Six Continents PLC: Board Committee

Given the speculation concerning possible approaches, the Board of Six Continents PLC ("Six Continents") considers it may be helpful to expand upon its statement of 6 March, in particular concerning the key comments in relation to the process regarding approaches or proposals made for any part of the business or for Six Continents as a whole.

The Board of Six Continents has given an explicit and public commitment that it will seriously consider any proposal that might be attractive to shareholders and that has a reasonable prospect of delivery.

The Board of Six Continents confirms there is an established process for these matters and that it has an independent committee (the "Committee") which is tasked with overseeing the process in respect of approaches or proposals, if any, made for any part of the business, or for Six Continents as a whole prior to the proposed demerger. The Committee's mandate is to advise and provide recommendations to the Six Continents Board as appropriate.

The Committee is chaired by Roger Carr (Senior Non-Executive Director of Six Continents) and comprises David Webster (who is to be appointed Deputy Chairman of InterContinental Hotels Group upon separation) and Robert Larson (a Non-Executive Director of Six Continents).
