Item 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

On December 31, 2015, Blucora, Inc. (“Blucora” or the “Company”) filed a Current Report on Form 8-K under item 2.01 that it had completed the acquisition of HDV Holdings, Inc., pursuant to the terms of the Stock Purchase Agreement dated as of October 14, 2015 described in, and filed with, the Form 8-K filed by Blucora on October 14, 2015. In that Form 8-K, Blucora stated that it would file the required historical and pro forma financial information by amendment, and this Form 8-K/A is being filed to provide that financial information.

HDV Holdings, Inc. is the holding company for the group of companies that comprise the HD Vest Financial Services® business (“HD Vest”), a provider of wealth management solutions for financial advisors. HD Vest generates revenue primarily through commissions, quarterly investment advisory fees based on assets under management, and other fees.

Blucora acquired HD Vest for \$611.9 million, which is subject to a final working capital adjustment in the first quarter of 2016. In connection with the acquisition, certain members of HD Vest management rolled over a portion of the proceeds they would have otherwise received at the closing into shares of the acquisition subsidiary through which Blucora consummated the purchase of HD Vest. A portion of those shares were sold to Blucora in exchange for a promissory note. After giving effect to the rollover shares and related purchase of the rollover shares for the promissory note, Blucora indirectly owns 95.52% of HDV Holdings, Inc., with the remaining 4.48% non-controlling interest held collectively by the rollover management members and subject to put and call arrangements exercisable beginning in 2019.

Item 9.01 FINANCIAL STATEMENTS AND EXHIBITS

(a) Financial statements of businesses acquired

The unaudited financial statements for HDV Holdings, Inc. as of and for the nine months ended September 30, 2015 and 2014 and the audited financial statements as of and for the years ended December 31, 2014, 2013, and 2012 are attached hereto as Exhibits 99.2, 99.3, and 99.4 and are incorporated by reference herein.

(b) Pro forma financial information

The following unaudited pro forma condensed combined consolidated financial statements of Blucora consist of (i) pro forma condensed combined consolidated statements of operations for the year ended December 31, 2014 and for the nine months ended September 30, 2015, (ii) a pro forma condensed combined consolidated balance sheet as of September 30, 2015, and (iii) accompanying notes, giving effect to Blucora's acquisition of HD Vest on December 31, 2015 (collectively, the “Unaudited Pro Forma Condensed Combined Consolidated Financial Statements”). The unaudited pro forma condensed combined consolidated statements of operations are presented as if Blucora's acquisition of HD Vest occurred on January 1, 2014, and the unaudited pro forma condensed combined consolidated balance sheet is presented as if Blucora's acquisition of HD Vest occurred on September 30, 2015. As part of Blucora's October 14, 2015 announcement of the acquisition of HD Vest, Blucora stated its plans to divest the Search and Content and E-Commerce businesses in order to focus on the technology-enabled financial solutions market. As a result, Blucora classified the Search and Content and E-Commerce businesses as discontinued operations effective with the fourth quarter of 2015. Pro forma consolidated financial results for Blucora excluding the Search and Content and E-Commerce businesses can be found in the Supplemental Information filed as Exhibit 99.2 to the Form 8-K filed by Blucora on February 11, 2016.

The Unaudited Pro Forma Condensed Combined Consolidated Financial Statements are provided for informational purposes only and do not purport to reflect the results of operations that would have existed or occurred had such transaction taken place on the dates indicated, nor do they purport to reflect the financial condition or results of operations that will exist or occur in the future. The Unaudited Pro Forma Condensed Combined Consolidated Financial Statements should be read in conjunction with (i) Blucora's unaudited historical consolidated financial statements and the notes thereto, included in its Quarterly Report on Form 10-Q for the period ended September 30, 2015 and its audited Annual Report on Form 10-K for the year ended December 31, 2014, as well as (ii) HD Vest's historical unaudited consolidated financial statements for the nine months ended September 30, 2015 and 2014 and its audited consolidated financial statements for the years ended December 31, 2014, 2013, and 2012 and the notes thereto, included in Exhibits 99.2, 99.3, and 99.4 of this Form 8-K/A.

Blucora acquired HD Vest for \$611.9 million, which is subject to a final working capital adjustment in the first quarter of 2016. As described under Item 2.01 above, Blucora indirectly owns 95.52% of HDV Holdings, Inc., with the

remaining 4.48% non-controlling interest held collectively by the rollover management members and subject to put and call arrangements exercisable beginning in 2019. The acquisition was funded by a combination of cash on hand and a new credit facility, under which Blucora borrowed \$400.0 million. The Unaudited Pro Forma Condensed Combined Consolidated Financial Statements

present the acquisition of HD Vest under the acquisition method of accounting, which reflects the allocation of the purchase price to the assets acquired and liabilities assumed based on their estimated fair values at the date of acquisition. The Unaudited Pro Forma Condensed Combined Consolidated Financial Statements reflect the purchase price allocation based on Blucora's best estimate of the fair value of the assets acquired and liabilities assumed.

NOTES TO UNAUDITED PRO FORMA CONDENSED COMBINED CONSOLIDATED FINANCIAL STATEMENTS

Note 1: Basis of Pro Forma Presentation

On December 31, 2015 and pursuant to the Purchase Agreement dated October 14, 2015, Blucora, Inc. (the "Company" or "Blucora") acquired HD Vest for \$611.9 million, which is subject to a final working capital adjustment in the first quarter of 2016. HD Vest provides wealth management solutions for financial advisors and is expected to be synergistic with TaxAct, Inc. ("TaxAct") as a result of cross-selling opportunities and an expanded addressable market for both HD Vest and TaxAct. In connection with the acquisition, certain members of HD Vest management rolled over a portion of the proceeds they would have otherwise received at the closing into shares of the acquisition subsidiary through which Blucora consummated the purchase of HD Vest. A portion of those shares were sold to Blucora in exchange for a promissory note. After giving effect to the rollover shares and the related purchase of the rollover shares for the promissory note, Blucora indirectly owns 95.52% of HDV Holdings, Inc., with the remaining 4.48% non-controlling interest held collectively by the rollover management members and subject to put and call arrangements exercisable beginning in 2019.

The accompanying Unaudited Pro Forma Condensed Combined Consolidated Financial Statements consist of the historical statements of operations of Blucora and HD Vest for the year ended December 31, 2014 and the nine months ended September 30, 2015 and the historical balance sheets of Blucora and HD Vest as of September 30, 2015, with adjustments, as described in "Note 3: Presentation Adjustments" and "Note 4: Pro Forma Adjustments and Assumptions," to reflect Blucora's acquisition of HD Vest.

The historical results of operations and financial position of Blucora have been derived from Blucora's consolidated financial statements as previously reported in its Annual Report on Form 10-K for the year ended December 31, 2014 and its Quarterly Report on Form 10-Q for the period ended September 30, 2015. The historical information of Blucora has been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

The historical operating results and financial position of HD Vest have been derived from HD Vest's historical unaudited consolidated financial statements of earnings for the nine months ended September 30, 2015 and 2014, its unaudited consolidated balance sheet as of September 30, 2015, and its audited consolidated financial statements of earnings for the years ended December 31, 2014, 2013, and 2012 included in Exhibits 99.2, 99.3, and 99.4 of this Form 8-K/A.

The Unaudited Pro Forma Condensed Combined Consolidated Financial Statements are presented for illustrative purposes only and are not necessarily indicative of the financial position or operating results that would have been achieved had the acquisition been completed as of the dates indicated above or the results that may be attained in the future.

Note 2: Acquisition of HD Vest

Blucora acquired HD Vest for \$611.9 million, which is subject to a final working capital adjustment in the first quarter of 2016. As described in "Note 1: Basis of Pro Forma Presentation," Blucora indirectly owns 95.52% of HDV Holdings, Inc., with the remaining 4.48% non-controlling interest held collectively by the rollover management members and subject to put and call arrangements exercisable beginning in 2019.

Blucora paid \$610.5 million, which was funded by a combination of cash on hand and a new credit facility (the "TaxAct - HD Vest 2015 credit facility"). The TaxAct - HD Vest 2015 credit facility consists of a \$25.0 million revolving credit loan and a \$400.0 million term loan for an aggregate \$425.0 million credit facility. TaxAct and HD Vest borrowed \$400.0 million under the term loan. The interest rate on the term loan is variable at the London Interbank Offered Rate, subject to a floor of 1.00%, plus a margin of 6.00%, payable at the end of each interest period. The Unaudited Pro Forma Condensed Combined Consolidated Financial Statements present the acquisition of HD Vest under the acquisition method of accounting, which reflects the allocation of the purchase price to the assets acquired and liabilities assumed based on their estimated fair values at the date of acquisition. The Unaudited Pro Forma Condensed Combined Consolidated Financial Statements reflect the purchase price allocation based on Blucora's best estimate of the fair value of the assets acquired and liabilities assumed. After giving effect to the HD

Vest acquisition as if it had occurred as of September 30, 2015, the purchase price allocation and excess purchase price over net assets acquired are as follows (in thousands):

7

---

## BLUCORA, INC.

## NOTES TO UNAUDITED PRO FORMA CONDENSED COMBINED CONSOLIDATED FINANCIAL STATEMENTS

Tangible assets acquired	\$77,181	
Liabilities assumed	(21,845)	)
Identifiable net assets acquired	\$55,336	
Fair value adjustments for intangible assets:		
Advisor relationships	\$240,300	
Sponsor relationships	16,500	
Curriculum	800	
Proprietary technology	13,600	
Trade name	52,500	
Fair value of intangible assets acquired	\$323,700	
Purchase price allocation:		
Cash paid	\$610,500	
Plus: promissory note	6,400	
Plus: non-controlling interest	15,038	
Less: escrow receivable	(20,000)	)
Purchase price	611,938	
Less: identifiable net assets acquired	(55,336)	)
Less: fair value of intangible assets acquired	(323,700)	)
Plus: deferred tax liability related to intangible assets	123,484	
Excess of purchase price over net assets acquired, allocated to goodwill	\$356,386	

Blucora's estimates of the economic lives of the acquired intangible assets are 14 years for the advisor relationships, 18 years for the sponsor relationships, 4 years for the curriculum, 6 years for the proprietary technology, and the trade name is estimated to have an indefinite life. Blucora plans to amortize the definite-lived intangible assets over their respective estimated lives. The pro forma adjustments (see "Note 4: Pro Forma Adjustments and Assumptions") include the amortization of the definite-lived intangible assets over their respective useful lives.

The promissory note is with the President of HD Vest and will be paid over a three-year period. The note bears interest at a rate of 5% per year.

The Purchase Agreement dictates that Blucora place into escrow \$20.0 million of additional consideration that is contingent upon HD Vest's 2015 earnings performance. The contingent consideration was not achieved; therefore, the amount has been excluded from the purchase price and recorded as a receivable for the amount that will be returned to Blucora from the escrow agent in the first half of 2016.

The purchase price in excess of the net assets acquired was allocated to goodwill. Goodwill consists largely of the increased cross-selling opportunities and expanded addressable markets for both HD Vest and TaxAct, neither of which apply for separate recognition, and is not expected to be deductible for income tax purposes. Goodwill and trade names are considered intangible assets with indefinite lives and will be tested for impairment at least annually, with Blucora's other indefinite-lived assets.

#### Note 3: Presentation Adjustments

Certain adjustments were made to conform the presentation of HD Vest's historical balance sheet and statements of earnings in a manner consistent with Blucora's presentation. These adjustments did not impact HD Vest's previously reported net earnings.

Presentation adjustments to the balance sheet:

- (A) To reclassify "Taxes receivable" to "Other receivables" for presentation purposes.
- (B) To reclassify the components of "Goodwill and intangible assets, net" to "Goodwill, net" and "Other intangible assets, net" for presentation purposes.
- (C) To reclassify debt issuance costs from "Deferred financing costs" to "Other long-term assets, net" for presentation purposes.

(G) To reclassify the components of "Depreciation and amortization" to "Depreciation" and "Amortization of intangible assets" for presentation purposes.

Note 4: Pro forma adjustments and assumptions

The pro forma adjustments reflected in the Unaudited Pro Forma Condensed Combined Consolidated Financial Statements represent estimated values and amounts based on available information and do not reflect cost savings that management believes would have resulted had the acquisition been completed as of the dates indicated above. For purposes of this pro forma information, an estimated effective tax rate of 38.5%, which includes the U.S. federal statutory tax rate and a blended state tax rate, has been used for all periods presented. This rate is an estimate and does not take into account any possible future tax events that may result for the ongoing combined company. Had the results of HD Vest's operations been included in Blucora's U.S. federal consolidated return for the periods presented, Blucora would have been able to offset HD Vest's U.S. taxable income against Blucora's net operating loss carryforwards.
