Explanation of Responses:

- (1) Additional consideration for convertible promissory note.
- (2) This note was a refunding of an earlier note of like tenor previously reported, extending the maturity to June 8, 2003.
- (3) The number of shares into which this note is convertible is at a rate of 90% of the exercise or conversion price applicable to any subsequent financing secured by the Issuer, or, if no such financing is completed, at 90% of the closing price of the Issuer's common stock on the trading day immediately preceding maturity. Maturity is the earlier of five business days from receipt by the Issuer of certain accounts receivable or January 15, 2002. This Reporting Person is also to receive as additional consideration, immediately exercisable warrants to purchase 59,524 shares at \$1.68 per share.

(4) The number of shares into which this note is convertible is at the rate of 90% of the closing price of the Issuer's common stock on the trading day immediately preceding maturity (5/30/02).
