PROXY STATEMENT AND NOTICE SOLICITATION OF PROXIES

The Annual Meeting of the Stockholders (the "Annual Meeting") of Buyers United, Inc., a Delaware corporation (referred to herein sometimes as "Buyers United" or "the Company"), will be held at 10:00 a.m., on June 29, 2004, at 14870 Pony Express Road, Bluffdale, Utah. The Board of Directors is soliciting the enclosed proxy through this proxy statement for use at the Annual Meeting and at any adjournment thereof.

The purpose of the Annual Meeting is to propose and vote on the following items:

- (1) Election of Theodore Stern, Gary Smith, Edward Dallin Bagley, Steve Barnett and Paul Jarman as Directors of Buyers United to serve for a term of one year and until their successors are duly elected and qualified;
- (2) Approve an amendment to the Certificate of Incorporation of the Company to change the name of the Company to "UCN, Inc."
- (3) Approve the Employee Stock Purchase Plan; and
- (4) Conduct all other business as may properly come before the Annual Meeting or any adjournments thereof.

Please sign your name exactly as it appears on the proxy. If you receive more than one proxy because of shares registered in different names or addresses, you must complete and return each proxy in order to vote all shares that you hold.

All proxies will be voted as specified. In the absence of specific instructions, your proxy will be voted FOR proposals (1), (2) and (3). Proxies will be voted in the discretion of the proxy holder on any other business coming before the Annual Meeting, including any stockholder proposal or other matter not included in this proxy statement of which Buyers United did not receive notice prior to March 31, 2004.

You may revoke your proxy by delivering a written notice of revocation to Buyers United's corporate secretary at any time prior to the Annual Meeting, by executing a later-dated proxy with respect to the same shares, or by attending the Annual Meeting and voting in person.

Proxies will be solicited primarily by mail, but may also include telephone, telegraph, or oral communication by officers or regular employees. Officers and employees will receive no additional compensation for soliciting proxies. All costs of soliciting proxies will be borne by Buyers United.

This Proxy Statement serves as notice of the Annual Meeting, a description of the proposals to be addressed at the Annual Meeting, and a source of information on Buyers United and its management. The approximate mailing date of the Proxy Statement and Proxy to stockholders is May 14, 2004.

OUTSTANDING SHARES AND VOTING RIGHTS

Record Date. Stockholders of record at the close of business on May 7, 2004 ("Record Date"), are entitled to notice of and to vote at the Annual Meeting or any adjournment thereof.

Edgar Filing: BUYERS UNITED INC - Form PRE 14A

Shares Outstanding. As of May 7, 2004, a total of _____ shares of Buyers United's common stock were outstanding and entitled to vote at the Annual Meeting. As of the Record Date, Buyers United had two classes of preferred stock outstanding, Series A Convertible Preferred Stock and Series B Convertible Preferred Stock, that are not entitled to vote on any of the matters to be voted upon by stockholders at the Annual Meeting.

Voting Rights and Procedures. Each outstanding share of common stock is entitled to one vote on all matters submitted to the stockholders' vote. Buyers United's Bylaws and Delaware law require the presence, in person or by proxy, of a majority of the outstanding shares entitled to vote to constitute a quorum to convene the Annual Meeting. Shares represented by proxies that reflect abstentions or "broker non-votes" (i.e., shares held by a broker or nominee that are represented at the meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

Stockholder Proposals for the 2005 Annual Meeting. Proposals from stockholders intended to be included in this proxy statement for the Annual Meeting in 2005 must be received by Buyers United's Secretary on or before January 31, 2005, and may be omitted unless the submitting stockholder meets certain requirements. It is suggested that the proposal be submitted by certified mail, return-receipt requested.

You may present your own proposal at the Annual Meeting in 2004 without including the proposals in the proxy statement. However, if the Company does not receive notice of this proposal on or before March 31, 2005, any proxy returned to Buyers United conferring discretionary authority to vote may be voted at the proxy holder's discretion on your proposal.

ELECTION OF DIRECTORS (PROPOSAL NO. 1)

At the Annual Meeting, all Buyers United directors will be elected to serve until the annual meeting of stockholders in the year 2005.

The Board nominates for election as Directors:

Theodore Stern Gary Smith Edward Dallin Bagley Steve Barnett Paul Jarman

Set forth below under the caption "DIRECTORS AND EXECUTIVE OFFICERS," is information on the age, presently held positions with Buyers United, principal occupation now and for the past five years, other directorships in public companies, and tenure of service with Buyers United as a director, for each of the nominees.

Edgar Filing: BUYERS UNITED INC - Form PRE 14A

Vote and Recommendation

Each director is elected by vote of a plurality of the shares of voting stock present and entitled to vote, in person or by proxy, at the Annual Meeting. Abstentions or broker non-votes as to the election of directors will not affect the election of the candidates receiving the plurality of votes. Unless instructed to the contrary, the shares represented by the proxies will be voted FOR the election of the nominees named above as directors. Although it is anticipated that each nominee will be able to serve as a director, should any nominee become unavailable to serve, the proxies will be voted for such other person or persons as may be designated by our Board.

The Board Recommends a Vote "FOR" The Nominees

AMENDING THE CERTIFICATE OF INCORPORATION TO CHANGE OUR NAME (PROPOSAL NO. 2)

In April 2004 our board adopted a resolution to approve an amendment to the Company's Certificate of Incorporation to change its name to "UCN, Inc." The name change was approved by our board to more closely identify us with our advertising and promotional activities, which are all conducted under the name "UCN." The exact proposal is to amend Article I of our Delaware Certificate of Incorporation by deleting all of Article I and inserting the following provision in lieu thereof:

ARTICLE I NAME

The name of the Corporation is UCN, Inc.

Vote and Recommendation

Approval of the amendment to change our name requires the affirmative vote of the holders of a majority of the issued and outstanding shares of common stock. Abstentions as to this Proposal 2 will be treated as votes against proposal 2. Broker non-votes, however, will be treated as unvoted for purposes of determining approval of Proposal 2 and will not be counted as votes for or against Proposal 2. Properly executed, unrevoked proxies will be voted FOR Proposal 2 unless a vote against Proposal 2 or abstention is specifically indicated in the individual Proxy.

Our Board Recommends a Vote "For" the Amendment.

APPROVAL OF EMPLOYEE STOCK PURCHASE PLAN (PROPOSAL NO. 3)

The Purchase Plan

On March 17, 2004 the Board of Directors adopted, subject to the approval by the stockholders of the Company, the 2005 Employee Stock Purchase Plan (Purchase Plan). Management believes that awards under the Purchase Plan will promote Buyers United's operating performance and growth potential by encouraging employees to acquire equity in Buyers United, thereby aligning their long-term interests with those of Buyers United. The following summary describes the Purchase Plan. This summary is qualified in its entirety by reference to the

Edgar Filing: BUYERS UNITED INC - Form PRE 14A

specific provisions of the Purchase Plan, which is presented as Appendix A to this Proxy Statement.

If approved by stockholders, the Purchase Plan will become effective January 1, 2005, and will continue for nine years and one month subject to earlier termination by the Board of Directors. The Purchase Plan provides that up to 1,000,000 shares of common stock may be sold to participating employees.

The Purchase Plan permits eligible employees of Buyers United and its participating subsidiaries to purchase the common stock through payroll deductions during 36 consecutive participation periods beginning January 1, 2005. Each participation period is three months in length. In general, eligible employees can elect for each participation period to purchase full shares through payroll deductions of up to 10 percent of base pay, but in no event may the participant's rights to purchase shares of common stock accrue at a rate that exceeds \$25,000 of fair market value of common stock in a calendar year. The purchase price a participant pays for the shares is equal to the greater of \$2.00 and 85 percent of the closing market bid price of the common stock on the first business day or the last business day of each participation period, whichever is lower. This percentage may be changed prior to a participation period by, and at the sole discretion of, the committee administering the Purchase Plan without further approval of the stockholders to any whole percentage that is not less than 85 percent and not greater than 100 percent. The Financial Accounting Standards Board (FASB) is currently proposing that companies be required to expense awards to purchase stock under employee stock purchase plans when the purchase price discount is greater than that available to all stockholders. Accordingly, Buyers United has built into the Purchase Plan the flexibility to

3

increase the purchase price percentage applied to the purchase rights under the Purchase Plan, which in turn would reduce the purchase price discount, in the event the FASB proposal is adopted.

Eligibility to participate will generally be extended to all regular employees of Buyers United and its participating subsidiaries who are actively and customarily employed for 20 hours or more per week and who have completed three months of employment. Officers and members of the Board of Directors who are eligible employees are also permitted to participate. An employee is ineligible to participate if immediately after such grant, such employee would own stock possessing five percent or more of the total combined voting power or value of all classes of stock of Buyers United or any subsidiary of Buyers United, such ownership to be determined by applying the rules of Section 424(d) of the Internal Revenue Code and treating stock that the employee may purchase under outstanding options as stock owned by the employee.

The Compensation Committee of the Board of Directors, or such other committee established by the Board of Directors, will administer the Purchase Plan. The Committee may amend the Purchase Plan or adopt sub-plans, in its sole discretion, in order to conform the terms of the Purchase Plan to the requirements of local law with respect to participating subsidiaries that employ participants who reside outside the United States. The Committee will have the power to interpret the plan and may adopt, amend and rescind rules, not inconsistent with the provisions of the Purchase Plan, that it deems advisable. The Purchase Plan may be amended by the Board of Directors from time to time as it deems desirable in its sole discretion without approval of the stockholders of the Company, except to the extent stockholder approval is required by Rule 16b-3 of the Exchange Act, applicable Nasdaq or stock exchange rules, applicable provisions of the Internal Revenue Code, or other applicable laws or regulations. The Board of Directors may terminate the plan at any time in its

Edgar Filing: BUYERS UNITED INC - Form PRE 14A

sole discretion.

The proceeds of the sale of stock received under the Purchase Plan will constitute general funds of Buyers United and may be used by it for any purpose. The number of shares to be issued under the Purchase Plan will be adjusted by the Board of Directors in the event that the outstanding shares of Buyers United common stock are increased or decreased or changed into or exchanged for a different number or kind of shares of stock or other securities of Buyers United or of another corporation without the receipt of consideration by Buyers United, by reason of a reorganization, merger or consolidation, recapitalization, reclassification, stock split, reverse stock split, split-up, combination or exchange of shares or declaration of any dividends payable in common stock. In the event of (i) any offer or proposal to holders of Buyers United's Common Stock relating to the acquisition of their shares, including, without limitation, through purchase, merger or otherwise or (ii) any transaction generally relating to the acquisition of substantially all of the assets or business of Buyers United, or (iii) the dissolution or liquidation of Buyers United, the Board of Directors may make such adjustment as it deems equitable.

Under current law, the United States federal income tax consequences to participants and Buyers United of options granted under the Purchase Plan would generally be as set forth in the following summary. This summary does not purport to be a complete analysis of all potential United States federal income tax or other tax consequences relevant to employees and Buyers United or to describe tax consequences based upon particular circumstances. In addition, the summary does not discuss the income tax laws of any municipality, state or foreign country in which the participant may reside and to which the participant may be subject.

If shares of common stock are issued to a participant under the Purchase Plan, and if no disposition of such shares is made within two years of the first day of the participation period, or within one year after the transfer to such participant of such shares, or in the event of the participant's death (whenever occurring) while owning such shares, then: (a) no income will be realized by the participant at the time of the transfer of the shares to such participant and (b) when the participant sells or otherwise disposes of such shares (or dies holding the shares), there will be included in his or her gross income, as compensation, an amount equal to the lesser of (i) the amount by which the fair market value of the shares on the first day of the participation period exceeds the purchase price for the shares, or (ii) the amount by which the fair market value at the time of disposition or death exceeds the purchase price for the shares. Any further gain will be treated for federal income tax purposes as long-term capital gain, provided that the employee holds the shares for the applicable long-term capital gain holding period after the last day of the participation period applicable to such shares.

No deduction will be allowed to Buyers United for federal income tax purposes in connection with the grant or exercise of any right to purchase shares under Purchase Plan, if there is no disposition of the shares within either the two-year or the one-year periods referred to above. If there is a disposition of shares by a participant

within either of these periods, such participant will realize ordinary income in the year of disposition in an amount equal to the difference between the purchase price and the fair market value of the shares at the time of purchase, and Buyers United will generally be entitled to a deduction in the same amount. The amount of ordinary income realized by the participant may be subject to withholding for taxes. Any difference between the amount received by an employee upon such a disposition and the fair market value of the shares at the time of

Edgar Filing: BUYERS UNITED INC - Form PRE 14A

purchase will be capital gain or loss, as the case may be.

If the purchase of shares under the Purchase Plan is not pursuant to an "employee stock purchase plan" under Section 423 of the Code, the purchase will be treated as the exercise of a non-qualified stock option. The participant will therefore recognize ordinary income at the time of purchase in an amount equal to the excess of the fair market value of the shares acquired over the purchase price, and Buyers United will generally be entitled to a deduction in the same amount. Such income is subject to withholding of income and employment taxes. Any gain or loss recognized on a subsequent sale of the shares, as measured by the difference between the sale proceeds and the sum of (a) the purchase price for such shares and (b) the amount of ordinary income recognized on the purchase of such shares, will be treated as a capital gain or loss, as the case may be.

Benefits Under the New Purchase Plan

Employees of Buyers United who are employed for 20 hours or more per week, including employees who are members of the Board, are eligible to participate in the Purchase Plan. Because participation in the Purchase Plan is determined at the election of each eligible participant, it is impossible to determine benefits that will be received in the future under the Purchase Plan by any eligible participant.

Vote Required

The affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on this item is required for approval of the Purchase Plan. Abstentions will have the effect of a negative vote on the proposal. If no direction is indicated on the proxy, the shares represented by the proxy will be voted FOR the proposal. "Broker Non-votes" as to the proposal will not affect the outcome of the vote on the proposal. The Board has approved the Purchase Plan and believes it to be in the best interests of Buyers United and the shareholders. One director is eligible to participate in the plan and thus has a personal interest in its approval.

The Board of Directors Recommends a Vote "For" Approval of the Employee Stock Purchase Plan.

SECURITY OWNERSHIP OF MANAGEMENT AND PRINCIPAL STOCKHOLDERS

The following table sets forth, as of May 7, 2004, the number and percentage of the outstanding shares of common stock and warrants and options that, according to the information supplied to Buyers United, were beneficially owned by (i) each person who is currently a director, (ii) each executive officer, (iii) all current directors and executive officers as a group and (iv) each person who, to the knowledge of Buyers United, is the beneficial owner of more than five percent of the outstanding common stock. Except as otherwise indicated, the persons named in the table have sole voting and dispositive power with respect to all shares beneficially owned, subject to community property laws where applicable.

During 2000, the Board formed the Compensation Committee, the members of which are Edward Dallin Bagley (Chairman), Steve Barnett, and Gary Smith. The Compensation Committee considers salary and benefit matters for the executive officers and key personnel of the Company. The Compensation Committee met five times in 2003, and all director members of the committee attended at least 75 percent of the meetings. In 2000, the Board also formed the Audit Committee, the members of which are Steve Barnett (Chairman) and Edward Dallin Bagley. The Audit Committee is governed by an Audit Committee Charter. The Audit Committee is responsible for financial reporting matters, internal controls, and compliance with the Company's financial policies, and meets with its auditors when appropriate. The Audit Committee met twice in 2003, and all director members of the committee attended the meetings. The Board has determined that Steve Barnett is serving as the audit committee financial expert within the meaning of Item 401(e) of Regulation S-B.

8

Buyers United has not established a nominating committee. During the past several years while the business of Buyers United was developing, management was of the view that there were few persons who would consider serving as a director of a fledgling small cap company, so a nominating committee would have little utility. Now that Buyers United is more established, management is evaluating the formation of a nominating committee in the current year. At the present time all of our directors participate in the consideration of director nominees.

Audit Committee Report

The Board's Audit Committee assists in fulfilling its oversight responsibilities with respect to the external reporting process and the adequacy of Buyers United's internal financial controls. The Audit Committee is comprised of two members, one of who is an independent director under the rules adopted by the National Association of Securities Dealers, Inc.

Management is responsible for Buyers United's internal controls and the financial reporting process. Crowe Chizek and Company LLC, our independent

Edgar Filing: BUYERS UNITED INC - Form PRE 14A

public accounting firm, is responsible for performing an independent audit of Buyers United's consolidated financial statements in accordance with auditing standards generally accepted in the United States and expressing an opinion on the financial statements. The Audit Committee's responsibility is to monitor these processes through review and discussion with management and representatives of Crowe Chizek and Company LLC.

The Audit Committee operates under a written charter adopted by the Board of Directors. The Audit Committee reviews and reassesses the adequacy of the charter on an annual basis. As a result of the adoption of the Sarbanes-Oxley Act of 2002 and rules there under, we expect that after the Annual Meeting the Audit Committee will reassess the charter and recommend to the Board appropriate changes under the new regulatory scheme.

The Audit Committee has discussed with Crowe Chizek and Company LLC the overall scope of the independent audit. Management represented to the Audit Committee that Buyers United's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. Discussions about the audited financial statements included Crowe Chizek and Company LLC's judgments about the quality and acceptability of the accounting principles, the reasonableness of significant judgments, and the accuracy and adequacy of disclosures in the financial statements. The Audit Committee also discussed with the auditors other matters required by Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended by SAS No. 90, Audit Committee Communications.

Crowe Chizek and Company LLC provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Audit Committee discussed Crowe Chizek and Company LLC's independence with management and representatives of Crowe Chizek and Company LLC, and has satisfied itself as to the independence of Crowe Chizek and Company LLC.

Based on the Audit Committee's discussions with management and representatives of Crowe Chizek and Company LLC and the Audit Committee's review of the representations of management and the report of Crowe Chizek and Company LLC, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in Buyers United's Annual Report on Form 10-KSB for the year ended December 31, 2003, filed with the Securities and Exchange Commission.

Board Compensation

Each Director received a monthly director fee of \$1,000 during 2003, which was increased to \$2,000 per month in January 2004. The past practice of the Board is to compensate directors for their annual service by issuing to each of them options to purchase 25,000 shares of common stock exercisable over a term of five years from the date of issue. Pursuant to this practice, each director received 25,000 options in March 2002 with an exercise price

of \$2.50 per share, and in November 2002 (for year 2003) with an exercise price of \$2.00 per share. It has also been the past practice of the Board to compensate the Chairman of the Board, and beginning with those issued for 2003, the Chairman of the Audit Committee, for their annual service by issuing to each

Edgar Filing: BUYERS UNITED INC - Form PRE 14A

of them options to purchase 15,000 shares of common stock exercisable over a term of five years from the date of issue. Pursuant to this practice, Theodore Stern received as Chairman of the Board 15,000 options in March 2002 and November 2002, with exercise prices of \$2.50 and \$2.00 per share, respectively. Steve Barnett received as Chairman of the Audit Committee 15,000 options in November 2002 (for year 2003) with an exercise price of \$2.00 per share.

The Director Stock Option Plan was adopted by the Board in May 2003 and approved by the stockholders in June 2003. The purposes of the plan are to attract, motivate and retain experienced and knowledgeable directors by offering them opportunities to increase their stock ownership interest in Buyers United. Each person serving as a director on the date options are issued under the plan is eligible to participate. The persons serving as Chairman of the Board and Chairman of the Audit Committee on the date options are issued for those positions under the plan are eligible to participate.

The Board has authorized the issuance or delivery of options to purchase an aggregate of 1,000,000 shares of common stock under the plan, subject to customary antidilution and other adjustments provided for in the plan. Each person serving as a director on March 1 of each year is entitled to receive an option to purchase 25,000 common shares at an exercise price per share equal to the average fair market value on that date, but in no event less than the conversion price for the Series B Convertible Preferred Stock of Buyers United, which is now \$2.00 per share. On the dates the Board appoints the Chairman of the Board and Chairman of the Audit Committee to serve for the next year, each person so appointed is entitled to receive an option to purchase 15,000 common shares at an exercise price per share equal to the average fair market value on that date, but in no event less than the conversion price for the Series B Convertible Preferred Stock of Buyers United. Each option issued under the plan is exercisable over a term of five years. The number of options issuable each year under the plan, as well as options outstanding under the plan, is subject to customary antidilution and other adjustments provided for in the plan. Options issued under the plan are not exclusive and the plan does not limit the authority of the Board or its committees to grant awards or authorize any other compensation, with or without reference to shares, under any other plan or authority.

The plan is administered by a committee, which is either the Board of Directors or a committee appointed by the Board for such purpose. The Board of Directors has not appointed a committee to administer the plan, so the entire Board is now the committee administering the plan. Subject to the limitations of the plan, the committee has broad authority under the plan, including, for example, the authority:

- o To construe and interpret this plan;
- o To make all other determinations required by this plan;
- o To maintain all the necessary records for the administration of this plan; and
- o To make and publish forms, rules and procedures for administration of the plan.

In 2004 the Board, and each of our directors individually, agreed to renounce their right to receive options under the plan for 2004, and instead receive options outside the plan for a lower number of shares. Accordingly, the Board approved in January 2004 the issuance to each director of options to purchase 10,000 shares of common stock and to Steve Barnett as chairman of the Audit Committee options to purchase 5,000 additional shares. All of the options are exercisable over a term of five years at \$3.05 per share, which was the market price for our common stock in the public market on the date of grant.

Description of Long Term Stock Incentive Plan

The purpose of the Long Term Stock Incentive Plan (the "Plan") is to provide directors, officers, employees, and consultants with additional incentives by increasing their ownership interests in Buyers United. Directors, officers, and other employees of Buyers United and its subsidiaries are eligible to participate in the Plan.

12

In addition, awards may be granted to consultants providing valuable services to Buyers United. As of December 31, 2003, Buyers United and its affiliates employed approximately 190 individuals who are eligible to participate in the Plan. The Board grants awards under the Plan. Awards may include incentive stock options, non-qualified stock options, stock appreciation rights, stock units, restricted stock, restricted stock units, performance shares, performance units, or cash awards.

The Board has discretion to determine the terms of an award under the Plan, including the type of award, number of shares or units covered by the award, option price, term, vesting schedule, and post-termination exercise period or payment. Notwithstanding this discretion: (i) the number of shares subject to an award granted to any individual in any calendar year may not exceed 100,000 shares; (ii) the option price per share of common stock may not be less than 100 percent of the fair market value of such share at the time of grant or less than 110% of the fair market value of such shares if the option is an incentive stock option granted to a stockholder owning more than ten percent of the combined voting power of all classes of the stock of Buyers United (a "10% stockholder"); and (iii) the term of any incentive stock option may not exceed 10 years, or five years if the option is granted to a 10% stockholder. As of December 31, 2003, awards in the form of qualified incentive stock options to purchase a total of 863,639 shares were outstanding under the Plan.

A maximum of 1,200,000 shares of common stock may be subject to outstanding awards, determined immediately after the grant of any award under the Plan. Shares of common stock, which are attributable to awards that have expired, terminated, or been canceled or forfeited during any calendar year, are available for issuance or use in connection with future awards.

The Plan was effective March 11, 1999, and is not limited in duration. No incentive stock option may be granted more than 10 years after the effective date. The Plan may be amended by the Board without the consent of the stockholders, except that stockholder approval is required for any amendment that materially increases the aggregate number of shares of stock that may be issued under the plan or materially modifies the requirements as to eligibility for participation in the Plan.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following discussion includes certain relationships and related transactions that occurred during Buyers United's fiscal years ended December 31, 2003 and 2002.

Transactions with Theodore Stern

Beginning in December 2000 and continuing into 2003, Theodore Stern, the Chairman of the Board of Directors and Chief Executive Officer, made loans to Buyers United for working capital purposes. All of the loans bear interest at

Edgar Filing: BUYERS UNITED INC - Form PRE 14A

the rate of 12 percent per annum payable monthly and are unsecured. One loan made in February 2003 for \$100,000 and another made in July 2003 for \$86,563 were repaid in full later in 2003. Another loan for \$112,500 made in December 2002 remains outstanding, is due in December 2004, and is convertible at the election of Mr. Stern to 56,250 shares of common stock. Further, a loan made in July 2003 for \$348,825 remains outstanding and is due in July 2005, but it is not convertible to common stock.

In consideration for the loans listed in the following table, we issued common stock to Mr. Stern and recorded the value of the stock at the market price on the date of issuance. All of these loans were repaid in 2004. The table shows the date and principal amount of the loans, the number of shares of common stock issued in consideration for the loans, and the value of the common stock:

In September 2001, Buyers United issued 25,000 shares to Mr. Stern in consideration for Mr. Stern's personal guaranty of Buyers United's payment obligations under a new contract with Global Crossing Communications, Inc., that provides telecommunication services to us for resale. The total amount raised was \$3,187,500, of which total Mr. Stern contributed \$137,500 under terms identical to the other unaffiliated investors. All the unsecured promissory notes bear interest at 10 percent, payable monthly. Principal payments are also due monthly, based on 10 percent of the net billings collected from the Touch America customers during the prior calendar month, and the notes have no maturity date. As of December 31, 2003, we had repaid \$84,854 of the principal on this note.

On January 15, 2003, Mr. Stern gave his personal guaranty of up to \$250,000 of obligations arising under a resale contract with Williams Communications. In consideration for providing the guaranty, we issued 15,000 shares to Mr. Stern valued at \$36,300 based on the then current market price.

Transactions with other related parties

In October 2000, the Board approved a two-year consulting arrangement with Gary Smith, a member of the Board. No fees were actually paid to Mr. Smith during 2000, and up through October 2002, Mr. Smith was paid \$110,000 in fees under his consulting arrangement.

On January 15, 2002, Paul Jarman, G. Douglas Smith, and Kenneth D. Krogue made unsecured loans to Buyers United in the total principal amount of \$79,998, due July 15, 2003 and bearing interest at the rate of 12 percent per annum. In consideration for making the loans, Buyers United agreed to issue a total of 7,998 shares to these individuals valued at \$8,798 based on the market price on the date of issuance. These loans were repaid in July 2003.

The provisions of such sub-plans may take precedence over other provisions of the Plan, with the exception of Section 4.01, but unless otherwise superseded by the terms of such sub-plan, the provisions of the Plan shall govern the operation of such sub-plans.

5.07 Changing of Percentage/ Minimum Price. The percentage (i.e. 85%) provided for within Subsections 7.02(iii) and 7.03 herein may be changed by and at the sole discretion of the Committee, without further approval of the Company's Stockholders, to any whole percentage that is not less than 85% and not greater than 100%; provided, however, that the Committee shall provide all Participants with written notice of any such change in advance of the Participation Period in which such change is to first take effect. The minimum price requirement of \$2.00 per share (as the same may be adjusted as contemplated herein) provided for within Subsections 7.02(iii) and 7.03 herein may be terminated at the sole discretion of the Committee, without further approval of the Company's Stockholders, at any time on or after the date that no shares of the Company's Series A Convertible Preferred Stock and Series B Convertible Preferred Stock, as constituted on April 15, 2004, are outstanding; provided, however, that the Committee shall provide all Participants with written notice of any such change in advance of the Participation Period in which such change is to first take effect.

Section 6. Payroll Deductions,

6.01. Amount of Deduction. At the time a Participant files his or her enrollment form authorizing payroll deductions pursuant to Section 3.03, he or she shall elect to have deductions made from his or her Base Pay on each payday during the time he or she is a Participant in the Offering.

18

6.02. Participant's Account; No Interest. All payroll deductions made for a Participant shall be credited to his or her account under the Plan. A Participant may not make any separate cash payment into such account. No interest shall accrue on amounts credited to a Participant's account under the Plan, regardless of whether or not the funds in such account are ultimately used to acquire shares of Common Stock, unless required under local law.

6.03. Changes in Payroll Deductions. A Participant may change the rate of payroll deductions, effective for the next Participation Period, by filing a

Edgar Filing: BUYERS UNITED INC - Form PRE 14A

new enrollment form with the Committee at any time prior to the first day of the Participation Period for which such change is to be effective. A Participant may also discontinue his or her participation in the Plan by notifying the Committee in accordance with the procedures established by the Committee for such purpose.

6.04. Use of Funds. All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions unless required under local law.

Section 7. Grant of Option.

7.01. Terms and Conditions. A description of the terms and conditions of the Plan shall be made available to Participants in such form and manner, as the Committee shall approve.

7.02. Number of Option Shares. On the first business day of each Participation Period during the term of the Plan, each Participant shall be deemed to have been granted an Option, subject to the limitations of Section 3.02, to purchase a maximum number of shares of Common Stock during the Participation Period equal to the number obtained by multiplying (i) the percentage of the Employee's Base Pay for that Participation Period, which he or she has elected to have withheld pursuant to Section 6.01 by (ii) the Employee's Base Pay for that Participation Period and dividing the resulting product by (iii) the greater of \$2.00 (as adjusted proportionately for stock splits, share combinations, or recapitalizations, as determined by the Committee), and 85% (subject to increase by the Committee) of the Fair Market Value of one share of Common Stock of the Company on the first business day or on the last business day of that Participation Period, whichever is lower, provided, however, that in no event shall the total number of shares of Common Stock for which Options are granted exceed the number of shares set forth in Section 4.01. If the total number of shares of Common Stock for which Options would have been granted to Participants pursuant to the preceding sentence would have exceeded the number of shares set forth in Section 4.01 (absent the proviso in the preceding sentence), the Committee shall make a pro rata allocation of the shares of Common Stock available for grant to Participants' Options in such manner as it shall determine, in its sole discretion, to be reasonably practicable, uniform and equitable.

7.03. Option Price. The Option price per share of the Common Stock subject to an Option shall be the greater of: \$2.00 (as adjusted proportionately for stock splits, share combinations, or recapitalizations, as determined by the Committee); and 85% (subject to increase by the Committee) of the Fair Market Value of one share of Common Stock of the Company on the first business day or on the last business day of that Participation Period, whichever is lower.

7.04. Interest in Option Stock. A Participant shall have no interest in shares of Common Stock covered by his or her Option until such Option has been exercised.

7.05. Transferability. Neither payroll deductions credited to a Participant's account nor Options granted to a Participant shall be transferable other than by will or the laws of descent and distribution and, during a Participant's lifetime, an Option shall be exercisable only by the Participant.

7.06 Tax Withholding. In the event that the Company or any Subsidiary of the Company is required to withhold any Federal, state, local or foreign taxes in respect of any compensation income realized by the Participant as a result of any "disqualifying disposition" of any shares of Common Stock acquired upon exercise of an Option granted hereunder, the Company or such Subsidiary of the Company shall deduct from any payments of any kind otherwise due to such Participant the aggregate amount of such Federal, state, local or foreign taxes

Edgar Filing: BUYERS UNITED INC - Form PRE 14A

required to be so withheld or, if such payments are insufficient to satisfy such Federal, state, local or foreign taxes, such Participant will be required to pay to the Company or such Subsidiary of the Company, or make other arrangements satisfactory to the Company or such Subsidiary of the Company regarding payment to the Company or such Subsidiary of the

19

Company of, the aggregate amount of any such taxes. All matters with respect to the total amount of taxes to be withheld in respect of any such compensation income shall be determined by the Committee in its sole discretion. Subject to approval by the Committee, a Participant may elect to have such tax withholding obligation satisfied, in whole or in part, by (i) authorizing the Company to withhold from shares of Common Stock to be acquired upon exercise of an Option, a number of shares of Common Stock with an aggregate Fair Market Value (as of the date the withholding is effected) that would satisfy the withholding amount due, or (ii) transferring to the Company shares of Common Stock owned by the Participant with an aggregate Fair Market Value (as of the date the withholding is effected) that would satisfy the withholding amount due.

Section 8. Exercise of Options.

8.01. Automatic Exercise. Unless a Participant gives written notice to the Company of withdrawal pursuant to Section 9.01, his or her Option to acquire Common Stock with payroll deductions credited to his or her account for any Participation Period will be deemed to have been exercised automatically on the last business day of the applicable Participation Period for the purchase of the number of full shares of Common Stock that the accumulated payroll deductions credited to his or her account at that time will purchase at the applicable Option price (but not in excess of the number of shares of Common Stock for which Options have been granted to the Employee pursuant to Section 7.02), and any excess credited to his or her account at that time will be carried forward to the next Participation Period.

8.02. Fractional Shares. Fractional shares will not be issued under the Plan and any accumulated payroll deductions that would have been used to purchase fractional shares will be carried over to the next following Participation Period.

8.03. Delivery of Stock. As soon as reasonably practicable after each Participation Period, the Company will deliver to the Participant's account with the Company's designated broker, in such Participant's name, the shares of Common Stock purchased upon exercise of such Participant's Option. It is a condition of participation in the Plan that each Participant maintains an account with the broker designated by the Company. The Company reserves the right to change its designated broker from time to time in its sole discretion.

Section 9. Withdrawal.

9.01. In General. A Participant may withdraw payroll deductions credited to his or her account for a Participation Period under the Plan at any time prior to the last business day of such Participation Period by giving written notice to the Committee. As soon as reasonably practicable after receipt by the Committee of his or her notice of withdrawal, the payroll deductions credited to the Participant's account for such Participation Period will be paid to him or her without interest (except to the extent required by local law), and no further payroll deductions will be made from his or her Base Pay for such Participation Period.

9.02. Cessation of Employee Status. In the event a Participant shall cease to be an Employee during a Participation Period for any reason, other than

Edgar Filing: BUYERS UNITED INC - Form PRE 14A

as a result of his or her death, the payroll deductions credited to his or her account for such Participation Period will be returned to him or her without interest (except to the extent required by local law) as soon as reasonably practicable thereafter.

9.03. Termination Due to Death. In the event a Participant shall cease to be an Employee during a Participation Period by reason of his or her death, his or her legal representative shall have the right to elect, by written notice to the Committee prior to the last business day of the Participation Period:

(a) To withdraw all of the payroll deductions credited to the Participant's account under the Plan for such Participation Period without interest (except to the extent required by local law), or

(b) To exercise the Participant's Option for such Participation Period with any excess in the Participant's account after exercise of the Option to be returned to the Participant's legal representative.

In the event that no such written notice of election is duly and timely received by the Committee, the Participant's legal representative shall automatically be deemed to have elected, pursuant to clause (b) above, to exercise the Participant's Option.

20

Section 10. Adjustments.

10.01. Changes In Capitalization. In the event that the outstanding shares of the Company's Common Stock shall be increased or decreased or changed into or exchanged for a different number or kind of shares of stock or other securities of the Company or of another corporation, effected without the receipt of consideration by the Company, through reorganization, merger or consolidation, recapitalization, reclassification, stock split, reverse stock split, split-up, combination or exchange of shares or declaration of any dividends payable in Common Stock, the Board of Directors shall appropriately adjust, subject to any required action by the stockholders of the Company, (i) the number of shares of Common Stock (and the Option price per share) subject to the unexercised portion of any outstanding Option (to the nearest possible full share), provided, however, that the limitations of Section 424 of the Code shall apply with respect to such adjustments and (ii) the number of shares of Common Stock for which Options may be granted under the Plan, as set forth in Section 4.01 hereof, and such adjustments shall be final, conclusive and binding for all purposes of the Plan. Except as expressly provided herein, no issuance by the Company of shares of stock of any class shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Option.

10.02. Acquisition, Merger, Sale of Assets, Dissolution or Liquidation. Notwithstanding the foregoing, in the event of (i) any offer or proposal to holders of the Company's Common Stock relating to the acquisition of their shares, including, without limitation, through purchase, merger or otherwise, or (ii) any transaction generally relating to the acquisition of substantially all of the assets or business of the Company, or (iii) the dissolution or liquidation of the Company, the Board of Directors may make such adjustment as it deems equitable in respect of outstanding Options (and in respect of the shares of Common Stock for which Options may be granted under the Plan), including, without limitation, the revision, cancellation, or termination of any outstanding Options, or the change, conversion or exchange of the shares of the Company's Common Stock under outstanding Options (and of the shares of the Company's Common Stock for which Options may be granted under the Plan) into or

Edgar Filing: BUYERS UNITED INC - Form PRE 14A

for securities or other property of another corporation. Any such adjustments by the Board of Directors shall be final, conclusive and binding for all purposes of the Plan.

Section 11. Effect of the Plan on Employment Relationship. Neither this Plan nor any Option granted hereunder to a Participant shall be construed as conferring upon such Participant any right to continue in the employ of the Company or any Subsidiary of the Company as the case may be, or limit in any respect the right of the Company or any Subsidiary of the Company to terminate such Participant's employment with the Company or any Subsidiary of the Company, as the case may be, at any time.

Section 12. Amendment of the Plan. The Board of Directors may amend the Plan from time to time as it deems desirable in its sole discretion without approval of the stockholders of the Company, except to the extent stockholder approval is required by Rule 16b-3 of the Securities Exchange Act of 1934, as amended, applicable NASDAQ or stock exchange rules, applicable provisions of the Code, or other applicable laws or regulations.

Section 13. Termination of the Plan. The Board of Directors may terminate the Plan at any time in its sole discretion. No Option may be granted hereunder after termination of the Plan. The termination or amendment of the Plan shall not alter or impair any rights or obligations under any Option theretofore granted under the Plan in any material adverse way without the consent of the affected Participant.

Section 14. Governing Law. The Plan and any and all Option agreements executed in connection with the Plan shall be governed by and construed in accordance with the laws of the state of Delaware, without regard to conflict of laws principles.

Section 15. No Strict Construction. No rule of strict construction shall be applied against the Company, the Committee, or any other person in the interpretation of any of the terms of the Plan, any Option agreement, any Option granted under the Plan, or any rule, regulation or procedure established by the Committee.

Section 16. Successors. This Plan is binding on and will inure to the benefit of any successor to the Company, whether by way of merger, consolidation, purchase, or otherwise.

Section 17. Severability. If any provision of the Plan or an Option agreement shall be held illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining provisions of the Plan or such

21

agreement, and the Plan and such agreement shall each be construed and enforced as if the invalid provisions had never been set forth therein.

Section 18. Plan Provisions Control. Except as otherwise provided in Section 5.06, the terms of the Plan govern all Options granted under the Plan, and in no event will any Option be granted under the Plan that is contrary to any of the provisions of the Plan. In the event any provision of any Option granted under the Plan shall conflict with any term in the Plan as constituted on the grant date of such Option, the term in the Plan as constituted on the grant date of such Option shall control except as otherwise provided in Section 5.06.

Section 19. Headings. The headings used in the Plan are for convenience only, do not constitute a part of the Plan, and shall not be deemed to limit,

characterize, or affect in any way any provisions of the Plan, and all provisions of the Plan shall be construed as if no captions had been used in the Plan.

Section 20. Effective Date of the Plan. The Plan shall be submitted to the stockholders of the Company for approval and ratification at the next regular or special meeting thereof to be held after March 15, 2004. Unless at such meeting the Plan is approved and ratified by the stockholders of the Company, in the manner provided by the Company's By-Laws, then and in such event, the Plan shall become null and void and of no further force and effect. Subject to the immediately preceding sentence, the Plan shall be effective as of January 1, 2005. The Plan shall continue in effect until January 31, 2014 unless sooner terminated under Section 13.
