Establishment of 2006 Annual Cash Incentive Award Opportunities

At a meeting of the Compensation Committee held on February 2, 2006, the Compensation Committee established 2006 annual cash incentive award opportunities under the Louisiana-Pacific Corporation Annual Cash Incentive Award Plan, subject to the achievement of specified performance goals. The award opportunities are based on a combination of corporate performance and individual performance. The award opportunities for LP's executive officers are as follows: Mr. Frost, 75% of base salary, or \$528,000; Mr. Stevens, 55% of base salary, or \$233,200; Mr. Stanton, 55% of base salary, or \$163,020; and Mr. Wagner, 45% of base salary, or \$107,258.

The performance goals for each executive officer are based 60% on LP's corporate performance as measured by target earnings per share and 40% on objective individual goals unique to each of them. Depending upon the extent to which performance goals are determined to have been met, the actual amount paid as a cash incentive award could range from 0% to 200% of the target amount relating to corporate performance and from 0% to 150% of the target amount relating to individual performance. The applicability of specified potential adjustments to reported earnings per share for computational purposes, and the satisfaction of corporate and individual performance goals, will be determined by the Compensation Committee following the end of 2006. Cash payments, if any, will be made as soon as practicable after the determination of the amount of the awards.

The business criteria on which individual performance goals are based include financial, strategic and other goals related to the performance of LP (in the case of Mr. Frost), specified business units (in the cases of Messrs. Stanton and Wagner) or specified functional areas (in the case of Mr. Stevens) for which an executive has responsibility and goals related to success in developing and implementing particular tasks assigned to an individual executive. These goals, therefore, vary depending upon the responsibilities of individual executives. Goals for one or more of LP's executive officers include goals related to EBITDA and cash flow levels, execution of capital expenditure plans, strategic planning and execution, dispositions of specified assets, quality control, safety measures, success in developing and implementing particular management plans or systems, leadership, succession planning, relationships with specified constituencies and other specified goals.
