NOTICE OF SPECIAL MEETING OF STOCKHOLDERS
TO BE HELD JUNE 17, 2002

The Special Meeting of Stockholders (the "Special Meeting") of ATR Search Corporation, a Nevada corporation ("Suitor"), will be held at 2 Penn Plaza, 15th Floor, Ste. 53, New York, NY 10016, on Monday, June 17, 2002, at 10:00am for the following purposes:

1. To consider and vote upon the Merger Agreement, dated as of April 30, 2002, by and among ATR Search Corporation, a Nevada corporation ("Suitor") and Medicus, Inc., a Nevada corporation ("Target"), as it may be amended from time to time (the "Merger Agreement"), and the transactions contemplated thereby (collectively, the "Merger").
2. In connection with the proposed Merger, to consider and vote upon a proposal to approve the name change of Suitor to CareDecision Corporation, as contemplated by the Merger Agreement.

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

3. In connection with the proposed Merger, to consider and vote upon a proposal to increase the authorized shares of Suitor to 200,000,000.
4. Other business may be transacted at the Special Meeting.

The items of business set forth above are more fully described in the Proxy Statement accompanying this Notice. Pursuant to our Bylaws, we have fixed the time and date for the determination of stockholders entitled to notice of and to vote at the Special Meeting as the close of business as June 17, 2002. Accordingly, only stockholders of record on such date and at such time will be entitled to vote at the Special Meeting, notwithstanding any transfer of stock on our books thereafter.

Approval of the proposed name change of our corporation and increase in authorized shares set forth in Proposals 2 and 3 respectively is conditioned to the closing of the Merger. There are other conditions that must also be satisfied for the Merger to be consummated. Even if you approve Proposals 2 and 3, the name change and increase in authorized shares will not become effective if the Merger does not occur for any reason. In that case, Suitor's name and authorized shares will remain unchanged. The proposed Merger with Target is discussed in more detail in the sections of the attached proxy entitled "The Merger Agreement" and "Form of the Merger Agreement," which you should read carefully.

Adoption of Proposals 1, 2, and 3 enumerated in this Notice requires the affirmative vote of a majority of the votes represented by all shares of our common stock outstanding on the record date. In order to carry on the business of the meeting, we must have a quorum. This means at least two-thirds of the outstanding shares of common stock must be represented at the meeting, either by proxy or in person. Broker non-votes count for purposes of a quorum. Broker non-votes occur when a broker returns a proxy but does not have authority to vote on a particular proposal. If there are not enough stockholders present or represented by proxy to constitute a quorum, the meeting may be adjourned.

If your shares are held of record in "street name" by a broker, bank or other nominee, follow the voting instructions that you receive from the nominee.

The Board of Directors of Suitor has approved the Proposals enumerated in this Notice and recommends that Suitor stockholders vote FOR their adoption.

/3/

Whether or not you expect to attend the Special Meeting, please complete, sign, date and return the enclosed proxy card promptly in the accompanying reply envelope. If you decide to attend the Special Meeting and wish to change your proxy vote, you may do so automatically by voting in person at the Special Meeting.

PROXY STATEMENT

GENERAL INFORMATION

SPECIAL MEETING OF STOCKHOLDERS TO BE HELD June 17, 2002

This Proxy Statement is furnished to stockholders of ATR Search Corporation, a Nevada corporation (the "Suitor"), in connection with the solicitation by the Board of Directors (the "Board" or "Board of Directors") of the Suitor of proxies in the accompanying form for use in voting at the Special Meeting of Stockholders of the Company (the "Special Meeting") to be held on June 17, 2002, at 10:00 a.m., Eastern daylight time, at the offices of the Suitor at 29 East 31st Street, 2nd Floor, New York, New York 10016, and any adjournment or postponement thereof. The shares represented by the proxies received, properly marked, dated, executed and not revoked will be voted at the Special Meeting.

REVOCABILITY OF PROXIES

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is exercised by delivering to the Suitor (to the attention of the Secretary) a written notice of revocation or a duly executed proxy bearing a later date, or by attending the Special Meeting and voting in person.

SOLICITATION AND VOTING PROCEDURES

The solicitation of proxies will be conducted by mail and the Suitor will bear all attendant costs. These costs will include the expense of preparing and mailing proxy materials for the Special Meeting and reimbursements paid to brokerage firms and others for their expenses incurred in forwarding solicitation material regarding the Special Meeting to beneficial owners of Suitor's Common Stock. The Suitor may conduct further solicitation personally, telephonically or by facsimile through its officers, directors and regular employees, none of whom will receive additional compensation for assisting with the solicitation. The Suitor will request brokers and nominees who hold stock in their names to furnish proxy material to beneficial owners of the shares and will reimburse such brokers and nominees for their reasonable expenses incurred in forwarding solicitation material to such beneficial owners.

The close of business on April 30, 2002 has been fixed as the record date (the "Record Date") for determining the holders of shares of Common Stock of the uitor entitled to notice of and to vote at the Special Meeting.

As of the close of business on the Record Date, the Suitor had Approximately 21,505,000 shares of Common Stock outstanding. Each share of Common Stock outstanding on the record date will be entitled to one vote on all matters. Approval of the Merger Agreement and the changing of Suitor's name will require the affirmative vote of the majority of the issued and outstanding shares of Suitor's Common Stock. Because abstentions are treated as shares present or represented and entitled to vote for the purposes of determining whether a matter has been approved by the stockholders, abstentions have the same effect as negative votes.

Execution of the accompanying proxy will not affect a Stockholder's right to attend the meeting and vote in person. Any shareholder giving a proxy has the right to revoke it by giving written notice of revocation to the Secretary of the Suitor, or by delivering a subsequently executed proxy card, at any time

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

before the proxy is voted.

PROPOSAL NO. 1

AGREEMENT AND PLAN OF MERGER

GENERAL

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

The following is a summary of the important aspects of the proposed Merger and the material terms of the Merger Agreement, and may not contain all of the information that is important to Suitor stockholders. As such, the following discussion is qualified in its entirety by reference to the Merger Agreement, attached hereto as Appendix C and incorporated by reference herein, which, along with the other annexes to this proxy statement, Suitor stockholders are urged to read carefully and in their entirety.

/6/

SUITOR'S REASONS FOR THE MERGER

In its evaluation of the Merger, the Board of Directors of Suitor reviewed several factors, including:

- a) Suitor's future financial outlook and possible alternatives to the proposed merger, including the advantages, challenges and risks associated with continuing as an independent company. In this regard, the Suitor Board considered the amount and range of acquisition consideration most likely to be offered by other prospective acquisition candidates, the likelihood of realizing those values, the likelihood of receiving a better financial offer from another potential acquirer and the view of Suitor's management that the merger represented the best strategic alternative available to Suitor under the circumstances. The Suitor Board also considered the prospects of remaining as an independent company, including Suitor's prospects for the success of its business of providing premier computer consulting and staff augmentations for financial services and technology companies in the information technology ("IT") industry;
- b) The decline in the market price of Suitor's common stock in the past and the view of Suitor's Board of Directors and management that it could take a long time for the market price of Suitor's common stock to reach higher levels, if at all;
- c) The potential of Suitor, under its current business model, to achieve profitability;
- d) historical information concerning Medicius, Inc. ("Target") business, operations, financial condition, results of operations, technology, management, competitive positions, current customers, customer pipeline and prospects;
- e) reports from Suitor's representatives as to the results of their due diligence investigations of Target;
- f) the current and historical economic and market condition and business environment in the consulting technology services market catering to the financial services;
- g) the percentage ownership of the combined company of Suitor's stockholders;
- h) the lack of other available prospective merger candidates; and
- i) the potential risks that could be incurred by Suitor if it failed to complete a Merger or other business transaction.

The Suitor board also identified and considered a number of potentially negative factors in its deliberations concerning the merger, including:

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

- a) the potential disruption of Suitor's business that could result from the announcement of the merger;
- b) the uncertain current and prospective market environment for Target's products and services;
- c) the dilutive effect of the Merger on Suitor's stockholders;
- d) the risk that if the Merger is not completed, Suitor would have incurred significant costs and further reduced its financial position; and
- e) the potential effect of the exclusivity covenants and termination fee negotiated by Target in deterring other potential merger prospects for Suitor.

/7/

In addition, Suitor's Board of Directors considered the interest that certain affiliates and directors may have with respect to the Merger in addition to their interests as Suitor stockholders. See "Interests of Suitor Officers and Directors in the Merger" that begins on page 8 of this proxy statement.

The Suitor Board determined that, on balance, the potential benefits to Suitor and its stockholders of the Merger outweighed the risks associated with the Merger.

The discussion of the information and factors considered by Suitor's Board is not intended to be exhaustive. In view of the number and wide variety of factors considered in connection with its evaluation of the Merger, and the complexity of these matters, Suitor's board did not find it useful to, nor did it attempt to, quantify, rank or otherwise assign relative weights to the specific factors it considered. In addition, the Suitor Board did not undertake to make any specific determination as to whether any particular factor was favorable or unfavorable to the Board of Directors' ultimate determination or assign any particular weight to any factor, but rather conducted an overall analysis of the factors described above, including thorough discussions with and questioning of Suitor's representatives. In considering the factors described above, individual members of the Board of Directors may have given different weight to different factors. Suitor's Board of Directors considered all these factors as a whole, and overall considered the factors to be favorable to, and to support, its determination.

For the reasons set forth above, the Suitor Board has determined that the Merger is fair and in the best interests of Suitor and the Suitor stockholders. Consequently, the Suitor board has approved and adopted the Merger Agreement and recommends that the Suitor stockholders vote FOR approval and adoption of the Merger, the proposed reverse stock split and the reincorporation of Suitor.

THERE CAN BE NO ASSURANCE THAT THE BENEFITS OR OPPORTUNITIES CONSIDERED BY THE BOARD OF DIRECTORS OF SUITOR WILL BE ACHIEVED THROUGH CONSUMMATION OF THE MERGER.

NO FAIRNESS OPINION

The Nevada Revised Statutes does not require us to obtain a fairness opinion in connection with the Merger, and Suitor has not obtained one. The terms and conditions of the Merger were negotiated at arm's-length between the managements of Suitor and Target and were the result of a number of factors, including but not limited to the factors listed above in "Suitor's

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

Reasons for the Merger".

The Board of Directors did not feel that an investment banker's opinion was beneficial or necessary given the Board of Directors' knowledge of Suitor and its business, nor did the Board of Directors believe that obtaining such an opinion would be an appropriate use of corporate funds. The Board of Directors believes that the acquisition of such an opinion would require a substantial amount of capital and time. Given Suitor's limited resources, the fact that Suitor is essentially being valued at an amount equal to its net cash, and the need to complete the Merger in a timely manner, the Board of Directors did not believe it was in the best interests of Suitor to incur the cost of a fairness opinion.

Based on Suitor's current operating performance and prospects, including the decline in such performance, and Target's strong interest in the Merger, the Board of Directors felt that significantly better terms and conditions could not be obtained in the foreseeable future.

Accordingly, there can be no assurance that consummation of the Merger will be fair from a financial point of view to the stockholders of Suitor.

INTERESTS OF SUITOR OFFICERS, DIRECTORS IN THE MERGER

In considering the recommendation of the Suitor Board of Directors with respect to approving the Merger, stockholders should be aware that certain members of the Board of Directors and management of Suitor have interests in the Merger that are in addition to the interests of stockholders of Suitor generally. The Suitor Board of Directors was aware of these interests and considered them, among other matters, in approving the principal terms of the Merger and the Merger Agreement.

/8/

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER

The following discussion summarizes the material U.S. federal income tax considerations of the Merger that are expected to apply generally to stockholders of Suitor and Target in connection with the merger. This summary is based upon current provisions of the Code, existing regulations under the Code and current administrative rulings and court decisions, all of which are subject to change. Any change, which may or may not be retroactive, could alter the tax consequences to Suitor, Target or the stockholders of Suitor and Target as described in this summary. No attempt has been made to comment on all federal income tax consequences of the Merger that may be relevant to particular stockholders, including stockholders:

- a) who are subject to special tax rules such as dealers in securities, foreign persons, mutual funds, insurance companies, tax-exempt entities;
- b) who are subject to the alternative minimum tax provisions of the Code;
- c) who acquired their shares in connection with stock option or stock purchase plans or in other compensatory transactions;
- d) who hold their shares as a hedge or as part of a hedging, straddle or other risk reduction strategy; or
- e) who do not hold their shares as capital assets.

In addition, the following discussion does not address the tax

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

consequences of the Merger under state, local and foreign tax laws. Furthermore, the following discussion does not address (i) the tax consequences of transactions effectuated before, after or at the same time as the Merger, whether or not they are in connection with the Merger, including, without limitation, transactions in which Suitor shares are acquired, (ii) the tax consequences to holders of options issued by Target which are assumed, exercised or converted, as the case may be, in connection with the merger, (iii) the tax consequences of the receipt of Suitor shares other than in exchange for Target shares, or (iv) the tax implications of a failure of the Merger to qualify as a reorganization. Accordingly, stockholders are advised and expected to consult their own tax advisers regarding the federal income tax consequences of the Merger in light of their personal circumstances and the consequences under state, local and foreign tax laws.

No ruling from the Internal Revenue Service has been or will be requested in connection with the Merger. No tax opinion has been or will be requested in connection with the Merger.

The Merger is intended to qualify as a tax-free reorganization under Section 368(a) of the Code. As a result, provided it does so qualify, in general:

- a) Suitor and Target will not recognize any gain or loss as a result of the Merger;
- b) a holder of Suitor common stock will not recognize any gain or loss as a result of the Merger;
- c) shareholders of Target will not recognize any gain or loss upon the receipt of Suitor common stock in exchange for their Target common stock, other than with respect to cash received in lieu of fractional shares of Suitor common stock;
- d) the aggregate tax basis of the shares of Suitor common stock received by Target shareholders in the Merger (including any fractional share deemed received) will be the same as the aggregate basis of the shares of Target common stock surrendered in exchange therefor;
- e) the holding period of the Suitor common stock received by Target shareholders in the Merger will include the period during which the Target stock surrendered in exchange therefore was held, provided that the Target stock so surrendered is held as a capital asset at the time of the Merger; and

/9/

- f) Target shareholders will be required to attach a statement to their federal income tax returns for the year of the Merger that contains the information listed in Treasury Regulation Section 1.368-3(b). Such statement must include the shareholder's tax basis in the shareholder's Target common stock and a description of the Suitor common stock received.

Irrespective of the Merger's status as a reorganization, a Target shareholder will recognize gain to the extent shares of Suitor common stock received in the Merger are treated as received in exchange for services or property other than solely Target common stock. All or a portion of any such gain could be taxable as ordinary income. Gain also will be recognized to the extent a Target shareholder is treated as receiving (directly or indirectly) consideration other than Suitor common stock in exchange for Target common

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

stock or to the extent the Target common stock surrendered in the Merger is not equal in value to the Suitor common stock received in exchange therefor.

DISSENTERS' RIGHTS

Summary of Nevada's Dissenters' Rights

Certain transactions proposed by a Nevada corporation (such as the Company) which require stockholder approval may entitle the stockholders to dissent from the proposed transaction and obtain payment from the corporation of the fair value of such dissenting stockholder's shares, as provided by Chapter 92A (and specifically, 92A.300 through 92A.500) of the Nevada Revised Statutes. A copy of these provisions of Chapter 92A is attached hereto as XHIBIT K, and the following discussion is qualified in its entirety by reference to EXHIBIT K. Under these provisions, a stockholder who has been given notice of dissenters' rights and who wishes to assert dissenters' rights must cause the Suitor to receive, before the vote on the Merger Proposal is taken, written notice of the stockholder's intention to demand payment for the stockholder's shares if the proposed corporate action is effectuated. Any such notice is to be delivered to the Suitor at 29 East 13st St., 2nd Floor, New York, New York 10016, Attention: Corporate Secretary. Chapter 92A also provides that appraisal rights are not available to holders of shares: (a) listed on a national securities exchange; (b) included in the national market system by the National Association of Securities Dealers; or (c) held of record by at least 2,000 stockholders, unless holders of stock are required to accept in the merger anything other than any combination of cash, owner's interests or owner's interests and cash in lieu of fractional shares of: (i) the surviving or acquiring entity in the merger, or (ii) another entity that, at the effective date of the merger, will be: (A) listed on a national securities exchange, (B) included in the national market system by the National Association of Securities Dealers, or (C) held of record by at least 2,000 stockholders. Accordingly, because the Company Common Stock is listed on the OTCBB, the holders of Company Common Stock are not entitled to appraisal rights in connection with the reincorporation.

GOVERNMENTAL APPROVALS

Suitor and Target are not aware of any license or regulatory permit which is material to the business of either company and which is likely to be adversely affected by the Merger, or of any approval or other action by any state, federal or foreign government or governmental agency that would be required prior to the Merger, other than compliance with any applicable state securities laws.

/10/

RESTRICTIONS ON REALES

The shares of Suitor Common Stock to be issued to Target shareholders in the Merger will be restricted securities and may only be sold pursuant to an effective registration statement under the Securities Act or an exemption therefrom. The restricted securities and any shares of capital stock received in respect thereof, whether by reason of a stock split, share reclassification or stock dividend, shall not be transferable except upon the conditions specified herein.

Each certificate for the Suitor common stock issued in the Merger and any shares of capital stock received in respect thereof, and each certificate for any such securities issued to subsequent transferees of any such certificate

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

shall contain a legend to the effect that:

"The Restricted Securities covered by this certificate have not been registered under the Securities Act of 1933, as amended, and may not be sold, offered for sale, assigned, transferred or otherwise disposed of, unless registered pursuant to the provisions of that Act or an opinion of counsel to Suitor is obtained stating that such disposition is in compliance with an available exemption from such registration."

MERGER AGREEMENT

This AGREEMENT AND PLAN OF MERGER (this "Agreement") is entered into as of April 30, 2002, between ATR Search Corp., a Nevada corporation ("Suitor"), and Medicius, Inc., a Nevada corporation ("Target").

RECITALS

AGREEMENT

NOW, THEREFORE, in consideration of the terms, conditions, agreements and covenants contained herein, and in reliance upon the representations and warranties contained in this Agreement, the parties hereto agree as follows:

Article 1

1.1 THE MERGER

Upon the terms and subject to the conditions hereof, as promptly as practicable following the satisfaction or waiver of the conditions set forth in Article V hereof, but in no event later than two days thereafter, unless the parties shall otherwise agree, a certificate of merger (the "Certificate of Merger") providing for the merger of Target with and into the Suitor (the "Merger") shall be duly prepared, executed and filed by the Suitor, in accordance with the relevant provisions for a Nevada Corporation and the parties hereto shall take any other actions required by law to make the Merger effective. Both the Target and Suitor will be the surviving corporations in the Merger. However, following the Merger, the operations of Target will be conducted through Suitor and the operations of Suitor will be conducted through CareTechnologies LLC, which at the time of the closing of the transactions described herein, shall be a wholly owned subsidiary of the Suitor.

1.2 EFFECTIVE TIME

If all of the conditions precedent to the obligations of each of the parties hereto as hereinafter set forth shall have been satisfied or shall have been waived, the Merger shall become effective (the time of such effectiveness is referred to herein as the "Effective Time") upon the filing of an agreement of merger, in the form set forth as Exhibit C hereto (the "Agreement of Merger"), with the Secretary of State of Nevada. This shall take place on the Closing Date (as defined herein).

1.3 CONSIDERATION FOR THE MERGER

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

(a) On the Effective Date, Target will merge with and into the Suitor. The separate existence of Target will continue. Both the Suitor and Target will be the surviving and operating entities in the Merger and both will continue to be governed by the laws of the State of Nevada. The Certificate of Incorporation and Bylaws of the Suitor in effect as of the Effective Date will not be affected by the Merge.

(b) On the Effective Date, without any action on the part of the holders hereof, the capital stock of Target issued and outstanding immediately prior to the Effective Date will be converted into the right to receive Suitor Common Stock as follows:

(i) Series A Preferred Exchange Rate. Each share of Target Series A Preferred Stock will be converted into 3.50 Merger Shares (the "Series A Preferred Exchange Ratio") and .75 Merger Warrants.

(ii) Common Exchange Rate. Each share of Target Common Stock will be

/12/

converted into 3.0 Merger Shares ("Common Exchange Ratio") and .5 Merger Warrants.

(c) After the Effective Date, all Target common stock purchase warrants that remain unexercised on the Effective Date and any Target Convertible Notes that remain unconverted or unpaid on the Effective Date will be exercisable for or convertible into the number of Merger Shares (the "Reserved Merger Shares") based on the Common Exchange Ratio, as provided in paragraphs [b(i) and b(ii)] of this Section.

(d) The shareholders of Target will not be entitled to fractional Merger Shares as a result of the Merger, and the holders of Target common stock purchase warrants that remain unexercised on the Effective Date and any Target Convertible Notes that remain unconverted or unpaid on the Effective Date will not be entitled to any fractional Reserved Merger Shares upon exercise or conversion of those instruments. Any fractional share of Suitor Common Stock that may result from the application of the exchange rates in Section 1.3(b) shall be rounded up or down to the nearest whole Merger Share, and any fractional share of Suitor Common Stock that may result from the application of the exchange rates in Section 1.3(c) shall be rounded up or down to the nearest whole Reserved Merger Share.

(e) The Merger shall have all the other effects provided by the Nevada Revised Statutes ("NRS").

(f) On the Effective Date, the Suitor shall assume all outstanding Target Warrants listed within this section, which will thereafter become exercisable for the number of Reserved Merger Shares that the option holders would have received in the Merger at the Common Exchange Rate in exchange for the shares of Target Common Stock issuable upon exercise thereof prior to the Effective Date, on the same terms and conditions in effect immediately prior to the Merger. As soon as practicable after the Effective Date, the Suitor shall execute and deliver warrant agreements reflecting the foregoing to holders of outstanding Target Warrants, listed on Schedule WA-1 of Exhibit L, added and attached hereto and made a part hereof.

(g) Prior to the Effective Date, Target will use its best efforts to encourage conversion of the Target Convertible Notes. To the extent the Target Convertible Notes remain unconverted or unpaid on the Effective Date, (i) the indebtedness evidenced thereby shall be assumed by the Suitor, and (ii) they

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

will become convertible after the Effective Date into the number of Reserved Merger Shares that the holders would have received in the Merger at the Common Exchange Rate in exchange for the shares of Target Common Stock issuable upon conversion thereof prior to the Effective Date, on the same terms and conditions in effect immediately prior to the Merger, said Target Convertible Note holders listed on Exhibit M as Schedule TCN-1 of Exhibit M, added and attached hereto and made a part hereof.

(h) NO FRACTIONAL SHARES OR OPTIONS: Unless otherwise required by Section 407 of the NRS, no fractional shares of Suitor Common Stock shall be issued in connection with the Merger, and no certificate or scrip for any such fractional shares shall be issued.

(i) DISTRIBUTIONS WITH RESPECT TO UNEXCHANGED SHARES: No dividends or other distributions with respect to Suitor Common Stock with a record date after the Effective Time will be paid to the holder of any unsurrendered certificate with respect to the shares of Target Common Stock represented thereby until the holder of record of such certificate shall surrender such certificate. Subject to applicable law, following surrender of any such certificate, there shall be paid to the record holder of the certificates representing whole shares of Suitor Common Stock issued in exchange therefor, without interest at the time of such surrender, the amount of any such dividends or other distributions with a record date after the Effective Time theretofore payable with respect to such shares of Suitor Common Stock.

1.4 EFFECT OF MERGER

As of the Effective Time, the effect of the Merger shall be as provided in this Agreement, the Agreement of Merger and the applicable provisions of the NRS, and each of the following shall occur:

/13/

(a) The separate existence and corporate organization of Target shall continue. Suitor as one of the corporations surviving the Merger, shall possess the rights, privileges, powers and franchises, and be subject to all the restrictions, disabilities and duties of, the constituent corporations in the manner specified in the NRS.

ARTICLE II
SHAREHOLDERS

SECTION 1. Annual Meeting. The annual meeting of the shareholders shall ----- be held on the 1st day in the month of March in each year, beginning with the year 2002, at the hour of 10 o'clock a.m., for the purpose of electing Directors and for the transaction of such other business as may come before the meeting. If the day fixed for the annual meeting shall be a legal holiday, such meeting shall be held on the next business day. If the election of Directors shall not be held on the day designated herein for any annual meeting of the shareholders, or at any adjournment thereof, the Board of Directors shall cause the election to be held at a special meeting of the shareholders as soon thereafter as soon as conveniently may be.

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

SECTION 2. Special Meetings. Special meetings of the shareholders, for any
----- purpose or purposes, unless otherwise prescribed
by statute, may be called by the President or by the Board of Directors, and
shall be called by the President at the request of the holders of not less
than fifty percent (50%) of all the outstanding shares of the Corporation
entitled to vote at the meeting.

SECTION 3. Place of Meeting. The Board of Directors may designate any place,
----- either within or without the State of Nevada,
unless otherwise prescribed by statute, as the place of meeting for any annual
meeting or for any special meeting. A waiver of notice signed by all
shareholders entitled to vote at a meeting may designate any place, either
within or without the State of Nevada, unless otherwise prescribed by statute,
as the place for the holding of such meeting. If no designation is made, the
place of the meeting will be the principal office of the Corporation.

SECTION 4. Notice of Meeting. Written notice stating the place, day and hour
----- of the meeting and, in case of a special meeting,
the purpose or purposes for which the meeting is called, shall unless otherwise
prescribed by statute, be delivered not less than ten (10) days nor more than
sixty (60) days before the date of the meeting, to each shareholder of record

be delivered when deposited in the United States mail, addressed to the
shareholder at his/her address as it appears on the stock transfer books of
the Corporation, with postage thereon prepaid.

/46/

SECTION 5. Closing of Transfer Books or Fixing of Record. For the purpose of
----- determining
shareholders entitled to notice of or to vote at any meeting of shareholders
or any adjournment thereof, or shareholders entitled to receive payment of any
dividend, or in order to make a determination of shareholders for any other

immediately preceding such meeting. In lieu of closing the stock transfer
books, the Board of Directors may fix in advance a date as the record date for
any such determination of shareholders, such date in any case to be not more
than fifty (50) days and, in case of a meeting of shareholders, not less than
ten (10) days prior to the date on which the particular action requiring such
determination of shareholders is to be taken. If the stock transfer books are
not closed and no record date is fixed for determination of shareholders
entitled to notice of or to vote at a meeting of shareholders, or shareholders
entitled to receive payment of a dividend, the date on which notice of the
meeting is mailed or the date on which the resolution of the Board of Directors
declaring such dividend is adopted, as the case may be, shall be the record
date for such determination of shareholders. When a determination of
shareholders entitled to vote at any meeting of shareholders has been made as
provided in this section, such determination shall apply to any adjournment

At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally noticed. The shareholders present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough shareholders to leave less than a quorum.

SECTION 8. Proxies. At all meetings of shareholders, a shareholder may vote ----- in person or by proxy executed in writing by the shareholder by his/her duly authorized attorney-in-fact. Such proxy shall be filed with the secretary of the Corporation before or at the time of the meeting.

A shareholder whose shares are pledged shall be entitled to vote such shares until the shares have been transferred into the name of the pledgee, and thereafter the pledgee shall be entitled to vote the shares so transferred.

Shares of its own stock belonging to the Corporation shall not be voted, directly or indirectly, at any meeting, and shall not be counted in determining the total number of outstanding shares at any given time.

SECTION 11. Informal Action by Shareholders. Unless otherwise provided by ----- law, any action required to be taken at a meeting of the shareholders, or any other action which may be taken at a meeting of the shareholders, may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the shareholders entitled to vote with respect to the subject matter thereof.

United States mail so addressed, with postage thereon prepaid. If notice be
given by telegram, such notice shall be deemed to be delivered when the notice
be given to the telegraph company. Any directors may waive notice of any

SECTION 6. Quorum. A majority of the number of directors fixed by Section 2
----- of this Article shall constitute a quorum for the transaction

Such director or directors may be counted in determining the presence of a quorum at such meeting. This Section shall not be construed to impair, invalidate or in any way affect any contract or other transaction which would otherwise be valid under the law (common, statutory or otherwise) applicable thereto.

SECTION 15. Committees. The Board of Directors, by resolution adopted by a ----- majority of the entire Board, may from time to time designate from among its members an executive committee and such other committees, and alternate members thereof, as they may deem desirable, with such powers and authority (to the extent permitted by law) as may be provided

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

B. The respective Board of Directors of each of Target and Suitor deem it advisable and in the best interests of such corporation and its respective shareholders that Target be merged with and into Suitor and such Board of Directors have approved this Agreement and the Merger (as hereinafter defined);

C. The Merger Agreement has been approved by the respective shareholders of Target and Suitor;

D. Target and Suitor have agreed to merge Target into Suitor according to the terms and conditions set forth herein.

AGREEMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

ARTICLE 1

1.1 THE CONSTITUENT CORPORATIONS.

(a) Suitor: Suitor is a Nevada corporation duly incorporated and existing under the laws of the State of Nevada.

(b) Target: Target is a Nevada corporation duly incorporated and existing under the laws of the State of Nevada.

1.2 MERGER AND SURVIVAL OF SUITOR AND TARGET: Upon the satisfaction or waiver of all of the conditions precedent to the obligations of each of the parties to the Merger Agreement and upon the filing of this Agreement with the Secretary of State of Nevada (the "Effective Time"), Target shall be merged with and into Suitor in accordance with the provisions of, and with the effect provided in the Nevada Private Corporations General Provisions ("NGCL"). Both the Target and Suitor will be the surviving corporations in the Merger. However, following the Merger, the operations of Target will be conducted through CareTechnologies LLC, which is a wholly owned subsidiary of the Suitor.

1.3 CONSIDERATION FOR THE MERGER.

(a) On the Effective Date, Target will merge with and into the Suitor. The separate existence of Target will continue. Both the Suitor and Target will be the surviving and operating entities in the Merger and both will continue to be governed by the laws of the State of Nevada. The Certificate of Incorporation and Bylaws of the Suitor in effect as of the Effective Date will not be affected by the Merge.

(b) On the Effective Date, without any action on the part of the holders thereof, the capital stock of Medicus issued and outstanding immediately prior to the Effective Date will be converted into the right to receive Suitor Common Stock as follows:

/57/

(i) Series A Preferred Exchange Rate. Each share of Medicus Series A Preferred Stock will be converted into 3.50 Merger Shares (the "Series A Preferred Exchange Ratio") and .75 Merger Warrants.

(ii) Common Exchange Rate. Each share of Medicus Common Stock will be converted into 3.0 Merger Shares ("Common Exchange Ratio") and .5 Merger Warrants.

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

(c) After the Effective Date, all Medicius common stock purchase warrants that remain unexercised on the Effective Date and any Medicius Convertible Notes that remain unconverted or unpaid on the Effective Date will be exercisable for or convertible into the number of Merger Shares (the "Reserved Merger Shares") based on the Common Exchange Ratio, as provided in paragraphs (f) and (g) of this Section.

(d) The shareholders of Medicius will not be entitled to fractional Merger Shares as a result of the Merger, and the holders of Medicius common stock purchase warrants that remain unexercised on the Effective Date and any Medicius Convertible Notes that remain unconverted or unpaid on the Effective Date will not be entitled to any fractional Reserved Merger Shares upon exercise or conversion of those instruments. Any fractional share of Suitor Common Stock that may result from the application of the exchange rates in Section 1.3(b) shall be rounded up or down to the nearest whole Merger Share, and any fractional share of Suitor Common Stock that may result from the application of the exchange rates in Section 1.3(c) shall be rounded up or down to the nearest whole Reserved Merger Share.

(e) The Merger shall have all the other effects provided by the NGCL.

(f) On the Effective Date, the Suitor shall assume all outstanding Medicius Warrants, which will thereafter become exercisable for the number of Reserved Merger Shares that the option holders would have received in the Merger at the Common Exchange Rate in exchange for the shares of Medicius Common Stock issuable upon exercise thereof prior to the Effective Date, on the same terms and conditions in effect immediately prior to the Merger. As soon as practicable after the Effective Date, the Suitor shall execute and deliver option agreements reflecting the foregoing to holders of outstanding Medicius Warrants.

(g) Prior to the Effective Date, Medicius will use its best efforts to encourage conversion of the Medicius Convertible Notes. To the extent the Medicius Convertible Notes remain unconverted or unpaid on the Effective Date, (i) the indebtedness evidenced thereby shall be assumed by the Suitor, and (ii) they will become convertible after the Effective Date into the number of Reserved Merger Shares that the holders would have received in the Merger at the Common Exchange Rate in exchange for the shares of Medicius Common Stock issuable upon conversion thereof prior to the Effective Date, on the same terms and conditions in effect immediately prior to the Merger.

(h) NO FRACTIONAL SHARES OR OPTIONS: Unless otherwise required by Section 407 of the NGCL, no fractional shares of Suitor Common Stock shall be issued in connection with the Merger, and no certificate or scrip for any such fractional shares shall be issued.

(i) NO LIABILITY: Notwithstanding anything to the contrary in this Section 1.3, none of the parties hereto nor any exchange agent with respect to the Suitor Merger Stock shall be liable to any person for any amount properly paid to a public official pursuant to any applicable abandoned property, escheat or similar law.

(j) DISTRIBUTIONS WITH RESPECT TO UNEXCHANGED SHARES: No dividends or other distributions with respect to Suitor Common Stock with a record date after the Effective Time will be paid to the holder of any unsurrendered certificate with respect to the shares of Target Common Stock represented thereby until the holder of record of such certificate shall surrender such certificate. Subject to applicable law, following surrender of any such certificate, there shall be paid to the record holder of the certificates representing whole shares of Suitor Common Stock issued in exchange therefor, without interest at the time of such surrender, the amount of any such

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

dividends or other distributions with a record

/58/

date after the Effective Time theretofore payable (but for the provisions of this Section 1.3(e)) with respect to such shares of Suitor Common Stock.

1.4 EFFECT OF MERGER: As of the Effective Time, the effect of the Merger shall be as provided in this Agreement, the Agreement of Merger and the applicable provisions of the NGCL, and each of the following shall occur:

(a) The separate existence and corporate organization of Target shall continue. Suitor as one of the corporations surviving the Merger, shall possess the rights, privileges, powers and franchises, and be subject to all the restrictions, disabilities and duties of, the constituent corporations in the manner specified in the NGCL.

(b) Except as otherwise agreed by the parties, the Articles of Incorporation of Suitor, as in effect immediately subsequent to the Effective Time, shall be amended and restated to read as set forth on Exhibit A attached hereto.

(c) The By-laws of Target, as in effect immediately prior to the Effective Time, shall continue in effect without change or amendment.

(d) Suitor shall enter into mutually acceptable employment agreements on customary industry terms with Keith Berman, William Lyons and any other members of Target management designated by Mr. Berman within five days prior to the Closing. The members of Target Management or their designees and any other members of the current staff of Target designated by Mr. Berman (collectively, the "Management Designees") will be entitled to receive signing bonuses in the form of options to purchase an aggregate of 2.5 million shares of Suitor Common Stock at the closing price of the Suitor Common Stock on the business day immediately preceding the Effective Date, vesting one-half of the total options granted on the day of their grant and then the remaining options in one-third cumulative annual installments commencing on the first anniversary of the Effective Date (the "Management Options"). The names of the Management Designees and the number of Management Options issuable to each Management Designee will be furnished by Mr. Berman to the Company not less than five days prior to the Closing.

(e) Suitor shall entitle Robert Cox to receive options to purchase an aggregate of 1.5 million shares of Suitor Common Stock at the closing price of the Suitor Common Stock on the business day immediately preceding the Effective Date, vesting one-half of the total options granted on the day of their grant and then the remaining options in one-third cumulative annual installments commencing on the first anniversary of the Effective Date (the "Management Options").

1.5 DISSENTING SHARES: Notwithstanding anything to the contrary contained in this Agreement, any shares of capital stock of Target that, as of the Effective Time, are or may become "dissenting shares" under the NGCL ("Dissenting Shares"), shall not be converted into or represent the right to receive Suitor Merger Stock in accordance with this Agreement, and the holder or holders of such shares shall be entitled only to such rights as may be granted to such holder or holders under the NGCL; provided, however, that if the status of any such shares as "dissenting shares" shall not be perfected, or if any such shares shall lose their status as "dissenting shares," then, as of the later of the Effective Time or the time of the failure to perfect such status or the loss of such status, such shares shall automatically be

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

converted into and shall represent only the right to receive (upon the surrender of the certificate or certificates representing such shares) Suitor Common Stock in accordance with this Agreement.

1.6 FURTHER ACTION: If, at any time after the Effective Time, any further action is determined by Suitor to be necessary or desirable to carry out the purposes of this Agreement, the officers and directors of Suitor shall be fully authorized (in the name of Target) to take such action.

/59/

1.7 MISCELLANEOUS.

(a) AMENDMENTS: This Agreement cannot be amended or changed except in writing, signed by the parties.

(b) COUNTERPARTS: This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which shall together constitute one and the same Agreement.

(c) CONSTRUCTION: This Agreement shall be construed and enforced in accordance with the internal laws of the State of Nevada without giving effect to the principles of conflicts of law thereof.

3. Covenants of Shareholder. Subject to Section 6 hereof, Shareholder agrees as follows:

3. Covenants of Shareholder. Subject to Section 6 hereof, Shareholder agrees as follows:

(a) At any meeting of Shareholders of the Company, however called, or at any adjournment thereof or in any other circumstances upon which a vote, consent or other approval (including written consent) of shareholders of the Company is sought with respect to any of the matters described in (i) or (ii) below, or any actions related thereto, Shareholder shall vote (or cause to be voted) the Subject Shares (which number of shares may be greater or less than the number of shares as of the date hereof):

(i) in favor of the Merger, the approval and adoption by the Company of the Merger Agreement and approval of the other transactions contemplated by the Merger Agreement; and

(ii) against (A) any merger agreement or merger (other than the Merger Agreement and the Merger), consolidation, combination, sale of substantially all of the Company's assets, sale or issuance of securities of the Company or its subsidiaries, reorganization, joint venture, recapitalization, dissolution, liquidation or winding up of or by the Company or its subsidiaries and (B) any amendment of the Company's articles of incorporation or bylaws, any other proposal or transaction involving the Company or any of its subsidiaries or any action or agreement which amendment, other proposal or transaction or action or agreement would or could reasonably be expected to impede, frustrate, delay, prevent, nullify or result in a breach in any material respect of any covenant, representation or warranty or any other obligation or agreement of the Company under or with respect to, the Merger, the Merger Agreement or any of the transactions contemplated by the Merger Agreement or by this Agreement.

(b) Shareholder shall not, except as contemplated by this Agreement or with the prior written consent of Target grant any proxies or powers of attorney with respect to the Subject Shares, deposit the Subject Shares into a voting trust or enter into a voting agreement with respect to the Subject Shares.

4. Certain Events. Shareholder agrees that this Agreement and the obligations hereunder shall attach to the Subject Shares and shall be binding upon any person or entity to which legal or beneficial ownership of such Subject Shares shall pass, whether by operation of law or otherwise, including Shareholder's successors. In the event of any stock split, stock dividend, merger, reorganization, recapitalization or other change in the capital structure of the Company affecting the Company Common Shares, or the issuance to or acquisition by Shareholder of additional Company Common Shares or other voting securities of the Company (whether by purchase, conversion or otherwise), the number of Subject Shares shall be adjusted appropriately and this Agreement and the obligations hereunder shall attach to any additional or fewer Company Common Shares or other voting securities of the Company issued to or acquired by Shareholder.

5. Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by Shareholder, on the one hand, without the prior written consent of Suitor nor by Suitor, on the other hand, without the prior written consent of Shareholder. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and assigns.

6. Termination. This Agreement shall terminate, and the provisions hereof

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

shall be of no further force or effect, and no party shall have any further obligations or liabilities hereunder, upon the earlier of (i) the Effective Time (as defined in the Merger Agreement) or (ii) the termination of the Merger Agreement in accordance with its terms pursuant to Section 8 thereof.

7. General Provisions.

(a) Amendments. This Agreement may not be amended except by an instrument in writing signed by each of the parties hereto.

(b) Notice. All notices, requests and other communications given to any party hereunder

/68/

shall be in writing (including facsimile or similar writing) and shall be effective upon receipt, by Target at the address specified in accordance with Section 12.5 of the Merger Agreement or by Shareholder at its address set forth on the Company's stock ledger (or at such other address for a party as shall be specified by like notice).

(c) Counterparts; Effectiveness; No Third Party Beneficiaries. This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures on each counterpart were upon the same instrument. This Agreement shall become effective when each party hereto shall have received counterparts hereof signed by the other party hereto. No provision of this Agreement is intended to confer upon any Person other than the parties hereto any rights or remedies hereunder.

(d) Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Nevada, regardless of the laws that might otherwise govern under applicable principles of conflicts of law thereof.

(e) Enforcement. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms. It is accordingly agreed that the parties shall be entitled to specific performance of the terms hereof, this being in addition to any other remedy to which they are entitled at law or in equity.

(f) Severability. If any provision of this Agreement or any part of any such provision is held under any circumstances to be invalid or unenforceable in any jurisdiction, then (i) such provision or part thereof shall, with respect to such circumstances and in such jurisdiction, be deemed amended to conform to applicable laws so as to be valid and enforceable to the fullest possible extent, (ii) the invalidity or unenforceability of such provision or part thereof under such circumstances and in such jurisdiction shall not affect the validity or enforceability of such provision or part thereof under any other circumstances or in any other jurisdiction, and (iii) the invalidity or unenforceability of such provision or part thereof shall not affect the validity or enforceability of the remainder of such provision or the validity or enforceability of any other provision of this Agreement. Each provision of this Agreement is separable from every other provision of this Agreement, and each part of each provision of this Agreement is separable from every other part of such provision.

(g) Entire Agreement. This Agreement (together with the Schedules hereto) constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements and

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

understandings, both oral and written, between the parties with respect to the subject matter hereof.

(h) Shareholder Capacity. Shareholder enters into this Agreement solely in Shareholder's capacity as the record and beneficial owner of the Shares. If Shareholder is or becomes during the term hereof a director or officer of the Company, Shareholder makes no agreement or understanding in this Agreement in Shareholder's capacity as such director or officer. Nothing in this Agreement shall limit or affect any actions taken by Shareholder in Shareholder's capacity as an officer or director of the Company.

/69/

(i) No Ownership Interest. Except as expressly set forth in this Agreement, nothing contained in this Agreement shall be deemed to vest in Target any direct or indirect ownership or incidence of ownership of or with respect to any Subject Shares. All rights, ownership and economic benefits of and relating to any Subject Shares shall remain and belong to Shareholder, and Target shall not have any authority to exercise any power or authority to manage, direct, superintend, restrict, regulate, govern or administer any of the policies or operations of the Company or exercise any power or authority to direct Shareholder in the voting of any of the Subject Shares, except as otherwise expressly provided in this Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed or caused this Agreement to be duly executed as of the date first written above.

INDEPENDENT AUDITOR'S REPORT

April 15, 2002

Board of Directors
ATR Search Corporation
Las Vegas, NV

I have audited the Consolidated Balance Sheet of ATR Search Corporation and its subsidiary (the "Company") (A Development Stage Company), as of December 31, 2001, and the related Consolidated Statements of Operations, Stockholders' Equity, and Cash Flows for the period March 2, 2001 (Date of Inception) to December 31, 2001. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement presentation. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the consolidated balance sheet of ATR Search Corporation and its subsidiary, (A Development Stage Company), as of December 31, 2001, and its related consolidated statements of operations, equity and cash flows for the period March 2, 2001 (Date of Inception) to December 31,

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

2001, in conformity with generally accepted accounting principles.

The accompanying financial statements have been prepared assuming the Company will continue as a going concern. As discussed in Note 2 to the financial statements, the Company has had limited operations and have not commenced planned principal operations. This raises substantial doubt about its ability to continue as a going concern. Management's plan in regard to these matters are also described in Note 2. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

ATR Search Corporation
Notes

Note 1 - Significant accounting policies and procedures

Organization

The Company was organized March 2, 2001 (Date of Inception) under the laws of the State of Nevada, as ATR Search Corporation. The Company has a limited history of operations, and in accordance with SFAS #7, the Company is considered a development stage company.

As of March 14, 2001, the Company had a wholly owned subsidiary, ATR Search, LLC.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents

The Company maintains a cash balance in a non-interest-bearing account that currently does not exceed federally insured limits. For the purpose of the statements of cash flows, all highly liquid investments with an original maturity of three months or less are considered to be cash equivalents.

Fixed Assets

The cost of fixed assets is depreciated over the following estimated useful life of the asset utilizing the straight-line method of depreciation:

Furniture and fixtures	5 years
Leasehold improvements	7 years

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

Revenue recognition

The Company recognizes revenue on an accrual basis as it invoices for services.

Reporting on the costs of start-up activities

Statement of Position 98-5 (SOP 98-5), "Reporting on the Costs of Start-Up Activities," which provides guidance on the financial reporting of start-up costs and organizational costs, requires most costs of start-up activities and organizational costs to be expensed as incurred. SOP 98-5 is effective for fiscal years beginning after December 15, 1998. With the adoption of SOP 98-5, there has been little or no effect on the Company's financial statements.

Earnings per share

The Company follows Statement of Financial Accounting Standards No. 128. "Earnings Per Share" ("SFAS No. 128"). Basic earnings per common share ("EPS") calculations are determined by dividing net income (loss) by the weighted average number of shares of common stock outstanding during the year. Diluted earning per common share

/81/

calculations are determined by dividing net income (loss) by the weighted average number of common shares and dilutive common share equivalents outstanding. During periods when common stock equivalents, if any, are anti-dilutive they are not considered in the computation.

Advertising Costs

The Company expenses all costs of advertising as incurred. There were no advertising costs included in selling, general and administrative expenses during the period ended December 31, 2001.

Fair value of financial instruments

Fair value estimates discussed herein are based upon certain market assumptions and pertinent information available to management as of December 31, 2001. The respective carrying value of certain on-balance-sheet financial instruments approximated their fair values. These financial instruments include cash and accounts payable. Fair values were assumed to approximate carrying values for cash and payables because they are short term in nature and their carrying amounts approximate fair values or they are payable on demand.

Software Licenses

The Company capitalizes the costs associated with the purchase of licenses for major business process application software used in providing staffing and/or placement services. Acquired technology costs are amortized over sixty months.

Impairment of long lived assets

Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets might not be recoverable. The Company does not perform a periodic assessment of assets for impairment in the absence of such information or indicators. Conditions that would necessitate an impairment assessment include a significant decline in the observable market value of an asset, a significant change in the extent or manner in which an asset is used, or a significant adverse change that would indicate that the carrying amount of an asset or group of assets is not recoverable. For long-lived assets to be held and used, the Company measures fair value based on quoted market prices or based on discounted estimates of future cash flows. Long-lived assets to be disposed of are carried at fair value less costs to sell. No such impairments have been identified by management at September 30, 2001.

Segment reporting

The Company follows Statement of Financial Accounting Standards No. 130, "Disclosures About Segments of an Enterprise and Related Information". The Company operates as a single segment and will evaluate additional segment disclosure requirements as it expands its operations.

/82/

Dividends

The Company has not yet adopted any policy regarding payment of dividends. No dividends have been paid or declared since inception.

Income taxes

The Company follows Statement of Financial Accounting Standard No. 109, "Accounting for Income Taxes" ("SFAS No. 109") for recording the provision for income taxes. Deferred tax assets and liabilities are computed based upon the difference between the financial statement and income tax basis of assets and liabilities using the enacted marginal tax rate applicable when the related asset or liability is expected to be realized or settled. Deferred income tax expenses or benefits are based on the changes in the asset or liability each period. If available evidence suggests that it is more likely than not that some portion or all of the deferred tax assets will not be realized, a valuation allowance is required to reduce the deferred tax assets to the amount that is more likely than not to be realized. Future changes in such valuation allowance are included in the provision for deferred income taxes in the period of change.

Deferred income taxes may arise from temporary differences resulting from income and expense items reported for financial accounting and tax purposes in different periods. Deferred taxes are classified as current or non-current, depending on the classification of assets and liabilities to which they relate. Deferred taxes arising from temporary differences that are not related to an asset or liability are classified as current or non-current depending on the periods in which the temporary differences are expected to reverse.

ATR Search Corporation
Notes

Recent pronouncements

The FASB recently issued Statement No. 137, "Accounting for Derivative Instruments and Hedging Activities-Deferral of Effective Date of FASB Statement No. 133". The Statement defers for one year the effective date of FASB Statement No. 133, "Accounting for Derivative Instruments and Hedging Activities". The rule now will apply to all fiscal quarters of all fiscal years beginning after June 15, 2000. In June 1998, the FASB issued SFAS No. 133, "Accounting for Derivative Instruments and Hedging Activities." The Statement will require the company to recognize all derivatives on the balance sheet at fair value. Derivatives that are not hedges must be adjusted to fair value through income, if the derivative is a hedge, depending on the nature of the hedge, changes in the fair value of derivatives will either be offset against the change in fair value of the hedged assets, liabilities, or firm commitments through earnings or recognized in other comprehensive income until the hedged item is recognized in earnings. The ineffective portion of a derivative's change in fair value will be immediately recognized in earnings. The company does not expect SFAS No. 133 to have a material impact on earnings and financial position.

In December 1999, the Securities and Exchange Commission released Staff Accounting Bulletin No. 101, Revenue Recognition in Financial Statements (SAB No. 101), which provides guidance on the recognition, presentation and disclosure of revenue in financial statements. SAB No. 101 did not impact the company's revenue recognition policies.

Stock-Based Compensation

The Company accounts for stock-based awards to employees in accordance with Accounting Principles Board Opinion No. 25, "Accounting for Stock Issued to Employees" and related interpretations and has adopted the disclosure-only alternative of FAS No. 123, "Accounting for Stock-Based Compensation." Options granted to consultants, independent representatives and other non-employees are accounted for using the fair value method as prescribed by FAS No. 123.

Year end

The Company has adopted December 31 as its fiscal year end.

Note 2 - Going concern

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern, which contemplates the recoverability of assets and the satisfaction of liabilities in the normal course of business. As noted above, the Company is in the development stage and, accordingly, has not yet

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

generated a proven history of operations. Since its inception, the Company has been engaged substantially in financing activities and developing its product line, incurring substantial costs and expenses. As a result, the Company incurred accumulated net losses from March 2, 2001 (inception) through the period ended December 31, 2001 of \$(488,750). In addition, the Company's

/84/

development activities since inception have been financially sustained by capital contributions.

The ability of the Company to continue as a going concern is dependent upon its ability to raise additional capital from the sale of common stock and, ultimately, the achievement of significant operating results. The accompanying financial statements do not include any adjustments that might be required should the Company be unable to recover the value of its assets or satisfy its liabilities.

Note 3 - Fixed assets

The Company acquired the following assets during the period ended December 31, 2001:

Furniture & fixtures	\$ 1,969
Leasehold improvements	10,000

	\$ 11,969
	=====

Depreciation expense totaled \$607 for the period ended December 31, 2001.

Notes

Note 4 - Intellectual Property, Patents, and Other Intangibles

On March 28, 2001, the Company acquired the rights to use technology known as "human resource compiler based search recognition software and hardware" from Sarcor Management, SA, a British Virgin Islands corporation, in exchange for a lease agreement and the issuance of 3,500,000 common shares of stock valued at \$350,000.

Amortization expense totaled \$225,000 for the period ended December 31, 2001.

The Company relies on trademark, unfair competition and copyright law, trade secret protection and contracts such as confidentiality and license agreements with its employees, customers, partners and others to protect its proprietary rights. Despite precautions, it may be possible for competitors to obtain

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

and/or use the proprietary information without authorization, or to develop technologies similar to the Company's and independently create a similarly functioning infrastructure. Furthermore, the protection of proprietary rights in Internet-related industries is uncertain and still evolving. The laws of some foreign countries do not protect proprietary rights to the same extent as do the laws of the United States. Protecting the Company's proprietary rights in the United States or abroad may not be adequate.

Note 5 - Stockholder's equity

The Company was originally authorized to issue 20,000,000 shares of its \$0.001 par value common stock. Effective May 7, 2001, the Company amended its articles of incorporation increasing its authorized shares to 100,000,000 shares of \$0.001 par value common stock.

All references to shares issued and outstanding reflect the increase of authorization of 100,000,000 issuable shares effected May 7, 2001.

The Company issued 12,625,000 shares of its \$0.001 par value common stock to its founders for cash of \$64,525.

The Company issued 3,500,000 shares of its \$0.001 par value common stock at \$0.10 per share to Sarcor Management, SA, a British Virgin Island corporation, as a \$350,000 down payment on a technology licensing agreement.

The Company issued 350,000 shares of its \$0.001 par value common stock to Corporate Regulatory Services for consulting services valued at \$26,250.

The Company issued 150,000 shares of its \$0.001 par value common stock to Mary Lou Cox, mother of Robert Cox, the Company's president, for consulting services valued at \$15,000.

/86/

The Company issued 500,000 shares of its \$0.001 par value common stock to James De Luca, an independent consultant, for consulting services valued at \$50,000.

The Company issued 1,340,000 shares of its \$0.001 par value common stock at \$0.10 per share for cash of \$134,000. The shares were sold pursuant to a Regulation D, Rule 505 of the Securities and Exchange Commission offering.

The Company issued 115,000 shares of its \$0.001 par value common stock to extinguish promissory notes totaling \$11,500.

The Company issued 600,000 shares of its \$0.001 par value common stock to Quarg, Inc. for consulting services valued at \$60,000.

There have been no other issuances of common stock.

/87/

ATR Search Corporation
Notes

Note 6 - Income taxes

The Company accounts for income taxes under Statement of Financial Accounting Standards No. 109, "Accounting for Income Taxes" ("SFAS No. 109"), which requires use of the liability method. SFAS No. 109 provides that deferred tax assets and liabilities are recorded based on the differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, referred to as temporary differences. Deferred tax assets and liabilities at the end of each period are determined using the currently enacted tax rates applied to taxable income in the periods in which the deferred tax assets and liabilities are expected to be settled or realized.

The provision for income taxes differs from the amount computed by applying the statutory federal income tax rate to income before provision for income taxes. The sources and tax effects of the differences are based on a 34% US federal statutory rate. As of December 31, 2001, the Company has a net operating loss of approximately \$(488,750). INDEPENDENT AUDITOR'S REPORT

Board of Directors
Medicius, Inc.
Las Vegas, NV

I have audited the Balance Sheet of Medicius, Inc. (the "Company") (A Development Stage Company), as of December 31, 2001, and the related Consolidated Statements of Operations, Stockholders' Equity, and Cash Flows for the period July 6, 2000 (Date of Inception) to December 31, 2001. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement presentation. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Medicius, Inc., (A Development Stage Company) as of December 31,

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

2001 and 2000, and the results of its operations and cash flows for the years then ended and for the period July 6, 2000 (Date of Inception) to December 31, 2001 in conformity with generally Accepted accounting principles.

The accompanying financial statements have been prepared assuming the Company will continue as a going concern. As discussed in Note 5 to the financial statements, the Company has had limited operations and have not commenced planned principal operations. This raises substantial doubt about its ability to continue as a going concern. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Notes

Note 1 - History and organization of the company

The Company was organized July 6, 2000 (Date of Inception) under the laws of the State of Nevada. The Company was originally named "ProMedicius, Inc." During August 2001, the Company filed amended articles of incorporation with the State of Nevada to change its name to "Medicius, Inc.".

The Company has no operations and in accordance with SFAS #7, the Company is considered a development stage company.

Note 2 - Summary of significant accounting policies

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents

The Company maintains a cash balance in a non-interest-bearing account that currently does not exceed federally insured limits. For the purpose of the statements of cash flows, all highly liquid investments with an original maturity of three months or less are considered to be cash equivalents.

Revenue recognition

The Company recognizes revenue on an accrual basis as it invoices for services.

Reporting on the costs of start-up activities

Statement of Position 98-5 (SOP 98-5), "Reporting on the Costs of Start-Up Activities," which provides guidance on the financial reporting of start-up costs and organizational costs, requires most costs of start-up activities and organizational costs to be expensed as incurred. SOP 98-5 is effective for fiscal years beginning after December 15, 1998. With the adoption of SOP 98-5, there has been little or no effect on the Company's financial statements.

Loss per share

Net loss per share is provided in accordance with Statement of Financial Accounting Standards No. 128 (SFAS #128) "Earnings Per Share". Basic loss per share is computed by dividing losses available to common stockholders by the weighted average number of common shares outstanding during the period. The Company had no dilutive common stock equivalents, such as stock options or warrants as of December 31, 2001 or 2000.

/99/

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

Advertising Costs

The Company expenses all costs of advertising as incurred. There were no advertising costs included in selling, general and administrative expenses as of December 31, 2001 or 2000.

Fair value of financial instruments

Fair value estimates discussed herein are based upon certain market assumptions and pertinent information available to management as of December 31, 2001 and 2000. The respective carrying value of certain on-balance-sheet financial instruments approximated their fair values. These financial instruments include cash and accounts payable. Fair values were assumed to approximate carrying values for cash and payables because they are short term in nature and their carrying amounts approximate fair values or they are payable on demand.

Impairment of long lived assets

Long lived assets held and used by the Company are reviewed for possible impairment whenever events or circumstances indicate the carrying amount of an asset may not be recoverable or is impaired. No such impairments have been identified by management at December 31, 2001 and 2000.

Segment reporting

The Company follows Statement of Financial Accounting Standards No. 130, "Disclosures About Segments of an Enterprise and Related Information". The Company operates as a single segment and will evaluate additional segment disclosure requirements as it expands its operations.

Dividends

The Company has not yet adopted any policy regarding payment of dividends. No dividends have been paid or declared since inception.

Recent pronouncements

The FASB recently issued Statement No. 137, "Accounting for Derivative Instruments and Hedging Activities-Deferral of Effective Date of FASB Statement No. 133". The Statement defers for one year the effective date of FASB Statement No. 133, "Accounting for Derivative Instruments and Hedging Activities". The rule now will apply to all fiscal quarters of all fiscal years beginning after June 15, 2000. In June 1998, the FASB issued SFAS No. 133, "Accounting for Derivative Instruments and Hedging Activities." The Statement will require the company to recognize all derivatives on the balance sheet at fair value. Derivatives that are not hedges must be adjusted to fair value through income, if the derivative is a hedge, depending on the nature of the hedge, changes in the fair value of derivatives will either be offset against the change in fair value of the hedged assets, liabilities, or firm commitments through earnings or recognized in other comprehensive income until the hedged item is recognized in earnings. The ineffective portion of a derivative's change in fair value will be immediately recognized in earnings. The company does not expect SFAS No. 133 to have a material impact on earnings and financial position.

/100/

In December 1999, the Securities and Exchange Commission released Staff Accounting Bulletin No. 101, Revenue Recognition in Financial Statements (SAB No. 101), which provides guidance on the recognition, presentation and disclosure of revenue in financial statements. SAB No. 101 did not impact the company's revenue recognition policies.

Note 3 - Income taxes

The Company accounts for income taxes under Statement of Financial Accounting Standards No. 109, "Accounting for Income Taxes" ("SFAS No. 109"), which requires use of the liability method. SFAS No. 109 provides that deferred tax assets and liabilities are recorded based on the differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, referred to as temporary differences. Deferred tax assets and liabilities at the end of each period are determined using the currently enacted tax rates applied to taxable income in the periods in which the deferred tax assets and liabilities are expected to be settled or realized.

The provision for income taxes differs from the amount computed by applying the statutory federal income tax rate to income before provision for income taxes. The sources and tax effects of the differences are based on a 34% US federal statutory rate. As of December 31, 2001, the Company has a net operating loss of approximately \$(410,000). The related tax asset of approximately \$140,000 has been fully reserved and, if not used, will expire in 2019 and 2020. A valuation adjustment has been made in the event the asset is not realizable.

Note 4 - Intellectual Property, Patents, and Other Intangibles

On June 27, 2001, the Company acquired Intellectual Property from CareDecision.net, Inc. ("CareDecision"), a subsidiary of IT Health.net, Inc. Pursuant to the agreement, the Company paid CareDecision.net, Inc. the sum of \$975,000 with 750,000 shares of the Company's \$.001 par value Preferred Series A stock valued at \$1.30 per share.

On June 28, 2001, the Company acquired Licensed Information Technology from CareDecision.net, Inc. ("CareDecision"), a subsidiary of IT Health.net, Inc. Pursuant to the agreement, the Company is to pay CareDecision cash of \$60,000 plus "End-User" transaction fees ranging from 6%-11% with a minimum monthly fee of \$2,500 for a period of 36 months.

Amortization expense totaled \$69,000 for the year ended December 31, 2001.

The Company relies on trademark, unfair competition and copyright law, trade secret protection and contracts such as confidentiality and license agreements with its employees, customers, partners and others to protect its proprietary rights. Despite precautions, it may be possible for competitors to obtain and/or use the proprietary information without authorization, or to develop technologies similar to the Company's and independently create a similarly functioning infrastructure. Furthermore, the

101/

protection of proprietary rights in Internet-related industries is uncertain and still evolving. The laws of some foreign countries do not protect proprietary rights to the same extent as do the laws of the United States. Protecting the Company's proprietary rights in the United States or abroad may not be adequate.

Note 4 - Stockholders' Equity

The Company is authorized to issue 55,000,000 shares of its \$0.001 par value common stock and 20,000,000 shares of its \$0.001 par value preferred stock.

The Company issued 6,000,000 shares of its \$0.001 par value common stock for cash in the amount of \$6,000. Of the total, \$6,000 is considered common stock and there is no additional paid-in capital.

The Company received \$8,695 of cash as donated capital.

The Company issued 500,000 shares of its \$0.001 par value common stock for services rendered valued at \$500.

The Company issued 750,000 shares of its \$0.001 par value Preferred Series A stock to CareDecision.net, Inc. valued at \$1.30 per share as consideration for licensed technology valued at \$975,000.

The Company issued 250,000 shares of its \$0.001 par value common stock as "equity kickers" to bridge lenders of CareDecision.net, Inc. at \$1.30 per share booked as consulting fees valued at \$325,000.

There have been no other issuances of common or preferred stock.

Note 5 - Going concern

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern which contemplates the recoverability of assets and the satisfaction of liabilities in the normal course of business. As noted above, the Company is in the development stage and, accordingly, has not yet generated a proven history of operations. Since its inception, the Company has been engaged substantially in financing activities and developing its product line, incurring substantial costs and expenses. As a result, the Company incurred accumulated net losses from July 6, 2000 (inception) through December 31, 2001 of \$(409,191). In addition, the Company's development activities since inception have been financially sustained by capital contributions.

The ability of the Company to continue as a going concern is dependent upon its ability to raise additional capital from the sale of common stock and, ultimately, the achievement of significant operating results. The accompanying financial statements do not include any adjustments that might be required should the Company be unable to recover the value of its assets or satisfy its liabilities.

/102/

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

Note 6 - Commitments

Pursuant to a Technology Licensing Agreement ("Licensing Agreement") signed June 28, 2001, the Company is to pay CareDecision.net, Inc. cash of \$60,000 upon signing of the licensing agreement, plus an "End-User" transaction charge ranging from 6%-11% with a minimum monthly fee of \$2,500 for a period of 36 months. Future minimum lease commitments are as follows:

2002	\$	30,000
2003		30,000
2004		30,000

Total	\$	90,000

Note 7 - Related party transactions

The president of the company is also president of CareDecision.net, Inc.

The officers and directors of the Company are involved in other business activities and may, in the future, become involved in other business opportunities. If a specific business opportunity becomes available, such persons may face a conflict in selecting between the Company and their other business interests. The Company has not formulated a policy for the resolution of such conflicts.

Note 8 - Warrants and options

On July 29, 2001, the Company issued 375,000 warrants to bridge lenders of CareDecision.net, Inc. The warrants are redeemable on a 1-for-1 basis into shares of the Company's \$0.001 par value common stock at \$0.20 per share for a period of 2 years. The warrants are considered to be non-dilutive at December 31, 2001.

thereby entitled to those rights, if any, which would have existed if there had been no merger and the membership had been terminated or the member had been expelled. 2. Unless otherwise provided in its articles of incorporation or bylaws, no member of a domestic nonprofit corporation, including, but not limited to, a cooperative corporation, which supplies services described in CHAPTER 704 OF NRS to its members only, and no person who is a member of a domestic nonprofit corporation as a condition of or by reason of the ownership of an interest in real property, may resign and dissent pursuant to subsection 1. (Added to NRS by 1995, 2088).

NRS 92A.380 RIGHT OF STOCKHOLDER TO DISSENT FROM CERTAIN CORPORATE ACTIONS AND TO OBTAIN PAYMENT FOR SHARES. 1. Except as otherwise provided in NRS 92A.370 and 92A.390, a stockholder is entitled to dissent from, and obtain payment of the fair value of his shares in the event of any of the following corporate actions: (a) Consummation of a plan of merger to which the domestic corporation is a constituent entity: (1) If approval by the stockholders is required for the merger by NRS 92A.120 to 92A.160, inclusive, or the articles of incorporation, regardless of whether the stockholder is entitled to vote on the plan of merger; or (2) If the domestic corporation is a subsidiary and is merged with its parent pursuant to NRS 92A.180. (b) Consummation of a plan of exchange to which the domestic corporation is a constituent entity as the corporation whose subject owner's interests will be acquired, if his shares are to be acquired in the plan of exchange. (c) Any corporate action taken pursuant to a vote of the stockholders to the event that the articles of incorporation, bylaws or a resolution of the board of directors provides that voting or nonvoting stockholders are entitled to dissent and obtain payment for their shares. 2. A stockholder who is entitled to dissent and obtain payment pursuant to NRS 92A.300 to 92A.500, inclusive, may not challenge the corporate action creating his entitlement unless the action is unlawful or fraudulent with respect to him or the domestic corporation. (Added to NRS by 1995, 2087; A 2001, 1414, 3199).

NRS 92A.390 LIMITATIONS ON RIGHT OF DISSENT: STOCKHOLDERS OF CERTAIN CLASSES OR SERIES; ACTION OF STOCKHOLDERS NOT REQUIRED FOR PLAN OF MERGER. 1. There is no right of dissent with respect to a plan of merger or exchange in favor of stockholders of any class or series which, at the record date fixed to determine the stockholders entitled to receive notice of and to vote at the meeting at which the plan of merger or exchange is to be acted on, were either listed on a national securities exchange, included in the national market system by the National Association of Securities Dealers, Inc., or held by at least 2,000 stockholders of record, unless: (a) The articles of incorporation of the corporation issuing the shares provide otherwise; or (b) The holders of the class or series are required under the plan of merger or exchange to accept for the shares anything except: (1) Cash, owner's interests or owner's interests and cash in lieu of fractional owner's interests of: (I) The surviving or acquiring entity; or (II) Any other entity which, at the effective date of the plan of merger or exchange, were either listed on a national securities exchange, included in the national market system by the National Association of Securities Dealers, Inc., or held of record by a least 2,000 holders of owner's interests of record; or (2) A combination of cash and owner's interests of the kind described in sub-subparagraphs (I) and (II) of subparagraph (1) of paragraph (b). 2. There is no right of dissent for any holders of stock of the surviving domestic corporation if the plan of merger does not require action of the stockholders of the surviving domestic corporation under NRS 92A.130. (Added to NRS by 1995, 2088).

NRS 92A.400 LIMITATIONS ON RIGHT OF DISSENT: ASSERTION AS TO PORTIONS ONLY TO SHARES REGISTERED TO STOCKHOLDER; ASSERTION BY BENEFICIAL STOCKHOLDER. 1. A stockholder of record may assert dissenter's rights as to fewer than all of the shares registered in his name only if he dissents with respect to all shares beneficially owned by any one person and notifies the subject corporation in writing of the name and address of each person on whose behalf

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

/106/

2. A beneficial stockholder may assert dissenter's rights as to shares held on his behalf only if: E-2 (a) He submits to the subject corporation the written consent of the stockholder of record to the dissent not later than the time the beneficial stockholder asserts dissenter's rights; and (b) He does so with respect to all shares of which he is the beneficial stockholder or over which he has power to direct the vote. (Added to NRS by 1995, 2089).

NRS 92A.410 NOTIFICATION OF STOCKHOLDERS REGARDING RIGHT OF DISSENT.

1. If a proposed corporate action creating dissenters' rights is submitted to a vote at a stockholders' meeting, the notice of the meeting must state that stockholders are or may be entitled to assert dissenters' rights under NRS 92A.300 to 92A.500, inclusive, and be accompanied by a copy of those sections. 2. If the corporate action creating dissenters' rights is taken by written consent of the stockholders or without a vote of the stockholders, the domestic corporation shall notify in writing all stockholders entitled to assert dissenters' rights that the action was taken and send them the dissenter's notice described in NRS 92A.430. (Added to NRS by 1995, 2089; A 1997, 730).

NRS 92A.420 PREREQUISITES TO DEMAND FOR PAYMENT FOR SHARES. 1. If a proposed corporate action creating dissenters' rights is submitted to a vote at a stockholders' meeting, a stockholder who wishes to assert dissenter's rights: (a) Must deliver to the subject corporation, before the vote is taken, written notice of his intent to demand payment for his shares if the proposed action is effectuated; and (b) Must not vote his shares in favor of the proposed action. 2. A stockholder who does not satisfy the requirements of subsection 1 and NRS 92A.400 is not entitled to payment for his shares under this chapter. (Added to NRS by 1995, 2089; 1999, 1631).

NRS 92A.430 DISSENTER'S NOTICE: DELIVERY TO STOCKHOLDERS ENTITLED TO ASSERT RIGHTS; CONTENTS. 1. If a proposed corporate action creating dissenters' rights is authorized at a stockholders' meeting, the subject corporation shall deliver a written dissenter's notice to all stockholders who satisfied the requirements to assert those rights. 2. The dissenter's notice must be sent no later than 10 days after the effectuation of the corporate action, and must: (a) State where the demand for payment must be sent and where and when certificates, if any, for shares must be deposited; (b) Inform the holders of shares not represented by certificates to what extent the transfer of the shares will be restricted after the demand for payment is received; (c) Supply a form for demanding payment that includes the date of the first announcement to the news media or to the stockholders of the terms of the proposed action and requires that the person asserting dissenter's rights certify whether or not he acquired beneficial ownership of the shares before that date; (d) Set a date by which the subject corporation must receive the demand for payment, which may not be less than 30 nor more than 60 days after the date the notice is delivered; and (e) Be accompanied by a copy of NRS 92A.300 to 92A.500, inclusive. (Added to NRS by 1995, 2089).

NRS 92A.440 DEMAND FOR PAYMENT AND DEPOSIT OF CERTIFICATES; RETENTION OF RIGHTS OF STOCKHOLDER. 1. A stockholder to whom a dissenter's notice is sent must: (a) Demand payment; (b) Certify whether he acquired beneficial ownership of the shares before the date required to be set forth in the dissenter's notice for this certification; and (c) Deposit his certificates, if any, in accordance with the terms of the notice. 2. The stockholder who demands payment and deposits his certificates, if any, before the proposed corporate

action is taken retains all other rights of a stockholder until those rights are canceled or modified by the taking of the proposed corporate action.

3. The stockholder who does not demand payment or deposit his certificates where required, each by the date set forth in the dissenter's notice, is not entitled to payment for his shares under this chapter. (Added to NRS by 1995, 2090; A 1997, 730)

NRS 92A.450 UNCERTIFICATED SHARES: AUTHORITY TO RESTRICT TRANSFER AFTER DEMAND FOR PAYMENT; RETENTION OF RIGHTS OF STOCKHOLDER. 1. The subject corporation may restrict the transfer of shares not represented by a certificate from the date the demand for their payment is received. 2. (Added to NRS by 1995, 2090).

NRS 92A.460 PAYMENT FOR SHARES: GENERAL REQUIREMENTS. 1. Except as otherwise provided in NRS 92A.470, within 30 days after receipt of a demand for payment, the subject corporation shall pay each dissenter who complied with NRS 92A.440 the amount the subject corporation estimates to be the fair value of his shares, plus accrued interest. The obligation of the subject corporation under this subsection may be enforced by the district court: (a) Of the county where the corporation's registered office is located; or (b) At the election of any dissenter residing or having its registered office in this state, of the county where the dissenter resides or has its registered office. The court shall dispose of the complaint promptly. 2. The payment must be accompanied by: (a) The subject corporation's balance sheet as of the end of a fiscal year ending not more than 16 months before the date of payment, a statement of income for that year, a statement of changes in the stockholders' equity for that year and the latest available interim financial statements, if any; (b) A statement of the subject corporation's estimate of the fair value of the shares; (c) An explanation of how the interest was calculated; (d) A statement of the dissenter's rights to demand payment under NRS 92A.480; and (e) A copy of NRS 92A.300 to 92A.500, inclusive. (Added to NRS by 1995, 2090).

NRS 92A.470 PAYMENT FOR SHARES: SHARES ACQUIRED ON OR AFTER DATE OF DISSENTER'S NOTICE. 1. A subject corporation may elect to withhold payment from a dissenter unless he was the beneficial owner of the shares before the date set forth in the dissenter's notice as the date of the first announcement to the news media or to the stockholders of the terms of the proposed action. 2. To the extent the subject corporation elects to withhold payment, after taking the proposed action, it shall estimate the fair value of the shares, plus accrued interest, and shall offer to pay this amount to each dissenter who agrees to accept it in full satisfaction of his demand. The subject corporation shall send with its offer a statement of its estimate of the fair value of the shares, an explanation of how the interest was calculated, and a statement of the dissenters' right to demand payment pursuant to NRS 92A.480. (Added to NRS by 1995, 2091).

NRS 92A.480 DISSENTER'S ESTIMATE OF FAIR VALUE: NOTIFICATION OF SUBJECT CORPORATION; DEMAND FOR PAYMENT OF ESTIMATE. 1. A dissenter may notify the subject corporation in writing of his own estimate of the fair value of his shares and the amount of interest due, and demand payment of his estimate, less any payment pursuant to NRS 92A.460, or reject the offer pursuant to NRS 92A.470 and demand payment of the fair value of his shares and interest due, if he believes that the amount paid pursuant to NRS 92A.460 or offered pursuant to NRS 92A.470 is less than the fair value of his shares or that the interest

due is incorrectly calculated. 2. A dissenter waives his right to demand payment pursuant to this section unless he notifies the subject corporation of his demand in writing within 30 days after the subject corporation made or offered payment for his shares. (Added to NRS by 1995, 2091).

NRS 92A.490 LEGAL PROCEEDING TO DETERMINE FAIR VALUE: DUTIES OF SUBJECT CORPORATION; POWERS OF COURT; RIGHTS OF DISSENTER. 1. If a demand for payment remains unsettled, the subject corporation shall commence a proceeding within 60 days after receiving the demand and petition the court to determine the fair value of the shares and accrued interest. If the subject corporation does not commence the proceeding within the 60 day period, it shall pay each dissenter whose demand remains unsettled the amount demanded. 2. A subject corporation shall commence the proceeding in the district court of the county where its registered office is located. If the subject corporation is a foreign entity without a resident agent in the state, it shall commence the proceeding in the county where the registered office of the domestic corporation merged with or whose shares were acquired by the foreign entity was located. 3. The subject corporation shall make all dissenters, whether or not residents of Nevada, whose demands remain unsettled, parties to the proceeding as in an action against their shares. All parties must be served with a copy of the petition. Nonresidents may be served by registered or certified mail or by publication as provided by law. 4. The jurisdiction of the court in which the proceeding is commenced under subsection 2 is plenary and exclusive. The court may appoint one or more persons as appraisers to receive evidence and recommend a decision on the question of fair value. The appraisers have the powers described in the order appointing them, or any amendment thereto. The dissenters are entitled to the same discovery rights as parties in other civil proceedings. 5. Each dissenter who is made a party to the proceeding is entitled to a judgment: E-4 (a) For the amount, if any, by which the court finds the fair value of his shares, plus interest, exceeds the amount paid by the subject corporation; or (b) For the fair value, plus accrued interest, of his after-acquired shares for which

/108/

the subject corporation elected to withhold payment pursuant to NRS 92A.470. (Added to NRS by 1995, 2091).

NRS 92A.500 LEGAL PROCEEDING TO DETERMINE FAIR VALUE: ASSESSMENT OF COSTS AND FEES. 1. The court in a proceeding to determine fair value shall determine all of the costs of the proceeding, including the reasonable compensation and expenses of any appraisers appointed by the court. The court shall assess the costs against the subject corporation, except that the court may assess costs against all or some of the dissenters, in amounts the court finds equitable, to the extent the court finds the dissenters acted arbitrarily, vexatiously or not in good faith in demanding payment. 2. The court may also assess the fees and expenses of the counsel and experts for the respective parties, in amounts the court finds equitable: (a) Against the subject corporation and in favor of all dissenters if the court finds the subject corporation did not substantially comply with the requirements of NRS 92A.300 to 92A.500, inclusive; or (b) Against either the subject corporation or a dissenter in favor of any other party, if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously or not in good faith with respect to the rights provided by NRS 92A.300 to 92A.500, inclusive. 3. If the court finds that the services of counsel for any dissenter were of substantial benefit to other dissenters similarly situated, and that the fees for those services should not be assessed against the subject corporation, the court may award to those counsel reasonable fees to be paid out of the amounts awarded to the dissenters who were benefited. 4. In a proceeding commenced pursuant to NRS 92A.460, the court may assess the costs against the subject corporation,

Edgar Filing: ATR SEARCH CORP - Form DEFM14A

except that the court may assess costs against all or some of the dissenters who are parties to the proceeding, in amounts the court finds equitable, to the extent the court finds that such parties did not act in good faith in instituting the proceeding. 5. This section does not preclude any party in a proceeding commenced pursuant to NRS 92A.460 or 92A.490 from applying the provisions of N.R.C.P. 68 or NRS 17.115. (Added to NRS by 1995, 2092).
