On September 17, 2004, a Japanese subsidiary of the registrant entered into an amendment to its existing revolving credit agreement with a syndicate of banks led by Sumitomo Mitsui Banking Corporation. The amended credit agreement increased the available borrowings to ¥65 billion (approximately US\$590 million). A total of ¥32.1 billion (approximately US\$290 million) is currently outstanding under the credit agreement. Borrowings under the credit agreement bear interest at TIBOR plus 90 basis points and may be repaid at any time. The credit agreement matures in August 2006 and is payable in full upon an event of default, which includes monetary and financial covenant defaults. The registrant has fully and unconditionally guaranteed payment of borrowings under the credit agreement.

On September 20, 2004, the registrant issued a press release relating to the credit agreement, a copy of which has been filed as an exhibit to this report and is incorporated herein by reference.
