The Board of Directors has established an Audit Committee and a Compensation and Stock Option Committee. The members of the Audit Committee are E. Bruce

Edgar Filing: CONSUMER PORTFOLIO SERVICES INC - Form DEFR14A

Fredrikson (chairman), John E. McConnaughy, Jr. and John G. Poole. The Audit Committee is empowered by the Board of Directors to review the financial books and records of the Company in consultation with the Company's accounting and auditing staff and its independent auditors and to review with the accounting staff and independent auditors any questions raised with respect to accounting and auditing policy and procedure. The Audit Committee operates under a written charter, adopted by the Board of Directors of the Company.

The members of the Compensation and Stock Option Committee are Daniel S. Wood (chairman), John E. McConnaughy, Jr. and William B. Roberts. This Committee makes recommendations to the Board of Directors as to general levels of compensation for all employees of the Company, the annual salary of each of the executive officers of the Company, authorizes the grants of options to employees under the Company's 1997 Long-Term Stock Incentive Plan, and reviews and approves compensation and benefit plans of the Company.

The Board of Directors has concluded that each member of the Audit Committee is independent in accordance with the director independence standards prescribed by NASDAQ, and has determined that none of them have a material relationship with the Company which would impair the independence from management or otherwise compromise the ability to act as an independent director. The Board of Directors has further determined that Mr. Fredrikson has the qualifications and experience necessary to serve as an "audit committee financial expert" as such term is defined in Item 401(h) of Regulation S-K promulgated by the SEC. Such qualifications and experience are described above in this section.

The Company does not have a Nominating Committee. Nominations for board positions are considered by the members of the Board of Directors who are "independent directors." The Company's independent directors are Messrs. Fredrikson, McConnaughy, Poole, Roberts, Warner and Wood. The Board of Directors believes that it is appropriate for the Company not to have a Nominating Committee primarily because there have to date been no significant differences of opinion expressed among the whole board of directors regarding nominations.

3

When considering a potential nominee, the independent directors consider the benefits to the Company of such nomination, based on the nominee's skills and experience related to managing a significant business, the willingness and ability of the nominee to serve, and the nominee's character and reputation. It is the policy of the Board of Directors to consider for nomination individuals suggested by shareholders, should such recommendations be received. Shareholders who wish to suggest individuals for possible future consideration for board positions, or to otherwise communicate with the Board of Directors, should direct written correspondence to the Board of Directors at the Company's principal executive offices. The present policy of the Company is to forward all such correspondence to the members of the Board of Directors.

The Board of Directors held five meetings (including regular and special meetings) and acted five times by written consent during 2004. The Audit Committee met eleven times during 2004, including at least one meeting per quarter to review the Company's financial statements, and acted one time by written consent, while the Compensation and Stock Option Committee met two times during 2004 and acted eight times by written consent. Each nominee attended at least 75% of the meetings of the Board of Directors and its committees that such individual was eligible to attend in 2004. The Company does not have a policy of encouraging directors to attend or discouraging directors from attending its annual meetings of shareholders. Other than Mr. Bradley, no directors attended last year's annual meeting of shareholders.

Edgar Filing: CONSUMER PORTFOLIO SERVICES INC - Form DEFR14A

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES ABOVE.

PROPOSAL NO. 2 - RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors has appointed the accounting firm of McGladrey & Pullen, LLP ("McGladrey") to be the Company's independent auditors for the year ending December 31, 2005.

A proposal to ratify that appointment will be presented to shareholders at the Annual Meeting. If the shareholders do not ratify the selection of McGladrey at the Annual Meeting, the Audit Committee will consider selecting another firm of independent public accountants. Representatives of McGladrey will be present at the Annual Meeting. Such representatives will have an opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions from shareholders in attendance.

As previously reported, on October 21, 2004 the Company notified KPMG LLP ("KPMG") that KPMG's appointment as the Company's independent auditor would cease upon the completion of the review of the Company's consolidated financial statements as of and for the three-month and nine-month periods ended September 30, 2004. The Audit Committee approved the decision to terminate such appointment. KPMG's audit reports on the Company's financial statements for the most recent two fiscal years, which ended December 31, 2003 and 2002 respectively, did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

On the same day, at the direction of the Audit Committee, the Company appointed McGladrey to serve as the Company's independent public accountants, effective with the audit of financial statements for the year ending December 31, 2004.

During the Company's two most recent fiscal years ended December 31, 2003 and 2002, and the subsequent interim period through October 21, 2004, neither the Company nor anyone acting on its behalf consulted McGladrey regarding any of the matters specified in Item 304(a)(2) of Regulation S-K.

On November 15, 2004, KPMG completed its review of the Company's consolidated financial statements as of and for the three-and nine-month periods ended September 30, 2004. KPMG's appointment as the Company's independent auditor ended at that time.

In connection with KPMG's audits of the Company's financial statements for the two most recent fiscal years, and through November 15, 2004:

a) there were no disagreements between the Company and KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to KPMG's satisfaction, would have caused KPMG to make reference to the subject matter of the disagreements in connection with its opinions on the financial statements; and

b) there were no reportable events (as specified in Item 304(a)(1)(v))

Edgar Filing: CONSUMER PORTFOLIO SERVICES INC - Form DEFR14A

of Regulation S-K).

Information relating to the fees billed by those firms to the Company appears below.

AUDIT FEES

The aggregate fees billed by McGladrey for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended December 31, 2004, and for the review of the financial statements included in the Company's quarterly report for the period ended September 30, 2004 on Form 10-Q, for that fiscal year were \$300,000.

The aggregate fees billed by KPMG for professional services rendered for the review of the financial statements included in the Company's quarterly reports on Form 10-Q for the three-and nine-month periods ended September 30, 2004 were \$122,400.

The aggregate fees billed by KPMG for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended December 31, 2003, and for the review of the financial statements included in the Company's quarterly reports on Form 10-Q for that fiscal year were \$360,200.

5

AUDIT-RELATED FEES

The aggregate fees billed by McGladrey for audit-related services were \$80,000 for the fiscal year ended December 31, 2004. These professional services were rendered in conjunction with the Company's securitization and financing transactions, the audit of the MFN Financial Corporation's benefit plan.

The aggregate fees billed by KPMG for audit-related services were \$137,260 for the fiscal year ended December 31, 2004. These professional services were rendered in conjunction with the Company's securitization and financing transactions.

The aggregate fees billed by KPMG for audit-related services were \$295,621 for the fiscal year ended December 31, 2003. These professional services were rendered in conjunction with the Company's securitization and financing transactions, the audit of the Company's 401(k) Employee Savings Plan and the acquisition of TFC Enterprises, Inc.

TAX FEES

McGladrey has not rendered any professional tax services for the fiscal year ended December 31, 2004.

The aggregate fees billed in each of the last two fiscal years for tax services by KPMG were \$383,655 related to the fiscal year ended December 31, 2004 and \$1,533,622 related to the fiscal year ended December 31, 2003. The large increase in fees billed for tax services during the fiscal year ended December 31, 2003 was largely attributable to work undertaken by KPMG to recover certain state tax claims on behalf of the Company related to several tax years.

ALL OTHER FEES

Edgar Filing: CONSUMER PORTFOLIO SERVICES INC - Form DEFR14A

No other fees were billed by McGladrey in the last fiscal year ended December 31, 2004.

The aggregate fees billed by KPMG for other services were \$34,500 for the fiscal year ended December 31, 2004. These other professional services were rendered in conjunction with the Company's Registration Statement on Form S-8 and its Registration Statement on Form S-2 filed with the S.E.C. No other fees were billed by KPMG for the fiscal year ended December 31, 2003.

The Audit Committee acts pursuant to a written charter adopted by the Board of Directors. Pursuant to the charter, the Audit Committee pre-approves the audit and permitted non-audit fees to be paid to the independent auditor, and authorizes on behalf of the Company the payment of such fees, or refuses such authorization. The Audit Committee has delegated to its chairman the authority to approve performance of services on an interim basis.

In the course of its meetings, the Audit Committee has considered whether the provision of the non-audit fees outlined above is compatible with maintaining the independence of the respective audit firms, and has concluded that such independence is not impaired.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF THE SELECTION OF MCGLADREY & PULLEN, LLP.

8

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

COMPENSATION POLICIES IN GENERAL

The Company's objectives with respect to compensation are several. The significant objectives are to cause compensation (i) to be sufficient in total amount to provide reasonable assurance of retaining key executives, (ii) to include a significant contingent component, so as to provide strong incentives to meet designated Company objectives, and (iii) to include a significant component tied to the price of the Common Stock, so as to align management's incentives with shareholder interests.

Edgar Filing: CONSUMER PORTFOLIO SERVICES INC - Form DEFR14A

The Committee considers an executive's base salary to be the most critical component with respect to the retention objective. Acting on the recommendations of the chief executive officer, the Committee adjusts other officers' salaries annually, with the adjustment generally consisting of a 3% to 10% increase from the prior year's rate. Where exceptional circumstances apply, such as recruitment of a new executive officer, a promotion to executive officer status or a special need to retain an individual officer, the chief executive officer may recommend, and the Committee may approve, a larger increase.

The Company has made a practice of paying annual bonuses to encourage executive officers and key management personnel to exercise their best efforts and management skills toward achieving the Company's objectives. Under the Company's bonus plan as applied to the year ended December 2004, executive officers of the Company other than its chief executive officer were eligible to receive a cash bonus of up to 100% of their base salaries. The amount of such bonus is determined initially by the Committee, acting on the recommendation of the chief executive officer, and is then made definite by action of the Board of Directors as a whole. Factors in determining the amount of bonus are whether the executive and his department have met individual objectives set by the chief executive officer, whether the Company as a whole has met or exceeded budget targets, whether certain objectives for the management group as a whole have been met, and a subjective evaluation of the officer's performance. Numerical scores are assigned to each of these factors, and weighed pursuant to a formula that can result in a maximum bonus of 100% of base compensation.

Applying the above principles, the Committee in January 2005 approved bonus compensation to the named executive officers, other than the chief executive officer, of approximately 59% to 70% of their respective base salaries for the year ended December 31, 2004. The variation in the percentages awarded is generally reflective of the extent to which the named executive officers met their individual and department objectives.

The Committee also makes awards of incentive and non-qualified stock options under the Company's 1997 Long-Term Incentive Stock Plan. Such awards are designed to assist in the retention of key executives and management personnel and to create an incentive to create shareholder value over a sustained period of time. The Company believes that stock options are a valuable tool in compensating and retaining employees. During the year ended December 31, 2004, the Committee approved grants of stock options to the Company's executive officers, all of which carry exercise prices equal to the market price for the Company's common stock at the date of grant. The terms of such options are described above, in the table captioned "Options/Grants in Last Fiscal Year." The numbers of shares made subject to each of the option grants were based on various factors relating to the responsibilities of the individual officers and on the extent of previous grants to such individuals.

Because the exercise price of these options is equal to the fair market value of the Company's common stock on the date of grant, the option holders may realize value only if the stock price appreciates from the value on the date the options were granted. This design is intended to focus executives on the enhancement of shareholder value over the long term.

In exercising its discretion as to the level of executive compensation and its components, the Committee considers a number of factors. Financial factors considered with respect to the year ended December 31, 2004 included the Company's increase in revenue and originations, and its having increased its servicing portfolio. The Committee also noted that the Company incurred a loss for the year. Operational factors considered included the Company's cost of funds; indicators of the performance and credit quality of the Company's servicing portfolio, including levels of delinquencies and charge-offs; and indicators of successful management of personnel, including employee stability. All of such factors are assessed with reference to the judgment of the Committee

Edgar Filing: CONSUMER PORTFOLIO SERVICES INC - Form DEFR14A

as to the degree of difficulty of achieving desired outcomes.

9

The Company also maintains certain broad-based employee benefit plans in which executive officers are permitted to participate on the same terms as non-executive personnel who meet applicable eligibility criteria, subject to any legal limitations on the amounts that may be contributed or the benefits that may be payable under the plans.

COMPENSATION OF THE COMPANY'S CHIEF EXECUTIVE OFFICER

The Company's general approach in setting the annual compensation of its chief executive officer is to set that officer's base compensation by reference to his base rate for the preceding year, to pay an annual bonus that is reflective of the quality of that officer's performance during the year, and to grant significant equity incentives, to date in the form of stock options, intended to align the officer's interests with those of the shareholders. During the year ended December 2004, the Company's chief executive officer, Charles E. Bradley, Jr., received \$700,000 in base salary. In setting that rate in the spring of 2004, the Committee considered the base salary rate that the Company had paid in the prior year (\$650,000), the desirability of providing an annual increase (which in this case was approximately 7.7%), the desirability of ensuring retention of the services of the Company's incumbent chief executive officer, and the levels of chief executive officer compensation prevailing among other financial services companies.

The Company's policy regarding cash bonuses paid to its chief executive officer has been similar to its policy regarding cash bonuses for other executive officers, except that the Committee exercises a greater degree of discretion with respect to award of a bonus to the chief executive officer than it exercises with respect to bonuses paid to other executive officers, and a formula is not used.

The Committee in January 2005 reviewed the Company's and the chief executive officer's performance in 2004, and approved bonus compensation in the amount of \$700,000, representing 100% of that executive's base salary for the year ended December 31, 2004. In determining the appropriate levels of cash and equity compensation, the Committee considered the Company's financial performance, the performance of CPS common stock as compared with broad equity indices, the Company's successful execution of a novel residual financing transaction in February 2004, its success in the securitization market, and the levels of compensation paid to chief executives of other financial services companies.

The Committee's award of stock options to the Company's officers in April 2004 included an award to the chief executive officer. In determining the appropriate level of such award, the Committee considered the long-term performance of the chief executive officer and the desirability of providing significant incentive for future performance, as well as the desirability of ensuring that officer's continued retention by the Company.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Directors, executive officers and holders of in excess of 10% of the Company's common stock are required to file reports concerning their transactions in and holdings of equity securities of the Company. Based on a review of reports filed by each such person, and inquiry of each regarding holdings and transactions, the Company believes that all reports required with respect to the year 2004 were timely filed, except that Mr. Bradley filed one report late, relating to two transactions, and each other director (Messrs. Thomas L. Chrystie, Fredrikson, McConnaughy, Poole, Roberts, Warner and Wood) and executive officer (Messrs. Brockman, Powell, Riedl, Creatura, and Chris Terry) filed one report late relating to one transaction.

AUDIT COMMITTEE REPORT

The Audit Committee reviews the Company's financial reporting process on behalf of the Board and meets at least once per quarter to review the Company's financial statements. The Audit Committee acts pursuant to a written charter adopted by the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent auditors are responsible for expressing an opinion on the conformity of the Company's audited financial statements to accounting principles generally accepted in the United States of America.

In this context, the Audit Committee reviewed and discussed with management and the independent auditors the audited financial statements for the year ended December 31, 2004 (the "Audited Financial Statements"). The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company. Following the reviews and discussions referred to above, the Audit Committee recommended to the Board that the Audited Financial Statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Securities and Exchange Commission.

The Audit Committee members do not serve as professional accountants or auditors and their functions are not intended to duplicate or to certify the activities of management and the independent auditors. The Committee serves a board-level oversight role where it receives information from, consults with, and provides its views and directions to, management and the independent auditors on the basis of the information it receives and the experience of its members in business, financial and accounting matters. Pursuant to the terms of its charter, the Audit Committee approves the engagement of auditing services and permitted non-audit services including the related fees and general terms. Mr. Fredrikson, a nominee for re-election to the Board of Directors, is considered by the Board of Directors to have the qualifications and experience necessary to serve as an "audit committee financial expert." A summary of his background is contained in this proxy statement under "Proposal No. 1 - Election of Directors."

CERTAIN TRANSACTIONS

LEVINE LEICHTMAN. At December 31, 2003, the Company was indebted to Levine Leichtman Capital Partners II, L.P. ("LLCP") in the amount of approximately \$50 million. Such debt comprised three parts, represented by the "Term B Note," "Term C Note" and "Term D Note," respectively. The Term B Note was due January 2004, the Term C Note repayment schedule was based on the performance of one of the Company's securitized pools, and the Term D Note was due January 2004.

In January 2004, the Company repaid in full the Term C Note and repaid \$10.0 million of the Term D Note. In addition, the maturities of the Term B Note and the Term D Note were extended to December 15, 2005 and the coupons on both notes were decreased to 11.75% per annum from 14.50% and 12.00%, respectively. The Company paid LLCP fees equal to \$921,000 for these amendments, which will be amortized over the remaining life of the notes. As of December 31, 2004, the outstanding principal balances of the Term B Note and the Term D Note were \$19.8 million and \$15.0 million, respectively.

On May 28, 2004 and June 25, 2004, the Company borrowed \$15 million and \$10 million, respectively, from LLCP. The indebtedness, represented by the "Term E Note," and the "Term F Note," respectively, bears interest at 11.75% per annum. Both the Term E Note and the Term F Note mature two years from their respective funding dates. As of December 31, 2004, the outstanding principal balances of the Term E Note and the Term F Note were \$15.0 million and \$10.0 million, respectively.

All of the Company's indebtedness to LLCP is secured by a blanket security interest in favor of LLCP. The terms of the transactions between the Company and LLCP were determined by negotiation.

SFSC. At December 31, 2003, the Company was indebted to Stanwich Financial Services Corp. ("SFSC") in the principal amount of \$16.5 million. SFSC is a corporation wholly-owned by Stanwich Holdings, Inc., which in turn is wholly-owned by Charles E. Bradley, Sr. Mr. Bradley, Sr. holds in excess of 5% of the Company's common stock (subject to limitations disclosed above), is the

Edgar Filing: CONSUMER PORTFOLIO SERVICES INC - Form DEFR14A

father of the Company's president, Charles E. Bradley, Jr., and was the chairman of the Company's Board of Directors from March 1991 until June 2001. The Company in 2004 paid interest in the aggregate amount of \$780,000 with respect to its debt to SFSC, representing interest for the period January through June 2004. The Company repaid the outstanding debt in June 2004. The Company at December 31, 2003 was also indebted to John G. Poole, a director, in the principal amount of \$1,000,000, and in 2004 paid interest in the aggregate amount of \$62,500 with respect to that debt, representing interest for the period January through June 2004. Mr. Poole exercised the conversion option of his debt as of June 2004, receiving in satisfaction of the debt 333,333 shares of the Company's common stock.

14

CPS LEASING. The Company holds 80% of the outstanding shares of the capital stock of CPS Leasing, Inc. ("CPSL"). The remaining 20% of CPSL is held by Charles E. Bradley, Jr., who is the President and a director of the Company. CPSL engaged in the equipment leasing business, and is currently in the process of liquidation as its leases come to term. CPSL financed its purchases of the equipment that it leases to others through either of two lines of credit. Amounts borrowed by CPSL under one of those two lines of credit have been guaranteed by the Company. As of December 31, 2004 both lines of credit have been paid. The Company has also financed the operations of CPSL by making operating advances and by advancing to CPSL the fraction of the purchase prices of its leased equipment that CPSL did not borrow under its lines of credit. The aggregate amount of advances made by the Company to CPSL as of December 31, 2004, is approximately \$2.0 million. The advances related to operations bear interest at the rate of 8.5% per annum. The advances related to the fraction of the purchase price of leased equipment are not interest bearing.

EMPLOYEE INDEBTEDNESS. To assist certain officers in exercising stock options, the Company or a subsidiary lent to such officers the exercise price of options such officers exercised in May and July 2002. The loans are fully secured by common stock of the Company, bear interest at 5% per annum and are due in 2007. The chief executive officer (Mr. Bradley) and five officers other than executive officers borrowed money on those terms and still have a balance outstanding. The highest balances of the loans for the period January 1, 2002 through April 30, 2005, were \$350,000 for Mr. Bradley and \$27,375 for one non-executive officer. Pursuant to the Sarbanes-Oxley Act of 2002, Company has ceased providing any loans to its executive officers.

The agreements and transactions described above (other than those between the Company and LLC) were entered into by the Company with parties who personally benefited from such transactions and who had a control or fiduciary relationship with the Company. In each case such agreements and transactions have been reviewed and approved by the members of the Company's Board of Directors who are disinterested with respect thereto.

VOTING OF SHARES

The Board of Directors recommends that an affirmative vote be cast in favor of each of the nominees and proposals listed on the proxy card.

The Board of Directors knows of no other matters that may be brought before the meeting which require submission to a vote of the shareholders. If any other matters are properly brought before the meeting, however, the persons named in the enclosed proxy or their substitutes will vote in accordance with their best judgment on such matters.

Holders of CPS Common Stock are entitled to one vote per share on each matter other than election of directors. As to election of directors, each holder of

Edgar Filing: CONSUMER PORTFOLIO SERVICES INC - Form DEFR14A

CPS Common Stock may cumulate such holder's votes and give any nominee an aggregate number of votes equal to the number of directors to be elected multiplied by the number of shares of CPS Common Stock held of record by such holder as of the record date, or distribute such aggregate number of votes among as many nominees as the holder thinks fit. However, no such holder shall be entitled to cumulate votes for any nominee unless such nominee's name has been placed in nomination prior to the voting and the holder has given notice at the annual meeting prior to the voting of the holder's intention to cumulate votes. If any one holder has given such notice, all holders may cumulate their votes for nominees. Discretionary authority is sought hereby to cumulate votes of shares represented by proxies.

15

Votes cast in person or by proxy at the Annual Meeting will be tabulated by the Inspector of Elections with the assistance of the Company's transfer agent. The Inspector of Elections will also determine whether or not a quorum is present. The affirmative vote of a majority of shares represented and voting on the proposal at a duly held meeting at which a quorum is present is required for approval of Proposal No. 2 (Ratification of Independent Auditors). In general, California law provides that a quorum consists of a majority of the shares entitled to vote, represented either in person or by proxy. The Inspector of Elections will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum but as not voting for purposes of determining the approval of any matter submitted to the shareholders for a vote. Any proxy that is returned using the form of proxy enclosed and which is not marked as to a particular item will be voted FOR election of the nominees for director named herein; FOR the ratification of the appointment of McGladrey & Pullen LLP, as the Company's independent auditors for the year ending December 31, 2005; and will be deemed to grant discretionary authority to vote upon any other matters properly coming before the meeting. If a broker indicates on the enclosed proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter ("broker non-votes"), those shares will be considered as abstentions with respect to that matter. While there is no definitive specific statutory or case law authority in California concerning the proper treatment of abstentions and broker non-votes, the Company believes that the tabulation procedures to be followed by the Inspector of Elections are consistent with the general statutory requirements in California concerning voting of shares and determination of a quorum.
