PROXY STATEMENT

FOR THE 2010 ANNUAL MEETING OF STOCKHOLDERS
OF
REED'S, INC.

To Be Held on December 30, 2010

The enclosed proxy is solicited by the Board of Directors (the "Board") of Reed's, Inc., a Delaware corporation, for use at the 2010 Annual Meeting of Stockholders (the "Annual Meeting") of Reed's, Inc. and all postponements, continuations or adjournments thereof. These proxy materials and the enclosed Annual Report on Form 10-K for the year ended December 31, 2009 ("Annual Report") are being mailed to our stockholders on or about December 8, 2010. In this Proxy Statement, we use the terms the "Company," "Reed's," "we," "our," and "us" to refer to Reed's, Inc.

Where and when is the Annual Meeting? Our Annual Meeting will be held at the corporate offices of Reed's, Inc., located at 13000 South Spring Street, Los Angeles, California 90061, on Thursday, December 30, 2010 at 10:00 a.m. Pacific Standard Time.

Why did I receive these materials? You received this Proxy Statement because you held shares of our common stock on November 29, 2010, the record date fixed by our Board, and you are entitled to vote at the Annual Meeting. This Proxy Statement and a copy of our Annual Report will be mailed on or about December 9, 2010. Although the Proxy Statement and Annual Report are being mailed together, the Annual Report is not incorporated into, and should not be deemed part of, this Proxy Statement.

Who can attend the Annual Meeting? Only stockholders as of the record date, their authorized representatives, and invited guests will be able to attend the Annual Meeting.

Who is entitled to vote? Only holders of record of our common stock at the close of business on November 29, 2010, the record date, are entitled to vote at the Annual Meeting. Each share is entitled to vote on each matter properly brought before the meeting. As of the record date, there were 10,400,247 shares of our common stock outstanding; 46,621 shares of Series A preferred stock outstanding; and 85,766 shares of Series B preferred stock outstanding. We have 46,621 outstanding shares of Series A preferred stock and 85,766 shares of Series B preferred stock which do not have voting rights on any matters, including, without limitation, the election of directors.

Who are the proxies? The Board of Directors of the Company has appointed Christopher J. Reed, our Chairman of the Board and Chief Executive Officer, and Judy Holloway Reed, our Secretary and director, to serve as proxies at the Annual Meeting. When you fill out your proxy card and return it, or if you vote electronically, you will be giving the proxies your instruction on how to vote your shares at the Annual Meeting.

How do I vote if I am a registered stockholder? You may vote in person, electronically via the Internet, or by proxy. Proxies are solicited to give all stockholders who are entitled to vote on the matters that come before the meeting the opportunity to do so whether or not they attend the meeting in person. If you are a registered holder, you can vote your proxy card by mail, electronically via the Internet, or in person at the Annual Meeting. If you choose to vote by mail, mark your proxy card enclosed with this Proxy Statement, date and sign it, and mail it in the postage-paid envelope. If you wish to vote in person, you can vote the proxy card in person at the Annual Meeting. Signing and returning a proxy will not prevent you from voting in person at the meeting.

How do I vote electronically? If you are a registered stockholder, you may vote electronically via the Internet. Please review the voting instructions on the proxy card.

How do I specify how I want my shares voted? If you are a registered stockholder, you can specify how you want your shares voted on each proposal by marking the appropriate boxes on the proxy card. Please review the voting instructions on the proxy card and read the entire text of the proposals and the positions of the Board of Directors in the Proxy Statement prior to marking your vote. If your proxy card is signed and returned without specifying a vote, it will be voted according to the recommendation of the Board of Directors on that proposal.

How do I vote if I am a beneficial stockholder? If you are a beneficial stockholder, you have the right to direct your broker or nominee on how to vote your shares. You should complete a voting instruction card which your broker or nominee is obligated to provide to you. If you wish to vote in person at the meeting, you must first obtain from the record holder a proxy card issued in your name.

What items will be voted upon at the Annual Meeting? The following items will be voted upon at the Annual Meeting:

- (1) the election of Christopher J. Reed, Judy Holloway Reed, Mark Harris, Daniel S.J. Muffoletto and Michael Fischman to serve as directors until the 2011 annual meeting, or until each director's successor is elected and qualified.
- (2) the ratification of the selection of Weinberg & Company, P.A. as the Company's independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ending December 31, 2010, and
- (3) any other matters that properly come before the meeting.

The Board of Directors does not currently know of any other matters that may be brought before the meeting for a vote. However, if any other matters are properly presented for action, it is the intention of the persons named on the proxy card to vote on them according to their best judgment.

What is the Board of Directors' voting recommendation? For the reasons set forth in more detail later in the Proxy Statement, the Board of Directors unanimously recommends a vote FOR the election of all nominees for director proposed by our Board (Proposal 1). The Board of Directors has ratified the selection of Weinberg & Company, P.A. as the Company's independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ending December 31, 2010 which selection was made by the Company's Audit Committee. The Board of Directors recommends a vote FOR the ratification of the auditors (Proposal 2).

How can I provide my comments to the Company? We urge you to let us know your feelings about the Company or to bring a particular matter to our attention by writing directly to us at Reed's, Inc., 13000 South Spring Street, Los Angeles, California 90061, attention: Judy Holloway Reed, Secretary.

How many votes are needed to have the proposals pass? A majority of the votes cast at the Annual Meeting is required to elect the directors and a majority of the votes cast is required to ratify the selection of the auditors.

How are the votes counted? You will have one vote for each share of our common stock that you owned on the record date. If the proxy card is properly executed and returned prior to the Annual Meeting, the shares of common stock it represents will be voted as you instruct on the proxy card. If a proxy card is unmarked, or if you indicate no vote, the shares of common stock it represents will be voted FOR the election of directors recommended by the Board, and FOR the ratification of the auditors.

No Cumulative Voting. Holders of common stock shall not be entitled to cumulate their votes for the election of directors or any other matters.

Abstentions. Abstentions will be treated as present and entitled to vote for purposes of determining the presence of a quorum. Abstentions will not constitute a vote FOR or AGAINST any matter, and thus will be disregarded in the calculation of shares voting or votes cast on any matter submitted to the stockholders for a vote.

Broker Non-Votes. Broker non-votes, meaning shares held by brokers or nominees as to which instructions have not been received from the beneficial owners or persons entitled to vote and as to which the broker has physically indicated on the proxy card that the broker or nominee does not have discretionary power to vote on a particular matter, will be counted as present and entitled to vote for purposes of determining the presence of a quorum. However, for purposes of determining the outcome of any matter as to which the broker has physically indicated on the proxy card that it does not have discretionary authority to vote, those shares will be treated as not present and not entitled to vote with respect to that matter, even though those shares are considered present for quorum purposes and may be entitled to vote on other matters. The proposal related to the election of directors is not considered a routine matter. Therefore, your broker will not have the discretion to vote your shares at the Annual

Meeting on the proposal related to the election of directors if you do not provide your broker with voting instructions.

Quorum. A majority of the shares of common stock outstanding on the record date, represented in person or by proxy, will constitute a quorum at the Annual Meeting. As of November 29, 2010 we had 10,400,247 shares of common stock outstanding. The number of shares required to be represented in person or by proxy at the Annual Meeting to constitute a quorum is 5,200,124.

How can I revoke my proxy? You may revoke your proxy at any time before it is voted at the meeting by taking one of the following three actions:

- (1) giving timely written notice of the revocation to our Secretary,
- (2) executing and delivering a proxy card with a later date, or
- (3) voting in person at the meeting.

How would my proxy be voted on other matters? The persons named on the proxy card will have discretionary authority to vote on business other than Proposal 1 (the election of directors) and Proposal 2 (ratification of auditors) as may properly come before the Annual Meeting.

Who will pay for the costs involved in the solicitation of proxies? This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Reed's. Reed's will pay all costs of preparing, assembling, printing and distributing the proxy materials. Copies of proxy materials will be furnished to brokerage houses, nominees, fiduciaries and custodians to forward to beneficial owners of common stock held in their names. Our employees, officers and directors may, for no additional compensation, solicit proxies on behalf of the Board of Directors through the mail, in person and by telecommunications. Upon request, we will reimburse brokerage firms and other record holders for their reasonable expenses incurred for forwarding solicitation material to beneficial owners of stock.

Do stockholders have any dissenters' right with regards to the matters proposed to be acted upon? There are no rights of appraisal or other similar rights of dissenters under the laws of the State of Delaware with respect to any of the matters proposed to be acted upon herein.

PROPOSAL NO. 1

ELECTION OF CHRISTOPHER J. REED, JUDY HOLLOWAY REED, MARK HARRIS, DANIEL S.J. MUFFOLETTO AND MICHAEL FISCHMAN TO SERVE AS DIRECTORS UNTIL THE 2011 ANNUAL MEETING, OR UNTIL EACH DIRECTOR'S SUCCESSOR IS ELECTED AND QUALIFIED

Our Bylaws provide that the number of directors on the Board of Directors shall be not less than one or more than seven. The Board of Directors is empowered to fix the number of directors from time to time. Christopher J. Reed, Judy Holloway Reed, Mark Harris, Daniel S.J. Muffoletto and Michael Fischman are to be elected to our Board of Directors at the Annual Meeting. Proxies cannot be voted for a greater number of persons than the number of nominees named.

The Board of Directors has nominated and approved the nominations of five persons to serve as directors until the 2011 annual meeting, or until each director's successor is elected and qualified. All of the nominees currently serve on our Board of Directors. Each of the nominees has agreed to continue to serve if elected. Management expects that each of the nominees will be available for election, but if any of them is not a candidate at the time the election occurs, it is intended that the proxies will be voted for the election of another nominee to be designated by the Board of Directors to fill any vacancy. Additionally, the Board of Directors may elect additional members of the Board to fill any additional vacancies.

The nominees are as follows:

Christopher J. Reed	52	President, Chief Executive Officer and Chairman of the Board
Judy Holloway Reed	51	Secretary, Director

She earned a Business Degree from MIU in 1981. Ms. Reed is the wife of Christopher J. Reed, our Chairman, President and Chief Executive Officer.

Mark Harris has been a member of our Board of Directors since April 2005. Mr. Harris is an independent venture capitalist and has been retired from the work force since 2002. In late 2003, Mr. Harris joined a group of Amgen colleagues in funding NeoStem, Inc., a company involved in stem-cell storage, archiving, and research to which he is a founding angel investor. From 1991 to 2002, Mr. Harris worked at biotech giant Amgen managing much of the company's media production for internal use and public relations. Mr. Harris spent the decade prior working in the aerospace industry at Northrop with similar responsibilities.

Daniel S.J. Muffoletto, N.D. has been a member of our Board of Directors from April 2005 to December 2006 and from January 2007 to the present. In addition, Mr. Fischman is a founding member and the director of training for USA

at the Art of Living Foundation, a global non-profit educational and humanitarian organization, at which he has coordinated over 200 personal development instructors since 1997.

Director Independence

The Board of Directors has determined that three members of our Board of Directors and nominees, Mr. Harris, Dr. Muffoletto and Mr. Fischman, do not have relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these nominees is an “independent director” as defined under Rule 4200(a)(15) of the NASDAQ Stock Market, Inc. Marketplace Rules. We intend to maintain at least two independent directors on our Board of Directors at all times in the future.

No Arrangements of Understandings

There are no arrangements or understandings pursuant to which a nominee has been or will be elected as a director.

Family Relationships

Other than the relationships of Christopher J. Reed, Judy Holloway Reed (Christopher Reed's wife), Mark Reed (Christopher Reed's brother) and Robert T. Reed, Jr. (Christopher Reed's brother), none of our directors or executive officers are related to one another.

Legal Proceedings

To the best of our knowledge, none of the nominees are parties to any material proceedings adverse to Reed's, have any material interest adverse to Reed's or have during the past ten years:

- been convicted in a criminal proceeding or been subject to a pending criminal proceeding (excluding traffic violations and other minor offenses);
- had any bankruptcy petition filed by or against him/her or any business of which he/she was a general partner or executive officer, either at the time of the bankruptcy or within two years prior to that time;
- been subject to any order, judgment, or decree, not subsequently reversed, suspended or vacated, of any court of competent jurisdiction, permanently or temporarily enjoining, barring, suspending or otherwise limiting his/her involvement in any type of business, securities, futures, commodities or banking activities;
- been found by a court of competent jurisdiction (in a civil action), the Securities and Exchange Commission or the Commodity Futures Trading Commission to have violated a federal or state securities or commodities law, and the judgment has not been reversed, suspended, or vacated;
- been subject to, or party to, any judicial or administrative order, judgment, decree, or finding, not subsequently reversed, suspended or vacated, relating to an alleged violation of (i) any Federal or State securities or commodities law or regulation, (ii) any law or regulation respecting financial institutions or insurance companies including, but not limited to, a temporary or permanent injunction, order of disgorgement or restitution, civil money penalty or temporary or permanent cease-and-desist order, or removal or prohibition order or (iii) any law or regulation prohibiting mail or wire fraud or fraud in connection with any business entity; or been the subject of, or a party to, any sanction or order, not subsequently reversed, suspended or vacated, of any self-regulatory organization (as defined in Section 3(a)(26) of the Exchange Act (15 U.S.C. 78c(a)(26))), any registered entity (as defined in Section 1(a)(29) of the Commodity Exchange Act (7 U.S.C. 1(a)(29))), or any equivalent exchange, association, entity or organization that has disciplinary authority over its members or persons associated with a member.

Vote Required

In accordance with applicable law and our Bylaws, the election of directors shall be by a majority of the votes cast. Unless a stockholder indicates otherwise, each signed proxy will be voted FOR the election of these nominees.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF THE NOMINEES AS A DIRECTOR

PROPOSAL 2:

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Board's Audit Committee recommends Weinberg & Company, P.A. ("Weinberg") as the Company's independent registered public accountants. The Board of Directors requests that stockholders ratify its selection of Weinberg as our independent registered public accountants for the 2010 fiscal year. If the stockholders do not ratify the selection of Weinberg, the Board of Directors will select another firm of accountants. Representatives of Weinberg will not be present at the meeting although they were afforded the opportunity to attend.

Weinberg has been our independent registered public accounting firm for several fiscal years.

Audit Fees and Related Fees

The aggregate fees billed for each of the last two fiscal years for professional services rendered by Weinberg for the audit of annual financial statements and for review of financial statements included in our Forms 10-QSB or Forms 10Q or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for those fiscal years were:

The following table shows the fees paid or accrued by us for the audit and other services provided by Weinberg for the years ended December 31, 2009 and 2008.

	2009	2008
Audit Fees	\$ 120,000	\$ 153,000
Audit-Related Fees	0	0
Tax Fees	0	0
All Other Fees	0	0
Total	\$ 120,000	\$ 153,000

As defined by the SEC, (i) “audit fees” are fees for professional services rendered by our principal accountant for the audit of our annual financial statements and review of financial statements included in our Form 10-K, or for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for those fiscal years; (ii) “audit-related fees” are fees for assurance and related services by our principal accountant that are reasonably related to the performance of the audit or review of our financial statements and are not reported under “audit fees;” (iii) “tax fees” are fees for professional services rendered by our principal accountant for tax compliance, tax advice, and tax planning; and (iv) “all other fees” are fees for products and services provided by our principal accountant, other than the services reported under “audit fees,” “audit-related fees,” and “tax fees.”

Our Audit Committee’s pre-approval policies and procedures, pursuant to paragraph (c)(7)(i) of Rule 2-01 of Regulation S-X, require the audit committee to pre-approve all accounting related activities prior to the performance of any services by any accountant or auditor. In the year ended December 31, 2009, 100% of audit fees were pre-approved by the audit committee.

The percentage of hours expended on the principal accountant’s engagement to audit our financial statements for the most recent fiscal year that were attributed to work performed by persons other than the principal accountant’s full time, permanent employees was 0%.

Vote Required

Ratification of the independent auditor requires the affirmative vote of a majority of the votes cast. Unless a stockholder indicates otherwise, each signed proxy will be voted FOR the ratification of the selection of Weinberg as the Company’s independent registered public accountants.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE SELECTION OF WEINBERG &
COMPANY, P.A. AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE 2010 FISCAL
YEAR

BOARD AND COMMITTEE MEETINGS

During the 2009 fiscal year, the Board of Directors met fifteen times and otherwise took action by unanimous written consent. A majority of the directors and a majority of the independent directors attended all meetings. The Company does not have a policy for Board meeting attendance because, pursuant to our Bylaws, members constituting a majority of directors constitute a quorum for meetings of the Board of Directors and a majority of our directors, including a majority of the independent directors, regularly attend all meetings.

ATTENDANCE OF BOARD MEMBERS AT ANNUAL STOCKHOLDERS' MEETING

During 2009 Michael Fishman attended less than 75% of the aggregate board meetings and committee meetings held.

Three of our directors attended our 2009 Annual Meeting of Stockholders.

BOARD STRUCTURE AND COMMITTEES

As of the date of this Proxy Statement, our Board of Directors has five directors and the following three standing committees: an Audit Committee, a Compensation Committee and a Governance Committee. These committees were formed in January 2007. Our Board of Directors has adopted written charters for each of our committees which may be found at www.reedsgingerbrew.com.

US EURO Securities, Inc., the lead underwriter in our initial public offering, will have the right to designate an observer to our Board of Directors and each of its committees through the period ending December 12, 2011.

Board Determination of Independence

Under applicable NASDAQ rules, a director will only qualify as an “independent director” if, in the opinion of the Board, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board has determined that Daniel S.J. Muffoletto, Mark Harris and Michael Fischman do not have relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is an “independent director” as defined under Rule 4200(a)(15) of the NASDAQ Stock Market, Inc. Marketplace Rules and within the meaning of the Sarbanes Oxley Act of 2002, Section 301(3). We intend to maintain at least two independent directors on our Board of Directors at all times in the future. We intend to maintain independent directors constituting our Audit Committee, Compensation Committee and Governance Committee as well.

Committees

The Board of Directors has established Audit, Compensation and Governance Committees. The Board has adopted a written charter for each of these three committees and Corporate Governance Guidelines that address the make-up and functioning of the Board. The Board has also adopted a Code of Business Conduct and Ethics that applies to all of the Company’s directors, officers and employees. The committee charters, Corporate Governance Guidelines and Code of Business Conduct and Ethics are also posted on our website at www.reedsgingerbrew.com.

Audit Committee. Our Audit Committee oversees our accounting and financial reporting processes, internal systems of accounting and financial controls, relationships with independent auditors and audits of financial statements. Specific responsibilities include the following:

- selecting, hiring and terminating our independent auditors;
- evaluating the qualifications, independence and performance of our independent auditors;
- approving the audit and non-audit services to be performed by our independent auditors;
- reviewing the design, implementation, adequacy and effectiveness of our internal controls and critical accounting policies;
- overseeing and monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters;
- reviewing, with management and our independent auditors, any earnings announcements and other public announcements regarding our results of operations; and

- preparing the audit committee report that the Securities Exchange Commission (the “SEC”) requires in our annual proxy statement.

Our Audit Committee is comprised of Daniel S.J. Muffoletto, Mark Harris and Michael Fischman. Dr. Muffoletto serves as Chairman of the Audit Committee. We believe Dr. Muffoletto meets SEC requirements of an "audit committee financial expert" within the meaning of the Sarbanes Oxley Act of 2002, Section 407(b).

Compensation Committee. Our Compensation Committee assists our Board of Directors in determining and developing plans for the compensation of our officers, directors and employees. Our Compensation Committee is comprised of Dr. Muffoletto, Mr. Harris and Mr. Fischman.

Specific responsibilities include the following:

- approving the compensation and benefits of our executive officers;
- reviewing the performance objectives and actual performance of our officers; and
- administering our stock option and other equity compensation plans.

Governance Committee. Our Governance Committee assists the Board of Directors by identifying and recommending individuals qualified to become members of our Board of Directors, reviewing correspondence from our stockholders, and establishing, evaluating and overseeing our corporate governance guidelines. Our Governance Committee is comprised of Dr. Muffoletto and Mr. Fischman.

Specific responsibilities include the following:

- evaluating the composition, size and governance of our Board of Directors and its committees and making recommendations regarding future planning and the appointment of directors to our committees;
- establishing a policy for considering stockholder nominees for election to our Board of Directors; and
- evaluating and recommending candidates for election to our Board of Directors.

Leadership Structure

The business of our Company is managed under the direction of the Board of Directors, which is elected by the Company's stockholders. The basic responsibility of the Board of Directors is to lead the Company by exercising its business judgment to act in what each director believes to be in the best interests of the Company and its stockholders. The Board of Director's current leadership structure combines the position of Chairman and Chief Executive Officer, and Christopher J. Reed, the Company's founder, holds that dual position. The Company believes that the combination of these two positions has been an appropriate and suitable structure for the Board's function and efficiency, as Mr. Reed serves as the direct link between senior management and the Board. Furthermore, as the Company's founder, Mr. Reed is in a position to provide critical insight to the Board and feedback to senior management through his long term relationships and understanding of the Company's business and prospects.

Risk Oversight

The Board is responsible for overseeing management and the business and affairs of the Company, which includes the oversight of risk. In exercising its oversight, the Board has allocated some areas of focus to its committees and has retained areas of focus for itself. Pursuant to its charter, the Audit Committee is responsible for assuring that the Board is provided the information and resources to assess management's handling of the Company's approach to risk management. The Audit Committee also has oversight responsibility for the Company's financial risk (such as accounting, finance, internal control and tax strategy), and the Audit Committee or the full Board receives and reviews, as appropriate, the reports of the Company's internal auditors regarding the results of their annual Company-wide risk assessment and internal audit plan. Reports of all internal audits are provided to the Audit Committee. The Compensation Committee oversees compliance with the Company's executive compensation plans and related laws and policies. The Governance Committee oversees compliance with governance-related laws and policies, including the Company's Corporate Governance Guidelines. The Board as a whole has responsibility for

overseeing management's handling of the Company's strategic and operational risks. Throughout the year, senior management reports to the Board the risks that may be material to the Company, including those disclosed in the Company's quarterly and annual reports filed with the SEC. The goal of these processes is to achieve serious and thoughtful Board-level attention to the nature of the material risks faced by the Company and the adequacy of the Company's risk management process and system. While the Board recognizes that the risks which the Company faces are not static, and that it is not possible to mitigate all risk and uncertainty all of the time, the Board believes that the Company's approach to managing its risks provides the Board with the proper foundation and oversight perspective with respect to management of the material risks facing the Company.

Executive Sessions of Non-Management and Independent Directors

During 2009, the Company's non-management directors, all of whom are considered to be "independent" as defined under Rule 4200(a)(15) of the NASDAQ Stock Market, Inc. Marketplace Rules and within the meaning of the Sarbanes Oxley Act of 2002, Section 301(3), were provided with the opportunity to meet in executive sessions of the Board in which management directors and other members of management did not participate. At each audit committee meeting, the independent board members are afforded time to ask questions of the auditors and/or hold private discussions without the Company management present.

Stockholder Communications with Our Board of Directors

Our Board of Directors has established a process for stockholders to communicate with the Board of Directors or with individual directors. Stockholders who wish to communicate with our Board of Directors or with individual directors should direct written correspondence to our principal executive offices located at 13000 South Spring Street, Los Angeles, California 90061, attention: Judy Holloway Reed, Secretary. Any such communication must contain:

- a representation that the stockholder is a holder of record of our capital stock;
- the name and address, as they appear on our books, of the stockholder sending such communication; and
- the class and number of shares of our capital stock that are beneficially owned by such stockholder.

Our Secretary will forward such communications to our Board of Directors or the specified individual director to whom the communication is directed unless such communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Secretary has the authority to discard the communication or to take appropriate legal action regarding such communication.

NOMINATION OF DIRECTORS

Our Governance Committee determines the required selection criteria and qualifications of director nominees based upon our needs at the time nominees are considered. In general, directors should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of our stockholders. Moreover, our Governance Committee will strive to ensure that at least one director meets the criteria for an “audit committee financial expert” as defined by SEC rules and that the majority of the directors comprising the Board meet the definition of “independent director” under NASDAQ rules.

In addition to the above considerations, the Governance Committee will consider criteria such as strength of character and leadership skills; general business acumen and experience; broad knowledge of the industry; age; number of other Board seats; and willingness to commit the necessary time to ensure an active Board whose members work well together and possess the collective knowledge and expertise required by the Board of Directors. The Governance Committee will consider these same criteria for candidates regardless of whether the candidate was identified by the Governance Committee, by stockholders, or any other source.

The Governance Committee will consider qualified candidates for possible nomination that are submitted by our stockholders. Stockholders wishing to make such a submission may do so by sending the requisite information to the Governance Committee at the address indicated herein under the heading “Stockholder Communications with Our Board of Directors.” Any recommendations submitted to the Chairman should be in writing and should include whatever supporting material the stockholder considers appropriate in support of that recommendation, but must include the information that would be required under the rules of the SEC in a proxy statement soliciting proxies for the election of such candidate and a signed consent of the candidate to serve as a director of Reed’s, if elected.

The Governance Committee conducts a process of making a preliminary assessment of each proposed nominee based upon the resume and biographical information provided, an indication of the candidate’s willingness to serve and other background information, business experience, and leadership skills, all to the extent available and deemed relevant by the Governance Committee. This information is evaluated against the criteria set forth above and our specific needs at that time. Based upon a preliminary assessment of the candidate(s), those who appear best suited to meet our needs may be invited to participate in a series of interviews, which are used as a further means of evaluating potential candidates. On the basis of information learned during this process, the Governance Committee determines which candidate(s) to recommend to the Board to submit for election at the next stockholder meeting. The Governance Committee uses the same process for evaluating all candidates, regardless of the original source of the nomination.

Our goal is to seek to achieve a balance of knowledge and experience on our Board. To this end, we seek nominees with the highest professional and personal ethics and values, an understanding of our business and industry, diversity

of business experience and expertise, a high level of education, broad-based business acumen, and the ability to think strategically. Although we use the criteria listed above as well as other criteria to evaluate potential nominees, we do not have a stated minimum criteria for nominees. The Board does not use different standards to evaluate nominees depending on whether they are proposed by our directors and management or by our stockholders. To date, we have not paid any third parties to assist us in finding director nominees.

AUDIT COMMITTEE REPORT

Notwithstanding anything to the contrary set forth in any of the Company's filings under the Securities Act of 1933, as amended (the "Securities Act"), or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that might incorporate future filings, including this Proxy Statement, in whole or in part, the following audit committee report shall not be deemed to be "soliciting material," is not deemed "filed" with the SEC and shall not be incorporated by reference into any filings under the Securities Act or Exchange Act whether made before or after the date hereof and irrespective of any general incorporation language in such filing except to the extent that the Company specifically requests that the information be treated as soliciting material or specifically incorporates it by reference into a document filed under the Securities Act or the Exchange Act.

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities with respect to matters involving the accounting, financial reporting and internal control functions of the Company. The Audit Committee has sole authority to select the Company's independent registered public accounting firm.

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent registered public accounting firm and other financial professional services providers. These services may include audit services, audit-related services, tax services, and other services. Pre-approval generally is provided for up to one year and any pre-approval is detailed as to the particular service or category of services and generally is subject to a specific budget. The Company's independent registered public accounting firm and management report annually to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed. All services provided by Weinberg and the related fees in the 2009 fiscal year were approved in accordance with the Audit Committee's policy.

Management is responsible for preparing the Company's financial statements so that they comply with generally accepted accounting principles and fairly presents the Company's financial condition, results of operations and cash flows; issuing financial reports that comply with the requirements of the SEC; and establishing and maintaining adequate internal control structures and procedures for financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

In furtherance of its role, the Audit Committee has an annual agenda, which includes periodic reviews of the Company's internal controls and of areas of potential exposure for the Company such as litigation matters. The Committee meets at least quarterly and reviews the Company's interim financial results and earnings releases prior to their publication.

In this context, the Audit Committee has reviewed and discussed with management (i) the audited financial statements of the Company for the fiscal year ended December 31, 2009, (ii) the Company's evaluation of the effectiveness of our internal control over financial reporting as of December 31, 2009 and (iii) the related opinions by the Company's independent registered public accounting firm. The Audit Committee also has discussed with Weinberg & Company, P.A. the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as currently in effect. The Audit Committee also has received written disclosures and a letter from Weinberg regarding its independence from the Company as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Weinberg the independence of that firm. Based upon these materials and discussions, the Audit Committee has recommended to the Board of Directors that the Company's audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2009.

2001 Stock Option Plan and 2007 Stock Option Plan

We are authorized to issue options to purchase up to 500,000 shares of common stock under our 2001 Stock Option Plan, and we are authorized to issue options to purchase up to 1,500,000 shares of common stock under our 2007 Stock Option Plan. On August 28, 2001, our board of directors adopted the 2001 Stock Option Plan and the plan was approved by our stockholders. On October 8, 2007, our board of directors adopted the 2007 Stock Option Plan and the plan was approved by our stockholders on November 19, 2007.

The plans permit the grant of options to our employees, directors and consultants. The options may constitute either “incentive stock options” within the meaning of Section 422 of the Internal Revenue Code or “non-qualified stock

options.” The primary difference between “incentive stock options” and “non-qualified stock options” is that once an option is exercised, the stock received under an “incentive stock option” has the potential of being taxed at the more favorable long-term capital gains rate, while stock received by exercising a “non-qualified stock option” is taxed according to the ordinary income tax rate schedule.

The plans are currently administered by the board of directors. The plan administrator has full and final authority to select the individuals to receive options and to grant such options as well as a wide degree of flexibility in determining the terms and conditions of options, including vesting provisions.

The exercise price of an option granted under the plan cannot be less than 100% of the fair market value per share of common stock on the date of the grant of the option. The exercise price of an incentive stock option granted to a person owning more than 10% of the total combined voting power of the common stock must be at least 110% of the fair market value per share of common stock on the date of the grant. Options may not be granted under the plan on or after the tenth anniversary of the adoption of the plan. Incentive stock options granted to a person owning more than 10% of the combined voting power of the common stock cannot be exercisable for more than five years.

When an option is exercised, the purchase price of the underlying stock will be paid in cash, except that the plan administrator may permit the exercise price to be paid in any combination of cash, shares of stock having a fair market value equal to the exercise price, or as otherwise determined by the plan administrator.

If an optionee ceases to be an employee, director, or consultant with us, other than by reason of death, disability, or retirement, all vested options must be exercised within three months following such event. However, if an optionee's employment or consulting relationship with us terminates for cause, or if a director of ours is removed for cause, all unexercised options will terminate immediately. If an optionee ceases to be an employee or director of, or a consultant to us, by reason of death, disability, or retirement, all vested options may be exercised within one year following such event or such shorter period as is otherwise provided in the related agreement.

When a stock award expires or is terminated before it is exercised, the shares set aside for that award are returned to the pool of shares available for future awards.

No option can be granted under the plan after ten years following the earlier of the date the plan was adopted by the board of directors or the date the plan was approved by our stockholders.

2009 Consultant Stock Plan

We are authorized to issue up to 100,000 shares of common stock to employees, officers, directors, consultants, independent contractors, advisors, or other service providers to Reed's under our 2009 Consultant Stock Plan. The 2009 Consultant Stock Plan was adopted by our board of directors on February 13, 2009 and is administered by a committee of the board of directors. The plan committee may from time to time, and subject to the provisions of the plan and such other terms and conditions as the plan committee may prescribe, grant to any eligible person one or more shares of common stock of Reed's ("Award Shares"). The grant of Award Shares or grant of the right to receive Award Shares shall be evidenced by either a written consulting agreement or a separate written agreement confirming such grant, executed by Reed's and the recipient, stating the number of Award Shares granted and stating all terms and conditions of such grant.

The plan committee, in its sole discretion, may grant Award Shares in any of the following instances:

- (i) as a "bonus" or "reward" for services previously rendered and compensated, in which case the recipient of the Award Shares shall not be required to pay any consideration for such Award Shares, and the value of such Award Shares shall be the fair market value of such Award Shares on the date of grant; or
- (ii) as "compensation" for the previous performance or future performance of services or attainment of goals, in which case the recipient of the Award Shares shall not be required to pay any consideration for such Award Shares (other than the performance of his services).

Except as set forth above, there are no written employment agreements with any of our officers or key employees, including Christopher J. Reed. We do not have any agreements which provide for severance upon termination of employment, whether in context of a change of control or not.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our board of directors has adopted written policies and procedures for the review of any transaction, arrangement or relationship between Reed's and one of our executive officers, directors, director nominees or 5% or greater stockholders (or their immediate family members), each of whom we refer to as a "related person," in which such related person has a direct or indirect material interest.

If a related person proposes to enter into such a transaction, arrangement or relationship, defined as a "related party transaction," the related party must report the proposed related party transaction to our Chief Financial Officer. The policy calls for the proposed related party transaction to be reviewed and, if deemed appropriate, approved by the Governance Committee. If practicable, the reporting, review and approval will occur prior to entry into the transaction. If advance review and approval is not practicable, the Governance Committee will review, and, in its discretion, may ratify the related party transaction. Any related party transactions that are ongoing in nature will be reviewed annually at a minimum. The related party transactions listed below were reviewed by the full board of directors. Prior to August 2005, we did not have independent directors on our Board to review and approve related party transactions. The Governance Committee shall review future related party transactions.

Since the beginning of our fiscal year for the period ended December 31, 2009, we have participated in the following transactions in which a related person had or will have a direct or indirect material interest:

Judy Holloway Reed, our Secretary and director, is Christopher J. Reed's spouse.

During the year ended December 31, 2008, the Company entered into an agreement for the distribution of its products internationally. The agreement is between the Company and a company controlled by two brothers of Christopher Reed, Chief Executive Officer of the Company. The agreement remains in effect until terminated by either party and requires the Company to pay the greater of \$10,000 per month or 10% of the defined sales of the previous month. During the year ended December 31, 2009, the Company paid \$19,000 for these services and there were no warrants granted in connection with this distribution agreement. The warrants are issuable only upon the attainment of certain international product sales. No warrants vested during the year ended December 31, 2009. The outstanding performance warrants will be valued and a corresponding expense will be recorded upon the attainment of the sales goals identified when the warrants were granted.

In 2005, we added three independent directors to our board. We will maintain at least two independent directors on our board in the future. The board of directors, inclusive of at least a majority of these independent directors, who did not have an interest in the transactions and had access, at our expense, to our or independent legal counsel, resolved to reauthorize all material ongoing and past transactions, arrangements and relationships listed above. In addition, all future material affiliated transactions and loans: (i) will be made or entered into on terms that are no less favorable to us than those that can be obtained from unaffiliated third parties, (ii) and any forgiveness of loans must be approved by a majority of our independent directors who do not have an interest in the transactions and who have access, at our expense, to our or independent legal counsel, and (iii) will comply with the Sarbanes-Oxley Act and other securities laws and regulations.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers, directors and persons beneficially owning more than 10% of the outstanding common stock of the Company to file reports of beneficial ownership and changes in beneficial ownership with the Securities and Exchange Commission ("SEC"). Officers, directors, and greater than 10% beneficial owners of common stock are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely upon a review of Forms 3, 4 and 5 and amendments thereto, Reed's believes that during the fiscal year ended December 31, 2009, all of our officers and directors filed timely file reports required by Section 16(a).

Legal Proceedings

There are no material proceedings to which any of our directors, officers or affiliates, any owner of record or beneficial owner of more than 5% of any class of our voting securities, or any associate of any such director, officer, affiliate, or security holder is a party adverse to Reed's or has a material interest adverse to Reed's.

We have adopted a code of ethics that applies to all our executive officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions.
