Item 1.01 Entry into a Material Definitive Agreement.

On February 2, 2006, Vista Gold Corp. (the Company) entered into Subscription Agreements and a Warrant Indenture (each as defined below), in connection with the Company's completion of a non-brokered private placement financing in which the Company sold and issued a total of 649,684 units (the Units), at a price of U.S. \$5.05 per Unit for aggregate proceeds of U.S. \$3,280,904. Each Unit consists of one common share of the Company and one common share purchase warrant to acquire an additional common share of the Company. The financing was effected pursuant to that certain Subscription Agreement dated on or before February 2, 2006 (the Subscription Agreement) between the Company and each purchaser. The terms of the warrants are set forth in the Warrant Indenture, also dated February 2, 2006 (the Warrant Indenture), between the Company and Computershare Trust Company of Canada, as Trustee. Each warrant will entitle the holder to acquire one common share at an exercise price of U.S. \$6.00 for a period of two years from the date of issue. The Company is to register for resale, under the U.S. Securities Act of 1933, the common shares issued in the placement, as well as the common shares issuable upon the exercise of warrants.

The preceding descriptions of the terms of the Subscription Agreement and Warrant Indenture are qualified in their entirety by reference to the forms of these documents, copies of which have been filed herewith as Exhibit 4.1 and Exhibit 10.1, respectively and each of which is incorporated herein by reference.

The proceeds from the private placement will be used to supplement the Company's working capital following its expenditure in December 2005 of U.S. \$5.2 million as partial consideration for the acquisition of the Hycroft Royalty and approximately 20,000 acres of mineral claims in Nevada, as previously reported, and for continuation of the Company's strategy of acquiring additional gold resources, as suitable opportunities arise; improving the Company's gold projects through additional drilling, re-engineering and feasibility studies; and to pay on-going administration costs. On February 2, 2006, the Company issued a press release reporting the closing of this financing. The press release is furnished as Exhibit 99.1 and is attached hereto.

Item 3.02 Unregistered Sales of Equity Securities.

The disclosures included in Item 1.01 are incorporated into this Item 3.02 by reference.

The sale and issuance of securities pursuant to the Subscription Agreements were exempt from the registration requirements of the Securities Act of 1933 (the Act) pursuant to Section 4(2) of the Act and Rule 506 of Regulation D promulgated thereunder. Each purchaser is an accredited investor under the Act, and the securities were sold without any general solicitation by the Company.
