INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why am I receiving these materials?

The Company is delivering these materials to you in connection with the Company's solicitation of proxies for use at the Annual Meeting. These materials describe the proposals on which the Company would like you to vote and also give you information on these proposals so that you can make an informed decision.

What is included in these materials?

These materials include:

- this Proxy Statement for the Annual Meeting;
- the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2013; and
- the proxy card or vote instruction form for the Annual Meeting.

What is the proxy card?

The proxy card enables you to appoint OC Kim, our President, as your representative at the Annual Meeting. By completing and returning a proxy card, you are authorizing this individual to vote your shares at the Annual Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the Annual Meeting.

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting on the cover page of this Proxy Statement, including (i) the election of five persons named herein as nominees for directors of the Company, to hold office subject to the provisions of the bylaws of the Company, until the next annual meeting of stockholders and until their successors are duly elected and qualified, (ii) ratification of the appointment of Haskell & White LLP as the Company's independent registered public accounting firm for the fiscal year 2014, (iii) a non-binding advisory vote on the compensation of our executive officers; (iv) a non-binding advisory vote to determine the frequency of advisory votes on executive compensation, and (v) such other matters as may properly come before the meeting or any adjournment thereof.

What constitutes a quorum?

Holders of a majority of shares of our Common Stock entitled to vote at the Annual Meeting must be present at our Annual Meeting, in person or by proxy, to constitute a quorum necessary to conduct the Annual Meeting.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Most of our stockholders hold their shares in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially in street name.

Stockholder of Record

If, on November 20, 2013, your shares were registered directly in your name with our transfer agent, Mountain Share Transfer, you are considered a stockholder of record with respect to those shares, and the Notice of Annual Meeting and Proxy Statement was sent directly to you by the Company. As the stockholder of record, you have the right to direct the voting of your shares by returning the proxy card to us. Whether or not you plan to attend the Annual Meeting, please complete, date, sign and return a proxy card to ensure that your vote is counted.

Beneficial Owner of Shares Held in Street Name

If, on November 20, 2013, your shares were held in an account at a brokerage firm, bank, broker-dealer, or other nominee holder, then you are considered the beneficial owner of shares held in “street name,” and the Notice of Annual Meeting and Proxy Statement was forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to direct that organization on how to vote the shares held in your account. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you receive a valid proxy from the organization.

How do I vote?

Stockholders of Record. If you are a stockholder of record, you may vote by any of the following methods:

By Mail. You may vote by completing, signing, dating and returning your proxy card in the pre-addressed, postage-paid envelope provided.

In Person. You may attend and vote at the Annual Meeting. The Company will give you a ballot when you arrive.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name, you may vote by any of the following methods:

By Mail. You may vote by proxy by filling out the vote instruction form and returning it in the pre-addressed, postage-paid envelope provided.

In Person. If you are a beneficial owner of shares held in street name and you wish to vote in person at the Annual Meeting, you must obtain a legal proxy from the organization that holds your shares.

Abstentions and broker non-votes

While the inspectors of election will treat shares represented by Proxies that reflect abstentions or include "broker non-votes" as shares that are present and entitled to vote for purposes of determining the presence of a quorum, abstentions or "broker non-votes" do not constitute a vote "for" or "against" any matter and thus will be disregarded in any calculation of "votes cast." However, abstentions and "broker non-votes" will have the effect of a negative vote if an item requires the approval of a majority of a quorum or of a specified proportion of all outstanding shares.

Brokers holding shares of record for customers generally are not entitled to vote on "non-routine" matters, unless they receive voting instructions from their customers. As used herein, "uninstructed shares" means shares held by a broker who has not received voting instructions from its customers on a proposal. A "broker non-vote" occurs when a nominee holding uninstructed shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that non-routine matter.

What happens if I do not give specific voting instructions?

Stockholders of Record. If you are a stockholder of record and you:

indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board of Directors, or

sign and return a proxy card without giving specific voting instructions,

then the proxy holder will vote your shares in the manner recommended by the Board of Directors on all matters presented in this proxy statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally not vote on non-routine matters, such as the election of directors.

What are the Board's recommendations?

The Board's recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

for election of the five directors nominated to hold office, subject to the provisions of the Bylaws of the Company, until the next annual meeting of stockholders and until their successors are duly elected and qualified;

for adoption of the resolution approving the company's executive compensation policies and procedures and the fiscal year 2013 compensation paid to the executive officers;

for selection of “every three years” for future advisory votes on the company’s executive compensation;

to approve the ratification of the appointment of Haskell & White LLP as the Company’s independent registered public accounting firm for the fiscal year 2014.

With respect to any other matter that properly comes before the meeting, the proxy holder will vote as recommended by the Board of Directors or, if no recommendation is given, in his own discretion.

How are Proxy materials delivered to households?

For shareholders receiving proxy material by mail, only one copy of the Company's 10-K for the fiscal year ending June 30, 2013 and this Proxy Statement will be delivered to an address where two or more stockholders reside with the same last name or who otherwise reasonably appear to be members of the same family based on the stockholders’ prior express or implied consent.

We will deliver promptly upon written or oral request a separate copy of the Company's 10-K for the fiscal year ending June 30, 2013, as amended, and this Proxy Statement upon such request. If you share an address with at least one other stockholder and you currently receive one copy of our Annual Report and Proxy Statement at your residence, and would like to receive a separate copy of our Annual Report and Proxy Statement for future stockholder meetings of the Company, please specify such request in writing and send such written request to Franklin Wireless Corp., 6205 Lusk Blvd., San Diego, CA 92121 Attention: Corporate Secretary.

The Board of Directors does not have a formal policy relating to diversity among directors. In considering new nominees and whether to re-nominate existing members of the Board, the committee seeks to achieve a Board with strengths in its collective knowledge and a broad diversity of perspectives, skills and business and professional experience. GENERAL PHILOSOPHY - We compensate our executive officers through a mix of base salary, bonus and stock options. Our compensation policies are designed to be competitive with comparable employers and to align management's incentives with both near term and long-term interests of our stockholders. We use informal methods of benchmarking our executive compensation, based on the experience of our directors or, in some cases, studies of industry standards. Our compensation is negotiated on a case by case basis, with attention being given to the amount of compensation necessary to make a competitive offer and the relative compensation among our executive officers.

BASE SALARIES - We want to provide our senior management with a level of cash compensation in the form of base salary that facilitates an appropriate lifestyle given their professional status and accomplishments.

INCENTIVE COMPENSATION - Our practice is to award cash bonuses based upon performance objectives set by the Board of Directors. We maintain a bonus plan which provides our executive officers and non-executive officers the ability to earn cash bonuses based on the achievement of performance targets. The performance targets are by the Board of Directors, and bonuses are awarded to executive officers and non-executive officers on a quarterly basis. The actual amounts of cash bonuses to executive officers and non-executive officers are in the sole discretion of the Board of Directors. For fiscal 2013, the performance targets were based on achieving revenue and operating income targets.

SEVERANCE BENEFITS - We are generally an at will employer, and have no employment agreements with severance benefits; however, we have entered into Change of Control Agreements with our executive officers, and one other employee that provide them with lump sum payments in the event off a change in control of the Company.

RETIREMENT PLANS - We do not maintain any retirement plans.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers and persons who own more than 10% of the issued and outstanding shares of Franklin common stock to file reports of initial ownership of common stock and other equity securities and subsequent changes in that ownership with the SEC. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended June 30, 2013 all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with.

PROPOSAL NO. 2:

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED

PUBLIC ACCOUNTING FIRM

The Board of Directors has appointed Haskell & White LLP as the independent registered public accounting firm for the Company to audit the consolidated financial statements of the Company for fiscal year 2014. Although ratification by stockholders is not required by law, the Board of Directors has determined that it is desirable to request ratification of this selection by the stockholders. Notwithstanding its selection, the Board of Directors, in its discretion, may appoint a new independent registered public accounting firm at any time during the year if the Board of Directors believes that such a change would be in the best interests of the Company and its stockholders. If the stockholders do not ratify the appointment of Haskell & White LLP, the Audit Committee may reconsider its selection.

The vote of a majority of the shares of Common Stock present or represented at the meeting is required for approval. Broker non-votes will be voted in favor of approval. Haskell & White LLP acted as the Company's independent registered public accounting firm during the past fiscal year and, unless the Board of Directors appoints new independent accountants, Haskell & White LLP will continue to act in such capacity during the current fiscal year. It is anticipated that a representative of Haskell & White LLP will attend the Annual Meeting of Stockholders, will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

The aggregate fees billed for the two most recently completed fiscal periods for the audit of our annual financial statements and other services for this fiscal period were as follows:

	FY
	2013
Audit Fees	\$51,000
Total Fees	\$51,000

In the above table, "audit fees" are fees billed by our external auditor for services provided in auditing the Company's financial statements for the year ended June 30, 2013. These services were performed by Haskell & White LLP, except for the three months ended September 30, 2012, which were performed by our previous principal accountant

BDO USA, LLP. For the three months ended September 30, 2012, BDO USA, LLP billed the Company \$11,500 for audit services. For the fiscal year 2012, BDO USA, LLP billed the Company \$77,250 for audit services and \$13,964 for services relating to tax advice and tax planning. In addition, during the fiscal year 2013, BDO USA, LLP billed us \$28,997 for services relating to tax advice and tax planning.

Pre-Approval Policies and Procedures

The Board of Directors pre-approves all audit and non-audit services performed by the Company's auditor and the fees to be paid in connection with such services in order to assure that the provision of such services does not impair the auditor's independence. All of the services described above were approved in advance by the Board of Directors.

RECOMMENDATION OF THE BOARD FOR PROPOSAL NO. 2:

THE BOARD RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF HASKELL & WHITE LLP AS AUDITORS FOR THE 2014 FISCAL YEAR.

ACTIONS TO BE TAKEN AT THE MEETING (Continued)

PROPOSAL 3

NON-BINDING ADVISORY VOTE APPROVING EXECUTIVE COMPENSATION

We are asking our stockholders to provide advisory approval of the compensation of the named executive officers, as described in the “Executive Compensation” section of this proxy statement. While this vote is advisory, and not binding on the Company, it will provide information to our Board regarding investor sentiment about our executive compensation policies and practices, which the Board will be able to consider when determining executive compensation for the fiscal year ending June 30, 2014 and beyond.

This proposal, commonly known as a “say-on-pay” proposal, gives the Company’s stockholders the opportunity to endorse or not endorse our executive compensation program and policies through the following resolution:

“RESOLVED, that the compensation of the Company’s Named Officers, as disclosed pursuant to compensation disclosure rules of the Securities and Exchange Commission located in the “Executive Compensation” section of this proxy statement, and the accompanying executive compensation table and narrative discussions, is hereby APPROVED.”

The vote on this Proposal 3 is advisory, and therefore not binding on the Company or the Board. The vote will not be construed to create or imply any change to the fiduciary duties of the Company or the Board, or to create or imply any additional fiduciary duties for the Company or the Board. However, the Board values input from stockholders and will consider the outcome of the vote when making future executive compensation decisions. The affirmative vote of a majority of the shares present or represented and entitled to vote either in person or by proxy is required to approve this Proposal 3.

RECOMMENDATION OF THE BOARD FOR PROPOSAL NO. 3:

THE BOARD RECOMMENDS A VOTE “FOR” THE ADOPTION OF THE FOREGOING RESOLUTION APPROVING THE COMPANY’S EXECUTIVE COMPENSATION POLICIES AND PROCEDURES AND THE FISCAL YEAR 2013 COMPENSATION PAID TO THE EXECUTIVE OFFICERS.

ACTIONS TO BE TAKEN AT THE MEETING (Continued)

PROPOSAL 4

NON-BINDING ADVISORY VOTE REGARDING THE FREQUENCY OF ADVISORY VOTES ON EXECUTIVE COMPENSATION

The Board is seeking stockholder opinions on the frequency of future advisory votes regarding the Company's executive compensation. Consistent with the intent of the Dodd-Frank Act and SEC rules, the Board is providing stockholders with the opportunity to cast a non-binding advisory vote. The compensation of the Company's named executive officers is disclosed in the "Executive Compensation" section of this proxy statement, and the accompanying compensation tables and the related disclosures. The Board of Directors asks the stockholders to indicate the frequency with which they would like future votes. We are providing stockholders with the option of selecting a frequency of one, two or three years, or abstaining. Our board of directors believes that a once every three years, or triennial, executive compensation advisory vote will allow our stockholders to evaluate executive compensation on a more thorough, long-term basis than a more frequent vote. A triennial vote will also give our board of directors sufficient time to engage with stockholders to better understand their views about executive compensation and respond effectively to their concerns.

Our board of directors is asking stockholders to vote, on a non-binding advisory basis, on the following resolution:

"RESOLVED, that the option of once every one, two or three years that receives the highest number of votes cast will be considered to be the preferred frequency of the stockholders with which the Company is to hold future non-binding stockholder advisory votes on executive compensation."

RECOMMENDATION OF THE BOARD FOR PROPOSAL NO. 4:

THE BOARD RECOMMENDS A VOTE OF "EVERY THREE YEARS" FOR FUTURE ADVISORY VOTES ON THE COMPANY'S EXECUTIVE COMPENSATION.

OTHER MATTERS

The Board of Directors knows of no other business which will be presented at the Annual Meeting. If any other matters properly come before the meeting, the persons named in the enclosed Proxy and will vote the shares represented thereby in accordance with their judgment on such matters.
