The Memorandum of Understanding contemplates that, upon the identification of such target, the target and our company will enter into a share exchange agreement, whereby the selling shareholders of the target will transfer all of the target's shares to our company in consideration for the issuance, by our company, of such number of our common shares equal to 93% of the issued and outstanding common shares in the capital of our company.

- 2 -

We can offer no assurance that the Nutmeg Group will be successful in identifying a suitable target business with which our company may enter into a share exchange agreement, nor can we offer any assurance that such agreement, if entered into with a suitable target business, will in fact close.
