Item 1.01 **Entry into a Material Definitive Agreement**

On December 28, 2005, the board of directors of Metro One Telecommunications, Inc. (the Company) approved the Metro One Telecommunications, Inc. Retention Plan (the Plan) to provide certain employees of the Company who possess specialized knowledge critical to the Company's business, including executive officers, with an incentive to remain in the employment of the Company. Under the Plan, participants shall be entitled to retention payments in an amount up to three weeks base pay per year of service at the employee's current rate, with a minimum payment of 26 weeks base pay at the employee's current rate. Exceptions to the amount may be made by the board of directors at the recommendation of the Chief Executive Officer (CEO). For an eligible employee to participate in the Plan, the eligible employee and the CEO will need to execute a written retention agreement containing the eligibility criteria and terms of payment (the Retention Agreement).

The participants under the Plan will be selected by the board of directors or its designee based on any or all of the following factors: position held, skills, and/or relative importance of skills to required tasks. A participant will generally be entitled, subject to the satisfaction of certain conditions such as satisfactory job performance, to 25% of the total retention payment the first regular pay day after the Retention Agreement is signed; an additional 25% half-way through the retention period, as determined by the board of directors or its designee based on certain circumstances or conditions; and the remaining 50% at the end of the retention period. If employment ends during the retention period due to employee's resignation or termination for Cause (as defined in the Retention Agreement), no retention payment will be paid. If the Company terminates the employee's employment without Cause, or the employee terminates his or her employment for Good Reason (as defined in the Retention Agreement) prior to the end of the retention period, the remaining amount of the retention payment will be paid.

The above summary is qualified in its entirety by reference to the Plan and form of Retention Agreement thereunder, copies of which are attached to this Form 8-K as Exhibit 10.1.
