.

Under the DGCL and the Certificate of Designation, our stockholders may adopt and approve the Amendment without a meeting, without prior notice and without a vote if a written consent adopting and approving the Amendment is signed by the holders of outstanding shares of each class having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote on the action were present and voted (here, a majority of the outstanding shares of common stock and at least 75% of the outstanding shares of Series A Preferred). The holders of a majority of the shares of our common stock and at least 75% of the shares of our Series A Preferred outstanding as of the record date, who include executive officers, affiliates of executive officers and major stockholders who

Edgar Filing: SSP SOLUTIONS INC - Form PRE 14C

have ongoing business and personal relationships with each other and communicate regularly (a total of five common stockholders and their affiliates and four Series A Preferred holders, one of whom is also a common stockholder, and their affiliates), approved the Amendment by written consent dated effective as of April 23, 2004. Accordingly, your consent is not required and is not being solicited in connection with the Amendment. See "Information About Approvals of the Amendment - Approval of the Amendment By Our Board and Stockholders" at page 6 for further details.

We will pay the expenses of furnishing this information statement, including the cost of preparing, assembling and mailing this information statement. We anticipate that this information statement will be sent or given on or about May __, 2004 to the holders of our common stock and Series A Preferred as of the record date, and that the Amendment will be filed with the Secretary of State of Delaware and become effective no earlier than the twentieth day after this information statement is sent or given to those holders of our common stock and Series A Preferred.

INFORMATION ABOUT THE AMENDMENT

BACKGROUND

On November 18, 2003, we created the Series A Preferred by filing the Certificate of Designation with the Delaware Secretary of State, at which time it became part of our Certificate of Incorporation. On November 19, 2003, we issued 2,150 Series A Preferred shares. By the terms of the Certificate of Designation, each share of Series A Preferred is convertible, at the option of the holder, into 10,000 shares of our common stock. Between November 19, 2003 and the record date, April 23, 2004, 872 shares of Series A Preferred were voluntarily converted into 8,720,000 shares of our common stock, leaving 1,278 shares of Series A Preferred outstanding on the record date.

On March 22, 2004, we signed a definitive Agreement and Plan of Merger and Reorganization (the "Merger Agreement") with SAFLINK Corporation ("SAFLINK") whereby we propose to merge with a wholly-owned subsidiary of SAFLINK and survive as SAFLINK's wholly-owned subsidiary (the "Merger"). As a condition to the closing of the Merger, we must no longer have outstanding any preferred stock at the effective time of the Merger. Approval of the Merger and the issuance of shares of SAFLINK common stock to our stockholders in the Merger is expected to be the subject of a separate joint proxy statement/prospectus to be disseminated shortly to our stockholders and those of SAFLINK.

EFFECT OF THE AMENDMENT

The Amendment will add a new Article IV.F to the Certificate of Designation that will make each share of Series A Preferred automatically convertible, without any action on the part of the holder, into 10,000 shares of our common stock immediately prior to the effective time of the Merger. As a result, at the effective time of the Merger, we will have no shares of Series A Preferred outstanding and will be in a position to satisfy that condition to the closing of the Merger.

New Article IV.F will also provide that certain restrictions on convertibility of Series A Preferred provided for in the Certificate of Designation will not apply to automatic conversions under Article IV.F, such that all shares of Series A Preferred will be automatically converted

Edgar Filing: SSP SOLUTIONS INC - Form PRE 14C

immediately prior to the effective time of the Merger.

The only differences in the terms of the Series A Preferred before and after the Amendment will be:

- o The Series A Preferred is not presently automatically convertible into common stock immediately prior to the effective time of the Merger. Upon the filing of the Certificate of Amendment (as defined below) with the Secretary of State of Delaware, it will be so convertible; and
- o The Series A Preferred is not presently convertible into common stock to the extent that conversion would cause the holder, together with its affiliates, to beneficially own more than 4.99% of our outstanding common stock. This restriction will be removed, in as far as it pertains to automatic conversions immediately prior to the effective time of the Merger, upon filing of the Certificate of Amendment with the Secretary of State of Delaware, such that the Series A Preferred will be automatically converted into shares of common stock regardless of the percentage of common stock ownership of the holders thereof and their affiliates after conversion.

There are no arrearages of dividends with respect to our Series A Preferred. A copy of the Certificate of Amendment to Certificate of Incorporation of SSP Solutions, Inc. ("Certificate of Amendment") is attached hereto as Exhibit A.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

As of the record date, April 23, 2004, a total of 42,331,290 shares of our common stock and 1,278 shares of our Series A Preferred were outstanding. The following table sets forth information as of the record date regarding the beneficial ownership of our common stock (including, among other things, shares of common stock issuable on conversion of Series A Preferred) by:

- o each of our directors;
- o each of our executive officers;
- o all of our directors and executive officers as a group; and
- o each person known by us to beneficially own 5% or more of the outstanding shares of our common stock as of the date of the table.

Except as indicated below, the address for each named beneficial owner is the same as ours. Percentages shown as an asterisk represent less than 1.00%.

Except as described in the footnotes to the table, beneficial ownership is determined in accordance with Rule 13d-3 promulgated by the Securities and Exchange Commission ("Commission") under the Securities Exchange Act of 1934, as amended ("Exchange Act"), and generally includes voting or investment power with respect to securities. Except as indicated below, we believe each holder possesses sole voting and investment power with respect to all of the shares of

Edgar Filing: SSP SOLUTIONS INC - Form PRE 14C

common stock owned by that holder, subject to community property laws where applicable. In computing the number of shares beneficially owned by a holder and the percentage ownership of that holder, shares of common stock subject to options or warrants or underlying convertible securities held by that holder that are currently exercisable or convertible or are exercisable or convertible within 60 days after the date of the table are deemed outstanding. Those shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person or group. The inclusion of shares in this table as beneficially owned is not an admission of beneficial ownership.

NAME AND ADDRESS OF BENEFICIAL OWNER -----	AMOUNT AND NATURE OF BENEFICIAL OWNERSHIP -----	PERCENTAGE OF OUTSTANDING SHAR -----

- (1) This number of outstanding shares of common stock is subject to voting agreements dated March 22, 2004 by and among SAFLINK Corporation, Spartan Acquisition Corporation and the following stockholders of SSP Solutions, Inc. ("Named Holders"): Richard P. Kiphart, JAW Financial, L.P., The Winkler Childrens Trust 1998, The Schiff Family 1998 Living Trust, Leena Shah Trust, Kris & Geraldine Shah Family Trust, and Chandra L. Shah Trust. The voting agreements provide that SAFLINK Corporation shall have the power to vote or direct the vote of the shares covered by the voting agreements with respect to matters specified in the voting agreements. Pursuant to the voting agreements, SAFLINK Corporation's board of directors holds irrevocable proxies as to these shares and any other shares of common stock that may be acquired by the Named Holders prior to the termination of the voting agreements. As of the date of the table, the Named Holders beneficially owned 9,107,383 shares of common stock underlying derivative securities. If those 9,107,383 shares of common stock were

Edgar Filing: SSP SOLUTIONS INC - Form PRE 14C

added to the outstanding shares of common stock shown in the table, SAFLINK Corporation would be deemed to have beneficially owned an aggregate of 25,890,429 shares of common stock as of the date of the table, which represented 39.65% of the outstanding shares of our common stock when calculated in accordance with Rule 13d-3. SAFLINK Corporation expressly disclaims beneficial ownership of any of the shares of our common stock subject to the voting agreements.

- (2) Includes 435,301 shares held by the Chandra L. Shah Trust, of which Mr. Shah is the trustee; 435,301 shares held by the Leena Shah Trust, of which Mr. Shah is the trustee; 4,898,940 shares held by the Kris and Geraldine Shah Family Trust, of which Mr. Shah and his wife are the trustees and beneficiaries; and 98,948 shares underlying common stock purchase options. - (3) Includes 98,948 shares underlying common stock purchase options. JAW Financial, L.P. shares voting and dispositive power over these shares with JAW Lending, Inc., the general partner of JAW Financial, L.P., and Marvin J. Winkler, an executive officer and 50% shareholder of JAW Lending, Inc. Mr. Winkler is our co-chairman and chief executive officer.
- (4) Includes 343,655 shares underlying common stock purchase options.

If certain beneficial ownership limitations had not been in effect, Mr. Kiphart would have beneficially owned a total of 13,485,426 shares of common stock, or 26.50% of our outstanding common stock, including 8,565,832 shares of common stock underlying derivative securities, when calculated in accordance with Rule 13d-3. Mr. Kiphart's mailing address is c/o William Blair & Company, L.L.C., 222 West Adams Street, Chicago, IL 60606.
- (9) Power to vote or dispose of the shares is held by Gerard T. Feeney as chief financial officer and Steven Sprague as chief executive officer. The address for Wave Systems Corp. is 480 Pleasant Street, Lee, MA 01238.

TIMING AND CONDITIONS TO THE AMENDMENT

The Amendment has already been adopted and approved by our board of directors, by the holders of a majority of our common stock, and by the holders of at least 75% of our Series A Preferred. Unless sooner abandoned by our board of directors, the Certificate of Amendment will be filed with the Secretary of State of Delaware, and therefore effective, no earlier than 20 days after the mailing of this information statement.

INTERESTS OF DIRECTORS AND OFFICERS IN THE AMENDMENT

Our directors and executive officers have no interest in the Amendment other than in their capacity as such and as stockholders of our company.

Edgar Filing: SSP SOLUTIONS INC - Form PRE 14C

INFORMATION ABOUT THE KEY REASONS FOR AND ANTICIPATED IMPACTS OF THE AMENDMENT

REASON FOR THE AMENDMENT

The Amendment is necessary in order to ensure that we can satisfy the closing condition to the Merger of having no shares of preferred stock outstanding. Without it, there is a chance that not all holders of Series A Preferred will voluntarily convert their shares prior to the effective time of the Merger.

RISKS ASSOCIATED WITH THE AMENDMENT

If the Certificate of Amendment is filed and becomes effective and the Merger is consummated, then the outstanding shares of Series A Preferred will automatically convert into shares of our common stock immediately prior to the effective time of the Merger. Based on the numbers of shares of common stock and Series A Preferred outstanding on the record date, this automatic conversion would result in the issuance of up to an aggregate of 12,780,000 shares of common stock upon conversion of shares of Series A Preferred, which would increase our outstanding shares of common stock from 42,331,290 shares outstanding as of the record date to 55,111,290 shares outstanding as of the date of the automatic conversion, resulting in dilution to our common stockholders. However, the automatic conversion will not impact the number of shares of SAFLINK common stock to be received by our common stockholders in exchange for their shares of our common stock upon consummation of the Merger.

IMPACTS IF THE AMENDMENT IS NOT CONSUMMATED

As indicated below under the heading "Information About Approvals of the Amendment - Approval of the Amendment By Our Board and Stockholders," if our board of directors determines that the Amendment no longer appears to be in the best interests of our company, then the Amendment will be abandoned and the Certificate of Amendment will not be filed with the Secretary of State of Delaware and will not become effective. If the Amendment does not become effective, then the Series A Preferred will not become automatically convertible into shares of common stock immediately prior to the effective time of the Merger. In that case, unless all of the Series A Preferred is voluntarily converted into common stock prior to the effective time of the Merger, we will not be able to satisfy a material closing condition, and SAFLINK will be able to terminate the Merger Agreement and the Merger will not occur. Furthermore, because we will have failed to satisfy a material closing condition, SAFLINK will be entitled to seek reimbursement from us of all of its Merger related expenses, which will be considerable.

INFORMATION ABOUT APPROVALS OF THE AMENDMENT

APPROVAL OF THE AMENDMENT BY OUR BOARD AND STOCKHOLDERS

As described elsewhere in this information statement, our board of directors and stockholders have adopted and approved the Amendment. A list of stockholders who consented to adoption and approval of the Amendment and their respective number of shares of common stock and Series A Preferred voted by them as of the record date are as follows:

RHP Master Fund LTD.	--	113.00
Crestview Capital Fund, L.P.	--	87.15
Crestview Capital Fund II, L.P.	--	89.28

As of the record date, there were 42,331,290 shares of our common stock and 1,278 shares of our Series A Preferred outstanding. A majority of the outstanding shares of common stock and at least 75% of the outstanding shares of

-5-

Series A Preferred were required to vote in favor of the Amendment in order for it to pass. The requisite percentages were obtained by written consent of the stockholders listed above effective as of the record date.

The DGCL provides that a vote of stockholders is not necessary for us to abandon the Amendment. If our board of directors determines that the Amendment no longer appears to be in the best interests of our company, then the Amendment will be abandoned and the Certificate of Amendment will not be filed with the Secretary of State of Delaware.

REGULATORY APPROVALS

To the best of our knowledge, there are no state or United States federal regulatory requirements with which the Amendment must comply, nor are there any such governmental consents or approvals that must be obtained in connection with the Amendment.
