**Item 1.01 Entry into a Material Definitive Agreement.**

On May 8, 2007, Vista Gold Corp. (the Company), Allied Nevada Gold Corp. (Allied Nevada) and Carl and Janet Pescio (the Pescios) entered into an Amendment to Arrangement and Merger Agreement (the Amendment), amending the previously disclosed Arrangement and Merger Agreement, dated September 22, 2006, as amended, by and among the parties (the Arrangement Agreement). Pursuant to the Amendment, the Company and the Pescios agreed to contribute additional unpatented mining claims to Allied Nevada, as reflected on Schedules B and C, respectively, to the Arrangement Agreement.

As of the date of the Amendment, Allied Nevada was a wholly-owned subsidiary of the Company.

The Amendment is filed as Exhibit 10.1 to this Form 8-K and is incorporated herein by reference.

**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On May 10, 2007, the closing of the previously announced plan of arrangement involving the Company, Allied Nevada and the Pescios (the Arrangement) pursuant to the Arrangement Agreement occurred, resulting in, among other things, the transfer by the Company of its Nevada-based mining properties and related assets (the Vista Nevada Assets) to Allied Nevada, as summarized below.

Pursuant to the Arrangement, the Company transferred ownership of the Vista Nevada Assets and \$25 million in cash to Allied Nevada, in return for 26,933,055 shares of the Common Stock, \$0.001 par value per share, of Allied Nevada (the Allied Nevada Shares). Also as part of the Arrangement, the Pescios transferred their interests in certain Nevada-based mining properties and related assets (the Pescio Nevada Assets) to Allied Nevada in exchange for 12,000,000 Allied Nevada Shares and \$15 million in cash. Of the \$25 million in cash paid by the Company to Allied Nevada, \$15 million was paid to the Pescios as described in the preceding sentence. The remaining \$10 million, less costs and expenses or any amounts required to pay amounts owing to the Company, will be used by Allied Nevada to fund exploration and development projects and ongoing commitments.

Concurrently with the these transfers, the Company's shareholders exchanged each of their Vista common shares for, subject to applicable withholding taxes (a) one of a newly created class of Vista common shares (the Vista New Shares), (b) 0.794 of an Allied Nevada Share and (c) any payment they are entitled to receive in lieu of a fractional share of Allied Nevada. An aggregate of 32,067,969 Vista New Shares and 25,403,207 Allied Nevada Shares were received by Company shareholders in the foregoing exchange.

In addition, holders of options to acquire Vista common shares exchanged their Vista options for options to acquire Allied Nevada Shares and options to acquire Vista New Shares. Holders of warrants of Vista will have their warrants adjusted in accordance with the terms of the warrants. Under the terms of the Arrangement Agreement, the numbers and exercise prices of the

options to acquire Allied Nevada Shares and options to acquire Vista New Shares to be exchanged in connection with the Arrangement, will be determined pursuant to the Arrangement.

Summary information concerning the Vista Nevada Assets is provided below. More detailed information can be found in the Company's definitive proxy statement on Schedule 14A, filed with the SEC on October 20, 2006.

The Vista Nevada Assets consist of six mineral projects, all of which are located in Nevada, including the Hycroft mine, the Wildcat, Maverick Springs, Mountain View, Hasbrouck and Three Hills projects and properties held through F.W. Lewis, Inc.

Prior to completion of the Arrangement, Allied Nevada was a wholly-owned subsidiary of the Company. The consideration provided by Allied Nevada to the Company and to the Pescios in connection with the Arrangement was determined as the result of arm's-length negotiations conducted among representatives of the Company, Allied Nevada and the Pescios. The principal determinations were made in negotiations between Michael Richings, President and Chief Executive Officer of the Company and Carl Pescio, both of whom have years of experience in the mining industry and considerable knowledge about Nevada mining properties. Factors considered in these determinations included information as to property location, deposit type and stage of development, as well as market valuation estimates including current estimates for the Vista Nevada Assets based on the Company's market capitalization and the parties' own estimates of market valuation of Allied Nevada as constituted after completion of the Arrangement.

### **Item 3.02 Unregistered Sales of Equity Securities.**

The disclosures included in Item 2.01 are incorporated into this Item 3.02 by reference.

The exchanges by the Company, pursuant to the Arrangement, of Vista New Shares and Allied Nevada Shares for the Vista common shares held by the Company's shareholders, as well as applicable option exchanges, were made in reliance on the exemption from registration requirements of the Securities Act of 1933, as amended (the Securities Act) provided under Section 3(a)(10) of the Securities Act.

Section 3(a)(10) of the Securities Act exempts from registration a security that is issued in exchange for outstanding securities where the terms and conditions of such issuance and exchange are approved, after a hearing upon the fairness of such terms and conditions at which all persons to whom it is proposed to issue securities in such exchange have the right to appear, by a court or by a governmental authority expressly authorized by law to grant such approval. The Supreme Court of the Yukon Territory, an authorized court, approved the Arrangement via final order dated November 29, 2006.
