Re: Supplemental Information Related to Proposal 1 (Election of Directors)

Institutional Shareholder Services ("ISS") has issued voting recommendations that are inconsistent with the recommendations of our Board of Directors on the election of Steve Bartlett, Robert L. Rosen and Bennett Rosenthal as our Class II directors.

We urge you, for the reasons set forth below, to support the recommendations of our Board of Directors.

We are aware that ISS has adopted a policy of recommending "Against" votes for certain directors of public companies that have governing documents that provide the company's board of directors with the exclusive power to amend the company's bylaws. However, as described in further detail below, we believe that it is in the best interests of the Company and our stockholders if the power to amend our bylaws is vested exclusively in our Board of Directors as is permitted by Maryland law.

WE URGE YOU TO SUPPORT THE RECOMMENDATIONS OF OUR BOARD OF DIRECTORS AND VOTE "FOR" EACH NOMINEE FOR DIRECTOR.

Proposal 1 (Election of Directors)

We urge you to support and vote FOR the election of Messrs. Bartlett, Rosen and Rosenthal as directors of the Company:

We are aware that ISS has adopted a policy of recommending "Against" votes for certain directors of public companies that have governing documents that provide the board with the exclusive power to amend the company's bylaws. As we undertook to our stockholders last year, as part of our corporate governance review in 2017, our Board of Directors considered whether or not we should amend our bylaws to allow our stockholders (without the concurrence of our Board of Directors) to adopt amendments to the Company's bylaws. After careful consideration of this matter, our Board of Directors believes that it remains in the best interests of the Company and our stockholders if the power to amend our bylaws is vested exclusively in our Board of Directors as is permitted by Maryland law. Since our initial public offering in 2004, the power to amend our bylaws has been vested exclusively with our Board of Directors. This arrangement has served the interests of the Company and our stockholders well, we believe, because under Maryland law, our directors owe legal duties to the Company and our stockholders that require them to act with a reasonable belief that their actions are in the best interests of the Company and our stockholders. On the other hand, under Maryland law, stockholders are not bound by any such legal duty and are permitted to take or to recommend actions that are in their own individual interests as stockholders without taking into account the broader interests of other stockholders or the interests of the Company. In addition, we have not received from our stockholders any objection to our corporate governance policies, including the procedures for amending our bylaws. As a result of these factors, we believe that our Board of Directors is in the best position to consider possible future bylaw amendments and will adopt such amendments only after concluding that such amendments are in the best interests of the Company and our stockholders.

Edgar Filing: ARES CAPITAL CORP - Form DEF14A

The Nominating and Governance Committee of our Board of Directors and our Board of Directors have determined that the nomination and election of Messrs. Bartlett, Rosen and Rosenthal are in the best interests of the Company and our stockholders. Additionally, our Board of Directors believes that depriving the Company of the services of Messrs. Bartlett, Rosen and Rosenthal, who have each served the Company well during their respective terms as directors, is not in the best interests of the Company or our stockholders.

For the foregoing reasons, we believe the against recommendations are unwarranted and we urge you to vote FOR each nominee for director named in our Proxy Statement.

If you have any questions or need assistance in voting your proxy, please call our proxy solicitor, D.F. King & Co., Inc., at 212-269-5550.

This information is being provided to certain stockholders as a supplement to our Proxy Statement dated March 27, 2018, which you already received. Please read the complete Proxy Statement and accompanying materials carefully before you make a voting decision. Even if voting instructions for your proxy have already been given, you can change your vote at any time before the annual meeting by giving new voting instructions as described in more detail in our Proxy Statement.
